COMMISSION REGULATION (EEC) No 355/76

of 19 February 1976

fixing the premiums to be added to the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 359/67/EEC of 25 July 1967 on the common organization of the market in rice ⁽¹⁾, as last amended by Regulation (EEC) No 668/75 ⁽²⁾, and in particular Article 13 (6) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the premiums to be added to the import levies fixed in advance for rice and broken rice must include a premium for the current month and a premium for each of the following months until the expiry of the period of validity of the import licence; whereas this period of validity was laid down in Article 8 of Commission Regulation (EEC) No 2042/75 of 25 July 1975 on special detailed rules for the application of the system of import and export licences for cereals and rice ⁽³⁾;

Whereas Council Regulation No 365/67/EEC of 25 July 1967 ⁽⁴⁾, as last amended by Regulation (EEC) No 2435/70 ⁽⁵⁾, lays down rules for the advance fixing of levies on rice and broken rice;

Whereas under the terms of Regulation No 365/67/EEC, where the cif price for husked rice for milled rice or for broken rice determined on the day on which the premiums are fixed is higher than the cif forward delivery price for the same product, the premium should as a general rule be equal to the difference between these two prices; whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC on the day on which the premiums are fixed; whereas the detailed rules for determining cif prices were laid down in Regulation (EEC) No 1613/71 ⁽⁶⁾, as last amended by Regulation (EEC) No 3320/75 ⁽⁷⁾; whereas the cif forward delivery price must also be determined in accordance

with Article 16 of Regulation No 359/67/EEC but on the basis of offers at North Sea ports; whereas this price must be the cif price for shipment during the month in which the import licence is issued in the case of imports to be effected during that month; whereas this price must be the cif price for shipment during the month in which importation is expected to take place in the case of imports to be effected during the month following the month in which the import licence is issued; whereas this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place in the case of imports to be effected during the remaining months for which the import licence is valid; whereas, if no offer for forward delivery is made for shipment during a given month, this price should be the price ruling for shipment during the last month in which an offer for forward delivery was made;

Whereas the premium is equal to 0 unit of account if the cif price determined on the day on which the scale of the premiums is fixed is equal to the cif forward delivery price or exceeds that price by not more than 0.25 unit of account per metric ton;

Whereas the premium may, however, be fixed at a higher level in exceptional circumstances and within certain specified limits;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all these provisions that the premiums should be fixed as shown in the table annexed to this Regulation; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 0.25 unit of account,

COMMISSION REGULATION (EEC) No 357/76

of 18 February 1976

opening a third invitation to tender and amending Regulation (EEC) No 3354/75
on the sale of skimmed-milk powder for processing into compound feeding-
stuffs for pigs or poultry

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
804/68 of 27 June 1968 on the common organization
of the market in milk and milk products⁽¹⁾, as last
amended by Regulation (EEC) No 740/75⁽²⁾, and in
particular Articles 7 (5) and 28 thereof,

Whereas the invitation to tender opened by Commis-
sion Regulation (EEC) No 135/76 of 22 January 1976
opening a second invitation to tender and amending
Regulation (EEC) No 3354/75 on the sale of skim-
med-milk powder for processing into compound
feedingstuffs for pigs or poultry⁽³⁾, has not allowed
the sale of the envisaged quantities of skimmed-milk
powder put into storage before 1 June 1973; whereas
it is therefore appropriate to have recourse to a new
invitation to tender provided for in Article 3 (4) of
Commission Regulation (EEC) No 3354/75 of 23
December 1975 on the sale by invitation to tender of
skimmed-milk powder at a reduced price for
processing into compound feedingstuffs for pigs or
poultry⁽⁴⁾, as last amended by Regulation (EEC) No
135/76; whereas it is however appropriate to amend
the time limit for taking over the goods in order to
make sure the destocking does not coincide with the
measures proposed for the 1976/77 milk year;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION :

Article 1

1. The new time limit for the submission of
tenders stipulated in Article 3 (4) of Regulation (EEC)
No 3354/75 expires on 3 March 1976 at 12 noon.
2. For this new invitation to tender, the tenderer
undertakes to have the skimmed-milk powder
processed before 1 May 1976 in accordance with
Article 5 (1) of Regulation (EEC) No 3354/75.
3. For the invitation to tender covered by this Regu-
lation, the statements specified in Article 15 of Regula-
tion (EEC) No 3354/75 shall be followed by the
number 'III'.

Article 2

In Article 14 (2) of Regulation (EEC) No 3354/75, the
text of the first subparagraph is replaced by the
following text :

'The successful tenderer shall take over the skim-
med-milk powder assigned to him on 31 March
1976 at the latest. This taking over may be divided
into partial quantities of at least 10 metric tons
each.'

Article 3

This Regulation shall enter into force on the third day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COMMISSION REGULATION (EEC) No 358/76**of 19 February 1976****on an invitation to tender for the levy and/or the refund for the export of wholly milled long grain rice to certain third countries**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 359/67/EEC of 25 July 1967 on the common organization of the market in rice⁽¹⁾, as last amended by Regulation (EEC) No 668/75⁽²⁾,

Having regard to Council Regulation (EEC) No 2737/73 of 8 October 1973 laying down general rules to be applied in the event of the rice market being disturbed⁽³⁾, as last amended by Regulation (EEC) No 477/75⁽⁴⁾, and in particular Article 4 (2) thereof,

Having regard to Council Regulation No 366/67/EEC of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds⁽⁵⁾, as last amended by Regulation (EEC) No 478/75⁽⁶⁾, and in particular Article 3a thereof,

Whereas, having regard to the current situation on the rice market, there should be opened in respect of wholly milled long grain rice an invitation to tender for the export levy provided for in the first indent of Article 2 (1) of Regulation (EEC) No 2737/73 and for the export refund provided for in Article 3a of Regulation No 366/67/EEC;

Whereas those countries close to the rice growing regions of the Community such as Austria, Liechtenstein and Switzerland are able to supply themselves with Community rice within the framework of general refund specifically fixed for these countries; whereas these countries should therefore be excluded from the present tender;

Whereas the detailed rules governing invitations to tender are as regards the export levy contained in Commission Regulation (EEC) No 3197/73 of 23 November 1973 establishing the conditions for the application of the system of tendering for export levies on rice⁽⁷⁾, as last amended by Regulation (EEC) No 583/75⁽⁸⁾, and as regards the export refund in

Commission Regulation (EEC) No 584/75 of 6 March 1975 laying down detailed rules for the application of the system of tendering for export refunds on rice⁽⁹⁾;

Whereas the objective of the tendering procedure can be attained only if every successful tenderer fulfils all the commitments entered into by him when submitting his tender; whereas these commitments include an obligation to lodge an application for an export licence; whereas compliance with this obligation may be ensured by requiring the tenderer to give security when submitting his tender;

Whereas, in order to ensure equal treatment to all concerned, it is necessary to make provision such that the effective period of validity of licences issued to successful tenderers in connection with the invitation to tender is identical;

Whereas provision must be made to ensure the smooth operation of the procedure for tendering for export levies and refunds; whereas to this end it is appropriate to prescribe a minimum quantity to be tendered for and a time limit and form for the communication of tenders submitted to the competent authorities;

Whereas the second subparagraph of Article 1 (1) of respectively Commission Regulations (EEC) No 3197/73 and (EEC) No 584/75 provides that invitations to tender for the export levy and/or refund shall be open on equal terms to all persons established within the Community; whereas by reason of the differing monetary circumstances in the various Member States, the satisfaction of this condition cannot be ensured by the application of the exchange rates applicable for the purposes of the common agricultural policy, since monetary compensatory amounts do not apply in the rice sector; whereas it is therefore advisable to take provision for the effects of the monetary situation to be taken into account in respect of each tender;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 359/76

of 19 February 1976

fixing the special levies applicable to New Zealand butter and cheese imported into the United Kingdom under Protocol 18

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty⁽¹⁾ concerning the accession of new Member States to the European Economic Community and to the European Atomic Energy Community, signed at Brussels on 22 January 1972, and to Protocol 18⁽²⁾ (hereinafter called the 'Protocol') to the Act annexed thereto;

Having regard to Council Regulation (EEC) No 226/73 of 31 January 1973 laying down general rules for imports of New Zealand butter and cheese into the United Kingdom⁽³⁾, as amended by Regulation (EEC) No 3145/74 of 9 December 1974⁽⁴⁾, and in particular Article 8 thereof;

Whereas pursuant to Article 2 (1) of the Protocol special levies are applied to New Zealand butter and cheese imported into the United Kingdom under that Protocol;

Whereas, pursuant to Article 2 (2) of the Protocol and to Article 4 (1) of Regulation (EEC) No 226/73 these special levies are fixed on the basis of the difference between:

- the market price at which the annual quantities specified in Article 1 (2) of the Protocol can actually be sold, and
- the cif price fixed in Article 3 of Regulation (EEC) No 226/73, plus costs incurred between the cif and first sale stages;

Whereas Article 4 (2) of Regulation (EEC) No 226/73 provides that the special levies should be fixed at a level such that the butter and cheese in question can

be sold at a consistent rate and should as far as possible be kept at a uniform level to ensure the stability of the market; whereas, these levies may nevertheless be altered, and are in particular to be adjusted where this is necessary to permit steady sales of the annual quantities specified in Article 1 (2) of the Protocol;

Whereas, in order not to endanger the sale of Community butter and cheese, the special levies must not be lower than the level necessary to permit the annual quantities specified in Article 1 (2) of the Protocol to be sold;

Whereas it follows from applying these rules to the situation on the British market that the special levies should be fixed at the levels indicated below;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The special levies referred to in Article 2 of Protocol 18 are hereby fixed at:

- 32.95 u.a./100 kg for butter,
- 92.87 u.a./100 kg for cheese.

Article 2

This Regulation shall enter into force on 20 February 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 360/76

of 19 February 1976

amending for the sixth time Regulation (EEC) No 2005/70 on the classification of vine varieties

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 816/70 of 28 April 1970 laying down additional provisions for the common organization of the market in wine⁽¹⁾, as last amended by Regulation (EEC) No 1932/75⁽²⁾, and in particular the second subparagraph of Article 16 (1) thereof,

Whereas the classification of vine varieties approved for cultivation in the Community as originally constituted was established by Commission Regulation (EEC) No 2005/70 of 6 October 1970⁽³⁾, as last amended by Regulation (EEC) No 2140/74⁽⁴⁾;

Whereas the list for Germany should be supplemented by one variety for two Regierungsbezirke and the list for France should be supplemented firstly by one variety for 12 departments, and secondly, by one variety for six departments; whereas the cultivation suitability of each of these varieties has been examined and recognized as satisfactory and may therefore be provisionally authorized in accordance with Article 10 (1) (b) of Council Regulation (EEC) No 1388/70 of 13 July 1970 on general rules for the classification of vine varieties⁽⁵⁾, as last amended by Regulation (EEC) No 418/74⁽⁶⁾;

Whereas, since then, experience of several varieties of vine listed as authorized varieties for certain French and Luxembourg administrative units or parts thereof has shown that the wines which they produce may normally be considered as being of good quality; whereas they should therefore be classified among the recommended varieties for the same administrative units or parts thereof in accordance with Article 10 (2) (a) and 5 of Regulation (EEC) No 1388/70;

Whereas the list for one French administrative unit should be supplemented by adding to the recom-

mended varieties a variety of vine which has not been included; whereas that variety has been listed for five years for an immediately adjoining administrative unit and whereas it therefore fulfils the condition for inclusion laid down in Article 10 (1) (a) of Regulation (EEC) No 1388/70;

Whereas the comparative tests of certain new varieties of table grapes obtained by crossing varieties already listed for certain French departments have proved the cultivation suitability of these varieties; whereas their inclusion is therefore justified in accordance with Article 10 (1) (b);

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wines,

HAS ADOPTED THIS REGULATION:

of 19 February 1976

amending the Annex to Regulation (EEC) No 718/75 with regard to the countries of destination for raw tobacco from the 1973 crop for which an export refund is granted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 727/70 of 21 April 1970 on the common organization of the market in raw tobacco⁽¹⁾, as last amended by the Act of Accession⁽²⁾, and in particular the first sentence of the third subparagraph of Article 9 (2) thereof,

Whereas export refunds for tobacco from the 1972 and 1973 harvests were fixed by Commission Regulation (EEC) No 1220/74 of 15 May 1974⁽³⁾, as last amended by Regulation (EEC) No 1611/75⁽⁴⁾;

Whereas, when Regulation (EEC) No 1220/74 was amended by Regulation (EEC) No 718/75⁽⁵⁾, Yugoslavia and Sweden were inadvertently omitted from the list of countries of destination for the Badischer Geudertheimer and Forchheimer Havanna varieties; whereas, since there is no change in the circumstances which initially required the inclusion of those

two countries in the list, they should now be inserted in that list;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Raw Tobacco,

COMMISSION REGULATION (EEC) No 363/76

of 19 February 1976

fixing in respect of the 1975 crop export refunds for raw tobacco

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
727/70 of 21 April 1970 on the common organization
of the market in raw tobacco⁽¹⁾, as last amended by
the Act of Accession⁽²⁾, and in particular the first
sentence of the third subparagraph of Article 9 (2)
thereof,

Whereas by virtue of Article 9 of Regulation (EEC)
No 727/70 the difference between the world market
prices of the products referred to in Article 1 of that
Regulation and their prices within the Community
may be covered by an export refund;

Whereas pursuant to Council Regulation (EEC) No
326/71 of 15 February 1971 laying down general rules
for granting export refunds on raw tobacco and
criteria for fixing the amount of such refunds⁽³⁾, the
granting of export refunds is to be limited to baled
tobacco produced from leaf tobacco harvested in the
Community; whereas the refunds must be fixed for
each variety produced in the Community in the light
of the factors indicated in Article 2 (1) of Regulation
(EEC) No 326/71;

Whereas, in view of current export possibilities and of
market conditions in the Community, it is appropriate
that a refund be granted for certain varieties of the
1975 crop in respect of the countries listed in the
Annex hereto;

Whereas, in order to facilitate marketing, encourage-
ment should be given to finding outlets rapidly;

whereas, therefore, the period during which export
refunds may be granted for certain varieties from the
1975 crop should be limited;

Whereas, applying the abovementioned rules and
criteria to existing conditions in the tobacco market,
and in particular to prices in the Community and on
the world market, it follows that the amount of the
refund and the products and countries in respect of
which it should apply should be as specified in the
Annex hereto;

Whereas the Management Committee for Raw
Tobacco has not delivered an opinion within the time
limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The list of varieties of baled tobacco from the 1975
crop, in respect of which the export refund provided
for in Article 9 of Regulation (EEC) No 727/70 shall
be granted and the amount of such refund and the
third countries of destination for which it shall apply,
shall be as shown in the Annex hereto.

Article 2

This Regulation shall enter into force on the third day
following its publication in the *Official Journal of
the European Communities*.

It shall apply until 30 June 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COMMISSION REGULATION (EEC) No 364/76

of 19 February 1976

introducing a countervailing charge on certain varieties of sweet oranges originating in Greece

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 2482/75⁽²⁾, and in particular the second subparagraph of Article 27 (2) thereof,

Whereas Article 25a (1) of Regulation (EEC) No 1035/72 provides that, if the entry price of a product imported from a non-member country is alternatively above and below the reference price for five to seven consecutive market days a countervailing charge is introduced in respect of that non-member country, save in exceptional cases; whereas that charge is introduced when three entry prices fall below the reference price and one of those entry prices is at least 0.5 unit of account below the reference price;

Whereas that charge is equal to the difference between the reference price and the last available entry price by at least 0.5 unit of account below the reference price;

