REGULATION (EEC) No 1212/75 OF THE COUNCIL

of 28 April 1975

extending to other imports the Annex to Regulation (EEC) No 109/70 establishing common rules for imports from state-trading countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 109/70 ⁽¹⁾ of 19 December 1969 establishing common rules for imports from state-trading countries, and in particular Article 2 thereof;

Having regard to the proposal from the Commission;

Whereas, in respect of a certain number of products quantitative restrictions have been removed by all the Member States in regard to certain state-trading countries;

Whereas an extension of the Annex to Regulation (EEC) No 109/70 to include imports of such products from Albania, the People's Republic of China, North Vietnam, North Korea and Mongolia is not likely to create a situation where the application of protective measures within the meaning of Title IV of the said Regulation would be justified;

Whereas the Annex to Regulation (EEC) No 109/70 may accordingly be extended to include the imports in question; whereas it is desirable, in order to ensure consistency between the common rules for imports from Albania, the People's Republic of China, North Vietnam, North Korea and Mongolia and those for imports from other state-trading countries, to extend to the countries in question the special conditions which under Annex VII to the

Act ⁽²⁾ concerning the Conditions of Accession and the Adjustments to the Treaties apply to the United Kingdom and Ireland in respect of the same imports from other state-trading countries;

Whereas the said Annex has been amended on several occasions; whereas the Commission should be authorized for practical reasons to update it and ensure its publication,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 109/70 shall be extended to include imports of the products listed in the Annex to this Regulation from the third countries indicated by an 'X'.

Article 2

Article 6

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 1213/75 OF THE COUNCIL

of 7 May 1975

establishing in respect of certain products falling within heading Nos 09.04 and 15.07 of the Common Customs Tariff a scheme of generalized preferences in favour of developing countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No 1059/69 ⁽¹⁾ of 28 May 1969 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products, and in particular Article 12 thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas, within the context of UNCTAD, the European Economic Community offered to grant tariff preferences on certain processed agricultural products of Chapters 1 to 24 of the Common Customs Tariff which originate in developing countries; whereas the preferential treatment proposed in that offer consists, in respect of certain goods which are subject to the trade arrangements laid down in Regulation (EEC) No 1059/69, of a reduction in the fixed component of the charge applicable to such goods by virtue of that Regulation, and, in respect of products which are subject to the single customs duty, of a reduction in such duty; whereas preferential imports of the products concerned could be effected without quantitative restrictions;

Whereas the offer made by the Community includes a clause stating that the Community drew up the offer on the assumption that all the main industrialized countries which are members of the OECD would participate in granting preferences and would make similar efforts in this direction; whereas, moreover, it is evident from the conclusions worked out in UNCTAD that this offer, while being of a temporary nature, does not constitute a binding commitment and, in particular, may be withdrawn wholly or in part at a later date; whereas this

possibility may be adopted, *inter alia*, with a view to remedying any unfavourable situations which might arise in the associated countries following the implementation of the generalized preference scheme;

Whereas, moreover, the conference of the Heads of State or of Government of the Member States and the States acceding to the European Communities held in Paris from 19 to 21 October 1972 invited the Community institutions and the Member States progressively to adopt an overall policy of development cooperation on a world-wide scale comprising in particular the improvement of generalized preferences with the aim of achieving a steady increase in imports of manufactures from the developing countries;

Whereas, in accordance with Protocol 23 to the Act of Accession ⁽²⁾, the generalized tariff preference scheme became fully applicable in the new Member States on 1 January 1974;

Whereas, for certain products of Chapters 1 to 24 of the Common Customs Tariff, this scheme would, however, involve the application in the new Member States in 1975 of customs duties higher than or very close to those which will be applied by the new Member States to non-member countries in general on the basis of the provisions of the abovementioned Act; whereas this situation would comply neither with the spirit nor with the very nature of the generalized preference scheme; whereas, in order to maintain an equivalent preferential margin for these products also, reduced customs duties should be applied to them, in accordance with detailed rules based on the principle of maintaining, in the new Member States, a preference proportional to that which exists between the duties of the Common Customs Tariff and the duties given in Annex A to this Regulation; whereas, with a view to granting the beneficiary developing countries the best possible treatment, in accordance with the objectives of the preference scheme, the duties given in the abovementioned Annex A should also be applied wherever the duties calculated according to the

⁽¹⁾ OJ No L 141, 12. 6. 1969, p. 1.

