REGULATION (EEC) No 486/74 OF THE COMMISSION
of 28 February 1974
fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73⁽²⁾, and in particular the third sentence of the first subparagraph of Article 16 (4) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 16 (4) of Regulation No 120/67/EEC provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence ; whereas, in this case, a corrective amount must be applied to the refund ;

Whereas Regulation No 633/67/EEC⁽³⁾, as last amended by Regulation (EEC) No 1461/72⁽⁴⁾, lays down detailed rules for the advance fixing of the export refund on cereals ;

Whereas that Regulation provides that the refund applicable on the day on which application for an export licence is made must, when the refund is fixed in advance, be reduced by not more than the difference between the cif forward delivery price and the cif price where the former exceeds the latter by more than one unit of account per metric ton ; whereas, on the other hand, the refund must be increased by not more than the difference between the cif price and the cif forward delivery price where the former exceeds the latter by more than one unit of account per metric ton ;

Whereas the cif price is that determined in accordance with Article 13 of Regulation No 120/67/EEC ;

whereas the cif forward delivery price is that determined in accordance with Article 3 (2) of Regulation No 140/67/EEC⁽⁵⁾, as amended by Regulation (EEC) No 2435/70⁽⁶⁾, based, in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation ;

Whereas the corrective amount so fixed will be altered if application of the calculation procedure described above entails a change in that amount of more than 0.125 unit of account ;

Whereas, however, Article 2 of Regulation No 633/67/EEC provides that the corrective amount applicable to the amount of the refund fixed in advance on exports to be effected after the third month following that during which the licence was issued should be fixed on the basis of foreseeable market trends ; whereas to this end account should be taken of availabilities and foreseeable trends on the Community market and of forward trends on the world market, in particular on those markets whose specific requirements have made it necessary to vary the refund ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas it follows from applying all these provisions that the corrective amount must be fixed as shown in the Table annexed to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

REGULATION (EEC) No 487/74 OF THE COMMISSION**of 28 February 1974****fixing the refunds applicable to cereals and wheat or rye flour, groats and meal**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 16 of Regulation No 120/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No 139/67/EEC⁽³⁾ of 21 June 1967 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation No 139/67/EEC defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation No 139/67/EEC; whereas, furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a week; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying the rules outlined above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds, should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 (a), (b) and (c) of Regulation No 120/67/EEC, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

REGULATION (EEC) No 488/74 OF THE COMMISSION
of 28 February 1974
fixing the export levies on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 ⁽²⁾ ;

Having regard to Council Regulation (EEC) No 1968/73 ⁽³⁾ of 19 July 1973 laying down general rules to be applied in the event of the cereals market being disturbed, as amended by Regulation (EEC) No 2632/73 ⁽⁴⁾ and in particular Article 4 (2) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 19 of Regulation No 120/67/EEC provides that the necessary measure may be taken if the cif price of one or more products is appreciably higher than the threshold price and if that situation is likely to continue thereby disturbing or threatening to disturb the Community market ;

Whereas Regulation (EEC) No 1968/73 specifies that the cif price may be regarded as appreciably higher than the threshold price when it exceeds it by at least 2 % ; whereas this excess may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist having regard to foreseeable production and market price trends ;

Whereas the high level of prices in international trade could impede importation of common wheat maize, rye, barley, sorghum and wheat groats and meal into the Community or provoke exportation from the Community ;

Whereas the situation described above can be said to exist at the present time ; whereas to ensure supplies in the Community an export levy should be introduced for these products ;

Whereas, in view of the relationship between the basic product and the products processed from it and given the market situation for certain processed products, an export levy for these products must also be fixed ;

Whereas the threshold prices for the 1973/74 marketing year were fixed by Council Regulation (EEC) No 1964/73 ⁽⁵⁾ of 17 July 1973 ;

Whereas Article 3 of Regulation (EEC) No 1968/73 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other ; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market ;

Whereas for the products, other than starches, listed in Article 1 (c) and (d) of Regulation No 120/67/EEC the specific factors set out in Article 3 (2) of Regulation (EEC) No 1968/73 must also be taken into account ;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary ;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies :

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, at a conversion rate based on their actual parity ;
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period ;

⁽¹⁾ OJ No 117, 19. 6. 1967, p. 2269/67.

⁽²⁾ OJ No L 141, 28. 5. 1973, p. 8.

⁽³⁾ OJ No L 201, 21. 7. 1973, p. 10.

⁽⁴⁾ OJ No L 272, 29. 9. 1973, p. 18.

⁽⁵⁾ OJ No L 201, 21. 7. 1973, p. 3.

Whereas it follows from applying the rules outlined above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies, should be fixed as shown in the Annex to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export levies referred to in the first indent of Article 2(1) of Regulation (EEC) No 1968/73 are hereby fixed at the amounts shown in the Annex.

Article 2

This Regulation shall enter into force on 1 March 1974.

