COMMISSION REGULATION (EEC) No 3005/77

of 22 December 1977

altering the monetary compensatory amounts for certain milk products and cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States ⁽¹⁾, as last amended by Regulation (EEC) No 557/76 ⁽²⁾, and in particular Article 6 thereof,

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 938/77 of 29 April 1977 ⁽³⁾, as last amended by Regulation (EEC) No 2945/77 ⁽⁴⁾;

Whereas it is necessary to alter the method of calculating the monetary compensatory amounts for concentrated skimmed milk, sweetened condensed milk, processed cheeses and animal feedingstuffs containing milk products in order to take better account of the composition of the said products;

Whereas in future the monetary compensatory amounts for animal feedingstuffs should be calculated by reference to the percentage of the finished product represented by the quantities of milk powder incorporated therein;

Whereas, to make frontier checks more effective, exporters should be required to declare in writing to the competent customs authorities at the time of the completion of the customs formalities, both in intra-Community trade and in trade with

non-member countries, the quantity of milk powder, whey powder and casein or caseinates contained in the finished product;

Whereas the animal feedingstuffs concerned fall partly within the milk and milk products sector and partly within the cereals sector;

Whereas for the above reasons the necessary amendments should be made to Annex I to Regulation (EEC) No 938/77; whereas it is advisable to provide for a transitional period during which trade can adjust to the new arrangements;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products, and the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

In Annex I to Regulation (EEC) No 938/77, Parts 1 and 5 are, subject to an alteration of the amounts to take account of the movement of the exchange rates referred to in Article 2 (1) of Regulation (EEC) No 974/71, amended in accordance with the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 30 January 1978.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 December 1977.
