COUNCIL REGULATION (EEC) No 1065/77**of 17 May 1977****fixing the basic price and the standard quality for slaughtered pigs for the period 1 November 1977 to 31 October 1978**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat ⁽¹⁾, as amended by Regulation (EEC) No 367/76 ⁽²⁾, and in particular Article 4 ⁽⁴⁾ thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽³⁾,

Having regard to the opinion of the Economic and Social Committee ⁽⁴⁾,

Whereas, when the basic price for slaughtered pigs is fixed, account should be taken of the objectives of the common agricultural policy and of the contribution which the Community desires to make to the harmonious development of world trade; whereas the objectives of the common agricultural policy are in particular to ensure a fair standard of living for the agricultural community, to ensure that supplies are available and that they reach consumers at reasonable prices;

Whereas the basic price must be fixed in accordance with the criteria laid down in Article 4 (1) of Regulation (EEC) No 2759/75 for a standard quality defined according to Council Regulation (EEC) No 2760/75 of

29 October 1975 determining the Community scale for grading pig carcasses ⁽⁵⁾;

Whereas the most representative class and categories of weight in Community production should be taken as the standard quality;

Whereas the application of those criteria results in the basic price being fixed at a level higher than that adopted for the previous period,

HAS ADOPTED THIS REGULATION:

Article 1

For the period 1 November 1977 to 31 October 1978, the basic price for slaughtered pigs of the standard quality shall be 120·20 units of account per 100 kilograms.

Article 2

The standard quality shall be the quality for pig carcasses of Class II of the Community scale for grading pig carcasses laid down by Regulation (EEC) No 2760/75, excluding those carcasses with a weight of less than 70 kilograms and those with a weight equal to or greater than 160 kilograms.

Article 3

This Regulation shall enter into force on 1 November 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COUNCIL REGULATION (EEC) No 1066/77**of 17 May 1977****fixing the market target price and the intervention price for olive oil for the 1977/78 marketing year**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾, and in particular the first paragraph of Article 4 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament⁽³⁾,

Having regard to the opinion of the Economic and Social Committee⁽⁴⁾,

Whereas the market target price and the intervention price must be fixed according to the criteria laid down in Articles 4, 6 and 7 of Regulation No 136/66/EEC for a specific standard quality;

Whereas the reasons which have led to the determination of the standard quality for the preceding

marketing year continue to prevail; whereas it is therefore appropriate to maintain this quality unchanged;

Whereas application of these criteria entails fixing the market target price and the intervention price at a level lower than that adopted for the preceding marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

The prices for olive oil for the 1977/78 marketing year shall be:

- (a) market target price:
141.91 units of account per 100 kilograms;
- (b) intervention price:
134.62 units of account per 100 kilograms.

Article 2

The prices referred to in Article 1 relate to virgin semi-fine olive oil with a free fatty acid content, expressed as oleic acid, of three grams per 100 grams.

COUNCIL REGULATION (EEC) No 1067/77**of 17 May 1977****fixing the production target price for olive oil for the 1977/78 marketing year**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community, and in particular Article 43
thereof,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the common organization of
the market in oils and fats ⁽¹⁾, as last amended by
Regulation (EEC) No 1707/73 ⁽²⁾, and in particular the
first paragraph of Article 4 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parlia-
ment ⁽³⁾,

Having regard to the opinion of the Economic and
Social Committee ⁽⁴⁾,

Whereas, when the production target price for olive
oil is fixed, account should be taken of the objectives
of the common agricultural policy and of the contribu-
tion which the Community desires to make to the
harmonious development of world trade; whereas the
objectives of the common agricultural policy are, in
particular, to ensure a fair standard of living for the
agricultural Community, to ensure that supplies are
available and that they reach consumers at reasonable
prices;

Whereas the target price referred to above must be
fixed in accordance with the criteria laid down in Arti-
cles 4 and 5 of Regulation No 136/66/EEC for a deter-
mined standard quality;

Whereas the reasons which led to the determination
of the standard quality for the preceding marketing
year are still valid; whereas that standard quality
should therefore remain unchanged;

Whereas application of these criteria entails fixing the
production target price at a higher level than that
adopted for the preceding marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1977/78 marketing year, the production target
price for olive oil shall be 187.78 units of account per
100 kilograms.

