COMMISSION REGULATION (EEC) No 1755/76

of 22 July 1976

fixing the premiums to be added to the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice ⁽¹⁾, and in particular Article
13 (6) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the premiums to be added to the import
levies fixed in advance for rice and broken rice must
include a premium for the current month and a
premium for each of the following months until the
expiry of the period of validity of the import licence;
whereas this period of validity was laid down in
Article 8 of Commission Regulation (EEC) No
2042/75 of 25 July 1975 on special detailed rules for
the application of the system of import and export
licences for cereals and rice ⁽²⁾;

Whereas Council Regulation (EEC) No 1428/76 of 21
June 1976 ⁽³⁾ lays down rules for the advance fixing of
levies on rice and broken rice;

Whereas under the terms of Regulation (EEC) No
1428/76, where the cif price for husked rice, for
milled rice or for broken rice determined on the day
on which the premiums are fixed is higher than the
cif forward delivery price for the same product, the
premium should as a general rule be equal to the
difference between these two prices; whereas the cif
price is that determined in accordance with Article 16
of Regulation (EEC) No 1418/76 on the day on which
the premiums are fixed; whereas the detailed rules for
determining cif prices were laid down in Regulation
(EEC) No 1613/71 ⁽⁴⁾, as last amended by Regulation
(EEC) No 3320/75 ⁽⁵⁾; whereas the cif forward
delivery price must also be determined in accordance

with Article 16 of Regulation (EEC) No 1418/76 but
on the basis of offers at North Sea ports; whereas this
price must be the cif price for shipment during the
month in which the import licence is issued in the
case of imports to be effected during that month;
whereas this price must be the cif price for shipment
during the month in which importation is expected to
take place in the case of imports to be effected during
the month following the month in which the import
licence is issued; whereas this price must be the cif
price for shipment during the month preceding the
month in which importation is expected to take place
in the case of imports to be effected during the
remaining months for which the import licence is
valid; whereas, if no offer for forward delivery is made
for shipment during a given month, this price should
be the price ruling for shipment during the last
month in which an offer for forward delivery was
made;

Whereas the premium shall be 0 unit of account if
the cif forward delivery price is equal to the cif price
or lower by an amount not exceeding 0.25 unit of
account per metric ton;

Whereas by virtue of Articles 6 and 7 of Regulation
(EEC) No 1428/76 the premium may, however, be
fixed at a higher level in exceptional circumstances
and within certain specified limits;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;
- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas it follows from applying all these provisions
that the premiums should be fixed as shown in the
table annexed to this Regulation; whereas the amount
of the premiums should be altered only if application
of the abovementioned provisions entails a change of
more than 0.25 unit of account,

COMMISSION REGULATION (EEC) No 1757/76

of 22 July 1976

fixing the sluice-gate prices and levies for eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs ⁽¹⁾, as last amended by Regulation (EEC) No 368/76 ⁽²⁾, and in particular Articles 3 and 7 (1) thereof,

Whereas a levy fixed quarterly in advance must be charged on imports into the Community for the products specified in Article 1 (1) of Regulation (EEC) No 2771/75; whereas levies were last fixed by Regulation (EEC) No 942/76 ⁽³⁾ for the period ending 31 July 1976 and levies must therefore be fixed anew for the period 1 August to 31 October 1976;

Whereas the levy on eggs in shell is made up of two components;

Whereas the first component must be equal to the difference between prices within the Community and on the world market for the quantity of feed grain specified in Annex I to Council Regulation (EEC) No 2773/75 of 29 October 1975 laying down rules for calculating the levy and the sluice-gate price for eggs ⁽⁴⁾, as last amended by Regulation (EEC) No 371/76 ⁽⁵⁾;

Whereas the price within the Community for that quantity of feed grain must be determined in accordance with Article 2 of Regulation (EEC) No 2773/75; whereas the price for the like quantity on the world market should be determined in accordance with Article 3 thereof;

Whereas that Article provides that the price for each type of feed grain on the world market shall be equal to the average of the cif prices determined for that cereal for the period of five months ending one month before the quarter in respect of which the said component is calculated; whereas that period is 1 February to 30 June 1976;

Whereas the second component must be equal to 7 % of the average of the sluice-gate prices applicable for the four quarters to 1 May in each year;

Whereas the levy on eggs for hatching must be calculated in the same way as the levy on eggs in shell; whereas, however, the quantity of feed grain used in the calculation must be that shown in Annex I to Regulation (EEC) No 2773/75; whereas the second component must be equal to 7 % of the average of the sluice-gate prices applicable to eggs for hatching;

Whereas the levy on the products specified in Article 1 (1) (b) of Regulation (EEC) No 2771/75 must be derived from the levy on eggs in shell on the basis of the coefficients set out in the Annex to Commission Regulation No 164/67/EEC of 26 June 1967 fixing the factors for calculating levies and sluice-gate prices for derived egg products ⁽⁶⁾, as last amended by Regulation (EEC) No 1775/74 ⁽⁷⁾;

Whereas sluice-gate prices for the products specified in Article 1 (1) of Regulation (EEC) No 2771/75 must be fixed in advance for each quarter; whereas, sluice-gate prices were last fixed by Regulation (EEC) No 942/76 for the period ending 31 July 1976, and prices must therefore now be fixed anew for the period 1 August to 31 October 1976;

Whereas the sluice-gate price for eggs in shell is made up of two components;

Whereas the first component must be equal to the price on the world market for the quantity of feed grain specified in Annex II to Regulation (EEC) No 2773/75;

Whereas the price for that quantity of grain must be determined in accordance with Article 4 (2) and (3) of Regulation (EEC) No 2773/75;

Whereas the said Article 4 provides that the price for each cereal on the world market shall be equal to the average of the cif prices determined for that cereal for the period of five months ending one month before the quarter in respect of which the said component is calculated; whereas that period is 1 February to 30 June 1976;

⁽⁷⁾ OJ No L 186, 10. 7. 1974, p. 14.

Whereas the second amount, which represents other feeding costs and overhead costs of production and marketing, is fixed in Annex II to Regulation (EEC) No 2773/75;

Whereas the sluice-gate price for eggs for hatching must be calculated in the same way as the sluice-gate price for eggs in shell; whereas, however, the quantity of feed grain used in the calculation must be that specified in Annex II to Regulation (EEC) No 2773/75; whereas the standard amount must be that fixed in the same Annex;

Whereas the sluice-price for the products specified in Article 1 (1) (b) of Regulation (EEC) No 2771/75 must be derived from the sluice-gate prices for eggs in shell, taking into account the value of the basic product, the coefficients for those products fixed in accordance with Article 5 (2) of that Regulation and the standard amount fixed in the Annex to Regulation No 164/67/EEC;

Whereas, as regards the lower value to be allowed for in the calculation of the sluice-gate for whole products, account must be taken of the absence of certain marketing costs specific to eggs in shell, and of a percentage reflecting the lower prices generally obtained for eggs intended for processing; whereas these marketing costs — to be deducted from the sluice-gate price for eggs in shell — may be assessed at 0.0800 u.a./kg; whereas the percentage to be deducted from that reduced sluice-gate price may be assessed at 20 %;

Whereas, as regards the lower value to be allowed for in the calculation of the sluice-gate prices for separated products, the same reduction in marketing costs as for whole products should be allowed for; whereas, however, the percentage to be deducted should be lower than that taken for whole products, as the production of separated products requires the use of fresh eggs; whereas this percentage may be assessed at 7 %;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

Article 2

This Regulation shall enter into force on 1 August 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1759/76

of 22 July 1976

fixing the sluice-gate prices and levies for poultrymeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2777/75 of 29 October 1975 on the common organization of the market in poultrymeat⁽¹⁾, as amended by Regulation (EEC) No 369/76⁽²⁾, and in particular Articles 3 and 7 (1) thereof,

Whereas a levy fixed quarterly in advance must be charged on imports into the Community for the products specified in Article 1 (1) of Regulation (EEC) No 2777/75; whereas levies were last fixed by Regulation (EEC) No 944/76⁽³⁾, for the period ending 31 July 1976, and levies must therefore be fixed anew for the period 1 August to 31 October 1976;

Whereas the levy on slaughtered poultry is made up of two components;

Whereas the first component must be equal to the difference between prices within the Community and on the world market for the quantity of feed grain specified in Annex I to Council Regulation (EEC) No 2778/75 of 29 October 1975 laying down rules for calculating the levy and the sluice-gate price for poultrymeat⁽⁴⁾, as amended by Regulation (EEC) No 371/76⁽⁵⁾;

Whereas the price within the Community for that quantity of feed grain must be determined in accordance with Article 2 of Regulation (EEC) No 2778/75; whereas the price of the like quantity on the world market must be determined in accordance with Article 3 thereof;

Whereas that Article provides that the price for each type of feed grain on the world market shall be equal to the average of the cif prices determined for that cereal for the period of five months ending one month before the quarter in respect of which the said component is calculated; whereas that period is 1 February to 30 June 1976;

Whereas the second component must be equal to 7 % of the average of the sluice-gate prices applicable for the four quarters to 1 May of each year;

Whereas the levy on chicks must be calculated in the same way as the levy on slaughtered poultry; whereas, however, the quantity of feed grain used in the calculation must be that shown in Annex I to Regulation (EEC) No 2778/75; whereas the second component must be equal to 7 % of the average of the sluice-gate prices applicable to chicks;

Whereas the levy on the products specified in Article 1 (2) (d) of Regulation (EEC) No 2777/75 must be derived from the levy on slaughtered poultry on the basis of the coefficients set out in the Annex to Commission Regulation No 199/67/EEC of 28 June 1967 fixing the coefficients for calculating levies on derived poultrymeat products⁽⁶⁾, as last amended by Regulation (EEC) No 1776/74⁽⁷⁾;

Whereas, for products falling within heading No 02.03, or within subheading 15.01 B or 16.02 B I of the Common Customs Tariff, in respect of which the rate of duty payable has been bound within GATT, the levies must not exceed the amount resulting from that binding;

Whereas, sluice-gate prices for the products specified in Article 1 (1) of Regulation (EEC) No 2777/75 must be fixed in advance for each quarter; whereas sluice-gate prices were last fixed by Regulation (EEC) No 944/76 for the period ending 31 July 1976, and prices must therefore now be fixed anew for the period 1 August to 31 October 1976;

Whereas the sluice-gate price on slaughtered poultry is made up of two components;

Whereas the first component must be equal to the price on the world market for the quantity of feed grain shown in Annex II to Regulation (EEC) No 2778/75;

Whereas the price of this quantity of cereals must be determined in accordance with Article 4 (2) and (3) of Regulation (EEC) No 2778/75;

Whereas the said Article 4 provides that the price for each cereal on the world market shall be equal to the average of the cif prices determined for that cereal for the period of five months ending one month before the quarter in respect of which the said component is calculated; whereas that period is 1 February to 30 June 1976;

COMMISSION REGULATION (EEC) No 1760/76

of 22 July 1976

fixing the levies and sluice-gate prices on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat ⁽¹⁾, as amended by Regulation (EEC) No 367/76 ⁽²⁾, and in particular Articles 8 and 12(1) thereof,

Whereas imports into the Community of any of the products listed in Article 1 (1) of Regulation (EEC) No 2759/75 shall be subject to a levy fixed in advance for each quarter; whereas levies were last fixed by Commission Regulation (EEC) No 911/76 of 21 April 1976 ⁽³⁾ for the period 1 May to 31 July 1976 and must therefore be fixed anew for the period 1 August to 31 October 1976;

Whereas the levy applicable to pig carcasses is composed of two components;

Whereas the first component is to be equal to the difference between prices within the Community and on the world market for the quantity of feed grain composed as provided in Article 1 of Council Regulation (EEC) No 2764/75 of 29 October 1975 laying down the rules for calculating a component of the levy on pig carcasses ⁽⁴⁾, as amended by Regulation (EEC) No 370/76 ⁽⁵⁾;

Whereas the value of the quantity of feed grain within the Community shall be determined in accordance with Article 2 of Regulation (EEC) No 2764/75; whereas the value of the same quantity on the world market shall be determined in accordance with Article 3 thereof;

Whereas the said Article 3 provides that the world market price for each cereal shall be equal to the average of the cif prices of such cereal; whereas the cif prices shall be determined for the period of five months ending one month before the quarter in respect of which the said component is calculated; whereas that period runs from 1 February to 30 June 1976;

Whereas the second component shall be 7 % of the average sluice-gate prices applicable for the four quarters preceding 1 May of each year;

Whereas the levies applicable to products listed in Article 1 (1) (a) and (b) of Regulation (EEC) No 2759/75 other than pig carcasses shall be derived from the levy on pig carcasses on the basis of the coefficients fixed for such products pursuant to Article 10 (4) of Regulation (EEC) No 2759/75 in Annex I to Commission Regulation No 204/67/EEC of 28 June 1967 fixing coefficients for calculating levies on pigmeat products other than pig carcasses ⁽⁶⁾, as last amended by Regulation (EEC) No 3406/73 ⁽⁷⁾;

Whereas the levies applicable to products listed in Article 1 (1) (c) of Regulation (EEC) No 2759/75 shall be composed of two components;

Whereas the first component shall be derived from the levy on pig carcasses on the basis of the coefficients laid down in Annex II to Regulation No 204/67/EEC;

Whereas the second component shall be equal to 7 %, and for products falling within heading No ex 16.02 of the Common Customs Tariff to 10 %, of the average offer prices for imports during the 12 months preceding 1 May; whereas these averages should be determined bearing in mind all the information available relating to exports from third countries into the Community and into other third countries, taking into account, in the latter case, differences in the cost of transport and, generally, differences in quality and the representative character of prices;

Whereas for the products falling within subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A and 16.02 A II of the Common Customs Tariff, in respect of which the rate of duty has been bound with GATT, levies must be restricted to the amounts resulting from that binding;

Whereas for pig carcasses and other products referred to in Article 1 of Council Regulation (EEC) No 2766/75 of 29 October 1975 establishing the list of products for which sluice-gate prices are to be fixed and laying down the rules for fixing the sluice-gate price for pig carcasses ⁽¹⁾, as amended by Regulation (EEC) No 370/76, the sluice-gate prices must be fixed in advance for each quarter; whereas the sluice-gate prices were last fixed by Regulation (EEC) No 911/76 for the period 1 May to 31 July 1976 and must be

fixed anew for the period 1 August to 31 October 1976;

Whereas the sluice-gate price for pig carcasses is composed of three components;

Whereas the first component shall be equal to the value on the world market of the quantity of feed grain equivalent to the quantity of feedingstuffs required for the production in third countries of one kilogramme of pigmeat, such quantity being composed as provided in Article 2 (1) of Regulation (EEC) No 2766/75;

Whereas the value of that quantity of cereals shall be established in accordance with Article 2 (2) and (3) of Regulation (EEC) No 2766/75;

Whereas the said Article 2 provides that the price of each cereal on the world market shall be equal to the average cif price of such cereal; whereas the cif prices shall be determined for the period of five months ending one month before the quarter in respect of which the said amount is calculated; whereas that period runs from 1 February to 30 June 1976;

Whereas the second component, representing the extra cost, in relation to feed grain of feedingstuffs other than grain required for the production of one kilogramme of pigmeat, shall, in accordance with Article 3 (1) of Regulation (EEC) No 2766/75, be 15 % of the value of the quantity of feed grain;

Whereas the third amount, representing overhead costs of production and marketing, shall, in accordance with Article 3 (2) of Regulation (EEC) No 2766/75, be 20 units of account per 100 kilogrammes of pig carcasses:

Whereas the sluice-gate prices of products referred to in Article 1 of Regulation (EEC) No 2766/75, other than pig carcasses, shall be derived from the sluice-gate price for pig carcasses on the basis of the coefficients laid down by Regulation No 204/67/EEC;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the period 1 August to 31 October 1976 the levies provided for in Article 8 of Regulation (EEC) No 2759/75 for the products referred to in Article 1 (1) of that Regulation and the sluice-gate prices provided for in Article 12 of Regulation (EEC) No 2759/75 for the products referred to in Article 1 of Regulation (EEC) No 2766/75, shall be as shown in the Annex hereto.

2. Provided that in the case of products falling within subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A and 16.02 A II of the Common Customs Tariff in respect of which the rate of duty has been bound within GATT the levy shall not exceed the amount resulting from that binding.

