REGULATION (EEC) No 3065/73 OF THE COUNCIL

of 9 November 1973

increasing the amount of the Community tariff quota for unwrought magnesium falling within heading 77.01 A of the Common Customs Tariff

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community and in particular Article 113 thereof;

Having regard to the proposal from the Commission;

Whereas a Community tariff quota for unwrought magnesium falling within heading No 77.01 A of the Common Customs Tariff was opened for 1973 and apportioned between the Member States by Regulation (EEC) No 2737/72⁽¹⁾ and by Regulation (EEC) No 1654/73⁽²⁾;

Whereas, on the basis of the most recent economic data for 1973 as regards consumption, production, exports to third countries, imports under inward processing traffic, and in view of the abnormal stocks in certain Member States, it is estimated that the Community's requirements for imports from third countries, may, in 1973 reach the level of 20 180 metric tons; whereas a total quota amount of 13 000 metric tons has already been opened by the Council; whereas, this quota should be raised by 7 180 metric tons; whereas, moreover, having regard to the stocks held on 31 December 1972 in one Member State and also the large quantities available within the Community, it is estimated that the additional import requirements for unwrought magnesium from third countries amount to 180 metric tons of unwrought magnesium containing not less than 99.8 % pure magnesium by weight (unalloyed unwrought magnesium) and 7 000 metric tons of unwrought magnesium containing less than 99.8 % pure magnesium by weight (unwrought magnesium in alloy),

HAS ADOPTED THIS REGULATION:

Article 1

1. The Community tariff quota for unwrought magnesium falling within Heading No 77.01 A of the

⁽¹⁾ OJ No L 291, 28. 12. 1972, p. 129.

⁽²⁾ OJ No L 166, 23. 6. 1973, p. 5.

Common Customs Tariff, opened by Regulation (EEC) No 2737/72 and Regulation (EEC) No 1654/73, shall be increased from 13 000 metric tons to 20 180 metric tons.

2. This additional amount of 7 180 metric tons shall consist of:

- (a) 180 metric tons of unwrought magnesium containing not less than 99.8 % pure magnesium by weight; and
- (b) 7 000 metric tons of unwrought magnesium containing less than 99.8 % pure magnesium by weight (unwrought magnesium in alloy).

Article 2

1. A first instalment of the quotas referred to in Article 1⁽²⁾, of 150 metric tons of unalloyed unwrought magnesium and 6 000 metric tons of unwrought magnesium in alloy respectively shall be apportioned between Member States as follows:

(a) Unalloyed unwrought magnesium:

Benelux	55 metric tons
France	1 metric ton
Germany	93 metric tons
Italy	1 metric ton

(b) Unwrought magnesium in alloy:

Benelux	124 metric tons
France	13 metric tons
Germany	5 850 metric tons
Italy	13 metric tons

2. The Community reserves for the two grades of unwrought magnesium provided for in Article 2 (2) of Regulation (EEC) No 2737/72, one of which was increased by Regulation (EEC) No 1654/73, shall be raised respectively from:

- (a) 50 metric tons to 80 metric tons for unalloyed unwrought magnesium ; and
- (b) 6 880 metric tons to 7 880 metric tons for unwrought magnesium in alloy.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 9 November 1973.

For the Council

The President

Per HÆKKERUP

REGULATION (EEC) No 3066/73 OF THE COMMISSION**of 13 November 1973****fixing the levies on cereals and on wheat or rye flour, groats and meal**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community ;

Having regard to Council Regulation No 120/
67/EEC ⁽¹⁾ of 13 June 1967 on the common organiza-
tion of the market in cereals, as last amended by Regu-
lation (EEC) No 1346/73 ⁽²⁾, and in particular Article
13 (5) thereof ;

Having regard to the Opinion of the Monetary
Committee ;

Whereas the import levies on cereals, wheat and rye
flour, and wheat groats and meal were fixed by Regula-
tion (EEC) No 2076/73 ⁽³⁾ and subsequent amending
Regulations ;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis :

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity ;

- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph ;

Whereas it follows from applying the provisions
contained in Regulation (EEC) No 2076/73 to the
offer prices and today's quotations known to the
Commission that the levies at present in force should
be altered as shown in the Annex to this Regulation ;

HAS ADOPTED THIS REGULATION :

Article 1

The import levies to be charged on the products listed
in Article 1 (a), (b) and (c) of Regulation No 120/
67/EEC are hereby fixed as shown in the Table
annexed to this Regulation.