Article 2

The price referred to in Article 1 relates to semi-fine
virgin olive oil with a free fatty acid content,
expressed as oleic acid, of three grams per 100 grams.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COUNCIL REGULATION (EEC) No 1068/77

of 17 May 1977

fixing the monthly increases in the market target price, the intervention price
and the threshold price for olive oil for the 1977/78 marketing year

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
1707/73⁽²⁾, and in particular Article 9 thereof,

Having regard to the proposal from the Commission,

Whereas, under Article 9 of Regulation No 136/
66/EEC, the market target price, the intervention
price and the threshold price for olive oil must be
increased each month for a period of 10 months
beginning on 1 January 1978 ; whereas these increases
must be the same for all three prices ;

Whereas, in fixing these increases the same for each
of the 10 months, account being taken of average
storage costs and interest charges in the Community,

the average storage costs should be established on the
basis of the cost of storing oil in the appropriate prem-
ises and of the handling required for preserving the
oil in good condition ; whereas the interest charges
can be calculated with reference to the average price
of olive oil valid in production areas,

HAS ADOPTED THIS REGULATION :

Article 1

For the 1977/78 marketing year, the amount of the
monthly increases referred to in Article 9 of Regula-
tion No 136/66/EEC and applicable with effect from
1 January 1978 shall be 1.12 units of account per 100
kilograms.

Article 2

This Regulation shall enter into force on the day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COUNCIL REGULATION (EEC) No 1069/77

of 17 May 1977

fixing the target prices and basic intervention prices for oil seeds for the 1977/78 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾, and in particular the third subparagraph of Article 22 (1) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament⁽³⁾,

Having regard to the opinion of the Economic and Social Committee⁽⁴⁾,

Whereas, when the target prices and basic intervention prices for oil seeds are fixed, account should be taken of the objectives of the common agricultural policy and of the contribution which the Community desires to make to the harmonious development of world trade; whereas the objectives of the common agricultural policy are, in particular, to ensure a fair standard of living for the agricultural Community, to ensure that supplies are available and that they reach consumers at reasonable prices;

Whereas application of these criteria entails fixing the target price and basic intervention price for colza and rape seed and for sunflower seed at a higher level than that adopted for the preceding marketing year;

Whereas the price of oil seeds must be fixed for specific standard qualities; whereas the latter should

be laid down in relation to the average qualities of the seeds harvested in the Community; whereas, for colza and rape seed and sunflower seed, the quality laid down for the 1976/77 marketing year meets these requirements and can accordingly be used for the following marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1977/78 marketing year, the target prices and the basic intervention prices for oil seeds shall be as follows:

*Units of account
per 100 kg*

- | | |
|----------------------------|-------|
| (a) Colza and rape seeds: | |
| — target price | 28.53 |
| — basic intervention price | 27.71 |
| (b) Sunflower seeds: | |
| — target price | 30.78 |
| — basic intervention price | 29.89 |

The basic intervention prices are valid in Genoa.

Article 2

The prices referred to in Article 1 relate to seeds in bulk of sound, fair and marketable quality:

- (a) with an impurity content of 2 % and, for seeds as such, humidity and oil contents of 9 % and 40 % respectively in the case of colza and rape seeds;
- (b) with an impurity content of 2 % and, for seeds as such, humidity and oil contents of 10 % and 40 % respectively in the case of sunflower seeds.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COUNCIL REGULATION (EEC) No 1070/77
of 17 May 1977

**fixing for the 1977/78 marketing year the monthly increases in the target and
intervention prices for oil seeds**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
1707/73⁽²⁾, and in particular Article 25 thereof,

Having regard to the proposal from the Commission,

Whereas, in accordance with Article 25 of Regulation
No 136/66/EEC, the amount by which the target and
intervention prices for colza, rape seed and sunflower
seed are increased monthly from the beginning of the
third month of the marketing year should be fixed for
the 1977/78 marketing year, and the number of
months during which such increases are to be applied
should be determined; whereas such amount must be
the same for both prices;

