of 22 April 1977

suspending Commission Regulation (EEC) No 1152/71 on the communication of information concerning export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 3138/76⁽²⁾, and in particular Article 24 thereof,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs⁽³⁾, as amended by Regulation (EEC) No 368/76⁽⁴⁾, and in particular Article 15 thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽⁵⁾, and in particular Article 26 thereof,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽⁶⁾, as last amended by Regulation (EEC) No 3138/76, and in particular Article 34 thereof,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽⁷⁾, as last amended by Regulation (EEC) No 559/76⁽⁸⁾, and in particular Article 28 thereof,

Whereas, pursuant to Commission Regulation (EEC) No 1152/71 of 2 June 1971⁽⁹⁾, Member States shall communicate each month to the Commission certain

information on the basic products exported in the form of goods not covered by Annex II to the Treaty for which an export refund is granted;

Whereas the information received since the entry into force of the said Regulation has provided the Commission with a view of the export situation, and in particular of the working of the refund arrangements;

Whereas this information is supplemented periodically by statistics provided by the Statistical Office of the European Communities; whereas the latter have increased considerably in usefulness since the above Regulation was adopted;

Whereas in these circumstances a suspension of this Regulation appears desirable with a view to avoiding a burden which is not strictly necessary on the bodies concerned;

Whereas the measures provided for in this Regulation are in accordance with the opinion of all the relevant management committees,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 819/77

of 22 April 1977

on the statistical threshold in the external trade statistics of the Community and statistics of trade between Member States

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1736/75 of 24 June 1975 on the external trade statistics of the Community and statistics of trade between Member States⁽¹⁾, and in particular Articles 24 (2) and (3) and 41 thereof,

Whereas these statistics are compiled, in the first instance, by the Member States; whereas the statistical threshold should be expressed in each national currency;

Whereas pursuant to Commission Regulation (EEC) No 3162/76 of 22 December 1976 relating to the statistical threshold in the external trade statistics of the Community and statistics of trade between Member States⁽²⁾, the conversion into national currencies of the value of the threshold is based on the rates used for the conversion of these currencies into EUR, i.e. into the units of account employed for the compilation of these statistics up to 31 December 1976;

Whereas from 1 January 1977 the external trade statistics of the Community and statistics of trade between Member States are to be compiled by reference to the European unit of account (EUA), as defined by Commission Decision No 3289/75/ECSC of 18 December 1975⁽³⁾;

Whereas the rate of conversion for each currency in relation to the EUA varies from day to day; whereas the use of this rate to determine the value of the threshold, fixed at 250 units of account, requires the application of a fixed rate of conversion; whereas this latter rate may be based on the average exchange rates during the period November 1975 to October 1976;

Whereas this Regulation could be amended in the case of statistics for years subsequent to 1977 in the

event of a significant change in the value of one or more currencies in relation to the EUA;

Whereas there is a need to round off the amounts so obtained, in the interest of simplification; whereas, for technical and administrative reasons, it is advisable to allow Member States to keep their national statistical threshold at the level at which it was fixed under Community provisions preceding this Regulation, even though it may be higher than the rounded-off amounts;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee on External Trade Statistics,

HAS ADOPTED THIS REGULATION:

Article 1

The statistical threshold, within the meaning of Article 24 of Council Regulation (EEC) No 1736/75, expressed in national currencies, shall not exceed:

for Germany:	DM	750
for the United Kingdom:	£	150
for France:	FF	1 500
for Italy:	Lit	225 000
for the Netherlands:	Fl	750
for the Belgium-Luxembourg Economic Union:	Bfrs	12 500
for Denmark:	Dkr	1 750
for Ireland:	£	150

Article 2

This Regulation shall apply for the first time to the statistics relating to the data for 1977 and shall to the relevant extent replace Regulation (EEC) No 3162/76.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 820/77
of 22 April 1977
fixing the levies and sluice-gate prices for pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat ⁽¹⁾, as amended by Regulation (EEC) No 367/76 ⁽²⁾, and in particular Articles 8 and 12 (1) thereof,

