COUNCIL REGULATION (EEC) No 2114/77**of 26 September 1977****laying down the interim measures for the conservation and management of
North Sea herring**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
350/77 of 18 February 1977 laying down certain
interim measures for the conservation and manage-
ment of fishery resources ⁽¹⁾, as last amended by Regu-
lation (EEC) No 1673/77 ⁽²⁾, and in particular Article
1 (2) thereof,

Having regard to the proposal from the Commission,

Whereas scientific estimates indicate that the
extremely precarious situation of the North Sea
herring stock persists; whereas, consequently, the ban
on herring fishing in the North Sea should be

extended until 31 October 1977 pending an overall
examination of fisheries problems,

HAS ADOPTED THIS REGULATION:

Article 1

The catch quotas authorized for direct fishing of
North Sea herring in sub-zone IV and division VII (d)
defined by the International Council for the Explora-
tion of the Sea (ICES) are fixed at zero up to 31
October 1977 for all Member States.

Article 2

This Regulation shall enter into force on 1 October
1977.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 26 September 1977.

COUNCIL REGULATION (EEC) No 2115/77**of 27 September 1977****prohibiting the direct fishing and landing of herring for industrial purposes
other than human consumption**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community, and in particular Article 43
thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parlia-
ment⁽¹⁾,

Whereas the greater part of the herring stocks in
waters under the sovereignty or jurisdiction of
Member States have reached a state which gives cause
for concern; whereas the catch limitation measures
which must be taken as regards these stocks affect the
interests of traditional fishing for purposes of human
consumption and raise serious supply problems for
the processing industry;

Whereas, consequently, it is essential that direct
fishing for herring for industrial purposes other than
human consumption be banned in order to permit a
regular supply to the food processing and distribution
industries;

Whereas such a measure can be effective only if fish-
ermen, whether nationals of Member States or of non-
member countries, are prohibited from carrying out
any direct fishing activities for industrial purposes
other than human consumption within Member
States' fishing zones;

Whereas the quantities of herring caught by direct
fishing outside the waters under the sovereignty or the
jurisdiction of the Member States and intended for
industrial purposes are at present landed in the
Community; whereas it should be ensured that these
quantities are reserved for human consumption,

HAS ADOPTED THIS REGULATION:

Article 1

All direct herring fishing for industrial purposes other
than human consumption shall be prohibited within
the maritime waters under the Member States' sover-
eignty or jurisdiction and covered by Community
rules on fisheries.

Article 2

All landings in the Community of herring caught by
direct fishing and intended for industrial ends other
than human consumption shall be prohibited, no
matter what the origin.

Article 3

This Regulation shall enter into force on the day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 27 September 1977.

COMMISSION REGULATION (EEC) No 2118/77

of 27 September 1977

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1386/77⁽²⁾, and in particular Article 14 (4) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as amended by Regulation (EEC) No 1158/77⁽⁴⁾, and in particular Article 12 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied to calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75 and Article 12 (1) (a) of Regulation (EEC) No 1418/76; whereas Article 2 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and rice⁽⁵⁾, as amended by Regulation (EEC) No 832/76⁽⁶⁾, provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first 25 days of the month preceding that of importation; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation, is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals;

Whereas Commission Regulation (EEC) No 1579/74 of 24 June 1974 on the procedure for calculating the import levy on products processed from cereals and from rice and for the advance fixing of this levy for

these products and for compound feedingstuffs manufactured from cereals⁽⁷⁾, as last amended by Regulation (EEC) No 1997/75⁽⁸⁾, provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than 2.5 units of account per tonne from the average of the levies calculated as described above;

Whereas in accordance with Article 5 of Regulation (EEC) No 2744/75 and Article 2 of Regulation (EEC) No 1579/74, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing; whereas Regulation (EEC) No 1921/75⁽⁹⁾, as amended by Regulation (EEC) No 2415/75⁽¹⁰⁾, laid down certain transitional measures in respect of starches;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 2744/75;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States or in the 'overseas countries and territories', the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 706/76 of 30 March 1976 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the 'overseas countries and territories'⁽¹¹⁾, as amended by Regulation (EEC) No 328/77⁽¹²⁾;

Whereas Article 4 (2) of Regulation (EEC) No 2744/75 provides that the levy to be charged on the products listed in the Annex to that Regulation under subheading 07.06 A is limited, with effect from the date of entry into force of the Geneva Protocol (1967) annexed to the General Agreement on tariffs and trade, to the amount resulting from application of the rate of duty bound within GATT;

(1) OJ No L 281, 1. 11. 1975, p. 1.