REGULATION (EEC) No 490/74 OF THE COMMISSION

of 28 February 1974

fixing the premiums to be added to the levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act⁽²⁾ annexed to the Treaty⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 13 (6) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas the premiums to be added to the import levies fixed in advance for rice and broken rice must include a premium for the current month and a premium for each of the following months until the expiry of the period of validity of the import licence; whereas this period of validity was laid down in Article 20 (2) of Commission Regulation (EEC) No 2637/70⁽⁴⁾ of 23 December 1970, as last amended by Regulation (EEC) No 128/73⁽⁵⁾;

Whereas Council Regulation No 365/67/EEC⁽⁶⁾ of 25 July 1967, as last amended by Regulation (EEC) No 2435/70⁽⁷⁾, lays down rules for the advance fixing of levies on rice and broken rice;

Whereas under the terms of Regulation No 365/67/EEC, where the cif price for husked rice for milled rice or for broken rice determined on the day on which the premiums are fixed is higher than the cif forward delivery price for the same product, the premium should as a general rule be equal to the difference between these two prices; whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC on the day on which the premiums are fixed; whereas the detailed rules for determining cif prices were laid down in Regulation (EEC) No 1613/71⁽⁸⁾, as last amended by Regulation (EEC) No 363/72⁽⁹⁾; whereas the cif forward delivery price must also be determined in accordance with

Article 16 of Regulation No 359/67/EEC but on the basis of offers at North Sea ports; whereas this price must be the cif price for shipment during the month in which the import licence is issued in the case of imports to be effected during that month; whereas this price must be the cif price for shipment during the month in which importation is expected to take place in the case of imports to be effected during the month following the month in which the import licence is issued; whereas this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place in the case of imports to be effected during the remaining months for which the import licence is valid; whereas, if no offer for forward delivery is made for shipment during a given month, this price should be the price ruling for shipment during the last month in which an offer for forward delivery was made;

Whereas the premium is equal to 0 units of account if the cif price determined on the day on which the scale of the premiums is fixed is equal to the cif forward delivery price or exceeds that price by not more than 0.025 units of account per 100 kilograms;

Whereas the premium may, however, be fixed at a higher level in exceptional circumstances and within certain specified limits;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all these provisions that the premiums should be fixed as shown in the Table annexed to this Regulation; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 0.025 unit of account,

REGULATION (EEC) No 491/74 OF THE COMMISSION**of 28 February 1974****fixing the export refunds on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act⁽²⁾ annexed to the Treaty⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 17 of Regulation No 359/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No 366/67/EEC⁽⁴⁾ of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds, as amended by Regulation No 1019/67/EEC⁽⁵⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbance of the Community market;

Whereas Regulation No 669/67/EEC⁽⁶⁾, as amended by Regulation (EEC) No 1057/68⁽⁷⁾, lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation No 366/67/EEC defines the specific criteria to be taken into account

when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a week; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market that the refund should be fixed at the amounts shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 of Regulation No 359/67/EEC with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

REGULATION (EEC) No 492/74 OF THE COMMISSION

of 28 February 1974

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act⁽²⁾ annexed to the Treaty⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first subparagraph of Article 17⁽⁴⁾ thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas the first subparagraph of Article 17 (4) of Regulation No 359/67/EEC provides that the export refund applicable to rice and broken rice on the day on which application for an export licence is made, adjusted for the threshold price which will be in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the licence;

Whereas Regulation No 474/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1397/68⁽⁵⁾, lays down detailed rules for the advance fixing of the export refund on rice and broken rice;

Whereas that Regulation provides that the refund applicable on the day on which application for an export licence is made must, when it is fixed in advance, be reduced by an amount no greater than the difference between the cif forward delivery price and the cif price, where the former exceeds the latter by more than 0.025 unit of account per 100 kilograms; whereas, on the other hand, the refund must be increased by an amount no greater than the difference between the cif price and the cif forward delivery price, where the former exceeds the latter by more than 0.025 unit of account per 100 kilograms;

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 February 1974.

Whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC; whereas the cif forward delivery price is that determined in accordance with Article 3 (2) of Regulation No 365/67/EEC⁽⁶⁾, as last amended by Regulation (EEC) No 2435/70⁽⁷⁾, based, in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation;

Whereas if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all these provisions that the corrective amount applicable on 1 March 1974 must be fixed as shown in the Table annexed to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 17 (4) of Regulation No 359/67/EEC which is applicable to the export refunds fixed in advance in respect of rice and broken rice is hereby fixed as shown in the Table annexed to this Regulation.

REGULATION (EEC) No 493/74 OF THE COMMISSION
of 28 February 1974
fixing the export levies on rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC ⁽¹⁾, of 25 July 1967 on the common organization of the market in rice as last amended by the Act of Accession ⁽²⁾;

Having regard to Council Regulation (EEC) No 2737/73 ⁽³⁾ of 8 October 1973 laying down general rules to be applied in the event of the rice market being disturbed, and in particular Article 4 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 21 of Regulation No 359/67/EEC provides that the necessary measures may be taken if the cif price of one or more products is appreciably higher than the threshold price and if that situation is likely to continue thereby disturbing or threatening to disturb the Community market;

Whereas Regulation (EEC) No 2737/73 specifies that the cif price may be regarded as appreciably higher than the threshold price when it exceeds it by at least 2 %; whereas this excess may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist having regard to foreseeable production and market price trends;

Whereas the high level of prices in international trade could impede importation of rice into the Community or provoke exportation from the Community;

Whereas the situation described above can be said to exist at the present time; whereas to ensure supplies in the Community an export levy should be introduced for this product;

Whereas in view of the relationship between the rice and products processed from it and given the market situation for these products, an export levy must also be fixed for all products processed from rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1973/74 marketing year by Regulations (EEC) No 1962/73 ⁽⁴⁾ and No 2024/73 ⁽⁵⁾;

Whereas Article 3 of Regulation (EEC) No 2737/73 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice on the Community market on the one hand and prices for rice and products processed from it on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on rice markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation No 359/67/EEC the specific factors set out in Article 3 (2) of Regulation (EEC) No 2737/73 must also be taken into account;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies:

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, a conversion rate based on their actual parity;
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period;

Whereas it follows from applying the rules outlined above to the present situation on the market in rice, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies should be fixed as shown in the Annex to this Regulation;

hereby fixed as shown in the Annex for the products listed therein.

