REGULATION (EEC) No 2336/74 OF THE COMMISSION
of 12 September 1974
fixing the export levies on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1996/74⁽²⁾;

Having regard to Council Regulation (EEC) No 1968/73⁽³⁾ of 19 July 1973 laying down general rules to be applied in the event of the cereals market being disturbed, as last amended by Regulation (EEC) No 676/74⁽⁴⁾ and in particular Article 4(2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 19 of Regulation No 120/67/EEC provides that the necessary measure may be taken if the cif price of one or more products is appreciably higher than the threshold price and if that situation is likely to continue thereby disturbing or threatening to disturb the Community market;

Whereas Regulation (EEC) No 1968/73 specifies that the cif price may be regarded as appreciably higher than the threshold price when it exceeds it by at least 2 %; whereas this excess may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist having regard to foreseeable production and market price trends;

Whereas the high level of prices in international trade could impede importation of common wheat, barley, rye, oats, maize, millet and sorghum into the Community or provoke exportation from the Community;

Whereas the situation described above can be said to exist at the present time; whereas to ensure supplies in the Community an export levy should be introduced for common wheat, barley, rye, oats, maize, millet and sorghum;

Whereas, in view of the relationship between the basic product and the products processed from it and given the market situation for certain processed products, an export levy for certain of these products must also be fixed;

Whereas the threshold prices for the 1974/75 marketing year were fixed by Council Regulation (EEC) No 1427/74⁽⁵⁾ of 4 June 1974;

Whereas Article 3 of Regulation (EEC) No 1968/73 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products, other than starches, listed in Article 1(c) and (d) of Regulation No 120/67/EEC the specific factors set out in Article 3(2) of Regulation (EEC) No 1968/73 must also be taken into account;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies:

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, at a conversion rate based on their actual parity;
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period;

⁽¹⁾ OJ No 117, 19. 6. 1967, p. 2269/67.

⁽²⁾ OJ No L 209, 31. 7. 1974, p. 1.

⁽³⁾ OJ No L 201, 21. 7. 1973, p. 10.

⁽⁴⁾ OJ No L 83, 28. 3. 1974, p. 3.

⁽⁵⁾ OJ No L 151, 8. 6. 1974, p. 1.

Whereas it follows from applying the rules outlined above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies, should be fixed as shown in the Annex to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export levies referred to in the first indent of Article 2(1) of Regulation (EEC) No 1968/73 are hereby fixed at the amounts shown in the Annex.

Article 2

This Regulation shall enter into force on 13 September 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 2338/74 OF THE COMMISSION

of 12 September 1974

fixing the premiums to be added to the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 1129/74⁽²⁾, and in particular Article 13 (6) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas the premiums to be added to the import levies fixed in advance for rice and broken rice must include a premium for the current month and a premium for each of the following months until the expiry of the period of validity of the import licence; whereas this period of validity was laid down in Article 20 (2) of Commission Regulation (EEC) No 2637/70⁽³⁾ of 23 December 1970, as last amended by Regulation (EEC) No 1454/74⁽⁴⁾;

Whereas Council Regulation No 365/67/EEC⁽⁵⁾ of 25 July 1967, as last amended by Regulation (EEC) No 2435/70⁽⁶⁾, lays down rules for the advance fixing of levies on rice and broken rice;

Whereas under the terms of Regulation No 365/67/EEC, where the cif price for husked rice for milled rice or for broken rice determined on the day on which the premiums are fixed is higher than the cif forward delivery price for the same product, the premium should as a general rule be equal to the difference between these two prices; whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC on the day on which the premiums are fixed; whereas the detailed rules for determining cif prices were laid down in Regulation (EEC) No 1613/71⁽⁷⁾, as last amended by Regulation (EEC) No 1057/73⁽⁸⁾; whereas the cif forward delivery price must also be determined in accordance

with Article 16 of Regulation No 359/67/EEC but on the basis of offers at North Sea ports; whereas this price must be the cif price for shipment during the month in which the import licence is issued in the case of imports to be effected during that month; whereas this price must be the cif price for shipment during the month in which importation is expected to take place in the case of imports to be effected during the month following the month in which the import licence is issued; whereas this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place in the case of imports to be effected during the remaining months for which the import licence is valid; whereas, if no offer for forward delivery is made for shipment during a given month, this price should be the price ruling for shipment during the last month in which an offer for forward delivery was made;

