Whereas Article 2 (1) to (3) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling which is indicated, for each of the products listed in Annex B, under (a) in column 5; whereas, only the products originating in the countries and territories listed in Annex D to the Regulation in question, other than those specified under (b) in column 4 of Annex B, in respect of the corresponding products may be charged against that ceiling; whereas, having regard to that ceiling, the amounts for products originating in any one of the countries listed in Annex D should be within a maximum amount representing 50 % of that ceiling;

Whereas Article 3 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries and territories, with the exception of countries listed in Annex E thereto, once the relevant Community maximum amount has been reached;

Whereas, in respect of gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, the ceiling, calculated as indicated above, should be 70
