COMMISSION REGULATION (EEC) No 2097/78
of 29 August 1978
amending the arrangements for imports of certain textile products originating
in Taiwan

THE COMMISSION OF THE EUROPEAN
COMMUNITIES;

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1023/70 of 25 May 1970 establishing a common proce-
dure for administering quantitative quotas⁽¹⁾, and in
particular Articles 2 and 11 thereof,

Whereas, for certain textile products originating in
Taiwan, Community quantitative import quotas were
introduced for the period 1 January 1978 to 31
December 1982 by Commission Regulation (EEC) No
3020/77 of 30 December 1977⁽²⁾;

Whereas, by Regulation (EEC) No 255/78 of 7
February 1978⁽³⁾, the Council confirmed these import
arrangements pending the establishment of final ar-
rangements;

Whereas it has been found that, in the light of the
needs of the Community market, certain of the
quantitative quotas laid down by the abovementioned
Regulation (EEC) No 3020/77 should be increased
under the final arrangements;

Whereas it has become a matter of urgency, pending
the adoption by the Council of final arrangements for

the five-year period 1978 to 1982, to establish the new
quotas for 1978;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Quota
Administration Committee set up by Council Regula-
tion (EEC) No 1023/70,

HAS ADOPTED THIS REGULATION:

Article 1

1. The quantitative quotas and their allocation
among the Member States as set out in Annex II to
Regulation (EEC) No 3020/77 are hereby replaced for
1978 by those set out in Annex I hereto.

2. Additional quantities for categories 2 and 3
combined are hereby fixed and allocated to the
Benelux countries and Italy as indicated in Annex II
hereto.

Article 2

This Regulation shall enter into force on the third day
following its publication in the *Official Journal of*
the European Communities.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COMMISSION REGULATION (EEC) No 2100/78

of 1 September 1978

making the importation into the United Kingdom of wool cloth originating in the Republic of Argentina subject to authorization

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1439/74 of 4 June 1974 on common rules for imports ⁽¹⁾, and in particular Article 12 thereof,

After consultation within the Advisory Committee set up under Article 5 of the said Regulation,

Having regard to the request made by the United Kingdom,

Whereas imports into the United Kingdom of wool cloth (CCT heading No 53.11, category 50) from all third countries accounted in 1977 for a considerable share of the Community market; whereas this share, in the United Kingdom, has since increased further;

Whereas quantitative limits have already been set for the products in question in accordance with the provisions of the Arrangement regarding international trade in textiles and of bilateral Agreements negotiated between the Community and certain supplier countries;

Whereas imports into the United Kingdom of the textile products concerned originating in the Republic of Argentina have increased sharply and substantially in the past few months;

Whereas all these factors have given rise to disruption of the United Kingdom market and are causing serious injury to Community manufacturers;

Whereas, in pursuance of the Arrangement regarding international trade in textiles, the Community has negotiated an Agreement on trade in textiles with the Republic of Argentina; whereas the said Agreement

contains specific provision for recourse to safeguard measures;

Whereas, in view of the market disruption referred to above, the Community has applied the procedures provided for in the said Agreement, which allow appropriate safeguard measures to be taken in order to limit imports of the products in question into the United Kingdom, account being taken of the trend of imports;

Whereas, in particular, under the Agreement negotiated by the Community with the Republic of Argentina in pursuance of the Arrangement regarding international trade in textiles, compliance with the quantitative export limits set or to be set by virtue of the said Agreement is ensured by an agreed system of double checking; whereas effectiveness depends on the establishment of a system of control by the Community; whereas in order to establish such a system, therefore, it is necessary to make imports of the goods in question from Argentina subject to authorization;

Whereas, in order to ensure that the import authorization arrangements referred to above are not evaded by anticipatory exports or indirect imports liable to cause injury to Community manufacturers which would be difficult to remedy, it is necessary to establish the said arrangements as soon as possible,

HAS ADOPTED THIS REGULATION:

Article 1

The importation into the United Kingdom of the goods indicated below, originating in the Republic of Argentina and exported from that country, is hereby made subject to the production of an import authorization issued by the authorities of the Member State concerned:

⁽¹⁾ OJ No L 159, 15. 6. 1974, p. 1.

Article 2

1. Import authorizations shall be issued automatically and without delay, subject to the limit specified in Article 1, upon presentation of the export documents agreed under the Agreement on trade in textiles negotiated with the Republic of Argentina and set out in Annex C to Commission Regulation (EEC) No 3019/77 of 30 December 1977 making the importation into the Community of textile products originating in certain third countries subject to authorization and quantitative limitation⁽¹⁾.

Imports effected between 1 August 1978 and the date of entry into force of this Regulation shall be deducted from the said quantity where the goods in question were exported from the third country concerned during that period.

2. Notwithstanding the provisions of paragraph 1, import authorizations shall be issued automatically and without delay upon presentation of a bill of lading proving that the goods in question were placed on board in the Republic of Argentina for export to the United Kingdom before the date of entry into force of this Regulation.

Article 3

1. This Regulation shall enter into force on the second day following its publication in the *Official Journal of the European Communities*.

2. It shall apply until 31 December 1978, subject to the adoption of a Council Regulation in accordance with Articles 12 (6) and 13 of Regulation (EEC) No 1439/74.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2101/78

of 5 September 1978

introducing a countervailing charge on table grapes originating in Bulgaria

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1035/72 of 18 May 1972 on the common organization
of the market in fruit and vegetables⁽¹⁾, as last
amended by Regulation (EEC) No 1766/78⁽²⁾, and in
particular the second subparagraph of Article 27 (2)
thereof,

Whereas Article 25 (1) of Regulation (EEC) No
1035/72 provides that, if the entry price of a product
imported from a third country remains at least 0.50
unit of account below the reference price for two
consecutive market days, a countervailing charge must
be introduced in respect of the exporting country
concerned, save in exceptional circumstances;
whereas this charge is equal to the difference between
the reference price and the arithmetic mean of the
last two entry prices available for that exporting
country;

Whereas Commission Regulation (EEC) No 1668/78
of 14 July 1978 fixing the reference prices for table
grapes for the 1978 marketing year⁽³⁾ fixed the refer-
ence price for products of Class I for September and
October 1978 at 27.02 units of account per 100 kilo-
grams net;

Whereas the entry price for a given exporting country
is equal to the lowest representative prices recorded
for at least 30 % of the quantities from the exporting
country concerned which are marketed on all repre-
sentative markets for which prices are available, less
the duties and the charges indicated in Article 24 (3)
of Regulation (EEC) No 1035/72; whereas the
meaning of representative price is defined in Article
24 (2) of Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regula-
tion (EEC) No 2118/74⁽⁴⁾, as last amended by Regula-

tion (EEC) No 668/78⁽⁵⁾, the prices to be taken into
consideration must be recorded on the representative
markets or, in certain circumstances, on other
markets;

Whereas, for table grapes, the entry price calculated in
this way has remained at least 0.50 unit of account
below the reference price for two consecutive market
days; whereas a countervailing charge should there-
fore be introduced for these grapes;

Whereas, if the system is to operate normally, the
entry price should be calculated on the following
basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous subparagraph,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 1.33 units of account per
100 kilograms net is applied to table grapes
(subheading 08.04 A I of the Common Customs
Tariff) originating in Bulgaria.