Whereas such increases must be the same for each
month and be fixed by reference to average storage
and interest charges recorded in the Community;
whereas average storage charges should be determined
on the basis of the cost of storing the seed in suitable
premises and of the handling charges necessary to
keep the seed in good condition; whereas interest
charges may be calculated on the basis of the rate
considered as normal for the production areas;

Whereas, taking into account the aforesaid require-
ments, the monthly increases for the 1977/78
marketing year should be fixed at the same level as
that for the preceding marketing year;

Whereas the experience gained during the 1976/77
marketing year and harvest forecasts do not justify
determining for the 1977/78 marketing year a number
of monthly increases different from that laid down for
the preceding marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the 1977/78 marketing year, the amount of
the monthly increases applicable to colza and rape
seed shall be 0.304 unit of account per 100 kilograms.
2. These increases shall apply for seven months.

Article 2

1. For the 1977/78 marketing year, the amount of
the monthly increases applicable to sunflower seed
shall be 0.355 unit of account per 100 kilograms.
2. These increases shall apply for five months.

Article 3

This Regulation shall enter into force on 1 July 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COUNCIL REGULATION (EEC) No 1071/77

of 17 May 1977

amending Regulation (EEC) No 569/76 laying down special measures for linseed
and fixing the guide price for linseed for the 1977/78 marketing year

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community, and in particular Article 43
thereof,

Having regard to Council Regulation (EEC) No
569/76 of 15 March 1976 laying down special
measures for linseed ⁽¹⁾, and in particular Article 1 (1)
and (3) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parlia-
ment ⁽²⁾,

Having regard to the opinion of the Economic and
Social Committee ⁽³⁾,

Whereas, in order to facilitate the changeover from
the system of aid for seed flax to the new system of
aid for linseed set up by Regulation (EEC) No 569/76,
Article 2 (2) of that Regulation laid down that the aid
for linseed for seed flax for the 1976/77 marketing
year could not be less than 125 units of account per
hectare ;

Whereas, taking into account the market situation for
this product, the complete removal of any guarantee
of income threatens to impair the development of the
production of seed flax in the Community ; whereas,
in order to overcome this problem, minimum aid
should be maintained for one more marketing year,
albeit at a lower amount ;

Whereas, when the guide price for linseed is fixed,
account should be taken of the objectives of the
common agricultural policy and of the contribution
which the Community desires to make to the harmon-
ious development of world trade ; whereas the objec-
tives of the common agricultural policy are, in parti-
cular, to ensure a fair standard of living for the agricul-
tural community and to ensure that supplies are avail-
able and reach consumers at reasonable prices ;

Whereas the first subparagraph of Article 1 (1) of
Regulation (EEC) No 569/76 provides more specifi-
cally that this price shall be fixed at a level which is
fair to producers, account being taken of the supply

requirements of the Community ; whereas, to this
end, a balanced relationship should be maintained
between this price and the price of other oil seeds ;

Whereas in accordance with these criteria the guide
price should be fixed at a higher level than that
adopted for the preceding marketing year ;

Whereas the guide price must be fixed for a standard
quality to be determined by reference to the average
quality of seeds harvested in the Community ; whereas
the quality laid down for the 1976/77 marketing year
meets this requirement and can accordingly be used
for the following marketing year,

HAS ADOPTED THIS REGULATION :

Article 1

Article 2 (2), second subparagraph of Regulation (EEC)
No 569/76 is hereby amended to read as follows :

'However, if for the 1976/77 and 1977/78
marketing years, as a result of the application of
the above subparagraph, the amount of aid for flax
grown mainly for seed is less than 125 and 105
units of account respectively per hectare of area
sown and harvested, the amount of aid to be
granted shall be fixed :

- for the 1976/77 marketing year, at 125 units of
account per hectare,
- for the 1977/78 marketing year, at 105 units of
account per hectare.'

Article 2

For the 1977/78 marketing year, the guide price for
linseed shall be 31.18 units of account per 100 kilo-
grammes.

