COMMISSION REGULATION (EEC) No 1953/77**of 31 August 1977****fixing the import levies on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as amended by Regulation (EEC) No 1158/77 ⁽²⁾, and in particular Article 11 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 11 of Regulation (EEC) No 1418/76 provides for charging an import levy on paddy rice, husked rice, semi-milled rice, wholly milled rice and broken rice; whereas, in the case of husked rice, wholly milled rice and broken rice, the levy is equal to the difference between the threshold price and the cif price; whereas, in the case of paddy rice and semi-milled rice, the levy should be derived from the levies applicable to the corresponding husked rice and wholly milled rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1977/78 marketing year by Regulations (EEC) No 1160/77 ⁽³⁾, (EEC) No 1639/77 ⁽⁴⁾ and (EEC) No 1832/77 ⁽⁵⁾;

Whereas, for the purpose of calculating cif prices, the Commission must take account of the factors indicated in Article 16 of Regulation (EEC) No 1418/76 and in Regulation (EEC) No 1613/71 ⁽⁶⁾, as last amended by Regulation (EEC) No 1204/77 ⁽⁷⁾, and in particular the most favourable purchasing opportunities on the world market which are sufficiently representative of the real trend of the market, account being taken in particular of the need to prevent sudden variations likely to cause abnormal disturbances on the Community market; whereas the quality of the goods offered must also be taken into account, whether this quality corresponds to the standard quality fixed in Regulation (EEC) No 1423/76 ⁽⁸⁾, or whether adjustments need to be made by applying the corrective amounts provided for in Commission Regulation (EEC) No 1613/71 of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts relating thereto;

Whereas, furthermore, in the case of round-grained and long-grained husked rice and round-grained and long-grained wholly milled rice, the cif price is calculated on the basis of quotations or prices on the world market relating, for each type of rice, to the products specified in Article 4 of Regulation (EEC) No 1613/71; whereas, for this calculation, the conversion rates resulting from Commission Regulation No 467/67/EEC of 21 August 1967 fixing the conversion rates, the processing costs and the value of the by-products for the various stages of rice processing ⁽⁹⁾, as last amended by Regulation (EEC) No 1572/77 ⁽¹⁰⁾, should be used where appropriate;

Whereas, when these conversions are being effected, the Commission must take account of the fact that certain offers are for rice containing a higher percentage of broken rice than that allowed for in the standard quality fixed by Regulation (EEC) No 1423/76 and, in that case to adjust the offers so as to conform with the value of one kilogramme of broken rice as fixed by Regulation No 467/67/EEC, as amended by Regulation (EEC) No 1808/74; whereas no adjustment is made, however, if the prices for husked rice and semi-milled or wholly milled rice taken into consideration are lower than those provided for in the last subparagraph of Article 4 of Regulation No 467/67/EEC;

Whereas Regulation (EEC) No 1613/71 requires the Commission to take account of the fact that certain offers are for delivery cost and freight or relate to a product put up in bags and, if this is the case, to adjust such offers by applying the rates or amounts fixed by the abovementioned Regulation to make the offers comparable to offers for delivery cif or relating to a product presented in bulk;

Whereas the cif price is calculated for Rotterdam on the basis of the abovementioned factors, offers made for other ports being adjusted, account being taken of the corrections necessitated by the difference in transport charges in relation to Rotterdam;

Whereas, if the conditions provided for Article 1 (3) of Regulation (EEC) No 1613/71 obtain, the cif price may be calculated on the basis of offers for delivery during the following month or may be retained unaltered for a limited period;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States or of the 'overseas countries and territories', the levy relating to them must, pursuant to Regulation (EEC) No 706/76 ⁽¹⁾, as amended by Regulation (EEC) No 328/77 ⁽²⁾, be reduced by a fixed amount and by an amount corresponding to 50 % of the levy relating to third countries; whereas the levy must be further reduced in the case of semi-milled and wholly milled rice; whereas the charging of this levy is subject to conditions, some of which are set out in Article 9 of Council Regulation (EEC) No 706/76 of 30 March 1976;

Whereas Council Regulation (EEC) No 1553/71 of 19 July 1971 ⁽³⁾ altered the definitions given in Annex A to Regulation (EEC) No 1418/76 and incorporated in supplementary notes Nos 2 and 3E to Chapter 10 of the Common Customs Tariff;

Whereas, in accordance with Article 20 (1) of Regulation (EEC) No 1418/76, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff;

Whereas levies are fixed once a week and are altered in the intervening period to take account of variations in threshold prices or in the factors used to determine cif prices; whereas, in the case of husked rice, wholly milled rice and broken rice, the levies are altered only if variations in the factors used to calculate the levy entail an increase or a reduction of at least one unit of account per metric ton in the amount of the levy in force;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying all the abovementioned provisions that the levies should be fixed as shown in the table annexed to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the products listed in Article 1 (1) (a) and (b) of Regulation (EEC) No 1418/76 are hereby fixed as shown in the table annexed to this Regulation.

Article 2

This Regulation shall enter into force on 1 September 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1954/77

of 31 August 1977

fixing the premiums to be added to the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice ⁽¹⁾, as amended by Regula-
tion (EEC) No 1158/77 ⁽²⁾, and in particular Article 13
(6) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the premiums to be added to the import
levies fixed in advance for rice and broken rice must
include a premium for the current month and a
premium for each of the following months until the
expiry of the period of validity of the import licence;
whereas this period of validity was laid down in
Article 8 of Commission Regulation (EEC) No
2042/75 of 25 July 1975 on special detailed rules for
the application of the system of import and export
licences for cereals and rice ⁽³⁾, as last amended by
Regulation (EEC) No 1505/77 ⁽⁴⁾;

Whereas Council Regulation (EEC) No 1428/76 of 21
June 1976 ⁽⁵⁾ lays down rules for the advance fixing of
levies on rice and broken rice;

Whereas under the terms of Regulation (EEC) No
1428/76, where the cif price for husked rice, for
milled rice or for broken rice determined on the day
on which the premiums are fixed is higher than the
cif forward delivery price for the same product, the
premium should as a general rule be equal to the
difference between these two prices; whereas the cif
price is that determined in accordance with Article 16
of Regulation (EEC) No 1418/76 on the day on which
the premiums are fixed; whereas the detailed rules for
determining cif prices were laid down in Regulation
(EEC) No 1613/71 ⁽⁶⁾, as last amended by Regulation
(EEC) No 1204/77 ⁽⁷⁾; whereas the cif forward
delivery price must also be determined in accordance

with Article 16 of Regulation (EEC) No 1418/76 but
on the basis of offers at North Sea ports; whereas this
price must be the cif price for shipment during the
month in which the import licence is issued in the
case of imports to be effected during that month;
whereas this price must be the cif price for shipment
during the month in which importation is expected to
take place in the case of imports to be effected during
the month following the month in which the import
licence is issued; whereas this price must be the cif
price for shipment during the month preceding the
month in which importation is expected to take place
in the case of imports to be effected during the
remaining months for which the import licence is
valid; whereas, if no offer for forward delivery is made
for shipment during a given month, this price should
be the price ruling for shipment during the last
month in which an offer for forward delivery was
made;

Whereas the premium shall be 0 unit of account if
the cif forward delivery price is equal to the cif price
or lower by an amount not exceeding 0.25 unit of
account per tonne;

Whereas by virtue of Articles 6 and 7 of Regulation
(EEC) No 1428/76 the premium may, however, be
fixed at a higher level in exceptional circumstances
and within certain specified limits;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas it follows from applying all these provisions
that the premiums should be fixed as shown in the
table annexed to this Regulation; whereas the amount
of the premiums should be altered only if application
of the abovementioned provisions entails a change of
more than 0.25 unit of account,