REGULATION (EEC) No 494/74 OF THE COMMISSION

of 27 February 1974

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73⁽²⁾, and in particular Article 14 (4) thereof;

Having regard to Council Regulation No 359/67/EEC⁽³⁾ of 25 July 1967 on the common organization of the market in rice as last amended by the Act⁽⁴⁾ annexed to the Treaty⁽⁵⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 12 (4) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas the rules to be applied to calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation No 120/67/EEC and Article 12 (1) (a) of Regulation No 359/67/EEC; whereas Article 2 of Council Regulation (EEC) No 1052/68⁽⁶⁾ of 23 July 1968 on the import and export system for products processed from cereals and rice, as last amended by Regulation (EEC) No 881/73⁽⁷⁾, provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first twenty-five days of the month preceding that of importation; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation, is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals;

Whereas Commission Regulation (EEC) No 1080/68⁽⁸⁾ of 26 July 1968 on the procedure for calculating the levy on products processed from cereals and

rice and for the advance fixing of the levy for some of these products, as last amended by Regulation (EEC) No 1047/73⁽⁹⁾, provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than 0.25 unit of account per 100 kilograms from the average of the levies calculated as described above;

Whereas in accordance with Article 5 of Regulation (EEC) No 1052/68 and Article 2 of Regulation (EEC) No 1080/68, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 1052/68;

Whereas, in order that account may be taken of the interests of the Associated African States and Madagascar and of the Overseas Countries and Territories, and of the United Republic of Tanzania, the Republic of Uganda and the Republic of Kenya, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 1 of Council Regulation (EEC) No 522/70⁽¹⁰⁾ of 17 March 1970 on the treatment to be accorded to products processed from cereals and rice originating in the Associated African States and Madagascar or in the Overseas Countries and Territories, and Article 1 of Council Regulation (EEC) No 653/71⁽¹¹⁾ of 30 March 1971 on the treatment to be accorded to products processed from cereals and rice originating in the United Republic of Tanzania, the Republic of Uganda or the Republic of Kenya, as amended by Regulation (EEC) No 1036/72⁽¹²⁾;

Whereas Article 4 (2) of Regulation (EEC) No 1052/68 provides that the levy to be charged on the products listed in the Annex to that Regulation under heading No 07.06 A is limited, with effect from the date of entry into force of the Geneva Protocol (1967) annexed to the General Agreement on Tariffs and Trade, to the amount resulting from application of the rate of duty bound within GATT;

⁽¹⁾ OJ No 117, 19. 6. 1967, p. 2269/67.

⁽²⁾ OJ No L 141, 28. 5. 1973, p. 8.

⁽³⁾ OJ No 174, 31. 7. 1967, p. 1.

⁽¹²⁾ OJ No L 118, 20. 5. 1972, p. 18.

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas, in accordance with Article 18 (1) of Regulation No 120/67/EEC, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff ;

HAS ADOPTED THIS REGULATION :

Article 1

The import levies to be charged on the products listed in Article 1 (d) of Regulation No 120/67/EEC and in Article 1 (1) (c) of Regulation No 359/67/EEC and subject to Regulation (EEC) No 1052/68 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 March 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 495/74 OF THE COMMISSION

of 26 February 1974

fixing the import levies on compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 ⁽²⁾, and in particular Article 14 (4) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas the rules to be applied in calculating the variable component of the import levy on compound feedingstuffs are laid down in Article 14 (1) (A) of Regulation No 120/67/EEC ; whereas the incidence of the levies applicable to the basic products of compound feedingstuffs on their prime costs should be determined, in pursuance of Article 4 of Council Regulation (EEC) No 968/68 ⁽³⁾ of 15 July 1968 on the system to be applied to cereal-based compound feedingstuffs, as amended by Regulation (EEC) No 2196/69 ⁽⁴⁾, on the basis of the average of the levies applicable during the first 25 days of the month preceding the month of importation to the quantities of basic products considered to have been used in the manufacture of such compound feedingstuffs, this average being adjusted on the basis of the threshold price for the basic products in question ruling during the month of importation ;

Whereas the levy thus determined, increased by the fixed component, is valid for one month ; whereas the amount of the fixed component of the levy is specified in Article 6 of Regulation (EEC) No 968/68 ;

Whereas, in order that account may be taken of the interests of the Associated African States and Madagascar, of the Overseas Countries and Territories and of the United Republic of Tanzania, the Republic of Uganda and the Republic of Kenya, the levy

relating to them in respect of cereal-based compound feedingstuffs must be reduced by the amount of the fixed component, in accordance with Article 1 of Council Regulation (EEC) No 522/70 ⁽⁵⁾ of 17 March 1970 on the treatment to be accorded to products processed from cereals and rice originating in the Associated African States and Madagascar or in the Overseas Countries and Territories, and with Article 1 of Council Regulation (EEC) No 653/71 ⁽⁶⁾ of 30 March 1971 on the treatment to be accorded to products processed from cereals and rice originating in the United Republic of Tanzania, the Republic of Uganda and the Republic of Kenya, as amended by Regulation (EEC) No 1036/72 ⁽⁷⁾ ;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas, in accordance with Article 18 (1) of Regulation No 120/67/EEC, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION :

Article 1

The import levies to be charged on the compound feedingstuffs covered by Regulation No 120/67/EEC and subject to Regulation (EEC) No 968/68 are fixed hereby as shown in the Annex to this Regulation.