Whereas the premium is equal to 0 units of account if the cif price determined on the day on which the scale of the premiums is fixed is equal to the cif forward delivery price or exceeds that price by not more than 0.025 units of account per 100 kilograms;

Whereas the premium may, however, be fixed at a higher level in exceptional circumstances and within certain specified limits;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all these provisions that the premiums should be fixed as shown in the Table annexed to this Regulation; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 0.025 unit of account,

REGULATION (EEC) No 2339/74 OF THE COMMISSION
of 12 September 1974
fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 1129/74⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 17 of Regulation No 359/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No 366/67/EEC⁽³⁾ of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds, as amended by Regulation No 1019/67/EEC⁽⁴⁾ provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbance of the Community market;

Whereas Regulation No 669/67/EEC⁽⁵⁾ as amended by Regulation (EEC) No 1057/68⁽⁶⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation No 366/67/EEC defines the specific criteria to be taken into account

when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a week; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market that the refund should be fixed at the amounts shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 of Regulation No 359/67/EEC with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 13 September 1974.

REGULATION (EEC) No 2340/74 OF THE COMMISSION

of 12 September 1974

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 1129/74⁽²⁾, and in particular the first subparagraph of Article 17 (4) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas the first subparagraph of Article 17 (4) of Regulation No 359/67/EEC provides that the export refund applicable to rice and broken rice on the day on which application for an export licence is made, adjusted for the threshold price which will be in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the licence;

Whereas Regulation No 474/67/EEC⁽³⁾, as amended by Regulation (EEC) No 1397/68⁽⁴⁾, lays down detailed rules for the advance fixing of the export refund on rice and broken rice;

Whereas that Regulation provides that the refund applicable on the day on which application for an export licence is made must, when it is fixed in advance, be reduced by an amount no greater than the difference between the cif forward delivery price and the cif price, where the former exceeds the latter by more than 0.025 unit of account per 100 kilograms; whereas, on the other hand, the refund must be increased by an amount no greater than the difference between the cif price and the cif forward delivery price, where the former exceeds the latter by more than 0.025 unit of account per 100 kilograms;

Whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC;

whereas the cif forward delivery price is that determined in accordance with Article 3 (2) of Regulation No 365/67/EEC⁽⁵⁾, as last amended by Regulation (EEC) No 2435/70⁽⁶⁾, based, in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation;

Whereas if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all these provisions that the corrective amount applicable on 13 September 1974 must be fixed as shown in the Table annexed to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 17 (4) of Regulation No 359/67/EEC which is applicable to the export refunds fixed in advance in respect of rice and broken rice is hereby fixed as shown in the Table annexed to this Regulation.

Article 2

This Regulation shall enter into force on 13 September 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 2341/74 OF THE COMMISSION
of 12 September 1974
fixing the export levies on rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾, of 25 July 1967 on the common organization of the market in rice as last amended by Regulation (EEC) No 1129/74⁽²⁾;

Having regard to Council Regulation (EEC) No 2737/73⁽³⁾ of 8 October 1973 laying down general rules to be applied in the event of the rice market being disturbed, and in particular Article 4(2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 21 of Regulation No 359/67/EEC provides that the necessary measures may be taken if the cif price of one or more products is appreciably higher than the threshold price and if that situation is likely to continue thereby disturbing or threatening to disturb the Community market;

Whereas Regulation (EEC) No 2737/73 specifies that the cif price may be regarded as appreciably higher than the threshold price when it exceeds it by at least 2 %; whereas this excess may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist having regard to foreseeable production and market price trends;

Whereas the high level of prices in international trade could impede importation of rice into the Community or provoke exportation from the Community;

Whereas the situation described above can be said to exist at the present time; whereas to ensure supplies in the Community an export levy should be introduced for this product;

Whereas in view of the relationship between the rice and products processed from it and given the market situation for these products, an export levy must also be fixed for all products processed from rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1974/75 marketing year by Regulations (EEC) No 1718/74⁽⁴⁾ and (EEC) No 1935/74⁽⁵⁾;

Whereas Article 3 of Regulation (EEC) No 2737/73 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities

of rice on the Community market on the one hand and prices for rice and products processed from it on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on rice markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1(c) of Regulation No 359/67/EEC the specific factors set out in Article 3(2) of Regulation (EEC) No 2737/73 must also be taken into account;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies:

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, a conversion rate based on their actual parity;
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period;

Whereas it follows from applying the rules outlined above to the present situation on the market in rice, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export levy referred to in the first indent of Article 2(1) of Regulation (EEC) No 2737/73 is hereby fixed as shown in the Annex for the products listed therein.

