COUNCIL REGULATION (EEC) No 3088/78**of 19 December 1978****fixing for the 1978/79 marketing year the market representative price and the threshold price for olive oil and the percentage of the consumption aid referred to in Article 11 (3) of Regulation No 136/66/EEC**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1562/78⁽²⁾, and in particular the second subparagraph of Article 4 (4), Article 11 (3) and Article 36 thereof,

Having regard to the proposal from the Commission, Whereas the representative market price should be fixed in accordance with the criteria laid down in Articles 7 and 10 of Regulation No 136/66/EEC;

Whereas, taking into account the difficulties of introducing the system for checking the qualification for consumption aid referred to in Article 11 of the above-mentioned Regulation, the aid arrangements could not be implemented as from the start of the 1978/79 marketing year;

Whereas, for this reason, measures derogating from Article 7 of the said Regulation should be taken for that marketing year providing for a differentiation in the level of the representative market price dependent on whether the aid arrangements do or do not apply; whereas, in particular, the representative price in force during the period when the aid arrangements apply must be fixed at such a level as to allow the arrangements fully to attain their aims in spite of being applied during the marketing year;

Whereas the threshold price should be fixed in such a way that the selling price for the imported product at the frontier crossing point fixed in application of Article 9 of Regulation No 136/66/EEC is the same as the representative market price, account being taken of the effect of the measures referred to in Article 11 (3) of the above Regulation;

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 December 1978.

Whereas it follows from the application of these criteria that the representative market price and the threshold price should be fixed at the levels given in Article 1 of this Regulation;

Whereas under Article 11 (3) of Regulation No 136/66/EEC a certain percentage of the consumption aid should be used during each olive oil marketing year to finance measures to promote the consumption of olive oil in the Community; whereas this percentage should be fixed for the 1978/79 marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1978/79 marketing year the representative market price and the threshold price for olive oil shall be fixed as follows:

	From 1 January to 28 February 1979	From 1 March to 31 October 1979
— representative market price	148.43 u.a./100 kg	120.78 u.a./100 kg
— threshold price	145.43 u.a./100 kg	119.44 u.a./100 kg

Article 2

For the 1978/79 marketing year the percentage of the consumption aid to be allocated for the marketing years and projects referred to in Article 11 (3) of Regulation No 136/66/EEC is fixed at 6.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply from 1 January 1979.

COUNCIL REGULATION (EEC) No 3089/78

of 19 December 1978

laying down general rules in respect of aid for the consumption of olive oil

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
1562/78⁽²⁾, and in particular Article 11 (4) thereof,

Having regard to the proposal from the Commission,

Whereas Article 11 of Regulation No 136/66/EEC set
up a system of aid for the consumption of olive oil
produced and marketed in the Community;

Whereas, if the system of consumption aid is to
achieve its purpose, the aid should be granted at the
closest possible stage to the consumer; whereas the
most appropriate stage is that of the olive oil pack-
aging plant;

Whereas, to ensure proper administration of the aid
system, the aid should be granted only to packaging
plants of a minimum production capacity put to use
over a period to be determined which meet certain
supervision requirements; whereas to this end the
conditions for withdrawing approval should be speci-
fied;

Whereas, to ensure proper operation of the aid system,
the aid should be restricted to types of olive oil pack-
aged for human consumption; whereas, to facilitate
supervision of the system, a single amount of aid
should be fixed for all types of oil;

Whereas a system of checks should be introduced to
ensure that the oil which leaves the packaging plant
and in respect of which aid has been applied for quali-
fies for such aid; whereas, however, provisions should
be made for aid to be advanced as soon as the aid
application has been submitted, provided that suffi-
cient security has been given;

Whereas, in order to achieve its aim, the system of
checks must also apply to olive oil imported, either in
packages of a certain capacity or in bulk, from non-
member countries; whereas, to facilitate the applica-
tion of this system, provision should be made for
providing a security to be released once the oil no
longer qualifies for such aid;

Whereas, in view of the period laid down for checking
that the conditions of approval have been satisfied,
there is a danger that it may not be possible in some
cases to carry out the checks prior to the entry into
force of the aid system; whereas to remedy this
problem, it should be possible to grant provisional
approval for the 1978/79 marketing year to the plants
concerned,

HAS ADOPTED THIS REGULATION:

Article 1

The consumption aid for olive oil referred to in
Article 11 of Regulation No 136/66/EEC shall be
granted only to approved olive oil packaging plants.