Article 2

This Regulation shall enter into force on 14
November 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 13 November 1973.

ANNEX

to the Commission Regulation of 13 November 1973 fixing the levies on cereals and on wheat or rye flour, groats and meal

CCT heading No	Description of goods	u.a./ton
10.01 A	Common wheat and meslin	0
10.01 B	Durum wheat	0 ⁽¹⁾⁽⁴⁾
10.02	Rye	14.37 ⁽⁵⁾
10.03	Barley	12.46
10.04	Oats	2.57
10.05 B	Maize other than hybrid maize for sowing	8.09 ⁽²⁾⁽³⁾
10.07 A	Buckwheat	0
10.07 B	Millet	11.99
10.07 C	Grain sorghum	5.15
10.07 D	Canary seed ; other cereals	0 ⁽⁴⁾
11.01 A	Wheat or meslin flour	0
11.01 B	Rye flour	38.86
11.02 A I a	Durum wheat groats and meal	0
11.02 A I b	Common wheat groats and meal	0

⁽¹⁾ Where durum wheat originating in Morocco is transported directly from that country to the Community, the levy is reduced by 0.50 u.a./metric ton.

⁽²⁾ Where maize originating in the AASM and OCT is imported into the French Overseas Departments, the levy is reduced by 6 u.a./metric ton.

⁽³⁾ Where maize originating in Tanzania, Uganda and Kenya is imported into the Community, the levy is reduced by 1 u.a./metric ton.

⁽⁴⁾ Where wheat and canary seed produced in Turkey are transported directly from that country to the Community, the levy is reduced by 0.50 u.a./metric ton.

⁽⁵⁾ The import levy charged on rye produced in Turkey and transported directly from that country to the Community is laid down in Council Regulation (EEC) No 1234/71 and Commission Regulation (EEC) No 2622/71.

REGULATION (EEC) No 3067/73 OF THE COMMISSION**of 13 November 1973****fixing the premiums to be added to the levies on cereals, flour and malt**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 ⁽²⁾, and in particular Article 15 (6) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas the premiums to be added to the levies on cereals and malt were fixed by Regulation (EEC) No 2077/73 ⁽³⁾ and subsequent amending Regulations ;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each

of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas, on the basis of today's cif prices and cif forward delivery prices, the premiums at present in force, which are to be added to the levies, should be altered as shown in the Tables annexed to this Regulation ;

HAS ADOPTED THIS REGULATION :

Article 1

The scale of the premiums to be added, pursuant to Article 15 of Regulation No 120/67/EEC, to the import levies fixed in advance in respect of cereals and malt is hereby fixed as shown in the Tables annexed to this Regulation.

Article 2

This Regulation shall enter into force on 14 November 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 13 November 1973.

REGULATION (EEC) No 3068/73 OF THE COMMISSION
of 13 November 1973
altering the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 ⁽²⁾, and in particular the second sentence of the first subparagraph of Article 16 (4) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas, the corrective amount applicable to the refund on cereals was fixed by Regulation (EEC) No 3028/73 ⁽³⁾ and subsequent amending Regulations ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;

- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas, on the basis of today's cif prices and cif forward delivery prices, taking foreseeable developments on the market into account, the corrective amount at present applicable to the refund on cereals should be altered ;

HAS ADOPTED THIS REGULATION :

Article 1

The corrective amount referred to in Article 16 (4) of Regulation No 120/67/EEC which is applicable to the export refunds fixed in advance in respect of cereals is hereby altered as shown in the Table annexed to this Regulation.

Article 2

This Regulation shall enter into force on 14 November 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 13 November 1973.

REGULATION (EEC) No 3069/73 OF THE COMMISSION

of 13 November 1973

fixing the import levies on white sugar and raw sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 1009/67/EEC⁽¹⁾ of 18 December 1967 on the common organization of the market in sugar, as last amended by Regulation (EEC) No 1928/73⁽²⁾, and in particular Article 14 (7) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas the import levies on white sugar and raw sugar were fixed by Regulation (EEC) No 1738/73⁽³⁾ and subsequent amending Regulations;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each

of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying the rules and other provisions contained in Regulation (EEC) No 1738/73 to the information at present available to the Commission that the levies at present in force should be altered as shown in the Annex to this Regulation;

HAS ADOPTED THIS REGULATION:

Article 1

The levies referred to in Article 14 (1) of Regulation No 1009/67/EEC are, in respect of white sugar and standard quality raw sugar, hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 14 November 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 13 November 1973.