Whereas sluice-gate prices for pig carcasses and for the other products specified in Article 1 of Council Regulation (EEC) No 2766/75 of 29 October 1975 established the list of products for which sluice-gate prices are to be fixed and laying down the rules for fixing the sluice-gate price for pig carcasses ⁽³⁾, as amended by Regulation (EEC) No 370/76 ⁽⁴⁾, and levies for the products specified in Article 1 (1) of Regulation (EEC) No 2759/75, must be fixed in advance for each quarter in accordance with the methods of calculation laid down in Commission Regulation (EEC) No 1760/76 of 22 July 1976 fixing the levies and sluice-gate prices on pigmeat ⁽⁵⁾;

Whereas, since sluice-gate prices and levies for pigmeat were last fixed by Regulation (EEC) No 168/77 ⁽⁶⁾, for the period 1 February to 30 April 1977, they must be fixed anew for the period 1 May to 31 July 1977; whereas such prices and levies should in principle be fixed by reference to feed grain prices for the period 1 November 1976 to 31 March 1977;

Whereas, when the sluice-gate price applicable from 1 November, 1 February and 1 May is being fixed, trends in world market prices for feed grain are to be taken into account only if the value of the quantity of feed grain required varies by at least a specified minimum in relation to that used in calculating the sluice-gate price for the preceding quarter; whereas this minimum was fixed by Regulation (EEC) No 2766/75 at 3 %;

Whereas the value of the quantity of feed grain varies by more than 3 % from that used for the preceding quarter; whereas trends in world market prices for feed grain must therefore be taken into account when

fixing sluice-gate prices for the period 1 May to 31 July 1977;

Whereas, when the levies applicable from 1 November, 1 February and 1 May are being fixed, trends in world market prices for feed grain should be taken into account only if at the same time a new sluice-gate price is being fixed;

Whereas, since a new sluice-gate price is to be fixed, trends in world market prices for feed grain must be taken into account in fixing the levies;

Whereas in the case of products falling within any of subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A or 16.02 A II of the Common Customs Tariff, in respect of which the rate of duty has been bound within GATT, the levies should be limited to the amounts resulting from that binding;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the period 1 May to 31 July 1977 the sluice-gate prices provided for in Article 12 of Regulation (EEC) No 2759/75 for the products specified in Article 1 of Regulation (EEC) No 2766/75 and the levies provided for in Article 8 of Regulation (EEC) No 2759/75 for the products specified in Article 1 (1) of that Regulation shall be as shown in the Annex hereto.

2. Provided that, in the case of products falling within any of subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A or 16.02 A II of the Common Customs Tariff, in respect of which the rate of duty has been bound within GATT, the levy shall not exceed the amount resulting from that binding.

Article 2

This Regulation shall enter into force on 1 May 1977.

COMMISSION REGULATION (EEC) No 821/77

of 22 April 1977

fixing the components used to calculate the differential amounts for colza and rape seed for the period 1 to 24 April 1977

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed⁽³⁾, as last amended by Regulation (EEC) No 3477/73⁽⁴⁾, and in particular Article 2 (2) thereof,

Whereas, pursuant to Council Regulation (EEC) No 557/76 of 15 March 1976 on the exchange rates to be applied in agriculture and repealing Regulation (EEC) No 475/75⁽⁵⁾, as last amended by Regulation (EEC) No 723/77⁽⁶⁾, new representative rates are applicable with effect from 1 July 1977 for the French franc, the Italian lira and the Irish pound; whereas it is necessary to take this fact into account in fixing the components used to calculate the differential amounts for colza and rape seed; whereas, because of the technical operation of the system of differential amounts in its present form, the change in price at the beginning of the coming marketing year may place unjustified burdens on those concerned; whereas it is possible to avoid this by fixing, for a transitional period, components which vary according to the date on which the subsidy or export refund is fixed in advance and to the date on which the colza seed is placed under control or exported;

Whereas it has been found that the same problem arises in the case of subsidies and refunds fixed in advance after 1 April 1976; whereas, therefore, measures should be taken, at the request of those concerned, as regards subsidy and refund certificates in respect of which advance fixing took place between 1 and 24 April 1977;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

For the purpose of calculating the corrective amounts to be applied to the target price, the subsidy and the refund in respect of the period 1 to 24 April 1977, the coefficients shown in the Annex hereto shall at the request of the party concerned be applied in respect of the said period in place of those figures shown in the Regulations fixing or altering the components to be used to calculate the differential amounts for colza and rape seed applicable for the period in question, provided that the seeds have been placed under control at the oil mills after 30 June 1977.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 822/77**of 22 April 1977****altering components used to calculate the differential amounts for colza and rape seed**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed⁽³⁾, as last amended by Regulation (EEC) No 3477/73⁽⁴⁾, and in particular Articles 2 (2) and 3,

