## COMMISSION REGULATION (EEC) No 16/79

of 4 January 1979

fixing minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats<sup>(1)</sup>, as last amended by Regulation (EEC) No 1562/78<sup>(2)</sup>, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece<sup>(3)</sup>, and in particular Article 5 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria<sup>(4)</sup>, as amended by Regulation (EEC) No 2761/78<sup>(5)</sup>, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco<sup>(6)</sup>, as last amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia<sup>(7)</sup>, as amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978<sup>(11)</sup> the Commission decided to use the tendering procedure to fix levies on olive oil ;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender<sup>(12)</sup> specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world or Greek markets and the Community market and of the levy rates indicated by tenderers ;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries ; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries ;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 1 and 2 January 1979 leads to the minimum levies being fixed as indicated in Annex I to this Regulation ;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products ; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate ; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

**COMMISSION REGULATION (EEC) No 17/79**  
**of 4 January 1979**  
**fixing the export refunds on malt**

THE COMMISSION OF THE EUROPEAN  
COMMUNITIES,

Having regard to the Treaty establishing the European  
Economic Community,

Having regard to Council Regulation (EEC) No  
2727/75 of 29 October 1975 on the common organiza-  
tion of the market in cereals<sup>(1)</sup>, as last amended by  
Regulation (EEC) No 1254/78<sup>(2)</sup>, and in particular the  
fourth subparagraph of Article 16 (2) thereof;

Having regard to the opinion of the Monetary  
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75  
provides that the difference between quotations or  
prices on the world market for the products listed in  
Article 1 of those Regulations and prices for those  
products within the Community may be covered by  
an export refund;

Whereas Article 2 of Council Regulation (EEC) No  
2746/75 of 29 October 1975 laying down general  
rules for granting export refunds on cereals and  
criteria for fixing the amount of such refunds<sup>(3)</sup>,  
provides that when refunds are being fixed account  
must be taken of the existing situation and the future  
trend with regard to prices and availabilities of cereals  
on the Community market on the one hand and  
prices for cereals on the world market on the other;  
whereas the same Article provides that it is also impor-  
tant to ensure equilibrium and the natural develop-  
ment of prices and trade on the markets in cereals  
and, furthermore, to take into account the economic  
aspect of the proposed exports, and the need to avoid  
disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29  
October 1975 on the import and export system for  
products processed from cereals and from rice<sup>(4)</sup>, as  
last amended by Regulation (EEC) No 2245/78<sup>(5)</sup>,  
defines the specific criteria to be taken into account  
when the refund on these products is being calcu-  
lated;

Whereas it follows from applying these rules and  
criteria to the present situation on the market in  
products processed from cereals and rice that the  
export refund should be fixed at an amount which  
will cover the difference between Community prices  
and world market prices;

Whereas the world market situation or the specific  
requirements of certain markets may make it neces-  
sary to vary the refund for certain products according  
to destination;

Whereas, if the refund system is to operate normally,  
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in  
relation to each other at any given moment within  
a band of 2.25 %, a rate of exchange based on  
their effective parity;
- for other currencies, an exchange rate based on the  
arithmetic mean of the spot market rates of each  
of these currencies recorded for a given period in  
relation to the Community currencies referred to  
in the previous subparagraph;

Whereas the refund must be fixed once a month;  
whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation  
are in accordance with the opinion of the Manage-  
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

*Article 1*

The export refunds on malt listed in Article 1 (d) of  
Regulation (EEC) No 2727/75 subject to Regulation

## COMMISSION REGULATION (EEC) No 20/79

of 4 January 1979

fixing the refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN  
COMMUNITIES,

Having regard to the Treaty establishing the European  
Economic Community,

Having regard to Council Regulation (EEC) No  
2727/75 of 29 October 1975 on the common organ-  
ization of the market in cereals<sup>(1)</sup>, as last amended by  
Regulation (EEC) No 1254/78<sup>(2)</sup>, and in particular the  
first sentence of the fourth subparagraph of Article 16  
(2) thereof,