Article 3

The price referred to in Article 2 relates to seed :

- in bulk, of sound, fair and marketable quality, and
- with an impurity content of 2 % and, for the seed
as such, humidity and oil contents of 9 % and
38 % respectively.

COUNCIL REGULATION (EEC) No 1072/77

of 17 May 1977

fixing the guide price for soya beans for the 1977/78 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 1900/74 of 15 July 1974 laying down special measures for soya beans ⁽¹⁾, and in particular Article 1 (1) and (3) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽²⁾,

Having regard to the opinion of the Economic and Social Committee ⁽³⁾,

Whereas, when the guide price for soya beans is fixed, account should be taken of the objectives of the common agricultural policy and of the contribution which the Community desires to make to the harmonious development of world trade; whereas the objectives of the common agricultural policy are in particular to ensure a fair standard of living for the agricultural community, and to ensure that supplies are available and reach consumers at reasonable prices;

Whereas the second subparagraph of Article 1 (1) of Regulation (EEC) No 1900/74 provides more specifically that this price shall be fixed at a level which is

fair to producers, account being taken of the supply requirements of the Community; whereas, to this end, a balanced relationship should be maintained between this price and the price of other oil seeds;

Whereas, in accordance with these criteria, the guide price should be fixed at a higher level than that adopted for the preceding marketing year;

Whereas the guide price must be fixed for a standard quality to be determined by reference to the average quality of beans harvested in the Community; whereas the quality laid down for the 1976/77 marketing year meets this requirement and can accordingly be used for the following marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1977/78 marketing year, the guide price for soya beans shall be 30.64 units of account per 100 kilograms.

Article 2

The price referred to in Article 1 relates to beans:
— in bulk, of sound, fair and marketable quality, and
— with an impurity content of 2 % and, for the beans as such, humidity and oil content of 14 % and 18 % respectively.

thereof,

Having regard to Council Regulation (EEC) No
1516/71 of 12 July 1971 introducing a system of
subsidies for cotton seeds ⁽¹⁾, and in particular Article
1 (3) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parlia-
ment ⁽²⁾,

Having regard to the opinion of the Economic and
Social Committee ⁽³⁾,

Whereas Article 1 of Regulation (EEC) No 1516/71
provides that the amount of aid be fixed annually for
cotton seeds produced within the Community so as to
ensure a fair income for the producer, taking account
of the market situation and foreseeable market trends ;

Whereas application of these criteria entails fixing the
amount of aid at a level higher than that adopted for
the preceding marketing year,

HAS ADOPTED THIS REGULATION :

aid for cotton seeds as provided for in Article 1 of

COUNCIL REGULATION (EEC) No 1074/77

of 17 May 1977

fixing the amounts of aid for fibre flax and hemp for the 1977/78 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 1308/70 of 29 June 1970 on the common organization of the market in flax and hemp ⁽¹⁾, as last amended by Regulation (EEC) No 814/76 ⁽²⁾, and in particular Article 4 (3) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽³⁾,

Having regard to the opinion of the Economic and Social Committee ⁽⁴⁾,

Whereas Article 4 of Regulation (EEC) No 1308/70 provides that the amount of aid for flax grown mainly for fibre and for hemp grown in the Community shall be fixed annually;

Whereas, in accordance with Article 4 (2) of that Regulation, this amount shall be fixed per hectare sown and harvested so as to ensure a balance between the required volume of production within the Community and the potential outlets for that production; whereas, when it is fixed, account must be taken of the price for flax and hemp fibres and seeds on the world

market, of the price for other competing natural products and of the guide price for linseed;

Whereas application of these criteria entails fixing prices at levels higher than those adopted for the preceding marketing year;

Whereas, for the 1976/77 marketing year, the amount of aid for flax grown mainly for fibre and produced in the United Kingdom was fixed at a level lower than that applicable in the other Member States; whereas, for the 1977/78 marketing year, pursuant to Article 95 of the Act of Accession, the amount of aid applicable in the United Kingdom should be brought closer to the common level,