Whereas Commission Regulation (EEC) No 2300/73 of 23 August 1973⁽⁵⁾, as last amended by Regulation (EEC) No 632/75⁽⁶⁾, laid down detailed rules of application for Regulation (EEC) No 1569/72; whereas the components used to calculate the differential amounts were fixed by Regulation (EEC) No 1580/76⁽⁷⁾, as last amended by Regulation (EEC) No 499/77⁽⁸⁾; whereas, in the case of the French franc, the Irish pound, the pound sterling and the Italian lira, the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 for the period 13 to 19 April 1977 has changed, by reference to the representative rate valid on 25 April 1977, by at least one point from the percentage used for the previous fixing; whereas this fact should be taken into account when fixing the components used to calculate the differential amounts for colza and rape seed;

Whereas, pursuant to Council Regulation (EEC) No 557/76 of 15 March 1976 on the exchange rates to be applied in agriculture and repealing Regulation (EEC) No 475/75⁽⁹⁾, as last amended by Regulation (EEC) No 723/77⁽¹⁰⁾, new representative rates are applicable with effect from 1 July 1977 for the French franc, the Italian lira and the Irish pound; whereas it is necessary to take this fact into account in fixing the components used to calculate the differential amounts for colza and rape seed; whereas, because of the technical operation of the system of differential amounts in its present form, the change in price at the beginning of the coming marketing year may place unjustified burdens on those concerned; whereas it is possible to avoid this by fixing, for a transitional period, components which vary according to the date on which the subsidy or export refund is fixed in advance and to the date on which the colza seed is placed under control or exported;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to amended Regulation (EEC) No 1580/76 is hereby replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 25 April 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 823/77**of 22 April 1977****introducing a countervailing charge on tomatoes originating in Romania**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 795/76⁽²⁾, and in particular the second subparagraph of Article 27 (2) thereof,

Whereas Article 25 (1) of Regulation (EEC) No 1035/72 provides that, if the entry price of a product imported from a third country remains at least 0.50 unit of account below the reference price for two consecutive market days, a countervailing charge must be introduced in respect of the exporting country concerned, save in exceptional circumstances; whereas this charge is equal to the difference between the reference price and the arithmetic mean of the last two entry prices available for that exporting country;

Whereas Commission Regulation (EEC) No 608/77 of 23 March 1977 fixing for the month of April 1977 the reference price for tomatoes⁽³⁾, fixed the reference price for products of Class I at 101.04 units of account per 100 kilograms net for the month of April 1977;

Whereas the entry price for a given exporting country is equal to the lowest representative prices recorded for at least 30 % of the quantities from the exporting country concerned which are marketed on all representative markets for which prices are available, less the duties, and the charges indicated in Article 24 (3) of Regulation (EEC) No 1035/72; whereas the meaning of representative price is defined in Article 24 (2) of Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regulation (EEC) No 2118/74⁽⁴⁾, as last amended by Regula-

tion (EEC) No 385/75⁽⁵⁾, the prices to be taken into consideration must be recorded on the representative markets or, in certain circumstances, on other markets; whereas it is necessary to multiply the prices with the coefficients fixed in the first indent of Article 1 (2) of Regulation (EEC) No 608/77 for Romanian tomatoes;

Whereas, for Romanian tomatoes the entry price calculated in this way has remained at least 0.50 unit of account below the reference price for two consecutive market days; whereas a countervailing charge should therefore be introduced for these tomatoes;

Whereas if the system is to operate normally the entry price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in previous subparagraph,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 40-62 units of account per 100 kilograms net is applied to tomatoes (subheading ex 07.01 M of the Common Customs Tariff) originating in Romania.

Article 2

This Regulation shall enter into force on 26 April 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Whereas, for Cyprian cucumbers the entry price calculated in this way has remained at least 0.50 unit of account below the reference price for two consecutive market days; whereas a countervailing charge should therefore be introduced for these cucumbers;

Whereas if the system is to operate normally the entry price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in previous subparagraph,