REGULATION (EEC) No 496/74 OF THE COMMISSION

of 28 February 1974

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof ;

Having regard to Council Regulation No 359/67/EEC ⁽³⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act ⁽⁴⁾ annexed to the Treaty ⁽⁵⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 16 of Regulation No 120/67/EEC and Article 17 of Regulation No 359/67/EEC provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund ;

Whereas Article 2 of Council Regulation No 139/67/EEC ⁽⁶⁾ of 21 June 1967 and Article 2 of Council Regulation No 366/67/EEC ⁽⁷⁾ of 25 July 1967 laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, as amended by Regulation No 1019/67/EEC ⁽⁸⁾, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice and broken rice on the world market on the other ; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, fur-

thermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market ;

Whereas Article 6 of Council Regulation (EEC) No 1052/68 ⁽⁹⁾ of 23 July 1968 on the import and export system for products processed from cereals and from rice, as last amended by Regulation (EEC) No 881/73 ⁽¹⁰⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated ;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 1052/68, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy ; whereas, therefore, as is laid down for the determination of the variable component, account should be taken of the average of the levies on the basic products concerned during a representative period, namely the first twenty-five days of the month preceding the month of exportation ; whereas this average should be adjusted for the threshold price for these basic products which will be in force during the month of exportation ; whereas Article 8 of Regulation (EEC) No 1052/68 and Article 1 of Regulation (EEC) No 1077/68 ⁽¹¹⁾, amended by Regulation (EEC) No 2764/71 ⁽¹²⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product ;

Whereas it follows from applying these rules and criteria to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices ;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy ; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product ; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured ; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible,

in certain cases, to export to third countries at prices which are lower than world market prices ; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected ;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 2

This Regulation shall enter into force on 1 March 1974.

REGULATION (EEC) No 497/74 OF THE COMMISSION
of 28 February 1974
fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by the Regulation (EEC) No 1346/73 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 16 of Regulation No 120/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund ;

Whereas Article 2 of Council Regulation No 139/67/EEC ⁽³⁾ of 21 June 1967 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other ; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets ;

Whereas it follows from applying rules and criteria to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices ;

Whereas Article 7 (1) of Council Regulation (EEC) No 968/68 ⁽⁴⁾ of 15 July 1968 on the system to be applied to cereal-based compound feedingstuffs, as

amended by Regulation (EEC) No 2196/69 ⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of compound feedingstuffs for which a refund may be fixed should be taken into account ;

Whereas Commission Regulation (EEC) No 1913/69 ⁽⁶⁾ of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs provides that calculation of the export refund must be based on the levy applicable to maize ; whereas this calculation must also take account of the cereal products content ; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned ; whereas, furthermore, the amount of the refund may also take into account the situation on the market in cereal products other than maize ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

- et indhold af stivelse (bestemt ved Ewers modificerede polarimetriske metode) på over 45 vægtprocent, beregnet på grundlag af tørsubstansen,
- et askeindhold (efter fradrag af eventuelle tilsatte mineralske stoffer) på 1,6 vægtprocent eller derunder for ris, 2,5 vægtprocent eller derunder for hvede og rug, 3 vægtprocent eller derunder for byg, 4 vægtprocent eller derunder for boghvede, 5 vægtprocent eller derunder for havre og 2 vægtprocent eller derunder for de øvrige kornsorter, beregnet på grundlag af tørsubstansen.

REGULATION (EEC) No 501/74 OF THE COMMISSION**of 28 February 1974****fixing the basic amount of the import levy on syrups and certain other sugar products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 1009/67/EEC ⁽¹⁾ of 18 December 1967 on the common organization of the market in sugar, as last amended by Regulation (EEC) No 1928/73 ⁽²⁾, and in particular Article 14 (7) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 14 (1) of Regulation No 1009/67/EEC provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation No 1009/67/EEC must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 ⁽³⁾ of 28 June 1968 on detailed rules for the application of levies on sugar, as amended by Regulation (EEC) No 1491/70 ⁽⁴⁾, provides that the basic amount of the levy for 100 kilogrammes of product must be fixed per percentage of sucrose content;

Whereas the basic amount of the levy must be equal to one hundredth of the average of the levies applicable to 100 kilogrammes of white sugar during the first twenty days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day preceding the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.40 unit of account from that average;

Whereas the basic amount must be fixed every month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.40 unit of account from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation No 1009/67/EEC is hereby fixed, per 100 kilogrammes of product, at 0 unit of account per percentage point of sucrose content.

REGULATION (EEC) No 502/74 OF THE COMMISSION**of 28 February 1974****fixing the export refunds on molasses, syrups and certain other sugar products
exported in the natural state**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community;

Having regard to Council Regulation No 1009/
67/EEC⁽¹⁾ of 18 December 1967 on the common
organization of the market in sugar, as last amended
by Regulation (EEC) No 1928/73⁽²⁾, and in particular
the first sentence of the last subparagraph of Article
17 (2) thereof;

Having regard to the Opinion of the Monetary
Committee;

Whereas Article 17 of Regulation No 1009/67/EEC
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 (1) (c) and (d) of that Regulation and prices
for those products within the Community may be
covered by an export refund;

Whereas Article 6 of Council Regulation (EEC) No
766/68⁽³⁾ of 18 June 1968 laying down general rules
for granting export refunds on sugar, as last amended
by Regulation (EEC) No 881/73⁽⁴⁾, defines the price
factors, both within the Community and on the world
market, which must be taken into account when the
refunds on molasses exported in the natural state are
being fixed; whereas the same Article provides that
the economic aspect of the proposed exports should
also be taken into account;

Whereas the world market situation of the specific
requirements of certain markets may make it neces-
sary to vary the refund on molasses according to desti-
nation;

Whereas Article 8 of Regulation (EEC) No 766/68
provides the export refund on 100 kilogrammes of the
products listed in Article 1 (1) (d) of Regulation No
1009/67/EEC is equal to the basic amount multiplied
by the sucrose content, including, where appropriate,

other sugars expressed as sucrose; whereas the sucrose
content of the product in question is determined in
accordance with the provisions of Article 13 of
Commission Regulation (EEC) No 394/70⁽⁵⁾ of 2
March 1970 on detailed rules for granting export
refunds on sugar;

Whereas Article 7 of Regulation (EEC) No 766/68
provides that the basic amount of the refund on
sorbitol exported in the natural state must be equal to
the basic amount of the refund less one hundredth of
the production refund applicable pursuant to Council
Regulation (EEC) No 765/68⁽⁶⁾ of 18 June 1968
laying down general rules for the production refund
on sugar used in the chemical industry, as amended
by Regulation (EEC) No 2486/69⁽⁷⁾, to the products
listed in Annex I to that Regulation;

Whereas the basic amount of the refund on the other
products listed in Article 1 (1) (d) of Regulation No
1009/67/EEC exported in the natural state must be
equal to one hundredth of an amount which takes
account, on the one hand, of the difference between
the intervention price for white sugar for the Commu-
nity area with the largest surplus for the month for
which the basic amount is fixed and quotations or
prices for white sugar on the world market and, on
the other, of the need to establish a balance between
the use of Community basic products in the manufac-
ture of processed goods for export to third countries
and the use of third country products brought in
under inward processing arrangements;

Whereas the application of the basic amount may be
limited to some of the products listed in Article 1 (1)
(d) of Regulation No 1009/67/EEC;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

— in the case currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;

⁽¹⁾ OJ No 308, 18. 12. 1967, p. 1.

⁽⁷⁾ OJ No L 314, 15. 12. 1969, p. 8.

— for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The refund to be granted on the products listed in Article 1 (1) (c) and (d) of Regulation No 1009/67/EEC, exported in the natural state, is hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 March 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 504/74 OF THE COMMISSION

of 28 February 1974

fixing the export refund on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC⁽¹⁾ of 22 September 1966 on the establishment of a common organization of the market in oils and fats, as last amended by Regulation (EEC) No 1707/73⁽²⁾;

Having regard to Council Regulation No 162/66/EEC⁽³⁾ of 27 October 1966 on trade in oils and fats between the Community and Greece;

Having regard to Council Regulation No 171/67/EEC⁽⁴⁾ of 27 June 1967 on export refunds and levies on olive oil, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 18 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 8 of Regulation No 162/66/EEC provides that Article 18 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the rules and other provisions for fixing and granting export refunds on olive oil are contained in Regulation No 171/67/EEC and (EEC) No 616/72⁽⁶⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/66/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these rules and other provisions to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be fixed at the amounts shown in the Annex to this Regulation;

- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

REGULATION (EEC) No 505/74 OF THE COMMISSION
of 28 February 1974
fixing the export refund on oil seeds

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community;

Having regard to Council Regulation No 136/
66/EEC⁽¹⁾ of 22 September 1966 on the establish-
ment of a common organization of the market in oils
and fats, as last amended by Regulation (EEC) No
1707/73⁽²⁾;

Having regard to Council Regulation No 162/
66/EEC⁽³⁾ of 27 October 1966 on trade in oils and
fats between the Community and Greece;

Having regard to Council Regulation No 142/
67/EEC⁽⁴⁾ of 21 June 1967 on export refunds on
colza, rape and sunflower seeds, as last amended by
Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the
first sentence of Article 2(3) thereof;

Having regard to the Opinion of the Monetary
Committee;

Whereas Article 28 of Regulation No 136/66/EEC
provides that a refund may be granted on exports to
third countries of oil seeds harvested within the
Community; whereas the amount of this refund may
not exceed the difference between prices within the
Community and prices on the world market where
the former are higher than the latter; whereas Article
21 of Regulation No 136/66/EEC provides that, at
present, Article 28 of that Regulation applies only to
colza, rape and sunflower seeds;

Whereas Article 8 of Regulation No 162/66/EEC
provides that Article 28 of Regulation No 136/
66/EEC and measures taken in application thereof
apply, subject to the provisions of the Agreement esta-
blishing an Association between the European
Economic Community and Greece, to trade between
the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC
provides that when the refund is being calculated
account must be taken of prices ruling on the various
Community markets which are representative from
the point of view of processing and exportation; the
most favourable quotations recorded on the various
markets of importing third countries and Greece, and
costs incurred in placing the goods on the world
market; whereas, when the amount of the refund is
being fixed, account must also be taken of the level of
market prices within the Community for the oil seeds
referred to in Article 21 of Regulation No 136/
66/EEC and the future trend of these prices; whereas,
furthermore, account should be taken of the economic
aspect of the proposed exports and the situation in the
Community regarding the supply of and demand for
these seeds;

