Letter No 1

Your Excellency,

I should like to draw your attention to a clerical error in the English version of Table II of Protocol 2 to the Agreement between the European Economic Community and the Swiss Confederation.

Examination of the English text of heading No 1902. ex 10 of the Swiss Customs Tariff in this table reveals that part of the description of the goods has been omitted. The missing words are as follows: 'preparations containing powdered milk, excluding'.

Consequently, the text should be amended to read as follows:

'Swiss Customs Tariff heading No	Description	Basic duties	Duty applicable on 1 July 1977
1902. ex 10	— preparations in which potato flour predominates whether or not in the form of semolina, flakes, etc., and preparations containing powdered milk, excluding preparations containing by weight more than 12 % of milk fats, in packages exceeding a net weight of 2 kg'		

I should be grateful if you would confirm the agreement of your Government with the content of this letter.

Please accept, Your Excellency, the assurance of my highest consideration.

of the European Communities*