⁽²⁾ OJ No L 73, 27. 3. 1972, p. 14.

abovementioned detailed rules prove to be higher than them;

Whereas it is expedient, therefore, that the Community should authorize the importation of the products referred to in Annex A, originating in the countries and territories listed in Annex B, subject to the customs duties given in respect of each of them, as from 1 July 1975; whereas the benefit of such preferential terms should be reserved for products originating in the countries and territories under consideration, the concept of 'originating products' being determined in accordance with the procedure laid down in Article 14 of Council Regulation (EEC) No 802/68⁽¹⁾ of 27 June 1968 on the common definition of the concept of the origin of goods;

Whereas measures should be provided for which will enable any serious disruption in any sector of the economic activity of the Community to be avoided; whereas, to this end, the Commission should be empowered to reintroduce partially or wholly the levying of customs duties in order that such disruption may be avoided;

Whereas the Commission must be able to have access to information concerning imports effected within the framework of generalized preferences; whereas, to this end, Member States shall inform the Commission every three months of imports actually effected, classified by origin,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 July to 31 December 1975, Community imports of the products listed in Annex A shall benefit from the customs duties specified for each product.

On importation into Denmark, Ireland and the United Kingdom, there shall be applied to the abovementioned products the customs duties determined by multiplying, by a coefficient equal to the margin of preferences existing between the duties given in Annex A and the Common Customs Tariff duties applicable, the duties obtained by reducing the difference between the lowest duty applied on 1 January 1972 to the developing countries set out in Annex B and the Common Customs Tariff, by 60 %.

However, the duties given in Annex A shall be applied where the duties resulting from the abovementioned calculation are higher than them.

2. The treatment provided for in paragraph 1 shall be enjoyed solely by products originating in the countries and territories listed in Annex B.

For the purposes of the application of this Regulation, the concept of originating products shall be determined in accordance with the procedure laid down in Article 14 of Regulation (EEC) No 802/68.

Article 2

When products benefiting from the treatment provided for in Article 1 are imported in the Community in such quantities or at such prices that Community producers of products similar to or in direct competition with them suffer or are likely to suffer from serious disadvantage, the levying of customs duties may be reintroduced in whole or in part on the products in question in respect of the countries or territories which are the cause of the disadvantage. Such measures may also be taken in the case of actual or potential serious disadvantage in a single region of the Community.

Article 3

1. The Commission may decide, by means of a Regulation, to reintroduce the levying of customs duties for a specified period, in order to ensure that Article 2 is applied.

2. In the event of such action being requested by a Member State, the Commission shall decide within a period of not more than 10 working days after the request has been received and shall inform the Member States of this decision.

3. Any Member State may refer to the Council the measure taken by the Commission, within a period of not more than 10 working days after it has been informed thereof. The fact that the matter is referred to the Council shall not cause the measure to be suspended. The Council shall meet immediately. It may, by acting on a qualified majority, amend or rescind the measure in question.

Article 4

Articles 2 and 3 shall not prejudice the implementation of the safeguard clauses adopted in pursuance of the common agricultural policy under Article 43 of the Treaty and of those adopted in pursuance of the common agricultural policy under Article 113 of the Treaty.

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 1.

Article 5

Member States shall inform the Commission every three months of imports effected under this Regulation, classified by origin.

Article 6

This Regulation shall enter into force on 1 July 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 7 May 1975.

For the Council

COUNCIL

SECOND COUNCIL DIRECTIVE

of 28 April 1975

amending Directive No 70/524/EEC concerning additives in feedingstuffs

(75/296/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 43 and 100 thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament ⁽¹⁾;

Having regard to the Opinion of the Economic and Social Committee ⁽²⁾;

Whereas, in the course of implementing Council Directive No 70/524/EEC ⁽³⁾ of 23 November 1970 concerning additives in feedingstuffs, as last amended by Eleventh Commission Directive No 75/267/EEC ⁽⁴⁾, as far as the Annexes are concerned, the need has become apparent to define the term 'animals';

Whereas, in so far as this term also covers pets, it will be necessary to examine later whether a special Directive should be adopted for feedingstuffs for these animals;

Whereas, taking into account amendments made to the Annexes by the Commission, it is necessary to make certain amendments of a technical nature to the enacting terms of Directive No 70/524/EEC;

Whereas it is also necessary to transfer into the Annexes of that Directive all the technical provisions concerning the substances or groups of substances hitherto shown only in the enacting terms;

Whereas experience gained in connection with Annex II, which lists all the additives that may be permitted by Member States on a national scale until the end of 1975, has shown that the Annex should in future constitute an intermediate stage in determining the inclusion of additives in, and their exclusion from, the list of those permitted in the Community (Annex I); whereas it is therefore necessary to fix special conditions governing the inclusion of substances in Annex II;

Whereas in accordance with Council Directive No 73/103/EEC ⁽⁵⁾ of 28 April 1973 amending the Directive of 23 November 1970 concerning additives in feedingstuffs, the adaptation of the Annexes to the development of scientific and technical knowledge, and hence the admission and deletion of the additives, have been subjected to the procedure of the

Standing Committee for Feedingstuffs; whereas the fixing of the criteria for the characterization of the additives concerned should therefore be authorized under the same procedure;

Whereas the experience gathered during the marketing of feedingstuffs containing additives shows the need to improve the marking of these feedingstuffs,

HAS ADOPTED THIS DIRECTIVE:
