COMMISSION REGULATION (EEC) No 2683/76
of 4 November 1976
fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽¹⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds⁽²⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbance of the Community market;

Whereas Regulation No 669/67/EEC⁽³⁾, as amended by Regulation (EEC) No 1057/68⁽⁴⁾, lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund, should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

Article 2

COMMISSION REGULATION (EEC) No 2684/76

of 4 November 1976

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice⁽¹⁾, and in particular the
second subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the first subparagraph of Article 17 (4) of
Regulation (EEC) No 1418/76 provides that the
export refund applicable to rice and broken rice on
the day on which application for an export licence is
made, adjusted for the threshold price which will be
in force during the month of exportation, must be
applied on request to exports to be effected during the
period of validity of the licence ;

Whereas Regulation No 474/67/EEC⁽²⁾, as amended
by Regulation (EEC) No 1397/68⁽³⁾, lays down
detailed rules for the advance fixing of the export
refund on rice and broken rice ;

Whereas that Regulation provides that the refund
applicable on the day on which application for an
export licence is made must, when it is fixed in
advance, be reduced by an amount no greater than the
difference between the cif forward delivery price and
the cif price, where the former exceeds the latter by
more than 0.25 unit of account per metric ton ;
whereas, on the other hand, the refund must be
increased by an amount no greater than the difference
between the cif price and the cif forward delivery
price, where the former exceeds the latter by more
than 0.25 unit of account per metric ton ;

Whereas the cif price is that determined in accor-
dance with Article 16 of Regulation (EEC) No
1418/76, whereas the cif forward delivery price is that

determined in accordance with Article 3 (2) of Regula-
tion 1428/76⁽⁴⁾, based, in respect of each month for
which the export licence is valid, on the cif price
calculated on the basis of offers for shipment during
the month of exportation ;

Whereas if the refund system is to operate normally,
refunds should be calculated on the following basis :

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity ;
- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph ;

Whereas it follows from applying all these provisions
that the corrective amount applicable on 5 November
1976 must be fixed as shown in the table annexed to
this Regulation ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The corrective amount referred to in Article 17 (4) of
Regulation (EEC) No 1418/76 which is applicable to
the export refunds fixed in advance in respect of rice
and broken rice is hereby fixed as shown in the table
annexed to this Regulation.