Whereas Article 1 of Commission Regulation (EEC)
No 651/71⁽⁶⁾ of 29 March 1971 on certain detailed
rules for the application of export refunds on oil seeds
provides that the amount of the refund must be calcu-
lated on the basis of the weight of exported seeds;
whereas this weight must be adjusted to take account
of any differences between the percentages of mois-
ture and impurities found to exist and those used to
define the standard quality for which the target price
is fixed; whereas, when this adjustment is being
made, the weight of the exported seeds must be
increased by the amount of the difference between the
actual moisture and impurities content and that used
to define the standard quality if the former is lower
than the latter; whereas, if the opposite applies, the
weight of the exported seeds must be reduced by the
same amount;

Whereas the standard quality referred to above is
defined in Article 2 of Council Regulation (EEC) No
1360/73⁽⁷⁾ of 15 May 1973 fixing the target prices
and basic intervention prices for oil seeds for the
1973/74 marketing year;

Whereas Article 2 of Regulation No 142/67/EEC
provides that the refund may be varied according to
destination where the world market situation or the
specific requirements of certain markets make this
necessary;

⁽⁶⁾ OJ No L 75, 30. 3. 1971, p. 16.

⁽⁷⁾ OJ No L 141, 28. 5. 1973, p. 33.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas it follows from applying these rules and criteria to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be fixed at the amounts shown in the Annex to this Regulation for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refunds on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

Article 2

REGULATION (EEC) No 506/74 OF THE COMMISSION
of 28 February 1974
fixing the amount of the subsidy on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 136/66/EEC⁽¹⁾ of 22 September 1966 on the establishment of a common organization of the market in oils and fats, as last amended by Regulation (EEC) No 1707/73⁽²⁾, and in particular Article 27 (4) thereof ;

Whereas the amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC was fixed by Regulation (EEC) No 1898/73⁽³⁾ and subsequent amending Regulations ;

Whereas in the absence of the indicative price for the 1974/75 marketing year for colza and rape seed in case of pre-fixation for the month of August 1974 the amount of subsidy on these products has been obtainable only on the basis of the indicative price for the month of August 1973, this amount may, therefore, be applied on a temporary basis and should be confirmed or replaced when the indicative price for the 1974/75 marketing year is known ;

Whereas it follows from applying the rules and other provisions contained in Regulation (EEC) No 1898/73 to the information at present available to the Commission that the amount of the subsidy at present in force should be altered as shown in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION :

Article 1

1. The amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC is hereby fixed as shown in the Table annexed to this Regulation.
2. The amount of the subsidy for the month of August 1974 will, however, as for colza and rape seeds, be confirmed or replaced as from 1 March 1974 to take into account the indicative price which is fixed for these products for the 1974/75 marketing year.

REGULATION (EEC) No 507/74 OF THE COMMISSION
of 28 February 1974
determining the world market price for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC⁽¹⁾ of 22 September 1966 on the establishment of a common organization of the markets in oils and fats, as last amended by Regulation (EEC) No 1707/73⁽²⁾;

Having regard to Council Regulation (EEC) No 1569/72⁽³⁾ of 20 July 1972 laying down special measures for colza and rape seed, as last amended by Regulation (EEC) No 3477/73⁽⁴⁾;

Having regard to Commission Regulation (EEC) No 2300/73⁽⁵⁾ of 23 August 1973 laying down detailed rules for applying differential amounts for colza and rape seed and repealing Regulation (EEC) No 1464/73, as last amended by Regulation (EEC) No 456/74⁽⁶⁾, and in particular Article 9 (4) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas, pursuant to Article 9 (4) of Regulation (EEC) No 2300/73, the Commission must determine the world market price for colza and rape seed;

Whereas the world market price should be determined in accordance with the rules and the criteria set out in Commission Regulation (EEC) No 1898/73⁽⁷⁾ of 13 July 1973 fixing the amount of the subsidy on oil seeds;

Whereas to enable the price system to operate normally, the world market price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas, applying all these provisions, the world market price for colza and rape seed should be fixed as shown in the Table annexed to this Regulation,

HAS ADOPTED THIS REGULATION:

REGULATION (EEC) No 509/74 OF THE COMMISSION**of 28 February 1974****on the certification of authenticity which has to appear on the certificate of origin form A issued for unmanufactured tobacco of the type 'flue-cured Virginia' by countries to which generalized preferences have been granted**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 166/74 of 21 January 1974⁽¹⁾ on the opening, allocating and providing for the administration of a Community tariff quota for unmanufactured tobacco of the 'flue-cured Virginia' type originating in developing countries, and in particular Article 1(1) thereof;

Whereas the provisions mentioned above stipulate that the benefit of the tariff quotas for unmanufactured tobacco of the 'flue-cured Virginia' type is dependent on certification of authenticity being made on the certificate of origin as laid down by Commission Regulation (EEC) No 3614/73 of 20 December 1973⁽²⁾;

Whereas it is necessary to have this certification appearing in box 4 of the certificate of origin form A; it is also necessary that this certification should be given under the signature and stamp of the authority competent in this field in the beneficiary country, certifying the accuracy of the description of the goods in question given in box 7;

Whereas it is necessary that the customs authorities of the Member States should be told the name and the address of the said authority competent to issue the said certification of authenticity, and be given a specimen of the stamp they use;

Whereas the governmental authority issuing the certificate of origin in any case guarantees the truth of all statements made thereon; this shows that it may be considered not necessary in certain cases and under certain conditions to have a distinct certification in box 4 of the certificate of origin;

Whereas the provisions of this Regulation are in accordance with the Opinion of the Committee on Origin,

HAS ADOPTED THIS REGULATION:

Article 1

1. Without prejudice to the provisions of Article 3, the certification of authenticity laid down in Article 1

(1) of Council Regulation (EEC) No 166/74 of 21 January 1974 is to be given in box 4 of the certificate of origin form A laid down in Commission Regulation (EEC) No 3614/73 of 20 December 1973.

