COMMISSION REGULATION (EEC) No 997/76

of 30 April 1976

fixing the premiums to be added to the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 359/
67/EEC of 25 July 1967 on the common organiza-
tion of the market in rice ⁽¹⁾, as last amended by Regu-
lation (EEC) No 668/75 ⁽²⁾, and in particular Article
13 (6) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the premiums to be added to the import
levies fixed in advance for rice and broken rice must
include a premium for the current month and a
premium for each of the following months until the
expiry of the period of validity of the import licence;
whereas this period of validity was laid down in
Article 8 of Commission Regulation (EEC) No
2042/75 of 25 July 1975 on special detailed rules for
the application of the system of import and export
licences for cereals and rice ⁽³⁾;

Whereas Council Regulation No 365/67/EEC of 25
July 1967 ⁽⁴⁾, as last amended by Regulation (EEC) No
2435/70 ⁽⁵⁾, lays down rules for the advance fixing of
levies on rice and broken rice;

Whereas under the terms of Regulation No 365/
67/EEC, where the cif price for husked rice for milled
rice or for broken rice determined on the day on
which the premiums are fixed is higher than the cif
forward delivery price for the same product, the
premium should as a general rule be equal to the
difference between these two prices; whereas the cif
price is that determined in accordance with Article 16
of Regulation No 359/67/EEC on the day on which
the premiums are fixed; whereas the detailed rules for
determining cif prices were laid down in Regulation
(EEC) No 1613/71 ⁽⁶⁾, as last amended by Regulation
(EEC) No 3320/75 ⁽⁷⁾; whereas the cif forward
delivery price must also be determined in accordance

with Article 16 of Regulation No 359/67/EEC but on
the basis of offers at North Sea ports; whereas this
price must be the cif price for shipment during the
month in which the import licence is issued in the
case of imports to be effected during that month;
whereas this price must be the cif price for shipment
during the month in which importation is expected to
take place in the case of imports to be effected during
the month following the month in which the import
licence is issued; whereas this price must be the cif
price for shipment during the month preceding the
month in which importation is expected to take place
in the case of imports to be effected during the
remaining months for which the import licence is
valid; whereas, if no offer for forward delivery is made
for shipment during a given month, this price should
be the price ruling for shipment during the last
month in which an offer for forward delivery was
made;

Whereas the premium is equal to 0 unit of account if
the cif price determined on the day on which the
scale of the premiums is fixed is equal to the cif
forward delivery price or exceeds that price by not
more than 0.25 unit of account per metric ton;

Whereas the premium may, however, be fixed at a
higher level in exceptional circumstances and within
certain specified limits;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;
- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas it follows from applying all these provisions
that the premiums should be fixed as shown in the
table annexed to this Regulation; whereas the amount
of the premiums should be altered only if application
of the abovementioned provisions entails a change of
more than 0.25 unit of account,

COMMISSION REGULATION (EEC) No 1000/76

of 30 April 1976

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as amended by Regulation (EEC) No 3058/75⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof;

Having regard to Council Regulation No 359/67/EEC of 25 July 1967 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 668/75⁽⁴⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation No 359/67/EEC provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75⁽⁵⁾ of 29 October 1975, and Article 2 of Council Regulation No 366/67/EEC of 25 July 1967 laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds⁽⁶⁾, as last amended by Regulation (EEC) No 478/75⁽⁷⁾, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice and broken rice on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas, therefore, as is laid down for the determination of the variable component, account should be taken of the average of the levies on the basic products concerned during a representative period, namely the first 25 days of the month preceding the month of exportation; whereas this average should be adjusted for the threshold price for these basic products which will be in force during the month of exportation; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁹⁾, as amended by Regulation (EEC) No 2764/71⁽¹⁰⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product;

Whereas it follows from applying these rules and criteria to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which,

while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected ;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation No 359/67/EEC and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1001/76

of 30 April 1976

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as amended by Regulation (EEC) No 3058/75 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying rules and criteria to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs ⁽⁴⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of

compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs ⁽⁵⁾, as amended by Regulation (EEC) No 3116/75 ⁽⁶⁾, provides that calculation of the export refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 1002/76

of 30 April 1976

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 3058/75⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as amended by Regulation (EEC) No 1491/70⁽⁴⁾, provides that the basic amount of the levy for 100 kilogrammes of product must be fixed per percentage of sucrose content;

Whereas the basic amount of the levy must be equal to one hundredth of the average of the levies applicable to 100 kilogrammes of white sugar during the first twenty days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.40 unit of account from that average;

Whereas the basic amount must be fixed every month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.40 unit of account from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is hereby fixed, per 100 kilogrammes of product, at 0.0919 unit of account per percentage point of sucrose content.

COMMISSION REGULATION (EEC) No 1003/76

of 30 April 1976

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 3058/74⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68⁽³⁾ of 18 June 1968 laying down general rules for granting export refunds on sugar, as last amended by Regulation (EEC) No 1102/75⁽⁴⁾, provides the export refund on 100 kilogrammes of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with the provisions of Article 13 of Commission Regulation (EEC) No 394/70⁽⁵⁾ of 2 March 1970 on detailed rules for granting export refunds on sugar;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one hundredth of the production refund applicable pursuant to Council Regulation (EEC) No 765/68⁽⁶⁾ of 18 June 1968 laying down general rules for the production refund on sugar used in the chemical industry, as last amended by Regulation (EEC) No 2477/74⁽⁷⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 exported in the natural state must be equal to one hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community area with the largest surplus for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3340/74;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The refund to be granted on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74, exported in the natural state, is hereby fixed as shown in the Annex to this Regulation.

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 18 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 8 of Regulation No 162/66/EEC provides that Article 18 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the rules and other provisions for fixing and granting export refunds on olive oil are contained in Regulation No 171/67/EEC and (EEC) No 616/72⁽⁶⁾, as amended by Regulation (EEC) No 503/76⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these rules and other provisions to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be fixed at the amounts shown in the Annex to this Regulation;

(1) OJ No 172, 30. 9. 1966, p. 3025/66.

(2) OJ No L 175, 29. 6. 1973, p. 5.

(6) OJ No L 78, 31. 3. 1972, p. 1.

(7) OJ No L 59, 6. 3. 1976, p. 26.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refunds on the products listed in Article 1 (2) (c) of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 1005/76

of 30 April 1976

fixing the export refund on oil seeds

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC
of 27 October 1966 on trade in oils and fats between
the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC
of 21 June 1967 on export refunds on colza, rape and
sunflower seeds⁽⁴⁾, as last amended by Regulation
(EEC) No 2429/72⁽⁵⁾, and in particular the first
sentence of Article 2(3) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 28 of Regulation No 136/66/EEC
provides that a refund may be granted on exports to
third countries of oil seeds harvested within the
Community; whereas the amount of this refund may
not exceed the difference between prices within the
Community and prices on the world market where
the former are higher than the latter; whereas Article
21 of Regulation No 136/66/EEC provides that, at
present, Article 28 of that Regulation applies only to
colza, rape and sunflower seeds;

Whereas Article 8 of Regulation No 162/66/EEC
provides that Article 28 of Regulation No 136/
66/EEC and measures taken in application thereof
apply, subject to the provisions of the Agreement esta-
blishing an Association between the European
Economic Community and Greece, to trade between
the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC
provides that when the refund is being calculated
account must be taken of prices ruling on the various
Community markets which are representative from
the point of view of processing and exportation; the
most favourable quotations recorded on the various
markets of importing third countries and Greece, and
costs incurred in placing the goods on the world
market; whereas, when the amount of the refund is
being fixed, account must also be taken of the level of
market prices within the Community for the oil seeds
referred to in Article 21 of Regulation No 136/
66/EEC and the future trend of these prices; whereas,
furthermore, account should be taken of the economic
aspect of the proposed exports and the situation in the
Community regarding the supply of and demand for
these seeds;

Whereas Article 1 of Commission Regulation (EEC)
No 651/71 of 29 March 1971 on certain detailed rules
for the application of export refunds on oil seeds⁽⁶⁾,
provides that the amount of the refund must be calcu-
lated on the basis of the weight of exported seeds;
whereas this weight must be adjusted to take account
of any differences between the percentages of mois-
ture and impurities found to exist and those used to
define the standard quality for which the target price
is fixed; whereas, when this adjustment is being
made, the weight of the exported seeds must be
increased by the amount of the difference between the
actual moisture and impurities content and that used
to define the standard quality if the former is lower
than the latter; whereas, if the opposite applies, the
weight of the exported seeds must be reduced by the
same amount;

Whereas the standard quality referred to above is
defined in Article 2 of Council Regulation (EEC) No
657/75 of 4 March 1975 fixing the target prices and
basic intervention prices for oil seeds for the 1975/
1976 marketing year⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC
provides that the refund may be varied according to
destination where the world market situation or the
specific requirements of certain markets make this
necessary;

(1) OJ No 172, 30. 9. 1966, p. 3025/66.

(2) OJ No L 175, 29. 6. 1973, p. 5.

(3) OJ No 197, 29. 10. 1966, p. 3393/66.

(4) OJ No 125, 26. 6. 1967, p. 2461/67.

(5) OJ No L 264, 23. 11. 1972, p. 1.

(6) OJ No L 75, 30. 3. 1971, p. 16.

(7) OJ No L 72, 20. 3. 1975, p. 3.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas it follows from applying these rules and criteria to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be fixed at the amounts shown in the Annex

to this Regulation for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refunds on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1011/76

of 30 April 1976

fixing the rates of the refunds applicable from 1 May 1976 to eggs and egg yolks
exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2771/75 of 29 October 1975 on the common organiza-
tion of the market in eggs⁽¹⁾, and in particular the
first sentence of the fifth subparagraph of Article 9 (2)
thereof,

Whereas Article 9 (1) of Regulation (EEC) No 2771/75
provides that the difference between prices on the
world market for the products listed in Article 1 (1) of
that Regulation and prices within the Community
may be covered by an export refund; whereas Council
Regulation (EEC) No 2682/72 of 12 December 1972
laying down general rules for granting export refunds
on certain agricultural products exported in the form
of goods not covered by Annex II to the Treaty, and
the criteria for fixing the amount of such refunds⁽²⁾,
as amended by Regulation (EEC) No 3058/75⁽³⁾, speci-

Whereas, in accordance with the second subparagraph
of Article 4 (1) of Regulation (EEC) No 2682/72, the
rate of the refund per 100 kg for each of the basic
products in question must be fixed for a period of the
same duration as that for which refunds are fixed for
the same products exported unprocessed;

Whereas, in accordance with paragraph 2 of that
Article, when that rate is being determined particular
account should be taken of:

- (a) the average costs incurred by processing industries
in obtaining supplies of the basic products in ques-
tion on the Community market and the prices
ruling on the world market;
- (b) the level of the refunds on exports of processed
agricultural products covered by Annex II to the
Treaty which are manufactured under similar
conditions; and
- (c) the need to ensure equality of competition for the
industries which use Community products and
those which use third-country products under
inward processing arrangements;

and Eggs has not delivered an opinion within the
time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

are hereby fixed as shown in the Annex to this Regula-
tion.

of 30 April 1976

fixing the rates of the refunds applicable from 1 May 1976 to certain milk products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 559/76⁽²⁾, and in particular Article 17 (5) thereof,

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds⁽³⁾, as amended by Regulation (EEC) No 3058/75⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kg for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas Article 11 (1) of Regulation (EEC) No 804/68 provides for the payment of aid for Community-produced skimmed milk processed into casein if such milk and the casein manufactured from it fulfil certain conditions set out in Article 1 of Council Regulation (EEC) No 987/68 of 15 July 1968 laying down general rules for granting aid for skimmed milk processed into casein or caseinates⁽⁵⁾, as last amended by the Act of Accession⁽⁶⁾; whereas, pursuant to Article 1 (2) (b) of Regulation (EEC) No 2682/72, skimmed milk thus defined is assimilated to milk powder complying with the definition of the pilot products Group No 2 listed in Annex I to Council Regulation (EEC) No 823/68 of 28 June 1968 determining the groups of products and the special provisions for calculating levies on milk and milk products⁽⁷⁾, as last amended by Regulation (EEC) No 561/76⁽⁸⁾; whereas a rate of refund should be fixed for this milk powder;

of 30 April 1976

**fixing the rates of the refunds applicable from 1 May 1976 to sugar and molasses
exported in the form of goods not covered by Annex II to the Treaty**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
3330/74 of 19 December 1974 on the common organi-
zation of the market in sugar⁽¹⁾, as last amended by
Regulation (EEC) No 832/76⁽²⁾, and in particular the
first sentence of the sixth subparagraph of Article 19
(2) thereof,

Whereas Article 19 (1) of Regulation (EEC) No
3330/74 provides that the difference between quota-
tions or prices on the world market for the products
listed in Article 1 (1) (a), (c) and (d) of that Regulation
and prices within the Community may be covered by
an export refund; whereas Council Regulation (EEC)
No 2682/72 of 12 December 1972 laying down
general rules for granting export refunds on certain
agricultural products exported in the form of goods
not covered by Annex II to the Treaty, and the criteria
for fixing the amount of such refunds⁽³⁾, as amended
by Regulation (EEC) No 3058/75⁽⁴⁾, specifies the
products for which a rate of refund should be fixed, to
be applied where these products are exported in the
form of goods listed in Annex I to Regulation (EEC)
No 3330/74;

Whereas, in accordance with the first subparagraph of
Article 4 (1) of Regulation (EEC) No 2682/72, the rate
of the refund per 100 kilogrammes for each of the
basic products in question must be fixed for each
month;

Whereas, in accordance with paragraph 2 of that
Article, that rate must be determined with particular
reference to:

- (a) the average costs incurred by processing industries
in obtaining supplies of the basic products in ques-
tion on the Community market and the prices
ruling on the world market;

- (b) the level of the refunds on exports of processed
agricultural products covered by Annex II to the
Treaty which are manufactured under similar
conditions;

- (c) the need to ensure equality of competition for the
industries which use Community products and
those which use third-country products under
inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72
provides that, when the rate of the refund is being
fixed, account should be taken, where appropriate, of
refunds, aids or other measures having equivalent
effect applicable in all Member States in accordance
with the Regulation on the common organization of
the market in the product in question to the basic
products listed in Annex A to that Regulation or to
assimilated products; whereas at present no produc-
tion refunds are granted; whereas it is therefore unnec-
essary to fix differentiated export refunds for the
goods in question;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable from 1 May 1976
to the basic products appearing in Annex A to Regula-
tion (EEC) No 2682/72 and listed in Article 1 (1) of
Regulation (EEC) No 3330/74, exported in the form
of goods listed in Annex I to Regulation (EEC) No
3330/74, are fixed as shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member

COMMISSION REGULATION (EEC) No 1014/76

of 30 April 1976

fixing the rates of the refunds applicable from 1 May 1976 to certain cereal and rice products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 832/76⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation No 359/67/EEC of 25 July 1967 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 832/76, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Whereas Article 16 (1) of Regulation (EEC) No 2727/75 and Article 17 (1) of Regulation No 359/67/EEC provides that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽⁴⁾, as amended by Regulation (EEC) No 3058/75⁽⁵⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 2727/75 or in Annex B to Regulation No 359/67/EEC as appropriate;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kg for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world market;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas a production refund is granted in respect of common wheat, maize and broken rice under the conditions laid down in Council Regulation (EEC) No 2742/75 of 29 October 1975 on production refunds in the cereals and rice sectors⁽⁶⁾; whereas, for the purposes of applying the provisions of Article 4 (3) of Regulation (EEC) No 2682/72, the amount of the production refund applicable during the month of exportation should be taken into account;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

of 30 April 1976

determining the amounts applicable as accession compensatory amounts during the month of May 1976 to certain cereal and rice products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2979/74 of 26 November 1974 establishing average compensatory amounts applicable to certain agricultural products exported in the form of goods not covered by Annex II to the Treaty⁽¹⁾,

Whereas as regards cereals and rice accession compensatory amounts are applicable to the basic products specified in Annex A to Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amounts of such refunds⁽²⁾, as amended by Regulation (EEC) No 3058/75⁽³⁾, and mentioned:

Whereas during the month of April 1976 the compensatory amounts for certain cereals have been varied, and consequently, pursuant to Article 1 of Regulation (EEC) No 2979/74, average amounts to be applied as accession compensatory amounts must be determined, having regard as appropriate to paragraph 2 of the said Article;

Whereas these provisions are not to apply to products falling within tariff subheading 17.02 B I, which, pursuant to Council Regulation (EEC) No 2730/75 of 29 October 1975 on glucose and lactose⁽⁷⁾, are subject to the arrangements laid down for subheading 17.02 B II,

COMMISSION REGULATION (EEC) No 1016/76

of 30 April 1976

altering components used to calculate the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed⁽³⁾, as last amended by Regulation (EEC) No 3477/73⁽⁴⁾, and in particular Article 3 thereof;

Whereas Commission Regulation (EEC) No 2300/73 of 23 August 1973⁽⁵⁾, as last amended by Regulation (EEC) No 632/75⁽⁶⁾, laid down detailed rules of application for Regulation (EEC) No 1569/72; whereas the components used to calculate the differential amounts were fixed by Regulation (EEC) No 654/76⁽⁷⁾, as last amended by Regulation (EEC) No 881/76⁽⁸⁾; whereas

for the Italian lira a new rate of exchange to be applied in agriculture as from 3 May 1976 has been fixed by Council Regulation (EEC) No 1020/76 of 29 April 1976⁽⁹⁾; whereas in the case of the pound sterling and the Irish pound, the difference referred to in Article 2(1) of Regulation (EEC) No 1569/72 for the period 21 to 27 April 1976 has changed, by reference to the representative rate valid from 3 May 1976, by at least one point from the percentage used for the previous fixing; whereas this fact should be taken into account when fixing the components used to calculate the differential amounts for colza and rape seed,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to amended Regulation (EEC) No 654/76 is hereby replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 3 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1017/76

of 30 April 1976

on a special detailed rule for the application, for the United Kingdom, of accession compensatory amounts to prevent deflections of trade in the pigmeat sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty of Accession ⁽¹⁾,

Having regard to Council Regulation (EEC) No 2770/75 of 29 October 1975 laying down general rules for the system of accession compensatory amounts for pigmeat ⁽²⁾, and in particular Article 8 (1),

Whereas Article 6 of the said Regulation provided that, in trade between the new Member States and third countries in products covered by Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat ⁽³⁾, as amended by Regulation (EEC) No 367/76 ⁽⁴⁾, the accession compensatory amounts are to be deducted from the levies or refunds; whereas, however, when the refund is lower than the compensatory amount or has not been fixed, then, when the product in question is exported to a third country provision may be made for the new Member State in question to levy an amount which may be equal to the accession compensatory amount applicable to the said product;

Whereas Article 8 (1) of Regulation (EEC) No 2770/75 provides that the detailed rules for the granting levy and recovery of the accession compensatory amounts shall be such as to prevent in particular deflection of trade;

Whereas no refund has been fixed for a number of products in the pigmeat sector; whereas for certain other products the refund is lower than the accession compensatory amount; whereas, however, when these products are imported into the United Kingdom from other Member States, they benefit from the granting of an accession compensatory amount; whereas this state of affairs can cause deflection of trade, whereas an amount equal to the accession compensatory amount applicable to such products should therefore be levied when they are exported from the United Kingdom to third countries;

Whereas this amount must be levied in accordance with certain provisions of Commission Regulation (EEC) No 645/75 of 13 March 1975 laying down common detailed rules for the application of the export levies and charges on agricultural products ⁽⁵⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

This Regulation shall apply to the products referred to in Article 1 (1) of Regulation (EEC) No 2759/75, except for those products listed in the Annex hereto.

Article 2

1. If an accession compensatory amount is fixed for a given product and if the refund has not been fixed or is lower than such compensatory amount, an amount equal to the accession compensatory amount or, as the case may be, the difference between the accession compensatory amount and the refund shall be levied in the United Kingdom when the said product is exported to a third country.

2. The levying of the amounts referred to in paragraph 1 shall be subject to the provisions of Articles 2, 3 (2) and (3), 4 and 5 of Regulation (EEC) No 645/75.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply to transactions for which customs export formalities are carried out from 1 May to 31 July 1976.

COMMISSION REGULATION (EEC) No 1018/76

of 30 April 1976

amending Regulations (EEC) No 1896/73 and (EEC) No 582/76 as regards the products which may be bought into intervention in Germany and in the United Kingdom and the coefficients for Belgium in the beef sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 568/76 ⁽²⁾, and in particular Article 6 (5) (c) and (d),

Whereas buying in prices for intervention in the beef sector applicable from 15 March 1976 were fixed by Commission Regulation (EEC) No 582/76 of 15 March 1976 ⁽³⁾;

Whereas the coefficients referred to in Article 6 (1) of Regulation (EEC) No 805/68 were laid down by Commission Regulation (EEC) No 1896/73 of 13 July 1973 on the detailed rules for the application of intervention measures on the market in beef and veal ⁽⁴⁾, as last amended by Regulation (EEC) No 581/76 ⁽⁵⁾;

Whereas according to Article 1 of Council Regulation (EEC) No 1302/73 of 15 May 1973 laying down general rules for intervention on the market in beef and veal ⁽⁶⁾, as amended by Regulation (EEC) No 1729/74 ⁽⁷⁾, the qualities and cuts of products to be bought in by intervention agencies shall be determined with a view, both to the need to give effective support to the market and to ensure the balance between the beef market and the market in competing livestock products and also to the Community's financial responsibilities in this matter;

Whereas, if these criteria are supplied in the present beef market situation, certain products may be tempor-

arily withdrawn from the list of products which may be bought to intervention in the Federal Republic of Germany and in the United Kingdom;

Whereas Article 3 of Regulation (EEC) No 1302/73 provides that the coefficients referred to in Article 6 of Regulation (EEC) No 805/68 are to be determined with reference to the prices recorded in accordance with Article 10 (5) of that Regulation and to a normal market situation over the most representative periods and also to foreseeable price trends during the new marketing year; whereas, taking recent price trends into account, the coefficient for 'bœufs 55 %' contained in the list of coefficients for Belgium should be changed to that for 'taureaux 55 %';

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EEC) No 1896/73 is hereby replaced by Annex I to this Regulation.

Article 2

The Annex to Regulation (EEC) No 582/76 is hereby replaced by Annex II to this Regulation.

Article 3

This Regulation shall enter into force on 3 May 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1019/76
of 30 April 1976
suspending imports of fresh or chilled cod

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 100/76 of 19 January 1976 on the common organization of the market in fishery products⁽¹⁾, and in particular the third subparagraph of Article 19 (6) thereof,

Whereas Article 19 (4) of Regulation (EEC) No 100/76 provides *inter alia* that, where the entry price for a given product imported from any third country is lower than the reference price, then, in the case of the products listed in Annex I (A), imports may be suspended or restricted to specified qualities, forms of presentation or end uses;

Whereas, Commission Regulation (EEC) No 3373/75 of 23 December 1975⁽²⁾, fixed *inter alia* the reference price for cod listed in Annex I (A) to Regulation (EEC) No 100/76 for the 1976 fishing year;

Whereas Article 19 (3) of Regulation (EEC) No 100/76 provides that, for products in respect of which a reference price is fixed, there shall be established an entry price, based on the lowest prices recorded for one and the same marketing stage on representative import markets or in representative ports of import, reduced by an amount equal to any customs duties and charges levied on these products and by the cost of transporting the product from these markets or ports to Community frontier crossing points;

Whereas in the case of fresh or chilled cod, the entry prices are apparently far below the level of the refer-

ence prices; whereas this is likely to have an adverse effect on the measures taken to stabilize Community markets; whereas, in order to prevent disturbances as a result of abnormally low prices, imports of the products in question should be suspended,

HAS ADOPTED THIS REGULATION:

Article 1

1. All Community imports of fresh or chilled cod falling within subheading 03.01 B I h) 1 of the Common Customs Tariff are hereby suspended.

2. Paragraph 1 shall not apply to imports of products which comply with the reference prices set out in the Annex hereto.

Article 2

The items to be taken into account in determining whether an import complies with the reference price as referred to in Article 1 (2) shall be as follows:

- (a) the free-at-Community frontier price, before customs clearance;
- (b) unloading costs.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

cated the advisability of fixing a new representative

ciple from the dates on which a price change occurs;

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Article 2

Having regard to the Treaty establishing the European Economic Community,
