REGULATION (EEC) No 1064/75 OF THE COMMISSION

of 24 April 1975

fixing the premiums to be added to the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 476/75⁽²⁾, and in particular Article 13 (6) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas the premiums to be added to the import levies fixed in advance for rice and broken rice must include a premium for the current month and a premium for each of the following months until the expiry of the period of validity of the import licence; whereas this period of validity was laid down in Article 20 (2) of Commission Regulation (EEC) No 2637/70⁽³⁾ of 23 December 1970, as last amended by Regulation (EEC) No 491/75⁽⁴⁾;

Whereas Council Regulation No 365/67/EEC⁽⁵⁾ of 25 July 1967, as last amended by Regulation (EEC) No 2435/70⁽⁶⁾, lays down rules for the advance fixing of levies on rice and broken rice;

Whereas under the terms of Regulation No 365/67/EEC, where the cif price for husked rice for milled rice or for broken rice determined on the day on which the premiums are fixed is higher than the cif forward delivery price for the same product, the premium should as a general rule be equal to the difference between these two prices; whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC on the day on which the premiums are fixed; whereas the detailed rules for determining cif prices were laid down in Regulation (EEC) No 1613/71⁽⁷⁾, as last amended by Regulation (EEC) No 1057/73⁽⁸⁾; whereas the cif forward delivery price must also be determined in accordance

with Article 16 of Regulation No 359/67/EEC but on the basis of offers at North Sea ports; whereas this price must be the cif price for shipment during the month in which the import licence is issued in the case of imports to be effected during that month; whereas this price must be the cif price for shipment during the month in which importation is expected to take place in the case of imports to be effected during the month following the month in which the import licence is issued; whereas this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place in the case of imports to be effected during the remaining months for which the import licence is valid; whereas, if no offer for forward delivery is made for shipment during a given month, this price should be the price ruling for shipment during the last month in which an offer for forward delivery was made;

Whereas the premium is equal to 0 unit of account if the cif price determined on the day on which the scale of the premiums is fixed is equal to the cif forward delivery price or exceeds that price by not more than 0.025 unit of account per 100 kilograms;

Whereas the premium may, however, be fixed at a higher level in exceptional circumstances and within certain specified limits;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all these provisions that the premiums should be fixed as shown in the table annexed to this Regulation; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 0.025 unit of account,

REGULATION (EEC) No 1065/75 OF THE COMMISSION

of 24 April 1975

fixing the export levies on rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾, of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 476/75⁽²⁾ ;

Having regard to Council Regulation (EEC) No 2737/73⁽³⁾ of 8 October 1973 laying down general rules to be applied in the event of the rice market being disturbed, as amended by Regulation (EEC) No 477/75⁽⁴⁾, and in particular Article 4(2) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 21 of Regulation No 359/67/EEC provides that measures may be taken when the quotations or prices on the world market for one or more products reach the level of Community prices ; whereas that situation is likely to continue and to deteriorate, thereby disturbing or threatening to disturb the Community market ;

Whereas Regulation (EEC) No 2737/73 specifies that the quotations or prices on the world market shall be regarded as having reached the level of Community prices when they approach or exceed the threshold price ; whereas the continuation and the deterioration of that situation may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist, having regard to foreseeable production and market price trends ;

Whereas the high level of prices in international trade could impede importation of rice into the Community or provoke exportation from the Community ;

Whereas the situation described above can be said to exist at the present time ; whereas to ensure supplies in the Community an export levy should be introduced for certain categories of rice ;

Whereas in view of the relationship between the rice and products processed from it and given the market situation for these products, an export levy must also be fixed for products processed from rice ;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1974/75 marketing year by Regulations (EEC) No 1718/74⁽⁵⁾ and (EEC) No 1935/74⁽⁶⁾, as amended by Regulation (EEC) No 2518/74⁽⁷⁾ ;

Whereas Article 3 of Regulation (EEC) No 2737/73 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice on the Community market on the one hand and prices for rice and products processed from it on the world market on the other ; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on rice markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market ;

Whereas for the products listed in Article 1(c) of Regulation No 359/67/EEC the specific factors set out in Article 3(2) of Regulation (EEC) No 2737/73 must also be taken into account ;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary ;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies :

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, a conversion rate based on their actual parity ;
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period ;

Whereas it follows from applying the rules outlined above to the present situation on the market in rice, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies should be fixed as shown in the Annex to this Regulation ;

hereby fixed as shown in the Annex for the products listed therein.

REGULATION (EEC) No 1069/75 OF THE COMMISSION**of 24 April 1975****fixing the export refunds on molasses, syrups and certain other sugar products
exported in the natural state**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community ;

Having regard to Council Regulation No 1009/
67/EEC⁽¹⁾ of 18 December 1967 on the common
organization of the market in sugar, as last amended
by Regulation (EEC) No 2476/74⁽²⁾ and in particular
the first sentence of the last subparagraph of Article
17 (2) thereof ;

Having regard to the Opinion of the Monetary
Committee ;

Whereas Article 17 of Regulation No 1009/67/EEC
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 (1) (c) and (d) of that Regulation and prices
for those products within the Community may be
covered by an export refund ;

Whereas Article 6 of Council Regulation (EEC) No
766/68⁽³⁾ of 18 June 1968 laying down general rules
for granting export refunds on sugar, as last amended
by Regulation (EEC) No 881/73⁽⁴⁾, defines the price
factors, both within the Community and on the world
market, which must be taken into account when the
refunds on molasses exported in the natural state are
being fixed ; whereas the same Article provides that
the economic aspect of the proposed exports should
also be taken into account ;

Whereas the world market situation of the specific
requirements of certain markets may make it neces-
sary to vary the refund on molasses according to desti-
nation ;

Whereas Article 8 of Regulation (EEC) No 766/68
provides the export refund on 100 kilogrammes of the
products listed in Article 1 (1) (d) of Regulation No

accordance with the provisions of Article 13 of
Commission Regulation (EEC) No 394/70⁽⁵⁾ of 2
March 1970 on detailed rules for granting export

on sugar used in the chemical industry, as last
amended by Regulation (EEC) No 2477/74⁽⁷⁾, to the
products listed in Annex I to that Regulation ;

Whereas the basic amount of the refund on the other
products listed in Article 1 (1) (d) of Regulation No
1009/67/EEC exported in the natural state must be
equal to one hundredth of an amount which takes
account, on the one hand, of the difference between
the intervention price for white sugar for the Commu-
nity area with the largest surplus for the month for
which the basic amount is fixed and quotations or
prices for white sugar on the world market and, on
the other, of the need to establish a balance between
the use of Community basic products in the manufac-
ture of processed goods for export to third countries
and the use of third country products brought in
under inward processing arrangements ;

Whereas the application of the basic amount may be
limited to some of the products listed in Article 1 (1)
(d) of Regulation No 1009/67/EEC ;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis :

— in the case currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity ;

— for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Sugar,

REGULATION (EEC) No 1071/75 OF THE COMMISSION

of 24 April 1975

on a standing invitation to tender for the mobilization of white sugar as food aid for UNRWA

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 1052/73⁽¹⁾ of 17 April 1973 on the supply of sugar to UNRWA as food aid pursuant to the Agreement with that agency of 18 December 1972, as amended by Regulation (EEC) No 611/75⁽²⁾, and in particular Article 1 (3) thereof ;

Whereas the quantity of white sugar referred to in Article II (1) of the Agreement⁽³⁾ between the European Economic Community and the United Nations Relief and Works Agency for Palestine Refugees in the Near East concerning assistance to refugees from the countries of the Middle East, hereinafter called the 'Agreement', has been changed following an exchange of letters pursuant to the Council Decision of 2 October 1974⁽⁴⁾ ; whereas it is consequently provided that 6 094 metric tons of white sugar produced and in free circulation in the Community be placed at the disposal of the United Nations Relief and Works Agency for Palestine Refugees (UNRWA) as food aid for the sugar marketing year 1974/75 ; whereas Article 1 (1) (c) of Regulation (EEC) No 1052/73 provides that, if white sugar is not available on the Community market on the normal terms, it may be obtained by purchase on the world market ; whereas, therefore, in view of the state of supply and prices in the Community and prices on the world market, it is necessary to have recourse to purchase of white sugar on the world market ; whereas, in view of its destination, this sugar must be of sound and fair marketable quality, dry, in homogeneously granulated crystals, free flowing, and with a minimum degree of polarization of 99.70° S ;

Whereas Article 2 of Regulation (EEC) No 1052/73 provides in particular that the Community shall finance the cif value of the sugar ;

Whereas, if mobilization is to be by tender, it would seem desirable to apply, in an appropriate form, the rules governing tenders within the framework of the common organization of the market in sugar ;

whereas, in order *inter alia* to simplify administrative procedures, Denmark should be entrusted with the issue of this standing invitation to tender ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION :

REGULATION (EEC) No 1072/75 OF THE COMMISSION

of 24 April 1975

fixing the refunds on milk and milk products exported in the natural state

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community ;

Having regard to Council Regulation (EEC) No
804/68 ⁽¹⁾ of 27 June 1968 on the common organiza-
tion of the market in milk and milk products, as last
amended by Regulation (EEC) No 740/75 ⁽²⁾, and in
particular Article 17 (4) thereof ;

Having regard to the Opinion of the Monetary
Committee ;

Whereas Article 17 of Regulation (EEC) No 804/68
provides that the difference between prices in interna-
tional trade for the products listed in Article 1 of that
Regulation and prices for those products within the
Community may be covered by an export refund ;

Whereas Council Regulation (EEC) No 876/68 ⁽³⁾ of
28 June 1968 laying down general rules for granting
export refunds on milk and milk products and criteria
for fixing the amount of such refunds, as amended by
Regulation (EEC) No 2429/72 ⁽⁴⁾, provides that when
the refunds on the products listed in Article 1 of Regu-
lation (EEC) No 804/68, exported in the natural state,
are being fixed account must be taken of :

- the existing situation and the future trend with
regard to prices and availabilities of milk and milk
products on the Community market and prices for
milk and milk products in international trade ;
- marketing costs and the most favourable transport
charges from Community markets to ports or
other points of export in the Community, as well
as costs incurred in placing the goods on the
market of the country of destination ;
- the aims of the common organization of the
market in milk and milk products which are to
ensure equilibrium and the natural development
of prices and trade on this market ;

— the need to avoid disturbances on the Community
market ; and

— the economic aspect of the proposed exports ;

Whereas Article 3 (1) of Regulation (EEC) No 876/68
provides that when prices within the Community are
being determined account should be taken of the
ruling prices which are most favourable for exporta-
tion, and that when prices in international trade are
being determined particular account should be taken
of :

- (a) prices ruling on third country markets ;
- (b) the most favourable prices in third countries of
destination for third country imports ;
- (c) producer prices recorded in exporting third coun-
tries, account being taken, where appropriate, of
subsidies granted by those countries ; and
- (d) free-at-Community-frontier offer prices ;

Whereas Article 4 of Regulation (EEC) No 876/68
provides that the world market situation or the
specific requirements of certain markets may make it
necessary to vary the refund on the products listed in
Article 1 of Regulation (EEC) No 804/68 according to
destination ;

Whereas Article 5 (1) of Regulation (EEC) No 876/68
provides that the list of products on which export
refunds are granted and the amount of such refunds
should be fixed at least once every four weeks ;
whereas the amount of the refund may, however,
remain at the same level for more than four weeks ;

Whereas Article 2 of Commission Regulation (EEC)
No 1098/68 ⁽⁵⁾ of 27 July 1968 on detailed rules for
the application of export refunds on milk and milk
products, as last amended by Regulation (EEC) No
37/75 ⁽⁶⁾, provides that the refund on products falling
within subheading 04.02 B is equal to the sum of two

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 74, 22. 3. 1975, p. 1.

⁽⁴⁾ OJ No L 264, 23. 11. 1972, p. 1.

components, the first representing the quantity of milk products and the second representing the quantity of added sucrose; whereas, however, the latter component applies only if the added sucrose was produced from beet or cane harvested within the Community;

Whereas for the products falling within subheading 04.02 B II a) or 04.02 B II b) 1 with a fat content not exceeding 9.5 % by weight the first component referred to above is fixed for 100 kg of the whole product; whereas for the other products falling within subheading 04.02 B this component is calculated by multiplying the basic amount by the milk product content of the product in question; whereas this basic amount is the refund on 1 kilogramme of milk products contained in the product;

Whereas the second component is calculated by multiplying the sucrose content of the product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1 (1) (d) of Council Regulation No 1009/67/EEC⁽¹⁾ of 18 December 1967 on the common organization of the market in sugar, as last amended by Regulation (EEC) No 2476/74⁽²⁾;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules to the present situation on the market in milk and milk products, and in particular to prices for these products within the Community and on the world market, that the refund should be fixed at the amounts shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. The refunds referred to in Article 17 of Regulation (EEC) No 804/68 on products exported in the natural state are hereby fixed at the amounts shown in the Annex.
2. No refunds are fixed for exports to Zone E for products falling within heading Nos 04.01, 04.02, 04.03 and 23.07 of the Common Customs Tariff.
3. No refunds are fixed for the products listed in the Annex containing more than 35 %, by weight, of sucrose (including invert sugar expressed as sucrose) however, excluding the products falling within subheadings ex 04.02 B II a) 1 (code 2810 10), ex 04.02 B II a) 2 (code 2810 20), ex 04.02 B II b) 1 aa) (code 2910 70) and ex 04.02 B II b) 1 bb) (code 2910 75).

Article 2

This Regulation shall enter into force on 25 April 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 1074/75 OF THE COMMISSION**of 24 April 1975****fixing the export refunds on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 476/75⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 17 of Regulation No 359/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No 366/67/EEC⁽³⁾ of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 478/75⁽⁴⁾ provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbance of the Community market;

Whereas Regulation No 669/67/EEC⁽⁵⁾, as amended by Regulation (EEC) No 1057/68⁽⁶⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation No 366/67/EEC defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market that the refund should be fixed at the amounts shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 of Regulation No 359/67/EEC with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

REGULATION (EEC) No 1075/75 OF THE COMMISSION**of 24 April 1975****fixing the corrective amount applicable to the refund on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 359/67/EEC⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 476/75⁽²⁾, and in particular the first subparagraph of Article 17 (4) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas the first subparagraph of Article 17 (4) of Regulation No 359/67/EEC provides that the export refund applicable to rice and broken rice on the day on which application for an export licence is made, adjusted for the threshold price which will be in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the licence ;

Whereas Regulation No 474/67/EEC⁽³⁾, as amended by Regulation (EEC) No 1397/68⁽⁴⁾, lays down detailed rules for the advance fixing of the export refund on rice and broken rice ;

Whereas that Regulation provides that the refund applicable on the day on which application for an export licence is made must, when it is fixed in advance, be reduced by an amount no greater than the difference between the cif forward delivery price and the cif price, where the former exceeds the latter by more than 0.025 unit of account per 100 kilograms ; whereas, on the other hand, the refund must be increased by an amount no greater than the difference between the cif price and the cif forward delivery price, where the former exceeds the latter by more than 0.025 unit of account per 100 kilograms ;

Whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC ;

whereas the cif forward delivery price is that determined in accordance with Article 3 (2) of Regulation No 365/67/EEC⁽⁵⁾, as last amended by Regulation (EEC) No 2435/70⁽⁶⁾, based, in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation ;

Whereas if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas it follows from applying all these provisions that the corrective amount applicable on 25 April 1975 must be fixed as shown in the table annexed to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The corrective amount referred to in Article 17 (4) of Regulation No 359/67/EEC which is applicable to the export refunds fixed in advance in respect of rice and broken rice is hereby fixed as shown in the table annexed to this Regulation.

REGULATION (EEC) No 1077/75 OF THE COMMISSION**of 24 April 1975****fixing the corrective amount applicable to the refund on cereals**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 85/75⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof ;

Having regard to Council Regulation No 139/67/EEC⁽³⁾ of 21 June 1967 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 87/75⁽⁴⁾ ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 16 (4) of Regulation No 120/67/EEC provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence ; whereas, in this case, a corrective amount must be applied to the refund ;

Whereas Regulation No 633/67/EEC⁽⁵⁾, as last amended by Regulation (EEC) No 1461/72⁽⁶⁾, lays down detailed rules for the advance fixing of the export refund on cereals ;

Whereas that Regulation provides that the refund applicable on the day on which application for an export licence is made must, when the refund is fixed in advance, be reduced by not more than the difference between the cif forward delivery price and the cif price where the former exceeds the latter by more than one unit of account per metric ton ; whereas, on the other hand, the refund must be increased by not more than the difference between the cif price and the cif forward delivery price where the former exceeds the latter by more than one unit of account per metric ton ;

Whereas the cif price is that determined in accordance with Article 13 of Regulation No 120/67/EEC ; whereas the cif forward delivery price is that determined in accordance with Article 3 (2) of Regulation No 140/67/EEC⁽⁷⁾, as amended by Regulation (EEC) No 2435/70⁽⁸⁾, based, in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation ;

Whereas the corrective amount so fixed will be altered if application of the calculation procedure described above entails a change in that amount of more than 0.125 unit of account ;

Whereas, however, Article 2 of Regulation No 633/67/EEC provides that the corrective amount applicable to the amount of the refund fixed in advance on exports to be effected after the third month following that during which the licence was issued should be fixed on the basis of foreseeable market trends ; whereas to this end account should be taken of availabilities and foreseeable trends on the Community market and of forward trends on the world market, in particular on those markets whose specific requirements have made it necessary to vary the refund ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas it follows from applying all these provisions that the corrective amount must be fixed as shown in the table annexed to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

REGULATION (EEC) No 1078/75 OF THE COMMISSION**of 24 April 1975****fixing the refunds applicable to cereals and wheat or rye flour groats and meal**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 85/75⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof;

Having regard to the Opinion of the Monetary Committee;

Whereas Article 16 of Regulation No 120/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No 139/67/EEC⁽³⁾ of 21 June 1967 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 87/75⁽⁴⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation No 139/67/EEC defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation No 139/67/EEC; whereas, furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/67/EEC⁽⁵⁾, as amended by Regulation (EEC) No 1607/71⁽⁶⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying the rules outlined above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds, should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 (a), (b) and (c) of Regulation No 120/67/EEC, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.