Article 2

1. The approval referred to in Article 1 shall be
given by the Member State concerned only to under-
takings which:

- (a) have a minimum packaging capacity to be deter-
mined;
- (b) carry out packaging activities for a minimum
period to be determined;
- (c) keep stock records according to rules to be deter-
mined; and
- (d) agree to undergo any checks laid down for the
purposes of the application of the aid system.

2. The approved packaging plant shall be assigned
an identification number.

Article 3

1. The approval referred to in Article 2 shall be
withdrawn if, except in the case of *force majeure*, one
of the conditions for approval laid down in Article 2
(1) is no longer met.

2. The Member State concerned shall decide to
withdraw approval temporarily from any packaging
plant which has applied for aid for a quantity of olive
oil in excess of the quantity for which entitlement to
aid has been agreed.

⁽²⁾ OJ No L 185, 7. 7. 1978, p. 1.

Article 4

1. Consumption aid shall be granted in respect of olive oil produced in the Community which :

- (a) complies with one of the definitions given in point 1 (a), (b) and (c) and points 3 and 6 of the Annex to Regulation No 136/66/EEC ;
- (b) is put up in immediate packages of a maximum net content to be determined and which bear the number referred to in Article 2 (2); and
- (c) is placed on the market in the Community.

2. The amount of consumption aid per 100 kg net of olive oil shall be the same regardless of the type of olive oil qualifying for the aid.

Article 5

Entitlement to consumption aid shall be acquired the moment the olive oil leaves the packaging plant in a package meeting the requirements of Article 4 (1) (b).

Article 6

1. The aid shall be granted, on application by the party concerned, in the Member State in which the oil was packaged in accordance with Article 4 (1) (b).

2. The application for aid shall be submitted within a time limit to be fixed and shall refer to a minimum quantity which has left the packaging plant within a reference period.

Packaging plants shall submit one application only per olive oil marketing year for all quantities below the minimum required quantity.

Article 7

The Member States shall institute a system of supervision to ensure that the product for which aid has been applied qualifies for such aid.

In particular, checks must be made to ascertain whether the amount of olive oil for which aid has been applied corresponds to :

- (a) the amount of olive oil of Community origin which entered the packaging plant ;
- (b) the amount of olive oil of Community origin which left the plant after being packaged in accordance with Article 4 (1) (b) and which was placed on the market in the Community.

Article 8

The aid shall be paid when the supervisory body designated by the Member State in which packaging takes

place has checked that the conditions for granting the aid have been satisfied.

The aid may, however, be advanced as soon as the aid application is submitted, provided that sufficient security has been provided.

Article 9

1. All placing into free circulation in the Community of olive oil falling within subheading 15.07 A of the Common Customs Tariff, whether in bulk or in immediate packages of a net capacity exceeding a quantity to be determined, shall be subject to the payment of a security. The amount of this security shall be equal to the part of the consumption aid which is paid to the packaging plants for the same quantity of olive oil produced in the Community and which obtains when the customs formalities placing the oil into free circulation are completed.

2. The security referred to in paragraph 1 shall be released as soon as the party concerned provides proof that the olive oil placed into free circulation has been made ineligible for consumption aid.

Article 10

1. During the 1978/79 marketing year, the Member State concerned may grant provisional approval to the plant in question on submission of its application for approval and of proof that it complies with the conditions laid down by the Member State for carrying out packaging activities.

The plant to which provisional approval has been granted shall be assigned an identification number.

2. Where it is established that one of the conditions referred to in Article 2 (1) is not satisfied, the provisional approval shall be withdrawn. Such withdrawal shall have retroactive effect and any consumption aid shall be recovered.

The provisional approval shall become final once the Member State concerned has established that the conditions for approval provided for in Article 2 (1) have been satisfied.

Article 11

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply from 1 January 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 3095/78

of 28 December 1978

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular Article 14 (4) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1260/78⁽⁴⁾, and in particular Article 12 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied to calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75 and Article 12 (1) (a) of Regulation (EEC) No 1418/76; whereas Article 2 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and rice⁽⁵⁾, as last amended by Regulation (EEC) No 2245/78⁽⁶⁾, provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first 25 days of the month preceding that of importation; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation, is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals;

Whereas Commission Regulation (EEC) No 1579/74 of 24 June 1974 on the procedure for calculating the import levy on products processed from cereals and from rice and for the advance fixing of this levy for these products and for compound feedingstuffs manu-

factured from cereals⁽⁷⁾, as last amended by Regulation (EEC) No 1740/78⁽⁸⁾, provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than 2.5 units of account per tonne from the average of the levies calculated as described above;

