COUNCIL REGULATION (EEC) No 167/79**of 30 January 1979**

laying down certain interim measures for the conservation and management of fishery resources applicable to vessels flying the flag of Spain for the period 1 February to 31 March 1979

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 103 thereof,

Having regard to the proposal from the Commission,

Whereas on 3 November 1976 the Council adopted a set of resolutions concerning certain external and internal aspects of the common fisheries policy;

Whereas the Community and Spain have negotiated a framework agreement on fisheries;

Whereas the Commission has presented a proposal for the conclusion of that Agreement to the Council;

Whereas fishing by Spanish vessels in the fishing zones of the Member States covered by Community rules on fisheries is authorized until 31 January 1979 pursuant to Council Regulation (EEC) No 3152/78 of 21 December 1978 laying down certain interim measures for the conservation and management of fishery resources applicable to vessels flying the flag of Spain, for the period 1 to 31 January 1979⁽¹⁾;

Whereas consultations are now taking place between delegations of the Community and Spain on their reciprocal fishing possibilities in 1979;

Whereas any interruption of reciprocal fishing activities should be avoided pending the outcome of those consultations;

Whereas in order to avoid the interruption of fishing by Spanish vessels in the fishing zones of the Member States covered by Community rules on fisheries appropriate measures must be adopted before 1 February 1979;

Whereas this set of measures must be taken without delay and it is therefore necessary to adopt them as interim measures on the basis of Article 103 of the Treaty,

HAS ADOPTED THIS REGULATION:

Article 1

The only catches which vessels flying the flag of Spain are authorized to make during the period 1 February to 31 March 1979 in the 200 nautical mile fishing zones of the Member States covered by Community rules on fisheries are those set out in Annex I within the quantitative limits laid down therein and caught under the conditions laid down by this Regulation.

Article 2

1. Fishing shall be subject to the holding on board of a licence, issued by the Commission on behalf of the Community, and to compliance with the conservation and supervisory measures and other provisions governing fishing in the zones referred to in Article 1.

2. Subject to paragraph 3 being applied, licences valid on 31 January 1979 shall remain valid until 31 March 1979.

COMMISSION REGULATION (EEC) No 174/79

of 31 January 1979

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1260/78⁽⁴⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁶⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice and broken rice on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from

rice⁽⁷⁾, as last amended by Regulation (EEC) No 2245/78⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁹⁾, as amended by Regulation (EEC) No 2764/71⁽¹⁰⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product;

Whereas it follows from applying these rules and criteria to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the

quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity ;

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 175/79

of 31 January 1979

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying rules and criteria to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, as amended by Regulation (EEC) No 2560/77⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of

compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁶⁾, as amended by Regulation (EEC) No 3116/75⁽⁷⁾, provides that calculation of the export refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 176/79

of 31 January 1979

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as last amended by Regulation (EEC) No 1428/78⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.60 unit of account from that average;

Whereas the basic amount must be fixed every month; whereas it must, however, be altered during the period between the day on which it is fixed and

the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.60 unit of account from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is hereby fixed, per 100 kilograms of product, at 0.2810 unit of account per percentage point of sucrose content.

COMMISSION REGULATION (EEC) No 177/79

of 31 January 1979

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with the provisions of Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community area with the largest surplus for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The refund to be granted on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74, exported in the natural state, is hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 178/79

of 31 January 1979

fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1562/78⁽²⁾,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 9 of Regulation (EEC) No 2749/78 provides that Article 20 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the rules and other provisions for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁶⁾, as last amended by Regulation (EEC) No 2962/77⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these rules and other provisions to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be fixed at the amounts shown in the Annex to this Regulation;

(1) OJ No 172, 30. 9. 1966, p. 3025/66.

(6) OJ No L 78, 31. 3. 1972, p. 1.

(7) OJ No L 348, 30. 12. 1977, p. 53.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 (2) (c) of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 179/79

of 31 January 1979

fixing the export refund on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1562/78⁽²⁾,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 2(3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 9 of Regulation (EEC) No 2749/78 provides that Article 28 of Regulation No 136/66/EEC and measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and Greece, and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽⁶⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1291/78 of 6 June 1978 fixing the target prices and basic intervention prices for oil seeds for the 1978/79 marketing year⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

(1) OJ No 172, 30. 9. 1966, p. 3025/66.

(2) OJ No L 185, 7. 7. 1978, p. 1.

(3) OJ No L 331, 28. 11. 1978, p. 1.

