COMMISSION REGULATION (EEC) No 1503/79

of 18 July 1979

fixing the export refunds on eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs ⁽¹⁾, as amended by Regulation (EEC) No 368/76 ⁽²⁾, and in particular the first sentence of the fifth subparagraph of Article 9 ⁽²⁾ thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 9 of Regulation (EEC) No 2771/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 2774/75 of 29 October 1975 ⁽³⁾ lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying these rules and criteria to the present situation on the market in eggs that the refund should be fixed at an amount which would permit Community participation in world trade and would also take account of the nature of these exports and their importance at the present time;

Whereas the Management Committee for Poultrymeat and Eggs has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products on which, when they are exported in the natural state, the export refund referred to in Article 9 of Regulation (EEC) No 2771/75 is granted, and the amount of that refund, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 August 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1504/79
of 17 July 1979
re-establishing intervention buying in of beef in France

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 425/77 ⁽²⁾, and in particular Article 6 (4) (b) thereof,

Whereas in application of Article 3 (1) of Council Regulation (EEC) No 995/78 of 12 May 1978 fixing the guide price and the intervention price for adult bovine animals for the 1978/79 marketing year ⁽³⁾, intervention buying in was suspended by Commission Regulations (EEC) No 1234/79 ⁽⁴⁾ and (EEC) No 1402/79 ⁽⁵⁾ temporarily suspending intervention buying in of certain qualities of meat in certain Member States;

Whereas the market prices for 'jeunes bovins U et O' recorded in France on 5 and 12 July 1979 had

returned to a level below the maximum buying in price fixed for these qualities; whereas intervention buying in for these qualities must recommence, in accordance with Article 3 (2) of Council Regulation (EEC) No 1274/79 of 25 June 1979 fixing the guide price and the intervention price for adult bovine animals for the 1979/80 marketing year ⁽⁶⁾,

HAS ADOPTED THIS REGULATION:

Article 1

Buying in by the French intervention agency shall recommence on 23 July 1979 for the following qualities:

in France: 'jeunes bovins U et O'.

Article 2

This Regulation shall enter into force on 23 July 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1505/79

of 18 July 1979

enabling short-term private storage contracts to be concluded for table wines
closely related economically to the R II type of table wine

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
337/79 of 5 February 1979 on the common organiza-
tion of the market in wine ⁽¹⁾, and in particular Article
7 (6) thereof,

Whereas the second subparagraph of Article 7 (2) of
the aforesaid Regulation provides that, if the state of
the market so requires, a decision may be taken to
allow short-term storage contracts to be concluded in
respect of table wines other than those of the type for
which this possibility exists, where such table wines
are closely related economically to that type of table
wine ;

Whereas Commission Regulation (EEC) No
1251/79 ⁽²⁾ enabled short-term private storage
contracts to be concluded for the R II type of table
wine ;

Whereas table wine prices on the Community market
are at present falling ; whereas this trend has been
marked by the fact that intervention measures have
had to be brought into effect for the R II type of table
wine ; whereas, however, large quantities of red table
wines that are closely related economically to the R II
type of table wine are on the market and are subject
to the general decline in prices ;

Whereas these red table wines that are closely related
economically to the R II type of table wine are not
covered by the said intervention measures, and
consequently may prevent the measures taken from

having the effect desired ; whereas, therefore, provi-
sion should be made to enable storage contracts to be
concluded for such table wines ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Wine,

HAS ADOPTED THIS REGULATION :

Article 1

1. The power to conclude short-term private
storage contracts for the R II type of table wine
granted by Regulation (EEC) No 1251/79 is hereby
extended to red table wines that are closely related
economically to the R II type of table wine.

2. Red wines shall be considered to stand in close
economic relationship with table wines of the type
R II where they have an actual alcoholic strength of
more than 12.50 ° and not more than 14.50 ° and are
not type R III.

3. The power referred to in paragraph 1 shall
continue for as long as the same power exists under
Regulation (EEC) No 1251/79 for the R II type of
table wine.

Article 2

This Regulation shall enter into force on the day of its
publication in the *Official Journal of the European
Communities*.

It shall apply from 9 July 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 14 June 1979 by the Italian Government to the Commission of the European Communities, for authorization not to apply Community treatment to shirts, T-shirts, lightweight fine knit roll, polo or turtle necked jumpers and pullovers, undervests and the like, knitted or crocheted, not elastic or rubberized, other than babies' garments, of cotton or synthetic textile fibres; T-shirts and lightweight fine knit roll, polo or turtle necked jumpers and pullovers of regenerated textile fibres, falling within heading No ex 60.04 of the Common Customs Tariff (NIMEXE codes 60.04-01, 05, 13, 18, 28, 29, 30, 41, 50, 58) (category 4), originating in India and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in India is covered by an Agreement negotiated between the Community and that country;

Whereas under that Agreement India has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate these quotas on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:

Article 1

The Italian Republic is authorized not to apply Community treatment to the products indicated below, where they originate in India and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 8 June 1979:

CCT heading No	Description

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 18 June 1979 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to handkerchiefs of woven fabrics, falling within heading No ex 61.05 of the Common Customs Tariff (NIMEXE codes 61.05-20, 30) (categories 19 and 89), originating in Czechoslovakia and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in Czechoslovakia is, in accordance with Council Decision 79/258/EEC of 21 December 1978⁽¹⁾, subject to an annual quota, which has already been wholly taken up;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971⁽²⁾, and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:

COMMISSION OPINION**of 4 July 1979****addressed to the Government of the Federal Republic of Germany on a draft regulation implementing Council Directive 74/562/EEC on admission to the occupation of road passenger transport operator in national and international transport operations****(79/633/EEC)**

By letters dated 2 October 1978 and 9 February 1979, the Permanent Representation of the Federal Republic of Germany to the European Communities sent to the Commission, for consultation, a draft regulation on the professional competence required by natural persons or undertakings wishing to engage in the carriage of passengers by road.