COMMISSION DECISION

of 29 August 1974

**fixing the minimum export levy for the invitation to tender for the export of
husked long grain rice issued under Regulation (EEC) No 1921/74**

(74/463/EEC)

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community;

Having regard to Council Regulation No 359/
67/EEC⁽¹⁾ of 25 July 1967 on the common organiza-
tion of the market in rice, as last amended by the Act
of Accession⁽²⁾;

Having regard to Council Regulation (EEC) No
2737/73⁽³⁾ of 8 October 1973 laying down general
rules to be applied in the event of the rice market
being disturbed, and in particular Article 4 (2)
thereof;

Having regard to Commission Regulation (EEC) No
3197/73⁽⁴⁾ of 23 November 1973 establishing the
conditions for the application of the system of
tendering for export levies on rice, and in particular
Article 5 (1) thereof;

Whereas an invitation to tender for the export levy on
husked long grain rice was issued under Commission
Regulation (EEC) No 1921/74⁽⁵⁾ of 23 July 1974;
whereas the notice of invitation to tender⁽⁶⁾ associated
with this Regulation specified that the total tonnage
for which the export levy could be fixed was approxi-
mately 500 metric tons;

Whereas Article 5 (1) of Regulation (EEC) No 3197/73
allows the Commission, in accordance with the proce-
dure laid down in Article 26 of Regulation No 359/
67/EEC, to fix a minimum export levy; whereas,
when this minimum levy is being fixed, account must
be taken of the criteria set out in Article 3 (1) (b) and
(d) of Regulation (EEC) No 2737/73, namely:

- the objectives of the common organization of the
market in rice, namely to balance that market
both as regards supplies and as regards trade, and
- the economic aspect of the exports;

Whereas Article 5 (2) of Regulation (EEC) No 3197/73
stipulates that the award is made to the tenderer or
tenderers whose tenders quote a levy equal to or
higher than the minimum;

Whereas it follows from applying these rules to the
present situation on the market for the rice in ques-
tion that the minimum export levy should be fixed as
shown in Article 1; whereas the tonnage of husked
long grain rice to which this minimum applies is
500;

Whereas the measures provided for in this Decision
are in accordance with the Opinion of the Manage-
ment Committee for Cereals,

COMMISSION DECISION

of 30 August 1974

concerning the supply of skimmed-milk powder to the International Committee of the Red Cross as emergency food aid

(Only the French and Dutch texts are authentic)

(74/466/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68⁽¹⁾ of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74⁽²⁾, and in particular Articles 7 (5) and 28 thereof;Whereas Council Regulation (EEC) No 2721/72⁽³⁾ of 19 December 1973 on the supply of skimmed-milk powder as food aid, as amended by Regulation (EEC) No 2700/73⁽⁴⁾, provides, *inter alia*, that 6 000 metric tons of skimmed-milk powder should be made available to the International Committee of the Red Cross; whereas ICRC has requested the supply, as emergency aid, of 50 metric tons of skimmed-milk powder for Cyprus;

Whereas Article 3 (1) (d) of Regulation (EEC) No 2721/72 provides for the payment of a sum of money to cover delivery costs, arrangements for such payment being approved by the Community under the terms of the supply contract; whereas such sums are to be determined, as paragraph 2 of that Article provides, by inviting tenders or, having regard to the urgency of the situation, by mutual agreement, on the least onerous terms possible;

Whereas, in view of the deterioration of the situation in Cyprus and of the need for immediate aid, the quantity of skimmed-milk powder requested should be shipped as soon as possible; whereas it is apparent that mutual agreement must be sought in respect of the delivery in question;

Whereas having regard to the stocks held by the intervention agencies and to the existing transport possibilities, it appears that the quantity in question could be supplied by the Belgian intervention agency;

Whereas the measures provided for in this Decision are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS DECISION:

Article 1

1. In accordance with Regulation (EEC) No 2721/72, 50 metric tons of skimmed-milk powder shall be delivered cif to the port of Limassol (Cyprus) for the ICRC.