Whereas Commission Regulation (EEC) No 2973/75 of 12 November 1975 fixing the reference prices for sweet oranges for the 1975/76 marketing year⁽³⁾ fixed the reference price for Class I products of Group II at 16.28 units of account per 100 kg net;

Whereas the entry price for a given exporting country is equal to the lowest on the average of the lowest representative prices recorded for at least 30 % of the quantities from the exporting country concerned which are marketed on all representative markets for which prices are available, less the duties and the charges referred to in Article 24 (3) of Regulation (EEC) No 1035/72; whereas the meaning of representative price is defined in Article 24 (2) of Regulation (EEC) No 1035/72;

Whereas it is necessary to record the prices to be taken into consideration on the representative markets referred to in Regulation (EEC) No 2118/74⁽⁴⁾, as amended by Regulation (EEC) No 385/75⁽⁵⁾, and to apply the coefficients fixed in Article 1 (4) of Regulation (EEC) No 2973/75 to those prices;

Whereas, for oranges from Greece of the varieties listed in Article 1 (3) (c), of Regulation (EEC) No 2973/75 the entry prices calculated in this way have for five consecutive market days been alternatively above and below the reference price; whereas four of these entry prices are below the reference price, and one of them is more than 0.5 unit of account below the reference price; whereas a countervailing charge should therefore be introduced for these varieties of sweet oranges originating in Greece;

Whereas in accordance with the provisions of Article 26 (2) of Regulation (EEC) No 1035/72 that charge is applied in principle for six days;

Whereas if the system is to operate normally it should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 % a rate of exchange based on their effective parity,
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 0.81 unit of account per 100 kg net is applied to fresh sweet oranges (subheading 08.02 A I of the Common Customs Tariff) originating in Greece other than the varieties Moro, Tarocco, Biondo comune (Blanca comune,

Article 2

This Regulation shall enter into force on 21 February 1976. Subject to the provisions of the second subparagraph of Article 26 (2) of Regulation (EEC) No 1035/72, this Regulation shall be applicable until 26 February 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 365/76

of 19 February 1976

fixing the refunds applicable to cereals and wheat or rye flour groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organ-
ization of the market in cereals⁽¹⁾, as amended by
Regulation (EEC) No 3058/75⁽²⁾, and in particular the
first sentence of the fourth subparagraph of Article 16
(2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products in the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation No (EEC)
No 2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the world
market on the other; whereas the same article
provides that it is also important to ensure equi-
librium and the natural development of prices and
trade on cereal markets and, furthermore, to take into
account the economic aspect of the proposed exports
and the need to avoid disturbances on the Commu-
nity market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as
wheat and rye flour, groats and meal are concerned, in
Article 4 of Regulation (EEC) No 2746/75; whereas,
furthermore, when the refund on these products is
being calculated, account must be taken of the quanti-
ties of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/
67/EEC⁽⁴⁾, as amended by Regulation (EEC) No
1607/71⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for certain products according
to destination;

Whereas the refund must be fixed at least once a
month; whereas it may be altered in the intervening
period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;
- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas it follows from applying the rules outlined
above to the present situation on the market in
cereals, and in particular to quotations or prices for
these products within the Community and on the
world market, that the refunds, should be fixed as
shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 (a), (b)
and (c) of Regulation (EEC) No 2727/75, exported in
the natural state, are hereby fixed as shown in the
Annex to this Regulation.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Whereas Regulation No 669/67/EEC ⁽⁵⁾, as amended by Regulation (EEC) No 1057/68 ⁽⁶⁾, lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation No 366/67/EEC defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Article 2

1. The subsistence allowance shall be Bfrs 2 500 for each day of attendance at meetings and for each day of travel.

2. The subsistence allowance for each day of travel shall be paid as a fixed amount for return journeys calculated on the basis of the distance by rail between

3. For the purposes of this Decision, 'place of departure' means the domicile of the Member concerned; however, should he actually depart from a place nearer to the venue of the meeting, that place will be taken as the basis for the calculation of his travel expenses.

Article 3

1. Rail travel expenses shall be refunded on the following basis:
