COMMISSION REGULATION (EEC) No 1361/76

of 14 June 1976

laying down certain detailed rules for applying the export refund on rice and on mixtures of rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 359/67/EEC of 25 July 1967 on the common organization of the market in rice⁽¹⁾, as last amended by Regulation (EEC) No 668/75⁽²⁾, and in particular Article 17 (6) thereof,

Whereas, to ensure the proper working of the refund system applicable to exports of rice to non-member countries, suitable rules should be applied to exports of mixtures of rice falling within different tariff subheadings;

Whereas the refund on such mixtures results from their tariff classification, which is normally determined in accordance with the general rules for the interpretation of the Common Customs Tariff;

Whereas, in the case of mixtures of rice falling within different tariff headings, the tariff classification give rise to difficulties if determined in accordance with these rules; whereas in fact such classification sometimes results in the granting of a high refund on mixtures which, however, contain a substantial proportion of products qualifying for a low refund;

Whereas, in order to avoid such difficulties, special provisions should be adopted for determining the refund on mixtures of rice;

Whereas, since the provisions of Commission Regulation No 669/67/EEC of 27 September 1967 laying down certain detailed rules for the application of export refunds on rice⁽³⁾, as last amended by Regulation (EEC) No 941/72⁽⁴⁾, are closely linked to the system applicable to exports of mixtures of rice, those provisions should be included in this Regulation and Regulation No 669/67/EEC should therefore be repealed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION DECISION

of 14 April 1976

authorizing the Italian Republic not to apply Community treatment to certain pullovers of synthetic textile fibres falling within heading No ex 60.05 of the Common Customs Tariff, originating in the Republic of Korea and in free circulation in the other Member States

(Only the Italian text is authentic)

(76/528/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 5 April 1976 by the Italian Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization to apply protective measures in respect of imports of certain pullovers of synthetic textile fibres falling within heading No ex 60.05 of the Common Customs Tariff, originating in the Republic of Korea and in free circulation in France,

Whereas the importation into the Community of the products in question originating in the Republic of Korea is the subject of an Agreement negotiated between the Community and that country initialled on 28 November 1975;

Whereas, under the Agreement, the Republic of Korea has undertaken to take all necessary steps to limit its exports of certain textile products to the Community to certain ceilings allocated among the Member States;

Whereas for the products falling within heading No ex 60.05 of the Common Customs Tariff, the quota share allocated for 1976 to Italy is 450 000 items while that allocated to the French Republic in respect of the same products is 740 000 items;

Whereas the allocation of the voluntary restraint ceiling in question still involves certain disparities in the quota shares fixed for the various Member States in relation to the supply requirements of the markets concerned;

Whereas these disparities are likely to create a flow of indirect trade which could aggravate the difficult situation of the textile industry;

Whereas the quantity covered by the licence application on which the Italian Government's application is based (129 950 items equivalent to 17 % of the French quota share) is such as to justify operations of this kind;

Whereas, according to information supplied by the Italian Government, there are serious economic difficulties in the sector that manufactures the products in question resulting in a progressive decline of production and a constant reduction of the number of workers employed in that sector;

Whereas the indirect imports in question are likely to aggravate these economic difficulties;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from France and the other Member States;

Whereas authorization should accordingly be given, for a limited period, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971⁽¹⁾, and in particular Article 1 thereof,

⁽¹⁾ OJ No L 121, 3. 6. 1971, p. 26.

HAS ADOPTED THIS DECISION :

Article 2

Article 1

The Italian Republic is authorized not to apply Community treatment to imports of the following products :

CCT heading No	Description of goods
ex 60.05	Outer garments and clothing accessories, knitted or crocheted, not elastic or rubber- ized : Pullovers of synthetic textile fibres : — Of polyamide fibres

where they originate in the Republic of Korea and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 1 April 1976.

This Decision shall apply until new opportunities arise in Italy for the importation of the products in question from the Republic of Korea and in any case not later than 31 December 1976.

(Only the Italian text is authentic)

(76/529/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 12 April 1976 by the Italian Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to unbleached woven fabrics of cotton, other than cotton gauze or terry towelling and similar terry fabrics, falling within heading No ex 55.09 of the Common Customs Tariff, originating in the People's Republic of China and in free circulation in the other Member States,

Whereas for the woven fabrics of cotton in question, Italy in accordance with the Council Decision of 18 December 1975⁽¹⁾, has opened in respect of the People's Republic of China an annual quota of 400 metric tons, much of which has already been used up ;

Whereas, according to information supplied by the Italian Government, there are serious economic difficulties in the weaving sector, resulting in fewer orders, an increase in stocks and a considerable drop in production, leading to unemployment in a number of factories ;

Whereas indirect imports of the products in question are likely to aggravate these economic difficulties, particularly in view of the abnormally low price at which they would be effected ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971⁽²⁾, and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION :

Article 1

The Italian Republic is authorized not to apply Community treatment to imports of unbleached woven fabrics of cotton, other than cotton gauze or terry towelling and similar terry fabrics, falling within heading No ex 55.09 of the Common Customs Tariff, where they originate in the People's Republic of China and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 5 April 1976.

(Only the Italian text is authentic)

(76/530/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 14 April 1976 by the Italian Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization to apply protective measures in respect of the importation of footwear with uppers of leather for sports and gymnastics, other than ski-boots, falling within subheading 64.02 ex A of the Common Customs Tariff, originating in Hungary and in free circulation in France,

Whereas for imports of shoes falling within headings No 64.01 and No 64.02 of the Common Customs Tariff, Italy, in accordance with the Council Decision of 18 December 1975⁽¹⁾, has opened in respect of Hungary an annual quota of Lit 144 000 000, which has been wholly used up, while in France imports of the said products are not subject to quotas;

Whereas the indirect imports in respect of which the application has been made would be likely to affect national production of the products in question because of the considerable amount involved (about 20 % of the Italian quota);

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from France and the other Member States;

Whereas authorization should accordingly be given for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971⁽²⁾, and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:

Article 1

The Italian Republic is authorized not to apply Community treatment to the following products:

Whereas there are no opportunities for the importation into Italy of the woven fabrics of silk in question from the People's Republic of China, except for imports effected under inward processing arrangements, in accordance with the Council Decision of 18 December 1975⁽¹⁾;

Whereas, according to information supplied by the Italian Government, the Italian silk industry is facing serious economic difficulties;

Whereas Commission Regulation (EEC) No 2101/75 of 11 August 1975 on a standing invitation to tender to determine levies and/or refunds on export of white sugar⁽³⁾, as last amended by Regulation (EEC) No 606/76⁽⁴⁾, requires Member States to carry out partial invitations to tender for the export of white sugar;

Whereas, pursuant to Article 9 (1) of Regulation (EEC) No 2101/75 a maximum export refund shall be fixed, as the case may be, account being taken in particular of the state and foreseeable development of the Community and world markets in sugar, for the partial invitation to tender in question;

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 359/67/EEC of 25 July 1967 on the common organization of the market in rice⁽¹⁾, as last amended by Regulation (EEC) No 668/75⁽²⁾,

Having regard to Council Regulation No 366/67/EEC of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 478/75⁽⁴⁾, and in particular Article 3a thereof,

Having regard to Commission Regulation (EEC) No 358/76 of 19 February 1976 on an invitation to tender for the levy and/or the refund for the export of milled long grain rice to certain third countries⁽⁵⁾, and in particular Articles 10 (1) and 11 thereof,

Whereas an invitation to tender for the export levy and/or refund on milled long grain rice was issued under Regulation (EEC) No 358/76; whereas the notice of invitation to tender⁽⁶⁾, amended 5 May 1976⁽⁷⁾, associated with this Regulation specified that the total tonnage for which the export levy and/or refund could be fixed was approximately 35 000 metric tons;

Whereas Article 10 (1) of Regulation (EEC) No 358/76 allows the Commission, in accordance with the procedure laid down in Article 26 of Regulation No 359/67/EEC, to fix a maximum export refund; whereas, when this maximum refund is being fixed, account must be taken of the criteria set out in Articles 2 and 3 of Regulation No 366/67/EEC; whereas Article 10

(2) of Regulation (EEC) No 358/76 stipulates that the award is made to any tenderer whose tender indicates a rate of refund equal to or less than such maximum export refund and to any tenderer who has tendered for an export levy;

Whereas it follows from applying these rules to the present situation on the market for the rice in question that the maximum export refund should be fixed as shown in Article 1; whereas the tonnage to which this maximum applies is 500 metric tons;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS DECISION:

Article 1

The maximum export refund for milled long grain rice fixed on the basis of tenders submitted for 3 June 1976 is hereby fixed at 99.79 units of account per metric ton. The rates to be used for conversion to national currencies are those given in the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.