2. The skimmed-milk powder shall meet the requirements as the quality and packing laid down in Annex I to Commission Regulation (EEC) No 1108/68⁽⁵⁾ of 27 July 1968 on detailed rules of application for public storage of skimmed-milk powder, as last amended by Regulation (EEC) No 1636/74⁽⁶⁾.

Article 2

1. The skimmed-milk powder shall be taken from stocks held by the Belgian intervention agency.

2. The intervention agency shall have the packing of the skimmed-milk powder marked with a red cross 15 cm by 15 cm and, in letters at least 2 cm high, the words:

'Skimmed-milk powder / Gift of the European Economic Community'.

Article 3

Shipment shall be effected at the port of Antwerp on 5 September 1974 at the latest.

Article 4

1. The Belgian intervention agency shall determine the transport costs relating to the delivery in question by mutual agreement on the least onerous terms possible.

2. The intervention agency shall forward to the Commission without delay a copy of such mutual agreement.

amending the Commission Decisions of 8 December 1972 and 22 December 1972 authorizing certain Member States to sell butter at reduced prices as concentrated butter

(Only the French, German and Dutch texts are authentic)

(74/467/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 804/68 ⁽¹⁾ of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74 ⁽²⁾, and in particular Article 6 (7) thereof;

Whereas only butter which has been taken into storage before 1 January 1974 may be used for the purposes of the following Decisions:

- the Commission Decision of 22 December 1972 ⁽⁷⁾ authorizing the Federal Republic of Germany to sell butter at reduced prices as concentrated butter, as last amended by the Decision of 18 June 1974;

Whereas since part of the butter covered by the above-mentioned authorizations has not yet been taken over

and there practically remains no further butter taken into storage before 1 January 1974, and therefore in view of the state of the public stock of butter in the Community, the date of entry into storage fixed for the butter in question should be amended;

COMMISSION DECISION

of 5 September 1974

amending the Commission Decision of 8 August 1974 authorizing certain Member States to apply special intervention measures for common wheat

(Only the Dutch, French and German texts are authentic)

(74/468/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1996/74⁽²⁾ and in particular the second paragraph of Article 8 and Article 24 thereof;

Having regard to Council Regulation No 174/67/EEC⁽³⁾ of 27 June 1967 on special intervention measures for cereals, as last amended by Regulation (EEC) No 445/68⁽⁴⁾, and in particular Article 1 thereof;

Having regard to the communication from the Kingdoms of the Netherlands, Belgium, the Grand Duchy of Luxembourg and from the Federal Republic of Germany which reached the Commission on 23, 25 and 30 July 1974 respectively stating the particularly difficult situation for holders of common wheat at the start of the new marketing year and including requests for special intervention measures for common wheat;

Whereas the Commission by its Decision of 8 August 1974 authorized the Member States concerned to apply special intervention measures involving a total quantity of 865 000 metric tons of common wheat; whereas the dates specified in the above Decision for the submission of applications by the holders of common wheat to the intervention agency of the Member State concerned and for the undertaking to keep the grain in stock appear to be too close that there is need to extend the dates at first allowed;

Whereas the measures provided for in this Decision are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS DECISION:

Article 1

The second paragraph of Article 1 of the Decision of 8 August 1974 is replaced by the following text:

'These operations shall involve the conclusion before 23 October 1974 of contracts between the

intervention agency and the holders of common wheat in terms of which:

- (a) the holders shall undertake to keep in store from a date between 1 and 18 September 1974, to be fixed by the intervention agency, until 31 January 1975 a given quantity of soft wheat;
- (b) the intervention agency shall grant to the holders of that quantity, at the end of the period laid down in (a), a daily premium, intended to cover storage and credit costs, fixed contractually at 0.0233 unit of account per metric ton.'

Article 2

Article 2 of the Decision of 8 August 1974 is amended as follows:

The first paragraph is replaced by the following text:

'Holders who wish to enter into such an undertaking must make a written application, amounting to a firm undertaking, to the intervention agency before the date fixed by the latter for the beginning of the period of storage. They must give in this application an indication of the quantity in question which may not be less than 200 metric tons.'

The third paragraph is replaced by the following text:

'The competent intervention agency shall communicate to the holder, twenty eight days at the latest after the date fixed for the beginning of the period of storage, the quantity which will be subject to the undertaking.'
