REGULATION (EEC) No 1002/74 OF THE COMMISSION

of 26 April 1974

fixing the export levies on starch products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73⁽²⁾;

Having regard to Council Regulation No 371/67/EEC⁽³⁾ fixing production refunds on starches and quellmehl, as last amended by Regulation (EEC) No 179/73⁽⁴⁾, and in particular the last sentence of Article 2 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas, pursuant to Article 2 (2) of Regulation No 371/67/EEC, an export levy may be introduced for products falling within subheadings Nos 11.08 A I, III, IV and V, 11.09, 17.02 B II, 17.05 B and 23.03 A I of the Common Customs Tariff when world market prices for maize or common wheat exceed 6.80 units of account;

Whereas, by Regulation (EEC) No 1604/71⁽⁵⁾ of 26 July 1971, as amended by Regulation (EEC) No 347/73⁽⁶⁾, the Commission laid down detailed rules for the application of the export levy on starch products; whereas Article 2 (1) of that Regulation provides that a levy is introduced when it is found that the import levy is at least 0.30 unit of account/100 kg less than the amount of the production refund valid in the current month and that the average of the levies in the immediately following fortnight is at least 0.30 unit of account/100 kg less than the average of the production refund valid in that fortnight;

Whereas the export levy must be equal, per 100 kg of basic product, to the difference between the production refund valid on the day on which this export levy

is fixed and the average of the levies applicable on the seven days preceding the day it comes into force; whereas this difference must then be multiplied for the products mentioned in Article 1 by the coefficients relating to these products shown in column 4 of the Annex to Regulation (EEC) No 1052/68⁽⁷⁾, as last amended by Regulation (EEC) No 881/73⁽⁸⁾;

Whereas the production refund on maize and common wheat intended for the manufacture of starch and quellmehl is defined in Article 1 of Regulation No 371/67/EEC;

Whereas, pursuant to Article 4 (a) of Regulation (EEC) No 1604/71 for the new Member States the amounts to be considered respectively as import levy and production refund in accordance with the preceding Articles shall be the levy and the production refund for the product in question respectively, minus the applicable compensatory amount;

Whereas the export levy must be fixed once a week; whereas it is altered only if application of Article 2 (2) (a) of Regulation (EEC) No 1604/71 entails an increase or a reduction of more than 0.08 unit of account/100 kg of basic product;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, at a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all these provisions to the world market price of maize and common wheat and to the import levies that an export levy should be introduced for the products listed in the Annex,

(1) OJ No 117, 19. 6. 1967, p. 2269/67.

(2) OJ No L 141, 28. 5. 1973, p. 8.

(3) OJ No 174, 31. 7. 1967, p. 40.

(4) OJ No L 25, 30. 1. 1973, p. 6.

(5) OJ No L 168, 27. 7. 1971, p. 11.

(7) OJ No L 179, 25. 7. 1968, p. 8.

(8) OJ No L 86, 31. 3. 1973, p. 30.

HAS ADOPTED THIS REGULATION :

Article 2

Article 1

The export levies provided for in Article 2 (2) of Regulation No 371/67/EEC are hereby fixed as shown in the Table annexed to this Regulation for the products listed therein.

This Regulation shall enter into force on 27 April 1974.

It shall apply from 27 April 1974 for starch products derived from maize and from 29 April 1974 for starch products derived from soft wheat.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 1003/74 OF THE COMMISSION

of 26 April 1974

fixing the export refunds on pigmeat for the period beginning 1 May 1974

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 121/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in pigmeat, as last amended by Regulation (EEC) No 1652/73⁽²⁾, and in particular the first sentence of Article 15 (5) thereof;

Whereas Article 15 of Regulation No 121/67/EEC provides that the difference between prices on the world market and prices within the Community for the products listed in Article 1 (1) of that Regulation may be covered by an export refund;

Whereas Council Regulation No 177/67/EEC of 27 June 1967⁽³⁾, as amended by Regulation (EEC) No 2686/72⁽⁴⁾, lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as indicated below;

Whereas, for products falling within subheading No 02.06 B I b) 3 bb) and 6 bb), the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within this heading and of the foreseeable trend of production costs on the world market;

Whereas, if existing export outlets for products falling within subheading No 02.06 B I b) 3 aa), 5 aa), 6 aa) and 7 aa) are to be available in the future, the refund should be comparable with that fixed for dried or smoked products;