⁽¹⁾ Applicable to raw sugar with a yield of 92 %; if the yield is other than 92 %, the levy applicable is calculated in accordance with the provisions of Article 2 of Regulation (EEC) No 837/68.

REGULATION (EEC) No 3070/73 OF THE COMMISSION
of 13 November 1973
fixing the average producer prices for wine

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 816/70⁽¹⁾ of 28 April 1970 laying down additional provisions for the common organization of the market in wine as last amended by Regulation (EEC) No 2592/73⁽²⁾, and in particular Article 4 (1) thereof;

Whereas Article 4 of Regulation (EEC) No 816/70 provides that an average producer price must be fixed for each type of wine for which a guide price is fixed; whereas this average price must be fixed for each marketing centre for the type of wine in question on the basis of all the facts available;

Whereas the marketing centres for table wines are determined in Commission Regulation (EEC) No 1020/70⁽³⁾ of 29 May 1970 on recording quotations and fixing average prices for table wines, as last amended by Regulation (EEC) No 765/72⁽⁴⁾;

Whereas Article 10 of Regulation (EEC) No 1020/70 provides that the average price must be fixed on the basis of the average of the quotations notified, particular account being taken of the extent to which these quotations are representative, the comments of the Member States, and the alcoholic strength and quality of table wines which have been the subject of transactions;

Whereas arrangements for the notification by the Member States of quotations and information related thereto are specified in Regulation (EEC) No 1020/70; whereas, where this information is not available for any marketing centre, the average price for the preceding week must be maintained;

Whereas the average price for the type of wine in question must be fixed per degree/hl or per hl as appropriate; whereas, if the Tuesday is a public holiday, the average price must be fixed on the following working day;

Whereas it follows from applying these rules to the information at present available to the Commission that the average price should be fixed as shown in the Annex to this Regulation;

HAS ADOPTED THIS REGULATION:

Article 1

The average prices referred to in Article 4 (1) of Regulation (EEC) No 816/70 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 14 November 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 13 November 1973.

REGULATION (EEC) No 3071/73 OF THE COMMISSION**of 13 November 1973****amending Regulation (EEC) No 2537/72 on invitations to tender for the supply of butteroil for the World Food Programme**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 ⁽¹⁾ of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by the Act ⁽²⁾ concerning the Conditions of Accession and the adjustments to the Treaties, and in particular Article 6(7) thereof;

Whereas Article 13(2) of Commission Regulation (EEC) No 2537/72 ⁽³⁾ of 4 December 1972 on invitations to tender for the supply of butteroil for the World Food Programme, as last amended by Regulation (EEC) No 1398/73 ⁽⁴⁾, provides for payment of the WFP of a fixed contribution of 87.5 units of account per metric ton of butteroil delivered towards forwarding and distribution charges;

Whereas the Agreement concluded between the Community and the WFP fixed this contribution at 95 US dollars per metric ton of butteroil; whereas

because of the fluctuations in the dollar, the amount expressed in units of account must be replaced, with retroactive effect, by the amount stated in the aforesaid Agreement;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

In Article 13(2) of Regulation (EEC) No 2537/72, the amount '87.5 units of account' is replaced, with effect from 7 December 1972, by the amount '95 US dollars'.

Article 2

This Regulation shall enter into force on the day of its publication in the Official Journal of the European Communities.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 3072/73 OF THE COMMISSION**of 13 November 1973****amending Regulation (EEC) No 2112/73 authorizing the United Kingdom to suspend customs duties on certain products listed in Article 1 (2) of Regulation No 136/66/EEC on the establishment of a common organization of the market in oils and fats**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty ⁽¹⁾ concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed on 22 January 1972, and in particular Article 59 (4) of the Act annexed thereto ;

Whereas Regulation (EEC) No 2112/73 ⁽²⁾ of the Commission of 1 August 1973 authorized the United Kingdom to suspend completely customs duties applicable to the importation from other Member States of certain products falling within the oils and fats sector, until 31 October 1973 ;

Whereas the Government of the United Kingdom has requested permission to maintain this compete suspension beyond the date mentioned above ;

Whereas, in view of the situation on the world market, this request should be granted ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

In Article 1 of Regulation (EEC) No 2112/73, the words 'until 31 October 1973' shall be deleted.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall be applicable from 1 November 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

1. Name and address of the authority awarding the contract (Article 16e)⁽¹⁾:
2. The award procedure chosen (Article 16b):
3. a) The site (Article 16c):
 - b) The nature and extent of the services to be provided and the general nature of the work (Article 16c):
 - c) If the contract is subdivided into several lots, the size of the different lots and the possibility of tendering for one, for several, or for all of the lots (Article 16c):
 - d) Information relating to the purpose of the contract if the contract entails the drawing up of projects (Article 16c):
4. Any time limit for the completion of the works (Article 16d):
5. a) Name and address of the service from which the contract documents and additional documents may be requested (Article 16f):
 - b) The final date for making such request (Article 16f):
 - c) Where applicable, the amount and terms of payment of any sum payable for such documents (Article 16f):
6. a) The final date for receipt of tenders (Article 16g):
 - b) The address to which they must be sent (Article 16g):
 - c) The language or languages in which they must be drawn up (Article 16g):
7. a) The persons authorized to be present at the opening of tenders (Article 16h):
 - b) The date, time and place of this opening (Article 16h):
8. Any deposits and guarantees required (Article 16i):
9. The main procedure for financing and payment and/or references to the instruments regulating these (Article 16j):
10. Where applicable, the specific legal form which must be assumed by the group of contractors to whom the contract is awarded (Article 16k):
11. The minimum economic and technical standards required of the contractors (Article 16l):
12. Period during which the tenderer is bound to keep open his tender (Article 16m):
13. Criteria for the award of the contract. Criteria other than that of the lowest price shall be mentioned if they do not appear in the contract documents (Article 29):
14. Other information:
15. The date of despatch of the notice (Article 16a):

⁽¹⁾ The Articles in brackets refer to Council Directive No 71/305/EEC of 26 July 1971 (OJ No L 185, 16. 8. 1971, p. 5).

B. Restricted procedures

1. Name and address of the authority awarding the contract (Article 17a)(¹):
2. The award procedure chosen (Article 17a):
3. a) The site (Article 17a):
b) The nature and extent of the services to be provided and the general nature of the work (Article 17a):
c) If the contract is subdivided into several lots, the size of the different lots and the possibility of tendering for one, for several or for all of the lots (Article 17a):
d) Information relating to the purpose of the contract if the contract entails the drawing up of projects (Article 17a):
4. Any time limit for the completion of the works (Article 17a):
5. Where applicable, the specific legal form which must be assumed by the group of contractors to whom the contract is awarded (Article 17a):
6. a) The final date for the receipt of requests to participate (Article 17b):
b) The address to which they must be sent (Article 17b):
c) The language or languages in which they must be drawn up (Article 17b):
7. The final date for the dispatch of invitations to tender (Article 17c):
8. Information concerning the contractor's personal position, and the minimum economic and technical standards required of him (Article 17d):
9. The criteria for the award of the contract if these are not stated in the invitation to tender (Article 18d):
10. Other information:
11. The date of despatch of the notice (Article 17a):

(¹) The Articles in brackets refer to Council Directive No 71/305/EEC of 26 July 1971 (OJ No L 185, 16. 8. 1971, p. 5).

Open procedure

1. The 'Land' of Berlin, represented by the Senator für Bau- und Wohnungswesen, 1 Berlin 31, Württembergische Straße 6-10, Federal Republic of Germany.
 2. Public invitation to tender pursuant to the regulations governing construction work contracts — Part A (VOB/A).

12. 10 December 1973 until 10 March 1974.
13. In accordance with § 25 VOB/A, the contract will be awarded to the tender which, taking into consideration all technical and economic aspects, appears the most acceptable.
- 14.
15. 30 October 1973.

Restricted procedure

1. Wasser- und Schifffahrtsverwaltung des Bundes
Neubauamt Oberrhein, D — 7550 Rastatt, Platanen-
straße 7, Federal Republic of Germany — Tel.
07222/3 50 85 — 87.
 2. Restricted invitation to tender pursuant to the regula-
tions governing construction work contracts — Part A
(VOB/A).
 3. a) Right bank of the Rhine between Rhine-km 314.8
and 333.6 in the district of Rastatt.
b) Grout curtain below Rhine embankments to be
injected by 'Schmalwand' (thin walling) method.
Main quantities :
approx. 100 000 m² underground diaphragms up to
10 m deep,
approx. 80 000 m² underground diaphragms up to 15
m deep.
c) Three lots (sections).
Tenders may also be submitted for separate lots.
The three lots may be awarded separately or together.
d) Special methods will be considered.
 4. All lots must be completed by 1 June 1975 (provisional).
 5. Consortia may tender.
 6. a) 26 November 1973.
b) Address as in 1.
 - c) German.
 7. 20 December 1973.
 8. Applicants must state the names of all subcontractors
and suppliers. All these firms, as well as applicants, must
provide substantiable evidence of the following :
 - applicant's turnover in the past three full business
years, in building and other projects comparable with
the work being put out to tender, including appli-
cant's share in consortia or with other joint bidders ;
 - projects completed which are comparable in location,
scope and completion time with the work being put
out to tender ;
 - average numbers of employees per year in the past
three full business years, by trades and skills ;
 - technical equipment available to the applicant for
completion of the work specified ;
 - head office entry in the Trade Register.
 9. In accordance with § 25 VOB/A, the contract will be
awarded to the tender which, in consideration of all
economic and technical aspects, appears the most accep-
table.
 - 10.