Whereas in accordance with Article 5 of Regulation (EEC) No 2744/75 and Article 2 of Regulation (EEC) No 1579/74, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing; whereas Regulation (EEC) No 1921/75⁽⁹⁾, as amended by Regulation (EEC) No 2415/75⁽¹⁰⁾, laid down certain transitional measures in respect of starches;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 2744/75; whereas, in accordance with Regulation (EEC) No 2742/75⁽¹¹⁾, as last amended by Regulation (EEC) No 1127/78⁽¹²⁾, the variable component of the levy on certain processed products must be reduced by the incidence of the production refund granted in respect of basic products intended for processing;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States or in the 'overseas countries and territories', the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 706/76 of 30 March 1976 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the 'overseas countries and territories'⁽¹³⁾, as last amended by Regulation (EEC) No 1198/78⁽¹⁴⁾;

Whereas Article 4 (2) of Regulation (EEC) No 2744/75 provides that the levy to be charged on the products listed in the Annex to that Regulation under subheading 07.06 A is limited, with effect from the date of entry into force of the Geneva Protocol (1967)

annexed to the General Agreement on tariffs and trade, to the amount resulting from application of the rate of duty bound within GATT;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75, the nomenclature provided

for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on compound feedingstuffs are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75; whereas the incidence of the levies applicable to the basic products of compound feedingstuffs on their prime costs should be determined, in pursuance of Article 4 of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽³⁾, on the basis of the average of the levies applicable during the first 25 days of the month preceding the month of importation to the quantities of basic products considered to have been used in the manufacture of such compound feedingstuffs, this average being adjusted on the basis of the threshold price for the basic products in question ruling during the month of importation;

COMMISSION DECISION No 3097/78/ECSC

of 22 December 1978

fixing the rate of the levies for the 1979 financial year and amending Decision No 3/52/ECSC on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Articles 49, 50 and 78 thereof,

Having regard to the Treaty of 8 April 1965 establishing a single Council and a single Commission of the European Communities ⁽¹⁾, and in particular Articles 20 and 21 thereof,

Having regard to Decision No 2996/77/ECSC of 21 December 1977 fixing the rate of the levies for the 1978 financial year and amending Decision No 3/52/ECSC of 23 December 1952 on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty ⁽²⁾,

Having regard to Decision No 1687/77/ECSC of 22 July 1977 supplementing Decision No 2/52/ECSC of 23 December 1952 determining the mode of assessment and collection of the levies provided for in Articles 49 and 50 of the Treaty ⁽³⁾,

Whereas, in view of the variations in average values recorded during the reference period, Decision No 3/52/ECSC of 23 December 1952 on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty should be amended;

Whereas the requirements of the European Coal and Steel Community are estimated in the operational budget for the 1979 financial year at 152 million European units of account; whereas that budget, which was adopted by the Commission of the European Communities on 20 December 1978 in the form shown in the Annex to this Decision, indicates the amount of income to be provided from levies in the course of the financial year 1979, namely 98 million European units of account;

Whereas the estimated yield of the levies at a rate of 0.01 % is 3.38 million European units of account;

Having noted the opinion delivered on 14 December 1978 by the European Parliament,

HAS ADOPTED THIS DECISION:

Article 1

The rate of the levies on output from 1 January 1979 shall be 0.29 % of the figures used as the basis of assessment for such levies.

Article 2

Article 2 of Decision No 3/52/ECSC, as amended by Article 2 of Decision No 2996/77/ECSC of 21 December 1977, is hereby amended to read as follows:

"The average value in European units of account of the products on which the levies are assessed shall from 1 January 1979 be as follows:

Product	Average value
Brown coal briquettes and semi-coke derived from brown coal	25.28
Hard coal of all categories	41.83
Pig iron other than that used for making ingots	137.94
Steel in ingots	162.15
Finished products and end products of iron and steel as described in Annex 1 to the Treaty	270.25'

Article 3

Article 4 of Decision No 3/52/ECSC, as last amended by Article 3 of Decision No 2996/77/ECSC, is hereby amended to read as follows:

whereas the components used to calculate the differen-
tial amounts were fixed by Regulation (EEC) No

rate valid on 1 January 1979, by at least one point
from the percentage used for the previous fixing;
whereas this fact should be taken into account when
fixing the components used to calculate the differen-
tial amounts for colza and rape seed where those
components are already applied in respect of the
Member States concerned,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 1511/78 is hereby