COMMISSION REGULATION (EEC) No 1761/76

of 22 July 1976

fixing the accession compensatory amounts for eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty of Accession ⁽¹⁾,

Having regard to Council Regulation (EEC) No 2776/75 of 29 October 1975 laying down general rules for the system of accession compensatory amounts for eggs ⁽²⁾, and in particular Article 9 (2) thereof,

Whereas the accession compensatory amounts for eggs were fixed for the period until 31 July 1976 by Commission Regulation (EEC) No 1882/75 of 23 July 1975 ⁽³⁾;

Whereas the compensatory amounts applicable from 1 August 1976 for eggs in shell are to be calculated on the basis of the compensatory amounts fixed for these products in Regulation (EEC) No 2776/75 and by reference to the variation in the compensatory amounts applicable for the quantity of feed grain required in the Community to produce one kilogramme of eggs in shell or hatching eggs;

Whereas the compensatory amounts applicable in respect of the same period for other egg products must be derived from the compensatory amount for eggs in shell other than hatching eggs by means of the coefficients fixed by Commission Regulation No 164/67/EEC of 26 June 1967 fixing the factors for calculating levies and sluice-gate prices for derived egg products ⁽⁴⁾, as last amended by Regulation (EEC) No 1775/74 ⁽⁵⁾;

Whereas the compensatory amounts for ovalbumin and lactalbumin must be derived from the said compensatory amount by means of the coefficients fixed by Commission Regulation (EEC) No 1777/74 of 9 July 1974 fixing the value of certain items to be used in calculating the import duties and sluice-gate prices for ovalbumin and lactalbumin ⁽⁶⁾;

Whereas calculation of the compensatory amounts for trade with Denmark results in minimal amounts; whereas, therefore, in accordance with Article 55 (4) of the Act of Accession, no compensatory amounts should be fixed for that country;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 1764/76**of 22 July 1976****laying down certain detailed rules for granting the differential amount and the subsidy provided for the refinery of raw sugar produced in the French overseas departments**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1487/76⁽²⁾, and in particular Articles 9 (6) and 34 thereof,

Whereas Council Regulation (EEC) No 1490/76 of 22 June 1976 fixing, for the 1976/77 sugar marketing year, the differential charge to be levied on raw preferential sugar and the differential amount to be granted in respect of raw cane sugar from the French overseas departments⁽³⁾, has fixed the differential amount referred to in the second subparagraph of Article 9 (3) of Regulation (EEC) No 3330/74 at 1.20 units of account per 100 kilogrammes of white sugar for the 1976/77 sugar marketing year;

Whereas Council Regulation (EEC) No 1491/76 of 22 June 1976 laying down, for the 1976/77 sugar marketing year, measures to facilitate the disposal of sugar produced in the French overseas departments⁽⁴⁾ has for the 1976/77 sugar marketing year specified a subsidy per 100 kilogrammes white sugar of 1.29 units of account as an appropriate measure within the meaning of Article 9 (3) of Regulation (EEC) No 3330/74;

Whereas in order to grant these amounts it is necessary to convert the amounts applicable to raw sugar and to lay down appropriate measures for conversion and control;

Whereas, in order that a regular check may be kept upon the quantities of sugar refined, provision should be made for periodic communication of those quantities;

Whereas Commission Regulation (EEC) No 2821/75 of 30 October 1975 laying down certain detailed rules

for granting the amounts provided for the refining of raw sugar produced in the French overseas departments⁽⁵⁾ should be repealed;

COMMISSION REGULATION (EEC) No 1767/76

of 22 July 1976

fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽¹⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds⁽²⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbance of the Community market;

Whereas Regulation No 669/67/EEC⁽³⁾, as amended by Regulation (EEC) No 1057/68⁽⁴⁾, lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;

— for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund, should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 1768/76

of 22 July 1976

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice⁽¹⁾, and in particular the
second subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the first subparagraph of Article 17 (4) of
Regulation (EEC) No 1418/76 provides that the
export refund applicable to rice and broken rice on
the day on which application for an export licence is
made, adjusted for the threshold price which will be
in force during the month of exportation, must be
applied on request to exports to be effected during the
period of validity of the licence;

Whereas Regulation No 474/67/EEC⁽²⁾, as amended
by Regulation (EEC) No 1397/68⁽³⁾, lays down
detailed rules for the advance fixing of the export
refund on rice and broken rice;

Whereas that Regulation provides that the refund
applicable on the day on which application for an
export licence is made must, when it is fixed in
advance, be reduced by an amount no greater than the
difference between the cif forward delivery price and
the cif price, where the former exceeds the latter by
more than 0.25 unit of account per metric ton;
whereas, on the other hand, the refund must be
increased by an amount no greater than the difference
between the cif price and the cif forward delivery
price, where the former exceeds the latter by more
than 0.25 unit of account per metric ton;

Whereas the cif price is that determined in accor-
dance with Article 16 of Regulation (EEC) No
1418/76, whereas the cif forward delivery price is that

determined in accordance with Article 3 (2) of Regula-
tion 1428/76⁽⁴⁾, based, in respect of each month for
which the export licence is valid, on the cif price
calculated on the basis of offers for shipment during
the month of exportation;

Whereas if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;
- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas it follows from applying all these provisions
that the corrective amount applicable on 23 July 1976
must be fixed as shown in the table annexed to this
Regulation;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 17 (4) of
Regulation (EEC) No 1418/76 which is applicable to
the export refunds fixed in advance in respect of rice
and broken rice is hereby fixed as shown in the table
annexed to this Regulation.

COMMISSION REGULATION (EEC) No 1771/76

of 22 July 1976

fixing the refunds applicable to cereals and wheat or rye flour groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organ-
ization of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1143/76⁽²⁾, and in particular the
first sentence of the fourth subparagraph of Article 16
(2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products in the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation No (EEC)
No 2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the world
market on the other; whereas the same article
provides that it is also important to ensure equi-

trade on cereal markets and, furthermore, to take into
account the economic aspect of the proposed exports
and the need to avoid disturbances on the Commu-
nity market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as
wheat and rye flour, groats and meal are concerned, in
Article 4 of Regulation (EEC) No 2746/75; whereas,
furthermore, when the refund on these products is
being calculated, account must be taken of the quanti-
ties of cereals required for their manufacture; whereas

67/EEC⁽⁴⁾, as amended by Regulation (EEC) No
1607/71⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for certain products according
to destination;

Whereas the refund must be fixed at least once a
month; whereas it may be altered in the intervening
period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in

COMMISSION REGULATION (EEC) No 1772/76**of 22 July 1976****fixing the corrective amount applicable to the refund on cereals and malt**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1143/76⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, the corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) and (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁵⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Commu-

nity market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 and for malt account should be taken of the specific criteria laid down in Article 2 (2) and (3) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies, which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the preceding subparagraph;

Whereas it follows from applying the provisions referred to above that the corrective amount must be fixed as shown in the tables annexed to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

⁽⁵⁾ OJ No L 131, 22. 5. 1975, p. 15.

HAS ADOPTED THIS REGULATION:

and malt is hereby fixed as shown in the tables annexed to this Regulation.

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of cereals

Article 2

This Regulation shall enter into force on 23 July 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COUNCIL REGULATION (EEC) No 1773/76**of 22 July 1976****concerning the allocation of a Community tariff quota of wine of fresh grapes,
intended to be fortified for distillation, originating in Algeria**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1516/76 of 24 June 1976 on imports of wine of fresh
grapes, intended to be fortified for distillation, origi-
nating in Algeria⁽¹⁾, and in particular Article 3 (1)
thereof,

Having regard to the proposal from the Commission,

Whereas Regulation (EEC) No 1516/76 lays down
that, pursuant to the Cooperation Agreement and the
Interim Agreement⁽²⁾ signed on 26 April 1976 by the
European Economic Community and the People's
Democratic Republic of Algeria, wines of fresh grapes,
intended for fortifying, falling within subheadings
22.05 C I ex b) and C II ex b) of the Common
Customs Tariff, originating in Algeria, may be
imported into the Community with a tariff concession
consisting of an 80 % reduction in the customs duties
and within the limits of a Community quota subject
to observance of a special price; whereas the annual
quota is 500 000 hectolitres per year for four years
from the entry into force of the Interim Agreement;
whereas the first annual Community quota should be
allocated for the period 1 July 1976 to 30 June 1977;

Whereas, in order to follow as closely as possible the
actual development of the market in the products in
question, such allocation must be effected in propor-
tion to Member States' requirements, calculated on
the basis of the statistics on imports of the said
products from Algeria during a representative period
and also on the basis of the economic prospects for
the tariff period under consideration;

Whereas, however, in this case, there are no Commu-
nity or national statistics for the wines in question;
whereas, provision should consequently be made for
allocating the total quota into shares which take
account of the capacity of the markets of the Member
States to absorb the said wines;