(2) OJ No L 158, 29. 6. 1977, p. 1.

(3) OJ No L 166, 25. 6. 1976, p. 1.

(4) OJ No L 136, 2. 6. 1977, p. 13.

(5) OJ No L 281, 1. 11. 1975, p. 65.

(6) OJ No L 100, 14. 4. 1976, p. 1.

(7) OJ No L 168, 25. 6. 1974, p. 7.

(8) OJ No L 202, 1. 8. 1975, p. 57.

(9) OJ No L 195, 26. 7. 1975, p. 25.

(10) OJ No L 247, 23. 9. 1975, p. 22.

(11) OJ No L 85, 31. 3. 1976, p. 2.

(12) OJ No L 46, 18. 2. 1977, p. 1.

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 October 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2119/77
of 27 September 1977
fixing the import levies on compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1386/76⁽²⁾, and in particular Article 14 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on compound feedingstuffs are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75; whereas the incidence of the levies applicable to the basic products of compound feedingstuffs on their prime costs should be determined, in pursuance of Article 4 of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽³⁾, on the basis of the average of the levies applicable during the first 25 days of the month preceding the month of importation to the quantities of basic products considered to have been used in the manufacture of such compound feedingstuffs, this average being adjusted on the basis of the threshold price for the basic products in question ruling during the month of importation;

Whereas the levy thus determined, increased by the fixed component, is valid for one month; whereas the amount of the fixed component of the levy is specified in Article 6 of Regulation (EEC) No 2743/75;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States or in the 'overseas countries and territories', the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of

some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 706/76 of 30 March 1976 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the 'overseas countries and territories'⁽⁴⁾, as amended by Regulation (EEC) No 328/77⁽⁵⁾;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75 the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the compound feedingstuffs covered by Regulation (EEC) No 2727/75 and subject to Regulation (EEC) No 2743/75 are fixed hereby as shown in the Annex to this Regulation.

This Regulation shall enter into force on 1 October 1977.

COMMISSION REGULATION (EEC) No 2120/77

of 26 September 1977

fixing the quantity of young male bovine animals which may be imported on special terms in the fourth quarter of 1977

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by Regulation (EEC) No 425/77⁽²⁾, and in particular Article 13 (4) (a) thereof,

Whereas the Council has established under the new import arrangements for young male bovine animals for fattening, an estimate of 150 000 head⁽³⁾ for the period 1 April to 31 December 1977; whereas under Article 13 (4) (a) of Regulation (EEC) No 805/68, the quantity which may be imported each quarter and the rate of suspension of the import levy on these animals must be determined;

Whereas the supply requirements of certain regions of the Community which have a serious deficit in bovine animals for fattening must be taken into account; whereas these requirements are particularly apparent in Italy and may be estimated, for the fourth quarter of 1977, at a minimum of 45 540 head for that Member State;

Whereas the partial suspension of the levy is intended to help improve cattle-rearing and beef production structures in Italy; whereas appropriate measures must therefore be taken to ensure that producers can, as far as possible, benefit directly from the arrangements without, however, traditional trade being excluded; whereas this objective can be achieved by giving agricultural producers and their organizations priority when issuing the licences entitling them to benefit from these arrangements;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the period 1 October to 31 December 1977, the maximum quantity referred to in Article 13 (4) (a) of Regulation (EEC) No 805/68 shall be 50 600 head of young male bovine animals for fattening, of a live weight of 300 kilograms or less, of which at least 45 540 head must be imported into and fattened in Italy.

2. In respect of the quantity reserved for Italy, import licences may be issued directly to agricultural producers and their organizations, subject to a maximum of 30 360 head.

Italy shall, for its own purpose, specify the categories of applicants in the notification referred to in Article 11 (2) of Commission Regulation (EEC) No 585/77 of 18 March 1977 on the system of import and export licences for beef and veal⁽⁴⁾, as amended by Regulation (EEC) No 1384/77⁽⁵⁾.

3. The levy to be charged on imports of the young bovine animals referred to in paragraph 1 shall be equal to the levy applicable on the day of import less 50 %.

Article 2

This Regulation shall enter into force on 1 October 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

**COMMISSION REGULATION (EEC) No 2121/77
of 26 September 1977**

**fixing the quantities of frozen beef intended for processing which may be
imported under special terms in the fourth quarter of 1977**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
805/68 of 27 June 1968 on the common organization
of the market in beef and veal⁽¹⁾, as last amended by
Regulation (EEC) No 425/77⁽²⁾, and in particular
Article 14 (4) (a) thereof,

Whereas the Council has estimated at 75 000 tonnes
the deficit of meat for processing in 1977⁽³⁾; whereas,
pursuant to Article 14 (4) (a) of Regulation (EEC) No
805/68, the quantities of meat referred to in paragraph
1 (a) and (b) of that Article which may be imported
separately and the rate of suspension of the levy in the
case of the meat referred to in paragraph 1 (b) thereof
must be determined;

Whereas the considerable and increasing Community
supplies of meat suitable for processing are almost
sufficient to meet the needs of the processing
industry; whereas the deficit for the fourth quarter of
1977 can therefore be estimated at 15 000 tonnes of
meat expressed as bone-in meat, of which 5 000
tonnes is meat intended for the manufacture of
certain preserves, and 10 000 tonnes is meat intended
for the manufacture of other products;

Whereas the detailed rules for the application of the
special import arrangements for certain types of
frozen beef intended for processing were laid down in
Commission Regulation (EEC) No 597/77 of 18
March 1977⁽⁴⁾, as amended by Regulation (EEC) No
1384/77⁽⁵⁾; whereas the system of import licences for
these products was laid down in Articles 9 to 11 of
Regulation (EEC) No 585/77 of 18 March 1977⁽⁶⁾, as
amended by Regulation (EEC) No 1384/77; whereas

Article 11 (3) of this Regulation provides that licences
shall be normally issued on the 30th day of each
quarter; whereas however it is appropriate from this
rule to avoid an excessive supply of beef on the
Community market when grass feed cattle are being
sold;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the period 1 October to 31 December 1977,
the maximum quantities as referred to in Article 14
(4) (a) of Regulation (EEC) No 805/68 shall be:

- (a) 5 000 tonnes of meat expressed bone-in in respect
of meat as referred to in Article 14 (1) (a) of the
said Regulation;
- (b) 10 000 tonnes of meat expressed bone-in in
respect of meat as referred to in Article 14 (1) (b)
thereof,

2. The levy to be charged on the import of the
meat referred to in paragraph 1 (b) shall be equal to
the levy applicable on the day of import less 45 %.

Article 2

By way of derogation from Article 11 (3) of Regulation
(EEC) No 585/77 licences shall be issued on 21
November 1977.

Article 3

This Regulation shall enter into force on 1 October
1977.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COMMISSION REGULATION (EEC) No 2122/77
of 27 September 1977

re-establishing the levying of customs duties on gloves, including mittens and mitts, protective, for all trades, falling within subheading 42.03 B I, originating in developing countries to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3021/76 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3021/76 of 13 December 1976 establishing preferential tariffs in respect of certain products originating in developing countries ⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in units of account, which will be equal — with the exception of certain products the value of the ceilings for which is given in Annex A to the Regulation in question — to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1974 cif imports coming from other countries and from countries and territories already covered by such arrangements; however the ceiling resulting from the sum of this addition may in no case exceed 172.5 % of that resulting from the substitution of the year 1971 for the year 1974 in the first term of the addition and of the year 1972 for the year 1974 in the second term of the addition;

Whereas Article 2 (1) of that Regulation provides that the customs duties may be re-established at any time once the Community ceiling has been reached;

Whereas, in respect of gloves, including mittens and mitts, protective, for all trades, the ceiling, calculated

as indicated above, should be 15 790 000 units of account; whereas on 22 September 1977 the amounts of imports into the Community of the products in question, originating in countries and territories covered by preferential tariff arrangements, reached that ceiling; whereas, bearing in mind the objectives of Regulation (EEC) No 3021/76 which provides that the ceiling should not be exceeded, customs duties should be re-established in respect of the products in question,

HAS ADOPTED THIS REGULATION:

Article 1

As from 1 October 1977, customs duties, suspended in pursuance of Council Regulation (EEC) No 3021/76 shall be re-established in respect of the following products, imported into the Community:

Having regard to Council Regulation (EEC) No 3021/76 of 13 December 1976 establishing preferential tariffs in respect of certain products originating in developing countries⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas, in respect of other wood sawn lengthwise, falling within subheading 44.14 B, the ceiling, calcu-

re-establishing the levying of customs duties on basketwork, wickerwork, etc., falling within heading No 46.03, originating in Yugoslavia to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3021/76 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3021/76 of 13 December 1976 establishing preferential tariffs in respect of certain products originating in developing countries ⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in units of account, which will be equal — with the exception of certain products the value of the ceilings for which is given in Annex A to the Regulation in question — to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1974 cif imports coming from other countries and territories already covered by such arrangements; however the ceiling resulting from the sum of this addition may in no case exceed 172.5 % of that resulting from the substitution of the year 1971 for the year 1974 in the first term of the addition and of the year 1972 for the year 1974 in the second term of the addition;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation; whereas, for these products, this reduced percentage will be 20 %.

Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories

ries — with the exception of those listed in Annex C to the same Regulation — once the relevant Community amount has been reached;

Whereas, in respect of basketwork, wickerwork, etc., falling within heading No 46.03, the ceiling, calculated as indicated above, should be 14 824 000 units of account, and therefore the maximum amount is 2 964 800 units of account; whereas on 22 September 1977, the amounts of imports into the Community of basketwork, wickerwork, etc., falling within heading No 46.03, originating in Yugoslavia, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3021/76 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Yugoslavia,

HAS ADOPTED THIS REGULATION:

Article 1

As from 1 October 1977, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3021/76, shall be re-established in respect of the following products, imported into the Community and originating in Yugoslavia:

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3021/76 of 13 December 1976 establishing preferential tariffs in respect of certain products originating in developing countries ⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in units of account, which will be equal — with the exception of certain products the value of the ceilings for which is given in Annex A to the Regulation in question — to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1974 cif imports coming from other countries and from countries and territories already covered by such arrangements; however the ceiling resulting from the sum of this addition may in no case exceed 172.5 % of that resulting from the substitution of the year 1971 for the year 1974 in the first term of the addition and of the year 1972 for the year 1974 in the second term of the addition;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation; whereas, for these products, this reduced percentage will be 15 %;

Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in ques-

tion originating in any of the said countries or territories — with the exception of those listed in Annex C to the same Regulation — once the relevant Community amount has been reached;

Whereas, in respect of knives with cutting blades, serrated or not (including pruning knives), other than knives falling within heading No 82.06 the ceiling, calculated as indicated above, should be 3 473 000 units of account, and therefore the maximum amount is 520 950 units of account; whereas on 22 September 1977, the amounts of imports into the Community of knives with cutting blades, serrated or not (including pruning knives), other than knives falling within heading No 82.06, originating in Singapore, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3021/76 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Singapore,

HAS ADOPTED THIS REGULATION:

Article 1

As from 1 October 1977, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3021/76, shall be re-established in respect of the following products, imported into the Community and originating in Singapore:

CCT heading No	Description of goods
82.09	Knives with cutting blades, serrated or not (including pruning knives), other than knives falling within heading No 82.06