Whereas, for products falling within subheading No 02.06 B I b) ex 7, the refund should be granted solely

in respect of products of a quality comparable with that of products falling within subheading No 02.06 B I b) 3 and 5; whereas the refund on the former should, therefore, be the same as the refund on the latter;

Whereas, for products falling within subheading No 15.01 A II, provision should be made for an amount which will cover the difference between the most favourable import prices in traditional importing third countries and export prices in exporting Member States;

Whereas, because of conditions of competition in certain third countries, which are traditionally major importers of products falling within subheading Nos 02.05 A I and II, ex 16.01 A, ex 16.01 B I and II, ex 16.02 A II, ex 16.02 B III a) 1 aa), bb) and cc), 2 and 3, set out in the Annex to this Regulation, the refund for these products should be fixed taking this situation into account;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products on which the export refund referred to in Article 15 of Regulation No 121/67/EEC is granted, and the amount of that refund, are hereby fixed as shown in the Annex.

Article 2

This Regulation shall enter into force on 1 May 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

- einen auf den Trockenstoff bezogenen Stärkegehalt (bestimmt nach dem abgeänderten polarimetrischen Ewers-Verfahren) von mehr als 45 Gewichtshundertteilen,
- einen auf den Trockenstoff bezogenen Aschegehalt (abzüglich etwa zugesetzter Mineralstoffe) der bei Reis 1,6 Gewichtshundertteile oder weniger, bei Weizen und Roggen 2,5 Gewichtshundertteile oder weniger, bei Gerste 3 Gewichtshundertteile oder weniger, bei Buchweizen 4 Gewichtshundertteile oder weniger, bei Hafer 5 Gewichtshundertteile oder weniger und bei anderen Getreidearten 2 Gewichtshundertteile oder weniger beträgt.

Getreidekeime, auch gemahlen, gehören auf jeden Fall zur Tarifnummer 11.02.

(⁴) Per la distinzione tra i prodotti delle voci nn. 11.01 e 11.02 da un lato, e quelli della sottovoce 23.02 A dall'altro, si considerano come appartenenti alle voci nn. 11.01 e 11.02 i prodotti che abbiano simultaneamente :

- un tenore in amido (determinato in base al metodo polarimetrico Ewers modificato), calcolato sulla materia secca, superiore al 45 % (in peso),

COMMISSION

COMMISSION DECISION

of 9 April 1974

derogating from High Authority Recommendation No 1/64 concerning an increase in the protective duty on iron and steel products at the external frontiers of the Community

(sixty-first derogation)

(Only the English text is authentic)

(74/213/ECSC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Articles 2 to 5, 8, 71 and 74 thereof;

Having regard to High Authority Recommendation No 1/64 of 15 January 1964⁽¹⁾ to the Governments of the Member States concerning an increase in the protective duty on iron and steel products at the external frontiers of the Community, and in particular Article 3 thereof;

Whereas the Government of the United Kingdom has requested the Commission to authorize, for the second quarter of 1974, duty-free imports of 50 000 metric tons of coils for re-rolling from third countries;

Whereas the United Kingdom has established the continued inadequacy of its national supplies of coils, an inadequacy aggravated by exceptional economic and social circumstances; whereas it appears impossible for users to find the necessary supply on the Community market; whereas the duty-free import of 50 000 metric tons of coils during a three-month period would facilitate the return of normal conditions in the United Kingdom iron and steel market;

Whereas this exceptional importation is justified for reasons of commercial policy provided for in Article 3 of Recommendation No 1/64 of the High Authority; whereas the Commission consequently considers it necessary to grant a derogation from Recommendation No 1/64;

Whereas the Governments of the Member States have been consulted on the abovementioned request,

HAS ADOPTED THIS DECISION:

Article 1

The Government of the United Kingdom is authorized to derogate from the obligations arising under Article 1 of High Authority Recommendation No 1/64 of 15 January 1964 to the extent necessary to import at zero duty, from third countries, 50 000 metric tons of iron and steel coils for re-rolling, under heading No 73.08 of the Common Customs Tariff.

Article 2

1. The Government of the United Kingdom shall be required to ensure, in liaison with the Commission, that the quota is distributed on a non-discriminatory basis among third countries.

⁽¹⁾ OJ No 8, 22. 1. 1964, p. 99/64.

2. It shall be required to take all necessary steps to rule out the possibility of iron and steel products imported under the tariff quota being re-exported to other Member States in the same state as that in which it was imported.

Article 3

1. This decision is addressed to the United Kingdom.

2. It shall be valid until 30 June 1974.

Done at Brussels, 9 April 1974.
