COUNCIL REGULATION (EEC) No 3204/76**of 21 December 1976****on the supply of butteroil to the Comoro Islands as emergency food aid
pursuant to Regulation (EEC) No 695/76**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
694/76 of 25 March 1976, laying down general rules
for the supply of milk fats as food aid to certain deve-
loping countries and international organizations under
the 1976 programme ⁽¹⁾, and in particular Articles 3
and 8 thereof,

Having regard to the proposal from the Commission,

Whereas Regulation (EEC) No 694/76 provides for
the supply of 45 000 metric tons of butteroil as food
aid to certain developing countries and international
organizations ;

Whereas Council Regulation (EEC) No 695/76 of 25
March 1976 on the supply of milk fats to certain deve-
loping countries and international organizations under
the 1976 food-aid programme ⁽²⁾ provides for a contin-
gency reserve of 3 640 metric tons of butteroil ;

Whereas the Comoro Islands have applied for emer-
gency food aid for their needy inhabitants ; whereas

the needs of those inhabitants warrant food aid from
the Community ; whereas in view of the situation the
Community should bear the costs of transport to the
port of unloading,

HAS ADOPTED THIS REGULATION :

Article 1

Of the 3 640 metric tons of butteroil provided for as a
reserve by Regulation (EEC) No 695/76, 40 metric
tons shall be allocated to the Comoro Islands in
favour of needy persons in that country.

Article 2

The Community shall finance the costs of shipment
to the port of unloading.

Article 3

This Regulation shall enter into force on the third day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COUNCIL REGULATION (EEC) No 3205/76

of 21 December 1976

maintaining in effect the rules whereby imports into Italy of electric filament lamps originating in certain European State-trading countries are subject to import authorizations

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 109/70 of 19 December 1969 establishing common rules for imports from State-trading countries⁽¹⁾, and in particular Article 8 thereof,

Having regard to the proposal from the Commission,

Having consulted the Advisory Committee set up under Article 5 of the said Regulation,

Whereas by Regulation (EEC) No 1887/76 of 29 July 1976⁽²⁾ the Commission established rules whereby imports into Italy of electric filament lamps originating in certain European State-trading countries were made subject to authorization;

Whereas by Regulation (EEC) No 2162/76⁽³⁾ the Council maintained these rules in effect until 31 December 1976;

Whereas the economic difficulties which justified the introduction of these protective measures remain present on the Italian market;

Whereas consultations have been held in the meantime with Hungary, Poland and Romania, on the basis

of the Protocols of accession of these countries to the GATT, and have resulted in mutually acceptable solutions, which the countries concerned have been requested to extend;

Whereas these measures should consequently be maintained in effect until 31 December 1977 for the Italian market in respect of Bulgaria, the German Democratic Republic, Czechoslovakia and the USSR;

Whereas the safeguard measures thus maintained in respect of these third countries can be rescinded should those same countries enter into consultations with the Community and should these consultations result in mutually satisfactory solutions,

HAS ADOPTED THIS REGULATION:

Article 1

The rules whereby imports into Italy of electric filament lamps originating in certain European State-trading countries are subject to authorization, which were adopted by Regulation (EEC) No 1887/76 and confirmed by Regulation (EEC) No 2162/76, shall continue to apply until 31 December 1977.

The total quantity of products for which import authorizations shall be issued during the year 1977 shall not exceed the following amounts:

NIMEXE code	Description	Origin	Quantity (items)
85.20-15	Electric filament lamps exceeding 28 volts	Bulgaria	400 000
		German Democratic Republic	2 000 000
		Czechoslovakia	4 000 000
		USSR	1 300 000

COUNCIL REGULATION (EEC) No 3206/76
of 21 December 1976
amending Regulation (EEC) No 557/76 on the exchange rates to be applied in
agriculture for the Irish pound

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 129 on the
value of the unit of account and the exchange rates to
be applied for the purposes of the common agricul-
tural policy⁽¹⁾, as last amended by Regulation (EEC)
No 2543/73⁽²⁾, and in particular Article 3 thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EEC) No 557/76 of 15
March 1976 on the exchange rates to be applied in
agriculture and repealing Regulation (EEC) No
475/75⁽³⁾, as last amended by Regulation (EEC) No
2596/76⁽⁴⁾, fixed the representative rate for the Irish
pound; whereas the movement of this currency indi-
cates the advisability of fixing a new representative
rate which would reflect more closely the real current
economic situation;

Whereas the Monetary Committee will be consulted;
whereas, in view of the urgency of the matter, the
proposed measures should be adopted in the manner
provided for in Article 3 (2) of Regulation No 129,

HAS ADOPTED THIS REGULATION:

Article 1

Point (e) of Article 2 (1) of Regulation (EEC) No
557/76 is replaced by the following:

'(e) for the Irish pound:

£1 (Irish) = 1.44212 units of account;'

Article 2

The following paragraph is added to Article 2 of Regu-
lation (EEC) No 557/76:

'6. The representative rate for the Irish pound
fixed in Article 1 (1) of Regulation (EEC) No
3206/76 shall apply from 17 January 1977.'

Article 3

This Regulation shall enter into force on 17 January
1977.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COUNCIL REGULATION (EEC) No 3207/76**of 23 December 1976****maintaining in effect the rules whereby imports into Italy of malleable cast-iron tube and pipe fittings originating in Taiwan are subject to import authorizations**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1439/74 of 4 June 1974 on common rules for imports⁽¹⁾, and in particular Article 13 thereof,

After consultation within the Advisory Committee referred to in Article 5 of the said Regulation,

Having regard to the proposal from the Commission,

Whereas by Regulation (EEC) No 162/76⁽²⁾, the Commission established rules whereby imports into Italy of malleable cast-iron tube and pipe fittings originating in Taiwan were made subject to authorization;

Whereas by Regulations (EEC) No 476/76⁽³⁾ and (EEC) No 1552/76⁽⁴⁾, the Council maintained these rules in effect until 31 December 1976;

Whereas since the establishment of these measures the development of the market in Italy for these products has been characterized by a decrease in consumption;

Whereas imports from Taiwan continue to be available at prices much below those applied by the Italian producers; whereas, owing to the considerable increase in total imports, serious harm would be done

to Community producers in Italy if the measures adopted by the Community were not extended;

Whereas the reasons which justified the establishment of rules whereby imports into Italy of malleable cast-iron tube and pipe fittings originating in Taiwan are subject to import authorizations consequently remain valid; whereas it is therefore necessary to maintain the rules in effect until 31 December 1977,

HAS ADOPTED THIS REGULATION:

Article 1

The rules whereby imports into Italy of malleable cast-iron tube and pipe fittings originating in Taiwan are subject to import authorization, which were set up by Regulation (EEC) No 162/76, confirmed by Regulation (EEC) No 476/76 and extended by Regulation (EEC) No 1552/76, shall continue to apply until 31 December 1977.

The total quantity of products for which import authorizations shall be issued from 1 January to 31 December 1977 shall not exceed 1 640 metric tons.

Article 2

This Regulation shall enter into force on 1 January 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 3208/76

of 30 December 1976

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 3138/76⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof;

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁴⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁵⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice and broken rice on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁶⁾, as amended by Regulation (EEC) No

832/76⁽⁷⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁸⁾, as amended by Regulation (EEC) No 2764/71⁽⁹⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product;

Whereas it follows from applying these rules and criteria to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product;

⁽¹⁾ OJ No L 281, 1. 11. 1975, p. 1.

⁽²⁾ OJ No L 354, 24. 12. 1976, p. 1.

⁽³⁾ OJ No L 166, 25. 6. 1976, p. 1.

⁽⁴⁾ OJ No L 281, 1. 11. 1975, p. 78.

⁽⁵⁾ OJ No L 166, 25. 6. 1976, p. 36.

⁽⁶⁾ OJ No L 281, 1. 11. 1975, p. 65.

⁽⁷⁾ OJ No L 100, 14. 4. 1976, p. 1.

⁽⁸⁾ OJ No L 181, 27. 7. 1968, p. 1.

⁽⁹⁾ OJ No L 283, 24. 12. 1971, p. 30.

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in

relation to the Community currencies referred to in the previous subparagraph;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

However the conditions of Regulation (EEC) No 2646/76 relating to malt remain applicable.

Article 2

This Regulation shall enter into force on 1 January 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 3209/76
of 30 December 1976
fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 3138/76⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying rules and criteria to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of

compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁵⁾, as amended by Regulation (EEC) No 3116/75⁽⁶⁾, provides that calculation of the export refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

of 30 December 1976**

fixing the amounts applicable as compensatory amounts for cereals and rice

Having regard to the Treaty of Accession ⁽¹⁾,

Having regard to Council Regulation (EEC) No 2757/75 of 29 October 1975 laying down general rules for the system of accession compensatory amounts for cereals ⁽²⁾, as amended by Regulation (EEC) No 1620/76 ⁽³⁾, and in particular Article 7 thereof,

Having regard to Council Regulation (EEC) No 1435/76 of 21 June 1976 laying down general rules for the system of accession compensatory amounts for rice and fixing these amounts for certain products ⁽⁴⁾, and in particular Article 5 thereof,

Whereas compensatory amounts for cereals and rice were fixed by Council Regulations (EEC) No 2757/75, (EEC) No 1435/76 and by Commission Regulation (EEC) No 1895/76 of 30 July 1976 fixing, for the 1976/77 marketing year, the accession compensatory amounts for certain categories of cereals, for rice and for processed products derived from cereals or rice ⁽⁵⁾; whereas, however, where the situation envisaged in Article 7 (1) of Regulation (EEC) No 2757/75 and in Article 5 (1) of Regulation (EEC) No 1435/76 occurs, it is for the Commission to decide, in accordance with these Articles and in respect of the products concerned, the amounts applicable as compensatory amounts in trade between the Community as originally constituted and the new Member States and

between the latter and third countries; whereas it should be recalled that the amounts applicable in trade between each new Member State and third countries and which are deducted from levies and refunds are the same as those applicable in trade between the Community as originally constituted and each of the new Member States,

of 30 December 1976

fixing the minimum import levies on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation (EEC) No 602/76 of 15 March 1976 laying down special measures in particular for the determination of the offers of olive oil on the Greek market⁽⁶⁾, as amended by Regulation (EEC) No 2600/76, and in particular Article 2 (3) thereof,

Whereas, in Regulation (EEC) No 1362/76 of 14 June 1976⁽¹⁰⁾, the Commission decided to use the tendering procedure to fix the levies on olive oil;

Whereas that rate must be fixed for each of the products concerned on the basis of an examination of the world or Greek markets and of the Community market, and also of the levy rates indicated by the tenderers;

Whereas account should be taken of the oil content of products other than olive oil; whereas, however, no levies are applied to imports of oil-cake and other residues falling within subheading 23.04 A of the Common Customs Tariff and having an oil content of not more than 3 %;

Whereas account should be taken in applying the levy of the provisions of the agreements between the Community and certain non-member countries; whereas, in particular, the levy must be calculated on the basis of the levy to be collected on imports from non-member countries;

Whereas the application of the rules described above to the levy rates submitted by tenderers on 27 and 28 December 1976 results in the fixing of the minimum levies as shown in the Annex to this Regulation,

COMMISSION REGULATION (EEC) No 3212/76

of 30 December 1976

fixing the export refund on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 18 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 8 of Regulation No 162/66/EEC provides that Article 18 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the rules and other provisions for fixing and granting export refunds on olive oil are contained in Regulation No 171/67/EEC and (EEC) No 616/72⁽⁶⁾, as amended by Regulation (EEC) No 503/76⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these rules and other provisions to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be fixed at the amounts shown in the Annex to this Regulation;

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽²⁾ OJ No L 175, 29. 6. 1973, p. 5.

⁽⁶⁾ OJ No L 78, 31. 3. 1972, p. 1.

⁽⁷⁾ OJ No L 59, 6. 3. 1976, p. 26.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 (2) (c) of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 3213/76

of 30 December 1976

fixing the export refund on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 2(3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 8 of Regulation No 162/66/EEC provides that Article 28 of Regulation No 136/66/EEC and measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and Greece, and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽⁶⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above is defined in Annex III of Council Regulation (EEC) No 833/76 of 6 April 1976 fixing certain prices and other amounts applicable in agriculture for the 1976/77 marketing year⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽²⁾ OJ No L 175, 29. 6. 1973, p. 5.