Whereas, in order to take account in these conditions
of the uncertainty in trends in imports into the

Member States of the product concerned, the quota
should be divided into two instalments; the first to be
allocated among all the Member States and the second
to form a reserve intended to cover any subsequent
requirements of Member States which have used up
their initial shares;

Whereas Member States may use up their initial
shares at different rates; whereas to provide for this
eventuality and to avoid disruption of supplies, any
Member State which has almost used up its initial
share should draw an additional share from the
reserve; whereas this should be done by each Member
State when each of its additional shares has been
almost used up, and so on as many times as the
reserve allows; whereas the initial and additional
shares should be valid until the end of the quota
period;

Whereas if, at a given date in the quota period, a
considerable quantity of a Member State's initial share
remains unused, it is essential that that Member State
should return it to the reserve so as to prevent a part
of the quota from remaining unused in one Member
State when it could be used in others;

Whereas, since the Kingdom of Belgium, the
Kingdom of the Netherlands and the Grand Duchy of
Luxembourg are united within and jointly represented
by the Benelux Economic Union any measure
concerning the administration of the shares allocated
to that economic union may be carried out by any
one of its members,

HAS ADOPTED THIS REGULATION:

Article 1

The 500 000 hectolitres quota opened for wine of
fresh grapes intended for fortifying, originating in
Algeria, under the conditions laid down by Regulation
(EEC) No 1516/76, shall be allocated as follows
among the Member States for the period 1 July 1976
to 30 June 1977:

⁽¹⁾ OJ No L 169, 28. 6. 1976, p. 29.

⁽²⁾ OJ No L 141, 28. 5. 1976, p. 2.

	<i>(in hectolitres)</i>
Benelux	30 000
Denmark	1 250
Germany	115 000
France	100 000
Ireland	1 250
Italy	100 000
United Kingdom	7 500

The remaining 145 000 hectolitres shall constitute the reserve.

Article 2

1. If 90 % or more of any Member State's initial share as fixed in Article 1 is used for fortifying as part of its initial share, that Member State shall forthwith,

by notifying the Commission, draw a second share which may amount to the total quantities actually used for fortifying, to the extent that the reserve so permits.

2. Other shares may be drawn in accordance with the same conditions until the reserve is used up.

3. Member States shall return to the reserve, not later than 1 April 1977, the unused share of their quota. The reserve shall be used in accordance with paragraph 2.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall be applicable from 1 July 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 July 1976.

COUNCIL DECISION

of 29 June 1976

amending in respect of Romania certain quotas for imports into the Benelux countries and into Ireland laid down by Decision 75/788/EEC

(76/615/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Decision 75/210/EEC of 27 March 1975 on unilateral import arrangements in respect of State-trading countries⁽¹⁾, and in particular the first indent of Article 7 thereof,

Having regard to the proposal from the Commission, Whereas, in accordance with Article 3 of the said Decision, the Belgian Government, on behalf of the three Benelux countries, and the Irish Government consider that amendments should be made to certain of the quotas for imports into the Benelux countries and into Ireland laid down by Council Decision 75/788/EEC of 18 December 1975 amending for 1976 the import quotas laid down by Decision 75/210/EEC⁽²⁾;

Whereas the amendments proposed refer to some of the import quotas laid down in respect of Romania for products covered by the Arrangement regarding international trade in textiles⁽³⁾;

Whereas on 15 March 1975 the Council authorized Community negotiations to be opened with Romania in respect of textile products covered by this Arrangement; whereas, therefore, amendments to the import quotas concerned can be adopted only by means of a Council Decision under Article 113 of the Treaty;

Whereas the amendments proposed are not such as to hinder the progressive standardization of the import

arrangements applied in the Member States, nor to affect the proper functioning of the common market; whereas, therefore the measures proposed by the Benelux countries and Ireland should be adopted,

HAS ADOPTED THIS DECISION:

Article 1

The values of those quotas for imports into the Benelux countries, given in Annex VI (a) to Decision 75/788/EEC which are set out in Annex I hereto, are replaced by the values shown in the latter Annex.

Article 2

Annex VI (e) (Ireland) to Decision 75/788/EEC is hereby replaced by the Annex given in Annex II hereto.

Article 3

This Decision is addressed to the Benelux countries and Ireland.

Done at Luxembourg, 29 June 1976.
