of 16 March 1976

fixing the average producer prices for wine

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 816/70 of 28 April 1970 laying down additional provisions for the common organization of the market in wine⁽¹⁾, as last amended by Regulation (EEC) No 1932/75⁽²⁾, and in particular Article 4 (1) thereof,

Whereas Article 4 of Regulation (EEC) No 816/70 provides that an average producer price must be fixed for each type of wine for which a guide price is fixed; whereas this average price must be fixed for each marketing centre for the type of wine in question on the basis of all the facts available;

Whereas the marketing centres for table wines are determined in Commission Regulation (EEC) No 1020/70 of 29 May 1970 on recording quotations and fixing average prices for table wines⁽³⁾, as last amended by Regulation (EEC) No 528/74⁽⁴⁾;

Whereas the average price for the type of wine in question must be fixed per degree/hl or per hl as appropriate; whereas, if the Tuesday is a public holiday, the average price must be fixed on the following working day;

Whereas it follows from applying these rules to the information at present available to the Commission that the average price should be fixed as shown in the Annex to this Regulation,

COMMISSION REGULATION (EEC) No 596/76
of 16 March 1976
fixing the export refunds on fishery products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
100/76 of 19 January 1976 on the common organiza-
tion of the market in fishery products⁽¹⁾, and in parti-
cular the fourth indent of Article 23 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 23 of Regulation (EEC) No 100/76
provides that, to the extent necessary to enable
economically important exports of the products listed
in Article 1 (2) of that Regulation to be effected on the
basis of prices for these products on the world market,
the difference between these prices and prices within
the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No
110/76 of 19 January 1976 laying down general rules
for granting export refunds on fishery products and
criteria for fixing the amount of such refunds⁽²⁾,
provides that when refunds are being fixed account
must be taken on the one hand of the existing situa-
tion and the future trend with regard to prices and
availabilities of fishery products on the Community
market and prices for fishery products on the world
market on the other; whereas account must also be
taken of the costs referred to in (c) of that Article of
the economic significance of the proposed exports
and of the aims of the common organization of the
market in fishery products;

Whereas Article 3 of Regulation (EEC) No 110/76
provides that, when prices on the Community market
are being determined, account must be taken of the
ruling prices which are most favourable from the
exportation point of view; whereas, when prices on
the world market are being determined, account must
be taken of the prices indicated in paragraph 2 of that
Article;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-

sary to vary the refund according to the destination of
the products in question;

Whereas products of Community origin which are
landed, direct from the fishing grounds, in ports situ-
ated outside the customs territory of the Community
do not qualify for refunds;

Whereas economically important quantities of frozen
fillets of cod and of coalfish and of dried and salted
cod and coalfish can be exported at the present time;

Whereas it follows from applying the abovementioned
rules and criteria to the present situation on the
market and in particular to prices for fishery products
in the Community and on the world market that the
refund should be fixed as shown in the Annex;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas the measures provided for in this Regulation
are in accordance with the Management Committee
for Fishery Products,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds referred to in Article 1 (2) of Regu-
lation (EEC) No 100/76 are hereby fixed at the
amounts shown in the Annex.

Article 2

This Regulation shall enter into force on 1 April
1976.

⁽¹⁾ OJ No L 20, 28. 1. 1976, p. 1.

⁽²⁾ OJ No L 20, 28. 1. 1976, p. 48.

COMMISSION REGULATION (EEC) No 597/76

of 16 March 1976

re-establishing the levying of the customs duties on medium petroleum oils, for other purposes falling within subheading 27.10 B III originating in Libya to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3010/75 of 17 November 1975 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3010/75 of 17 November 1975 establishing preferential tariffs in respect of certain products originating in developing countries⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling which will be equal to 115 % of the sum arrived at by adding together imports in metric tons of the products in question imported into the Community in 1971 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the metric tonnage of 1972 imports coming from other countries and from countries and territories already covered by such arrangements ;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation ; whereas, for these products, this reduced percentage will be 20 %.

Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories once the relevant Community amount has been reached ;

Whereas, in respect of medium petroleum oils, for other purposes, falling within subheading 27.10 B III the ceiling, calculated as indicated above, should be

190 000 metric tons, and therefore the maximum 38 000 metric tons ; whereas on 12 March 1976, the amounts of imports into the Community of medium petroleum oils, for other purposes, falling within subheading 27.10 B III originating in Libya a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 3010/75 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Libya,

HAS ADOPTED THIS REGULATION :

Article 1

As from 20 March 1976, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3010/75 of 17 November 1975, shall be re-established in respect of the following products, imported into the Community and originating in Libya :

CCT heading No	Description of goods