2. The certification mentioned in paragraph 1 consists of the following words: 'The undersigned authority certifies the truth of the description of the goods given in box 7 below', followed by the stamp of the competent authority and the signature of the competent official.

3. The description of goods in box 7 of the certificate of origin should contain the following words: 'Tobacco, raw or unmanufactured, type "flue-cured Virginia".'

Article 2

The favoured countries are to inform the Commission of the European Communities of the name and the address of the governmental authorities competent to issue the certification mentioned in Article 1, together with an impression of the stamp they use.

Article 3

By derogation from the provisions of Article 1 (1) and (2) and without prejudice to the provisions of Article 1 (3) and Article 2, the said certification does not have to appear in box 4 of the certificate of origin if the authority competent to issue the certificate of origin is the governmental authority qualified to provide an attestation, in accordance with Article 1.

Article 4

Products which satisfy the requirements of this Regulation and which have been despatched from beneficiary countries, after the date of the opening of the tariff quotas granted to these products, or are on the said date either in transit or under temporary warehouse procedure, in customs warehouses or free zones in the Community or in the beneficiary exporting country, may within a time limit of six months, benefit in the Community from the provisions of the preferential tariff system, provided that a certificate of

REGULATION (EEC) No 512/74 OF THE COMMISSION

of 28 February 1974

fixing the rates of the refunds applicable from 1 March 1974 to certain cereals and rice products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof ;

Having regard to Council Regulation No 359/67/EEC ⁽³⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act ⁽⁴⁾ annexed to the Treaty ⁽⁵⁾ concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof ;

Whereas Article 16 (1) of Regulation No 120/67/EEC and Article 17 (1) of Regulation No 359/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund ;

Whereas Council Regulation (EEC) No 2682/72 ⁽⁶⁾ of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation No 120/67/EEC or in Annex B to Regulation No 359/67/EEC as appropriate ;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kg for each of the basic products in question must be fixed for each month ;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to :

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world market ;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions ;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements ;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products ; whereas a production refund is granted in respect of soft wheat, maize and broken rice under the conditions laid down in Council Regulation No 371/67/EEC ⁽⁷⁾ of 25 July 1967 fixing production refunds on starches and quellmehl, as last amended by Regulation (EEC) No 179/73 ⁽⁸⁾ ; whereas, for the purposes of applying the provisions of Article 4 (3) of Regulation (EEC) No 2682/72, the amount of the production refund applicable during the month of exportation should be taken into account ;

HAS ADOPTED THIS REGULATION :

Article 1

1. The rates of the refunds applicable from 1 March 1974 to the basic products appearing in Annex A to Regulation (EEC) No 2682/72 and listed either in Article 1 of Regulation No 120/67/EEC or in Article 1 (1) of Regulation No 359/67/EEC, exported in the form of goods listed in Annex B to Regulation No 120/67/EEC or in Annex B to Regula-

on financial contribution by the Community towards expenditure arising from the grant to producers in certain regions of the French Republic who keep not less than five but not more than ten dairy cows of premiums for the conversion of dairy herds to meat production

(Only the French text is authentic)

(74/112/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1353/73 ⁽¹⁾ of 15 May 1973 introducing a premium system for the conversion of dairy cow herds to meat production and a development premium for the specialized raising of cattle for meat production, and in particular Article 12 thereof;

Whereas the conditions specified in Article 2 (2) (b) of Regulation (EEC) No 1353/73 now obtain in:

— The départements Alpes de Haute-Provence et des Autes-Alpes,

whereas the French Government has stated that it will also grant to producers who keep in these regions not less than five but not more than ten dairy cows premiums for the conversion of dairy herds to meat production; whereas the Community should contribute to such expenditure;

Whereas the EAGGF Committee has been consulted on the financial aspects;

Whereas the measures provided for in this Decision are in accordance with the Opinion of the Standing Committee on Agricultural Structures,

HAS ADOPTED THIS DECISION:

Article 1

The Community shall contribute towards expenditure arising from the grant to producers in the following areas who keep not less than five but not more than ten dairy cows of premiums for the conversion of dairy herds to meat production:

— The départements Alpes de Haute-Provence et des Hautes-Alpes.

COMMISSION DECISION

of 31 January 1974

derogating from High Authority Recommendation No 1/64 concerning an increase in the protective duty on iron and steel products at the external frontiers of the Community**(Sixtieth derogation)****(Only the English text is authentic)**

(74/113/ECSC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Articles 2 to 5, 8, 71 and 74 thereof;

Having regard to High Authority Recommendation No 1/64 of 15 January 1964 ⁽¹⁾ to the Governments of the Member States concerning an increase in the protective duty on iron and steel products at the external frontiers of the Community, and in particular Article 3 thereof;

Whereas the Government of the United Kingdom has requested the Commission to authorize, for the first quarter of 1974, duty free imports of 50 000 metric tons of coils for re-rolling from third countries;

Whereas the Government of the United Kingdom has established the inadequacy of its national supplies of coils and the impossibility of obtaining the necessary tonnage on the Community market; whereas the request has been limited to the first quarter by reason of the favourable short-term prospects foreseen for this period on the Community market; whereas the request would, in any case, be of an exceptional and nonrenewable nature, having regard to the progressive integration of the British market into the original common market and to the reorientation of trade which necessarily results therefrom;

Whereas this exceptional importation is justified for reasons of commercial policy provided for in Article 3 of Recommendation No 1/64 of the High Authority; whereas the Commission consequently considers it necessary to grant a derogation from Recommendation No 1/64;

Whereas the Governments of the Member States have been consulted on the abovementioned request,

HAS ADOPTED THIS DECISION:

Article 1

The Government of the United Kingdom is authorized to derogate from the obligations arising under Article 1 of High Authority Recommendation No 1/64 of 15 January 1964 to the extent necessary to import at zero duty, from third countries, 50 000 metric tons of iron or steel coils for re-rolling, under position 73.08 of the United Customs Tariff.

Article 2

1. The Government of the United Kingdom shall be required to ensure, in liaison with the Commission, that the quota is distributed on a non-discriminatory basis among third countries.
2. It shall be required to take all necessary steps to rule out the possibility of iron and steel products imported under the tariff quota being re-exported to other Member States in the same state as that in which it was imported.

Article 3

1. This Decision is addressed to the United Kingdom.
2. It shall be valid until 31 March 1974.

COMMISSION DECISION

of 7 February 1974

fixing the minimum export levy for the invitation to tender issued under Regulation (EEC) No 3281/73

(This Decision replaces the Decision of 7 February 1974 published in OJ No L 41, 13. 2. 1974, page 13)

(74/114/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73⁽²⁾;Having regard to Council Regulation (EEC) No 1968/73⁽³⁾ of 19 July 1973 laying down general rules to be applied in the event of the cereals market being disturbed, as amended by Regulation (EEC) No 2632/73⁽⁴⁾, and in particular Article 4 (2) thereof;Having regard to Commission Regulation (EEC) No 3130/73⁽⁵⁾ of 16 November 1973 establishing the conditions for the application of the system of tendering for export levies on cereals and in particular Article 5 (1) thereof;Whereas an invitation to tender for the export levy on common wheat was issued under Commission Regulation (EEC) No 3281/73⁽⁶⁾ of 5 December 1973; whereas the notice of invitation to tender⁽⁷⁾ associated with this Regulation specified that the total tonnage for which the export levy could be fixed was approximately 200 000 metric tons;

Whereas Article 5 (1) of Regulation (EEC) No 3130/73 allows the Commission, in accordance with the procedure laid down in Article 26 of Regulation No 120/67/EEC, to fix a minimum export levy; whereas, when this minimum levy is being fixed, account must be taken of the criteria set out in Article 3 (1) (b) and (d) of Regulation (EEC) No 1968/73, namely:

- the objectives of the common organization of the market in cereals, namely to balance that market both as regards supplies and as regards trade, and

- the economic aspect of the exports;

Whereas paragraph 2 of the Article referred to above stipulates that the award is made to the tenderer or tenderers whose tenders quote a levy equal to or higher than the minimum;

Whereas it follows from applying these rules to the present situation on the market for the cereal in question that the minimum export levy should be fixed as shown in Article 1; whereas the tonnage to which this minimum applies is 17 000 metric tons;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS DECISION:

Article 1

The minimum export levy fixed on the basis of tenders submitted for 7 February 1974 is hereby fixed at 62.90 units of account per metric ton.

COMMISSION DECISION

of 22 February 1974

fixing the amount by which the monetary compensatory amounts for beef and veal are to be reduced

(74/115/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 974/71⁽¹⁾ of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 3450/73⁽²⁾;

Having regard to Commission Regulation (EEC) No 1463/73⁽³⁾ of 30 May 1973, as to the detailed rules for applying the monetary compensatory amounts, as last amended by Regulation (EEC) No 350/74⁽⁴⁾, and in particular Article 5 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Commission Regulation (EEC) No 218/74⁽⁵⁾ of 25 January 1974, as last amended by Regulation (EEC) No 444/74⁽⁶⁾ fixed the monetary compensatory amounts to be applied from 25 February 1974;

Whereas these compensatory amounts have been fixed without taking account of Article 4a (2) of Regulation (EEC) No 974/71 which provides that in trade among the Member States and between the Member States and third countries the compensatory amounts applicable because of a depreciation of the currency concerned cannot exceed the tax on imports from third countries;

Whereas, in order that this rule may be observed, Article 5 of Regulation (EEC) No 1463/73 has stated that for the application of Article 4a (2) of Regulation (EEC) No 974/71 to beef meat, the Commission shall give notice of the amounts by which the monetary compensatory amounts are to be reduced; whereas the amounts fixed in accordance with this rule are periodically altered when changes in the tax on imports from third countries make this necessary;

Whereas Council Regulation (EEC) No 1695/73⁽⁷⁾ of 25 June 1973 as amended by Regulation (EEC) No 1824/73⁽⁸⁾ has determined to what extent the monetary compensatory amounts applicable to beef and veal by reason of the depreciation of a currency may be higher than the charge on imports from third countries;

Whereas, if the system is to operate normally, world market prices should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, at a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas pursuant to the second subparagraph of Article 5 (2) of Regulation (EEC) No 1463/73 if the monetary compensatory amount for certain products has to be reduced by a higher amount in the United Kingdom than in Ireland, the amount of the reduction fixed for the United Kingdom shall apply to Ireland;

Whereas application of the said criteria results in a fixing of the amounts by which the monetary compensatory amounts are to be adjusted to the level appearing in the Annex hereto,

HAS ADOPTED THIS DECISION:

Article 1

With effect from 25 February 1974 the amounts, by which the monetary compensatory amounts appearing in the Annex to Regulation (EEC) No 218/74, as last amended by Regulation (EEC) No 444/74, must be