-

Restricted procedure

1. Wessex Regional Hospital Board, Highcroft, Romsey Road, Winchester, Hampshire, England.
2. Lowest acceptable tender in competition among selected contractors.
3. a) Queen Alexandra Hospital, Cosham, Portsmouth, Hampshire.
b) Construction of two 9 storey residential blocks of concrete frame with infill for hospital staff with associated site works, the total cost of which is estimated to be £ 500 000 to £ 600 000. Nominated sub-contractors may be recommended for electrical and mechanical services. The cost of the electrical work amounts to approximately £ 80 000 and that of the mechanical work to approximately £ 120 000.
c)
d)
4. Contract period — 24 months.
5. Each firm comprised in the group to become jointly and severally responsible for the contract.
6. a) 17 December 1973.
b) The Secretary, Wessex Regional Hospital Board, Highcroft, Romsey Road, Winchester, Hampshire, England.
c) English.
7. Expected 1 March 1974.
8. Proof of financial standing is to be given by the following :
 - Proof of inscription of the company on a professional register of the companies register in the United Kingdom or Ireland.
 - Appropriate statements from bankers.
 - The presentation of the firm's latest balance sheets or extracts from the balance sheets together with their profit and loss accounts.
 - Statements of the firm's overall turnover and the turnover on construction works for three previous financial years.
9. Proof of technical knowledge or ability is to be furnished by :
 - The contractor's educational and professional qualifications and/or those of the firm's managerial staff, and, in particular, those of the person or persons responsible for carrying out the works.
 - A list of the works carried out over the past five years, accompanied by certificates of satisfactory execution for the most important works. These certificates shall indicate
 - The value, date and site of the works and shall specify whether they were carried out according to rules of the trade and properly completed. Where necessary, the competent authority shall submit these certificates to the authority awarding contracts direct.
 - A statement of the tools, plant and technical equipment available to the contractor for carrying out the work.
 - A statement of the firms average annual manpower and the number of managerial staff for the past three years.
 - A statement of the technical divisions which the contractor can call upon for carrying out the work, whether or not they belong to the firm.
 - Whether the contractor proposes to use his own labour force or to rely on locally recruited labour.
9. Stated in invitation to tender (See also 2).
10. The contract will be based on the general conditions of the Royal Institute of British Architects form of contract. Price fluctuation of labour rates and materials will not be permitted. Progress payments will be made monthly on the basis of a valuation of certified work done and materials delivered to site.
11. 2 November 1973.

Restricted procedure

1. The Council of The County Borough of South Shields, Town Hall, South Shields, County Durham, United Kingdom.
 2. Restricted invitation to tender.
 3. a) Palatine Street Redevelopment South Shields, County Durham, United Kingdom.
b) The erection, in traditional brick construction of 60 dwellings in two and three storey terrace houses and flats and sheltered accommodation comprising 24 one and two person flatlets in one and two storeys, together with Wardens bungalow and communal facilities complete with external works including roads, sewers and public footpaths.
c) The contract will not be sub-divided into different lots.
d) The contract does not involve the drawing up of plans.
 4. The tenderers will be required to state in the tender the time required for completion and will be required to submit a programme for the works.
 5. The contractor must be a registered company.
 6. a) 3 December 1973.
b) The Borough Engineer and Surveyor, Town Hall, South Shields, County Durham, United Kingdom.
c) English.
 7. 10 December 1973 for tenders to be returned by 14 January 1974.
 8. Contractors are requested to produce the following information :
 - Proof as required by Article 23 of Council Directive No 71/305/EEC of 26 July 1971 that none of the cases mentioned in Article 23 apply to the contractor.
 - Proof of the contractor's financial and economic standing as set out in Article 25 (a), (b) and (c) of the above Directive including production of certified copies of the contractor's balance sheets or annual accounts for the three previous financial years whether publication of the balance sheets or annual accounts is required by law or not.
 - Proof of the contractor's technical knowledge and ability as set out in Article 26 (a), (b), (c), (d) and (e) of the above Directive.
 9. The lowest satisfactory tender.
 10. — Tenders will be fixed price and the conditions of contract will be those laid down in the Standard Form of Building Contract, Local Authorities Edition With Quantities 1963 Edition (July 1973 Revision), issued by the Joint Contracts Tribunal.
 - Tenders are to be invited in accordance with the Code of Procedure for Selective Tendering issued by the National Joint Consultative Committee.
 - Tenderers will be required to submit priced Bills of Quantities in a sealed envelope with their tender.
 - The successful contractor will be required to enter into a Contract Guarantee Bond for the due performance of the contract in a sum amounting to ten per cent of the tender amount as provided in the Contract Documents.
 11. 2 November 1973.
-

Restricted procedure

1. Town Council of the Burgh of Airdrie, Municipal Buildings, Airdrie, Scotland.
2. Lowest acceptable offer in competition among selected tenderers.
3. a) Near the junction of the Glasgow/Bathgate A.89 road and the Calderbank/Airdrie B. 802, road, and generally is located in the town centre of Airdrie.
b) 905 m of 10 m wide carriageway of flexible construction having approximately 18 500 m³ of cut and 23 500 m³ of fill.
740 m of 7 m wide access roads of flexible construction.
Approximately 2 hectares of public car parking and commercial servicing areas.
Drainage — 730 m of 150 to 750 mm diameter foul and combined sewers.
700 m of 450 to 1 425 mm diameter concrete culverts.
1 390 m of 150 to 300 mm diameter surface water drains.
Structures — Footbridge No 1 — reinforced concrete, 5 spans of 20 m and ramped approaches.
Footbridge No 2 — reinforced concrete, central span of 14 m and ramps and stairs.
Underpass No 1 — Reinforced concrete, 14 m long by 6 m span.
Underpass No 2 — Reinforced concrete, 20 m long by 3 m span.
Underpass No 3 — Reinforced concrete, 14 m long by 4.3 m span.
Retaining structure to be constructed by Terre Armée being 250 m long and average height of 8 m.
The estimated cost of the whole works is between £ 700 000 and £ 1 million.
c) The contract consists of one lot.
d)
4. 18 months from the date of commencement of the works as notified by the engineer to the contract.
5. In the event of a group of contractors submitting an acceptable offer it will be necessary for each member of the group to sign an undertaking that each company or firm in the group will be jointly and severally responsible for the due performance of the contract.
6. a) 30 November 1973.
b) Town Clerk, Municipal Buildings, Bank Street, Airdrie, Scotland — Tel. Airdrie 62453.
c) English.
7. Approximately mid-April, 1974.
8. Candidate companies must provide with their application the following :
 - Proof of inscription of the company on a professional register or the Companies Register in the United Kingdom or Ireland.
 - Balance sheet/accounts for the past three years including a statement of turnover on construction work and proportion of turnover on civil engineering work.
 - A statement of the technical qualifications of the managerial and supervisory staff who would be responsible for executing the work, and any previous experience of United Kingdom construction practice.
 - A list of jobs over 1 million units of account carried out during the past five years, the value and site of each job and the authority for whom executed.
 - Details of plant and machinery available for executing the work.
 - A statement of whether the contractor proposes to use his own labour force or to rely on locally recruited labour.
9. Details of the award criteria will be shown in the tender invitation.
10. The contract will be based on the Institution of Civil Engineers Conditions of Contract for use in connection with Works of Civil Engineering Construction (Fifth Edition) as modified by the Scottish Development Department for use in highway works contracts, the Specification for Road and Bridge Works, Drawings and Bill of Quantities. Price fluctuations on labour and materials will not be permitted. Interim payments will be made monthly on the basis of the valuation of work executed and materials delivered to the site.
11. 1 November 1973.

Restricted procedure

1. Irvine Development Corporation, Perceton House, Irvine, Ayrshire KA11 2AL, United Kingdom.
 2. Lowest acceptable offer in competition among selected contractors.
 3. a) Bourtreehill Housing Development, Phase 5, Irvine.
b) Erection of 6 single storey, 235 two storey, 27 three storey houses and 80 garages in traditional British construction, including associated external and site works. Estimated cost is in the range £ 2 000 000 to £ 2 250 000.
c)
d)
 4. Anticipated that construction will commence in May, 1974 with a contract period of 22 months.
 5. Standard Form of Building Contract, (Local Authorities Edition with Quantities) 1963 Edition (July 1973 Revision), issued by the Joint Contracts Tribunal, as amended by the Scottish Supplement July, 1973.
 6. a) 12 noon B.S.T. on 26 November 1973.
b) Peter R. Thompson, Chief Quantity Surveyor/Coordinator, Department of Quantity Surveying and Technical Administration, Irvine Development Corporation, Perceton House, Irvine, Ayrshire, KA11 2AL, United Kingdom.
 - c) English.
 7. 14 January 1974.
 8. Applicants should give full particulars of their company, including the names of principals and bankers together with bankers' statement and copy of firm's balance sheet, a brief description and value of works recently executed including the names of clients and architects for whom such works have been carried out, details of the technical resources upon which the Contractor can call for the execution of the work and any other information considered appropriate.
 9. Will be stated in invitation to tender.
 10. It is the Corporation's intention to negotiate subsequent rental housing contracts in the Bourtreehill Area, and adjoining areas, with the successful contractor, subject always to satisfactory performance and the financial benefits of continuity being reasonably reflected in the negotiated prices.

Contractors wishing to submit a tender based on their own alternative form of construction may be considered for inclusion in the select tender list.
 11. 30 October 1973.
-

Restricted procedure

1. The Board of Governors of the United Leeds Hospitals, The General Infirmary, Great George Street, Leeds 1, England.
2. Lowest acceptable offer in competition among selected contractors.
3. a) Clarendon Road, Leeds.
b) Mechanical installation for the first phase of the new General Infirmary including heating, air conditioning, ventilation, sanitary, disposal, water, gas and medical gas installations. The accommodation will comprise obstetric, gynaecology and paediatric units with operating theatres, diagnostic x-ray, pathology, catering, stores and some teaching accommodation. Deep planned and partially air-conditioned building, area 48 000 m², five storeys. Steel framed with precast concrete floors.
The mechanical installation, worth approximately £ 2 250 000, will be the subject of a nominated sub-contract in the same terms as the main contract, which will be based on the Standard Form of Building Contract, Local Authorities Edition, With Quantities.
c)
d) Not applicable.
4. From 1 October 1974 to 30 June 1978.
- 5.

b) B. Philpott FIHVE, Building Design Partnership, Vernon Street, Moor Lane, Preston, Lancashire PR1 3PQ, England.
c) English.
7. 1 March 1974.
8. Candidates shall furnish proof of their financial and economic standing by the following references :
— appropriate statements from bankers ;
— the presentation of the firm's balance sheets or extracts from the balance sheets, where publication of the balance sheet is required under company law in the country in which the contractor is established ;
— a statement of the firm's overall turnover and the turnover on construction works for the three previous financial years.
9. Lowest acceptable offer in competition.
10. — The tenders will be opened in the presence of Members of the Board of Governors on Monday 6 May 1974, the public not being invited.
— It is the intention of the awarding authority to negotiate further phases with the successful contractor.
11. 30 October 1973.

Candidates shall also furnish proof of their technical knowledge or ability by the following :

- the contractor's educational and professional qualifications and/or those of the firm's managerial staff, and, in particular, those of the person or persons responsible for carrying out the works ;
- a list of the works carried out over the past five years, accompanied by certificates of satisfactory execution for the most important works. These certificates shall indicate the value, date and site of the works and shall specify whether they were carried out according to the rules of the trade and properly completed. Where necessary, the competent authority shall submit these certificates to the authority awarding contracts direct ;
- a statement of the tools, plant and technical equipment available to the contractor for carrying out the work ;
- a statement of the firm's average annual manpower and the number of managerial staff for the past three years ;
- a statement of the technicians or technical divisions which the contractor can call upon for carrying out the work, whether or not they belong to the firm.

Restricted procedure

1. The Board of Governors of the United Leeds Hospitals, The General Infirmary, Great George Street, Leeds 1, England.

2. Lowest acceptable offer in competition among selected contractors.

3. a) Clarendon Road, Leeds.

b) Electrical installation for the first phase of the new General Infirmary including mains distribution, small power, general lighting, protective, communications, and special installations. The accommodation will comprise obstetric, gynaecology and paediatric units with operating theatres, diagnostic x-ray, pathology, catering, stores and some teaching accommodation. Deep planned and partially air-conditioned building, area 48 000 m², five storeys. Steel framed with precast concrete floors.

The electrical installation, worth approximately £ 800 000, will be the subject of a nominated sub-contract in the same terms as the main contract, which will be based on the Standard Form of Building Contract, Local Authorities Edition, With Quantities.

c)

d)

4. From 1 October 1974 to 30 June 1978.

5.

6. a) 30 November 1973.

b) B. Philpott FIHVE, Building Design Partnership, Vernon Street, Moor Lane, Preston, Lancashire PR1 3PQ, England.

c) English.

7. 1 March 1974.

8. Candidates shall furnish proof of their financial and economic standing by the following references:

— appropriate statements from bankers;

— the presentation of the firm's balance sheets or extracts from the balance sheets, where publication of the balance sheet is required under company law in the country in which the contractor is established;

— a statement of the firm's overall turnover and the turnover on construction works for the three previous financial years.

Candidates shall also furnish proof of their technical knowledge or ability by the following:

— the contractor's educational and professional qualifications and/or those of the firm's managerial staff, and, in particular, those of the person or persons responsible for carrying out the works;

— a list of the works carried out over the past five years, accompanied by certificates of satisfactory execution for the most important works. These certificates shall indicate the value, date and site of the works and shall specify whether they were carried out according to the rules of the trade and properly completed. Where necessary, the competent authority shall submit these certificates to the authority awarding contracts direct;

— a statement of the tools, plant and technical equipment available to the contractor for carrying out the work;

— a statement of the firm's average annual manpower and the number of managerial staff for the past three years;

— a statement of the technicians or technical divisions which the contractor can call upon for carrying out the work, whether or not they belong to the firm.

9. Lowest acceptable offer in competition.

10. — The tenders will be opened in the presence of Members of the Board of Governors on Monday 6 May 1974, the public not being invited.

— It is the intention of the awarding authority to negotiate further phases with the successful contractor.

11. 30 October 1973.

Restricted procedure

1. Liverpool County Borough Council, Municipal Buildings, Liverpool, England.

2. Restricted invitations to tender.

3. a) The site is situated at Radcliffe Street near the City centre of Liverpool, England.

b) This contract is Phase III (South East Sector) of a larger redevelopment scheme and comprises the erection of 48 dwellings of 12 different basic types, together with the construction of access roads, parking areas, paved areas, site works, sewers and drainage.

The estimated cost of this phase of the works is between £ 415 000 and £ 500 000.

c) The contract is not divided into separate lots, but there are later phases envisaged in the redevelopment.

d) The contract does not involve drawing up plans.

4. An 18 month contract from date of possession of the site as notified by the architect.

5. In the event of a group of contractors submitting an acceptable offer, it will be necessary for each member of the group to undertake that each company or firm in the group will be jointly and severally responsible for due performance of the contract.

6. a) 23 November 1973.

b) The Town Clerk, Legal and Parliamentary Section, PO Box No 88, Municipal Buildings, Liverpool L69 2DH, England.

c) English.

7. Early December, 1973.

8. Financial requirements.

— Date of formation of company.

— Proof of registration or inscription of the company on the Companies Register in the United Kingdom or Ireland or on a similar professional register.

— Banking and commercial references certifying the company's good management and financial resources.

— The presentation of the company's final accounts and balance sheets for the two previous years.

Technical requirements.

— List of names and values of contracts carried out in the past five years, together with supporting evidence to show that work was completed satisfactorily.

— Number and type of persons employed annually.

— The contractor's attention is drawn to the requirements of the Corporation of Liverpool that preference shall be given to the employment of Merseyside labour. The contractor should state the number and type of work people intended to be brought into the U.K. and the number to be obtained within the U.K.

9. The award will be made to the most economically advantageous tender having due regard to price, period for completion and technical merit.

10. The acceptance of a tender will be subject to a contract prepared by the Town Clerk, which will incorporate the Standard Form of Building Contract known as the 'RIBA Conditions of Contract' Local Authorities Edition (with quantities) 1963 Edition (July 1972 Revision) including amendment No 7/1973 and Supplemental Agreement (the VAT Agreement) as varied by Liverpool Corporation.

The tender shall be firm price within the terms of the above contract.

Interim payments will be made monthly within the terms of the above contract.

The successful contractor is required to provide at his own expense an approved Guarantee Bond, amounting to ten per cent of the contract sum, for due fulfilment of the contract.

11. 30 October 1973.