Having regard to the opinion of the Monetary  
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75  
provides that the difference between quotations or  
prices on the world market for the products listed in  
Article 1 of that Regulation and prices for those  
products in the Community may be covered by an  
export refund;

Whereas Article 2 of Council Regulation No (EEC)  
No 2746/75 of 29 October 1975 laying down general  
rules for granting export refunds on cereals and  
criteria for fixing the amount of such refunds<sup>(3)</sup>,  
provides that when refunds are being fixed account  
must be taken of the existing situation and the future  
trend with regard to prices and availabilities of cereals  
on the Community market on the one hand and  
prices for cereals and cereal products on the world  
market on the other; whereas the same article  
provides that it is also important to ensure equi-  
librium and the natural development of prices and  
trade on cereal markets and, furthermore, to take into  
account the economic aspect of the proposed exports  
and the need to avoid disturbances on the Commu-  
nity market;

Whereas Article 3 of Regulation (EEC) No 2746/75  
defines the specific criteria to be taken into account  
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as  
wheat and rye flour, groats and meal are concerned, in  
Article 4 of Regulation (EEC) No 2746/75; whereas,  
furthermore, when the refund on these products is  
being calculated, account must be taken of the quanti-  
ties of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/  
67/EEC<sup>(4)</sup>, as amended by Regulation (EEC) No  
1607/71<sup>(5)</sup>;

Whereas the world market situation or the specific  
requirements of certain markets may make it neces-  
sary to vary the refund for certain products according  
to destination;

Whereas the refund must be fixed at least once a  
month; whereas it may be altered in the intervening  
period;

Whereas, if the refund system is to operate normally,  
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in  
relation to each other at any given moment within  
a band of 2.25 %, a rate of exchange based on  
their effective parity;
- for other currencies, an exchange rate based on the  
arithmetic mean of the spot market rates of each  
of these currencies recorded for a given period in  
relation to the Community currencies referred to  
in the previous subparagraph;

Whereas it follows from applying the rules outlined  
above to the present situation on the market in  
cereals, and in particular to quotations or prices for  
these products within the Community and on the  
world market, that the refunds should be fixed as  
shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation  
are in accordance with the opinion of the Manage-  
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

*Article 1*

The refunds on the products listed in Article 1 (a), (b)  
and (c) of Regulation (EEC) No 2727/75, exported in  
the natural state, are hereby fixed as shown in the  
Annex to this Regulation.

*Article 2*

This Regulation shall enter into force on 5 January  
1979.

<sup>(1)</sup> OJ No L 281, 1. 11. 1975, p. 1.

<sup>(2)</sup> OJ No L 156, 14. 6. 1978, p. 1.

## COMMISSION REGULATION (EEC) No 21/79

of 4 January 1979

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals<sup>(1)</sup>, as last amended by Regulation (EEC) No 1254/78<sup>(2)</sup>, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds<sup>(3)</sup>,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, the corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice<sup>(4)</sup>, as last amended by Regulation (EEC) No 2245/78<sup>(5)</sup>, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75<sup>(6)</sup> laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Commu-

nity market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding subparagraph;

Whereas it follows from applying the provisions referred to above that the corrective amount must be fixed as shown in the table annexed to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

(1) OJ No L 281, 1. 11. 1975, p. 1.

(2) OJ No L 156, 14. 6. 1978, p. 1.

(3) OJ No L 281, 1. 11. 1975, p. 78.

(4) OJ No L 281, 1. 11. 1975, p. 65.

(5) OJ No L 273, 29. 9. 1978, p. 1.

(6) OJ No L 131, 22. 5. 1975, p. 15.

HAS ADOPTED THIS REGULATION:

hereby fixed as shown in the table annexed to this Regulation.

*Article 1*

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of cereals is

*Article 2*

This Regulation shall enter into force on 5 January 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 4 January 1979.