(5) OJ No L 264, 23. 11. 1972, p. 1.

(6) OJ No L 75, 30. 3. 1971, p. 16.

(7) OJ No L 160, 17. 6. 1978, p. 1.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be fixed at the amounts shown in the Annex to this Regulation for those products for which the marketing year has already begun;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, is hereby fixed as shown in the Annex to this Regulation.

Article 2

COMMISSION REGULATION (EEC) No 180/79

of 31 January 1979

fixing the export refunds on isoglucose

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1111/77 of 17 May 1977 laying down common provisions for isoglucose⁽¹⁾, as last amended by Regulation (EEC) No 1298/78⁽²⁾, and in particular the first sentence of the third subparagraph of Article 4 (2) and paragraph 5 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 4 of Regulation (EEC) No 1111/77, provision may be made for an export refund for isoglucose;

Whereas the level of the refund must be determined, per 100 kilograms of dry matter, taking into account the following, in particular:

- the export refund applicable to products falling within subheading 17.02 B II a) of the Common Customs Tariff;
- any production refund granted for the basic product used in the manufacture of products falling within subheading 17.02 B II a),
- the production levy referred to in Article 9 of Regulation (EEC) No 1111/77 and the economic aspects of the proposed exports;

Whereas, following the Judgment rendered by the Court of Justice of the European Communities in Cases 103/77, 125/77 and 145/77, there is uncertainty as to whether the abovementioned production levy is to be taken into account in the calculation of the refund; whereas it is therefore appropriate not to take the said levy into account in the calculation at present but to provide for the refund to be increased by an amount equal to that of the production levy, should there be one, in force at the time of export of the quality of isoglucose in question;

Whereas the refund must be the same throughout the Community; whereas it may be varied according to destination;

Whereas the said refunds must be fixed every month; whereas they may be altered in the intervening period;

Whereas the refund is granted only in respect of isoglucose satisfying the conditions laid down in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽³⁾;

Whereas, in order that the system of refunds can function normally, these should be calculated by applying:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas in view of the foregoing the refund for isoglucose should be fixed as shown in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Isoglucose,

HAS ADOPTED THIS REGULATION:

Article 1

The export refund on the products specified in Article 1 of Regulation (EEC) No 1111/77 shall be as indicated in the Annex hereto.

Article 2

The amounts indicated in the Annex shall, at the request of the interested party concerned, be increased by an amount equal to the production levy, should there be one, in force on the day of the completion of the customs export formalities in respect of the products shown in the Annex.

Article 3

This Regulation shall enter into force on 1 February 1979.

COMMISSION REGULATION (EEC) No 183/79

of 31 January 1979

fixing the rate of the refund applicable from 1 February 1979 to isoglucose exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1111/77 of 17 May 1977 laying down common provisions for isoglucose⁽¹⁾, as last amended by Regulation (EEC) No 1298/78⁽²⁾, and in particular the first sentence of the third subparagraph of Article 4 (2) and paragraph 5 thereof,

Whereas, pursuant to Article 4 of Regulation (EEC) No 1111/77, provision may be made for a refund on the export of isoglucose in the form of the goods shown in the Annex to that Regulation;

Whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds for certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 707/78⁽⁴⁾, specifies that a rate of refund should be fixed and apply when isoglucose covered by Common Customs Tariff subheading 17.02 D I is exported in the form of goods listed in the Annex to Regulation (EEC) No 1111/77;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (b) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas, following the Judgment rendered by the Court of Justice of the European Communities in Cases 103/77, 125/77 and 145/77, there is uncertainty as to whether the production levy mentioned in Article 9 of Regulation (EEC) No 1111/77 is to be taken into account in the calculation of the refund; whereas it is therefore appropriate not to take the said levy into account in the calculation at present but to provide for the refund to be increased by an amount equal to that of the production levy, should there be one, in force at the time of export of the quantity of isoglucose in question;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Isoglucose,

HAS ADOPTED THIS REGULATION:

Article 1

The rate of the refund, applicable from 1 February 1979 to isoglucose of Common Customs Tariff subheading 17.02 D I exported in the form of goods listed in the Annex to Regulation (EEC) No 1111/77 is fixed as shown in the Annex hereto.

Article 2

The amount indicated in the Annex shall, at the request of the interested party, be increased by an amount equal to the production levy, should there be one, in force on the day of the completion of the customs export formalities in respect of the products shown in the Annex.