⁽³⁾ OJ No 197, 29. 10. 1966, p. 3393/66.

⁽⁴⁾ OJ No 125, 26. 6. 1967, p. 2461/67.

⁽⁵⁾ OJ No L 264, 23. 11. 1972, p. 1.

⁽⁶⁾ OJ No L 75, 30. 3. 1971, p. 16.

⁽⁷⁾ OJ No L 100, 14. 4. 1976, p. 12.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas it follows from applying these rules and criteria to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be fixed at the amounts shown in the Annex to this Regulation for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refunds on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 January 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 3222/76

of 30 December 1976

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar ⁽¹⁾, as last amended by Regulation (EEC) No 3138/76 ⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar ⁽³⁾, as amended by Regulation (EEC) No 1491/70 ⁽⁴⁾, provides that the basic amount of the levy for 100 kilogrammes of product must be fixed per percentage of sucrose content;

Whereas the basic amount of the levy must be equal to one hundredth of the average of the levies applicable to 100 kilogrammes of white sugar during the first twenty days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.40 unit of account from that average;

Whereas the basic amount must be fixed every month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.40 unit of account from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is hereby fixed, per 100 kilogrammes of product, at 0.2172 unit of account per percentage point of sucrose content.

Article 2

This Regulation shall enter into force on 1 January 1977.

Economic Community,

Having regard to Council Regulation (EEC) No
1703/72 of 3 August 1972 amending Regulation
(EEC) No 2052/69 on the Community financing of
expenditure arising from the implementation of the
Food Aid Convention of 1967 and laying down rules
for the Community financing of expenditure arising
from the implementation of the Food Aid Convention
of 1971 ⁽¹⁾, and in particular Articles 8 (1) and 10 (1)
thereof,

Having regard to the proposal from the Commission,

Whereas certain countries and organizations in receipt
of food aid in the form of cereals under the 1977
programme would have difficulty, given their
economic and financial situation, in covering
forwarding costs beyond the fob stage; whereas such
costs should consequently be borne by the Commu-
nity,

HAS DECIDED AS FOLLOWS:

Sole Article

Within the framework of Community food aid
measures under the 1977 programme, Community

financing shall cover forwarding and distribution costs
incurred beyond delivery to the port of shipment, in
accordance with the following arrangements:

- Botswana and Lesotho: financing shall cover
expenditure incurred between the fob stage and
the destination,
- Zambia, Cape Verde Islands, the Catholic Relief
Service: financing shall cover expenditure
incurred between the fob stage and the cif stage,
- all or part of the financing may take the form of a
lump-sum contribution where this is provided for
in the delivery arrangements established with the
recipient.

COMMISSION DECISION

of 21 December 1976

amending Decision 73/351/EEC setting up an Advisory Committee on Customs Matters

(76/921/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Whereas, in order to gather the opinions of professional and consumer circles on problems arising from the operation of the customs union, the Commission set up an Advisory Committee on Customs Matters by its Decision 73/351/EEC of 7 November 1973⁽¹⁾;

Whereas experience has shown that the number of representatives from industry is not sufficient to ensure to the best advantage the participation of this important economic category in the work of the Committee; whereas it is also desirable that the Commission should gather the opinions of other professional categories which are in close contact with the problems arising in international trade by providing for the participation in the work of the Committee of a representative of 'other parties concerned with customs problems',

HAS DECIDED AS FOLLOWS:

Article 1

Article 3 of Commission Decision 73/351/EEC is hereby amended to read as follows:

Article 3

1. The Committee shall consist of 35 members.

2. Representation on the Committee shall be as follows:

- four to representatives of industry,
- one to representatives of craft industry,
- three to representatives of agriculture (of which one shall be to representatives of agricultural cooperatives),
- four to representatives of commercial organizations,
- three to representatives of Chambers of Commerce and Industry,
- one to representatives of rail transport,
- one to representatives of road transport,
- one to representatives of shipping,