**COMMISSION REGULATION (EEC) No 1955/77
of 31 August 1977**

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1386/77⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice⁽³⁾, as amended by Regula-
tion (EEC) No 1158/77⁽⁴⁾, and in particular the fourth
subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
and Article 17 of Regulation (EEC) No 1418/76
provide that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of
Council Regulation (EEC) No 1431/76 of 21 June
1976⁽⁶⁾ laying down general rules for granting export
refunds on cereals and rice respectively and criteria for
fixing the amount of such refunds, provide that when
refunds are being fixed account must be taken of the
existing situation and the future trend with regard to
prices and availabilities of cereals, rice and broken rice
on the Community market on the one hand and
prices for cereals, rice and broken rice on the world
market on the other; whereas the same Articles
provide that it is also important to ensure equilibrium
and the natural development of prices and trade on
the markets in cereals and rice and, furthermore, to
take into account the economic aspect of the
proposed exports, and the need to avoid disturbances
on the Community market;

Whereas Article 6 of Council Regulation (EEC) No
2744/75 of 29 October 1975 on the import and export
system for products processed from cereals and from

rice⁽⁷⁾, as amended by Regulation (EEC) No
832/76⁽⁸⁾, defines the specific criteria to be taken into
account when the refund on these products is being
calculated;

Whereas, on the basis of the criteria laid down in
Regulation (EEC) No 2744/75, particular account
should be taken of the prices and quantities of basic
products used to calculate the variable component of
the levy; whereas Article 8 of Regulation (EEC) No
2744/75 and Article 1 of Regulation (EEC) No
1077/68⁽⁹⁾, as amended by Regulation (EEC) No
2764/71⁽¹⁰⁾, provide that the amount of the export
refund should, for certain products, be reduced by an
amount equal to the production refund granted in
respect of the basic product;

Whereas it follows from applying these rules and
criteria to the present situation on the market in
products processed from cereals and rice that the
export refund should be fixed at an amount which
will cover the difference between Community prices
and world market prices;

Whereas when the refund is being calculated account
should be taken of the quantities of raw materials
used to determine the variable component of the
levy; whereas the quantities of raw materials used for
certain processed products may vary according to the
end use of the product; whereas, depending on the
manufacturing process used, products other than the
main product are obtained, the quantity and value of
which may vary with the nature and quality of the
main products being manufactured; whereas cumula-
tion of the refunds on the various products manufac-
tured by a single process from the same basic product
may make it possible, in certain cases, to export to
third countries at prices which are lower than world
market prices; whereas the refund on certain products
should therefore be limited to an amount which,
while allowing access to the world market, will ensure
that the aims of the common organization of the
markets are respected;

Whereas the refund to be granted in respect of certain
processed products should be graduated on the basis
of the ash, crude fibre, tegument, protein, fat and
starch content of the individual product concerned,
this content being a particularly good indicator of the

COMMISSION REGULATION (EEC) No 1956/77

of 31 August 1977

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1386/77⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying rules and criteria to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of

compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁵⁾, as amended by Regulation (EEC) No 3116/75⁽⁶⁾, provides that calculation of the export refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 1957/77**of 31 August 1977****fixing the amounts applicable as compensatory amounts for cereals and rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Treaty of Accession ⁽¹⁾,

Having regard to Council Regulation (EEC) No 2757/75 of 29 October 1975 laying down general rules for the system of accession compensatory amounts for cereals ⁽²⁾, as amended by Regulation (EEC) No 1666/77 ⁽³⁾, and in particular Article 7 thereof,

Having regard to Council Regulation (EEC) No 1435/76 of 21 June 1976 laying down general rules for the system of accession compensatory amounts for rice and fixing these amounts for certain products ⁽⁴⁾, and in particular Article 5 thereof,

Whereas compensatory amounts for cereals and rice were fixed by Council Regulations (EEC) No 2757/75, (EEC) No 1435/76 and by Commission Regulation (EEC) No 1757/76 of 29 July 1977 fixing the accession compensatory amounts applicable until 31 December 1977 for certain categories of cereals, for rice and for processed products derived from cereals or rice ⁽⁵⁾; whereas, however, where the situation envisaged in Article 7 (1) of Regulation (EEC) No 2757/75 and in Article 5 (1) of Regulation (EEC) No 1435/76 occurs, it is for the Commission to decide, in accordance with these Articles and in respect of the products concerned, the amounts applicable as compensatory amounts in trade between the Community as originally constituted and the new Member

States and between the latter and third countries; whereas it should be recalled that the amounts applicable in trade between each new Member State and third countries and which are deducted from levies and refunds are the same as those applicable in trade between the Community as originally constituted and each of the new Member States,

HAS ADOPTED THIS REGULATION:

Article 1

The amounts applicable as compensatory amounts in trade between the Community as originally constituted and the new Member States and between the latter and third countries are:

COMMISSION REGULATION (EEC) No 1958/77

of 31 August 1977

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1110/77⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as amended by Regulation (EEC) No 1491/70⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.40 unit of account from that average;

Whereas the basic amount must be fixed every month; whereas it must, however, be altered during the period between the day on which it is fixed and

the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.40 unit of account from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is hereby fixed, per 100 kilograms of product, at 0.2608 unit of account per percentage point of sucrose content.

COMMISSION REGULATION (EEC) No 1959/77

of 31 August 1977

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1110/77⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with the provisions of Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as amended by Regulation (EEC) No 1499/76⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable pursuant to Council Regulation (EEC) No 765/68 of 18 June 1968 laying down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, as last amended by Regulation (EEC) No 3138/76⁽⁸⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community area with the largest surplus for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The refund to be granted on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74, exported in the natural state, is hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 1960/77

of 31 August 1977

fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 1707/73 ⁽²⁾,

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece ⁽³⁾,

Whereas Article 18 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 8 of Regulation No 162/66/EEC provides that Article 18 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the rules and other provisions for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72 ⁽⁶⁾, as last amended by Regulation (EEC) No 231/77 ⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these rules and other provisions to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be fixed at the amounts shown in the Annex to this Regulation;

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph ;

COMMISSION REGULATION (EEC) No 1961/77

of 31 August 1977

fixing the export refund on oil seeds

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC
of 27 October 1966 on trade in oils and fats between
the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC
of 21 June 1967 on export refunds on colza, rape and
sunflower seeds⁽⁴⁾, as last amended by Regulation
(EEC) No 2429/72⁽⁵⁾, and in particular the first
sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 28 of Regulation No 136/66/EEC
provides that a refund may be granted on exports to
third countries of oil seeds harvested within the
Community; whereas the amount of this refund may
not exceed the difference between prices within the
Community and prices on the world market where
the former are higher than the latter; whereas Article
21 of Regulation No 136/66/EEC provides that, at
present, Article 28 of that Regulation applies only to
colza, rape and sunflower seeds;

Whereas Article 8 of Regulation No 162/66/EEC
provides that Article 28 of Regulation No 136/
66/EEC and measures taken in application thereof
apply, subject to the provisions of the Agreement estab-
lishing an Association between the European
Economic Community and Greece, to trade between
the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC
provides that when the refund is being calculated
account must be taken of prices ruling on the various
Community markets which are representative from
the point of view of processing and exportation; the
most favourable quotations recorded on the various
markets of importing third countries and Greece, and
costs incurred in placing the goods on the world
market; whereas, when the amount of the refund is
being fixed, account must also be taken of the level of
market prices within the Community for the oil seeds
referred to in Article 21 of Regulation No 136/
66/EEC and the future trend of these prices; whereas,
furthermore, account should be taken of the economic
aspect of the proposed exports and the situation in the
Community regarding the supply of and demand for
these seeds;

Whereas Article 1 of Commission Regulation (EEC)
No 651/71 of 29 March 1971 on certain detailed rules
for the application of export refunds on oil seeds⁽⁶⁾,
provides that the amount of the refund must be calcu-
lated on the basis of the weight of exported seeds;
whereas this weight must be adjusted to take account
of any differences between the percentages of mois-
ture and impurities found to exist and those used to
define the standard quality for which the target price
is fixed; whereas, when this adjustment is being
made, the weight of the exported seeds must be
increased by the amount of the difference between the
actual moisture and impurities content and that used
to define the standard quality if the former is lower
than the latter; whereas, if the opposite applies, the
weight of the exported seeds must be reduced by the
same amount;

Whereas the standard quality referred to above is
defined in Annex III to Council Regulation (EEC) No
833/76 of 6 April 1976 fixing certain prices and other
amounts applicable in agriculture for the 1976/77
marketing year⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC
provides that the refund may be varied according to
destination where the world market situation or the
specific requirements of certain markets make this
necessary;

⁽⁶⁾ OJ No L 75, 30. 3. 1971, p. 16.

⁽⁷⁾ OJ No L 100, 14. 4. 1976, p. 12.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be fixed at the amounts shown in the Annex to this Regulation for those products for which the marketing year has already begun;

Whereas the Management Committee for Oils and Fats has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 September 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

fixing the world market price for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the markets in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed⁽³⁾, as last amended by Regulation (EEC) No 3477/73⁽⁴⁾,

Having regard to Commission Regulation (EEC) No 2300/73 of 23 August 1973 laying down detailed rules for applying differential amounts for colza and rape seed and repealing Regulation (EEC) No 1464/73⁽⁵⁾, as last amended by Regulation (EEC) No 1234/77⁽⁶⁾, and in particular Article 9(4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 9(4) of Regulation (EEC) No 2300/73, the Commission must determine the world market price for colza and rape seed;

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

COMMISSION REGULATION (EEC) No 1964/77
of 31 August 1977

fixing the rates of the refunds applicable from 1 September 1977 to sugar and molasses exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar ⁽¹⁾, as last amended by Regulation (EEC) No 1110/77 ⁽²⁾, and in particular the first sentence of the sixth subparagraph of Article 19 ⁽²⁾ thereof,

Whereas Article 19 (1) of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a), (c) and (d) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds ⁽³⁾, as last amended by Regulation (EEC) No 3138/76 ⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EEC) No 3330/74;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the

Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas at present no production refunds are granted; whereas it is therefore unnecessary to fix differentiated export refunds for the goods in question;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable from 1 September 1977 to the basic products appearing in Annex A to Regulation (EEC) No 2682/72 and listed in Article 1 (1) of Regulation (EEC) No 3330/74, exported in the form of goods listed in Annex I to Regulation (EEC) No 3330/74, are fixed as shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 September 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1971/77

of 31 August 1977

on transitional measures concerning the application of the monetary compensatory amounts in the milk and milk products sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States⁽¹⁾, as last amended by Regulation (EEC) No 557/76⁽²⁾, and in particular Article 6 thereof,

Whereas Commission Regulation (EEC) No 1824/77 of 4 August 1977 altering the monetary compensatory amounts applicable to milk and milk products⁽³⁾ has changed the method for calculating monetary compensatory amounts for milk and milk products, thus leading in principle to a reduction in the monetary compensatory amounts for the products in question; whereas the monetary compensatory amounts for certain other products are at the same time discontinued; whereas these measures take effect on 5 September 1977;

Whereas these charges affect the terms of trade for the products concerned; whereas this could lead to speculation in certain products, resulting in deflections of trade;

Whereas in order to avoid such deflections it should be laid down that for a certain period the old monetary compensatory amounts are to remain applicable to exports and imports effected for the purpose of profiting from the new system;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

amounts valid on 4 September 1977 in respect of milk products falling within heading No 04.04 and subheadings 04.02 A I, 17.02 A, 17.05 A, 23.07 B I a) 4, 23.07 B I b) 3 and 23.07 B II of the Common Customs Tariff shall remain applicable to:

(a) products exported from Member States whose currencies have depreciated unless proof is provided:

— that they were obtained in the exporting Member State, or

— that prior to export the customs formalities for importation into the exporting Member State were completed before 28 July or after 4 September 1977;

(b) products imported into Member States whose currencies have appreciated unless proof is provided:

— that they were obtained in a non-member country or in a Member State other than the importing Member State, or

— that prior to import the customs formalities for exportation from the importing Member State were completed before 28 July or after 4 September 1977.

2. Paragraph 1 shall apply to exports and imports in respect of which the customs formalities are completed before 5 December 1977.

3. The Member State responsible for levying the monetary compensatory amounts in question shall adopt the necessary control measures.