The draft regulation in question implements the fourth law amending the law on the carriage of passengers on which the Commission delivered an opinion on 23 November 1976. The Commission's position on the draft regulation is as follows:

1. The Federal Government's attention is drawn to the fact that Article 5 of the draft regulation takes no account of the transitional provisions in Article 4 of the Community Directive concerned.

Thus the draft regulation does not exempt natural persons or undertakings providing proof of having been authorized under German law to exercise the occupation of road passenger transport operator in national and international transport operations before 1 January 1978, from furnishing proof that they meet the requirement of professional competence.

Likewise, the draft regulation does not specify that the requirement of professional competence must be met by natural persons who were authorized between 31 December 1974 and 1 January 1978 to exercise the occupation of road passenger transport operator without having furnished proof of professional competence.

2. As regards Article 5 (6), the Federal Government should, in order to ensure the full implementation of the Council Directive, provide the Commission with information enabling the latter to decide whether the certificate referred to implies detailed knowledge of the subjects listed in the Annex to the Community Directive.

3. Similarly, the Commission considers that the provisions of paragraph 7 (exempting natural persons who have successfully completed a course at an establishment of general or technical further educa-

tion, and acquired the stipulated knowledge of the principal subjects listed in Annexes 1 and 2, from furnishing proof of their professional competence) would not appear to be in accordance with the provisions of Article 2 (4) of the Directive.

As a matter of form, it would seem necessary to specify that the successful completion of a course is shown by a certificate and that the studies in question imply thorough knowledge of all, not merely the principal, subjects listed in Annexes 1 and 2 to the Directive.

4. Annex 1 to the draft regulation lists the subjects knowledge of which is essential for the purpose of recognition of professional competence.

In this connection it should be noted that the road safety topics listed in point (A) (5) of the Annex to the Directive are not included in the list of topics in the above draft regulation. The Commission considers that these topics should be added to those in the Annex to the draft regulation.

5. The Commission also considers that Article 5 (8) and (9) of the draft regulation does not comply with Article 2 (4) of the Directive. Natural persons who have acquired the necessary knowledge by experience over a period of not less than three years are not exempt from providing proof of their professional competence, particularly the obligation to have a thorough knowledge of the subjects given in the Annex to the Directive, which has to be established by the competent authorities.

of 4 July 1979

fixing the maximum amount of the export refund for the 74th partial invitation to tender for raw beet sugar issued under Regulation (EEC) No 1790/77

(79/635/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Article 19 (4) thereof,

Whereas Commission Regulation (EEC) No 1790/77 of 2 August 1977 on a standing invitation to tender to determine export refunds for raw beet sugar⁽³⁾, as last amended by Regulation (EEC) No 519/79⁽⁴⁾, requires partial invitations to tender to be issued for the export of this sugar;

Whereas, pursuant to Article 4 (3) of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1489/76⁽⁶⁾, the maximum amount of the refund is fixed for partial invitations to tender within three working days following the expiry of the time limit for the submission of tenders;

of 4 July 1979

fixing the maximum amount of the premium for white sugar for the sixth partial invitation to tender issued under Regulation (EEC) No 452/79

(79/636/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Article 9 (6) thereof,

Whereas Commission Regulation (EEC) No 452/79 of 7 March 1979 opening a standing invitation to tender for the purpose of determining premiums for white sugar for feeding to bees⁽³⁾, requires partial invitations to tender to be issued for the purpose of determining the said premiums;

Whereas Article 4 (3) of Council Regulation (EEC) No 2049/69 of 17 October 1969 laying down general rules on the denaturing of sugar for animal feed⁽⁴⁾, as last amended by Regulation (EEC) No 1640/73⁽⁵⁾, provides that where denaturing premiums are fixed following an invitation to tender the criteria set out in Article 3 thereof are to be taken into account in fixing a maximum amount of the premium; whereas, having regard to the criteria and following examination of the tenders submitted in response to the sixth partial invitation to tender, the maximum amount of the

premium should be fixed at the level specified in Article 1;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS DECISION:

Article 1

COMMISSION DECISION**of 4 July 1979****authorizing Ireland to store outside its territory during the third quarter of 1979
beef products held by its intervention agency****(Only the English text is authentic)****(79/637/EEC)**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
805/68 of 27 June 1968 on the common organization
of the market in beef and veal⁽¹⁾, as last amended by
Regulation (EEC) No 425/77⁽²⁾,

Having regard to Council Regulation (EEC) No
1055/77 of 17 May 1977 on the storage and move-
ments of products bought in by an intervention
agency⁽³⁾, and in particular Article 4 thereof,

Whereas Article 1 (1) of Regulation (EEC) No 1055/77
provides that intervention agencies may not store
products they have bought in pursuant to Community
provisions outside the territory of the Member State
within whose jurisdiction they fall unless they have
obtained prior authorization; whereas Ireland has
applied for authorization to transport and place in
storage in other Member States during July, August
and September 1979 a total of 4 000 tonnes of beef
held by its intervention agency;

Whereas, having regard to storage capacity in Ireland
and storage possibilities in Belgium, France, the
Netherlands and the United Kingdom, this applica-
tion should be approved;

Whereas it is necessary for the intervention agency of
a Member State on whose territory storage takes place
to be informed of the location and quantity of the
stocks of products stored on that territory by another
intervention agency;

Whereas the measures provided for in this Decision
are in accordance with the opinion of the Manage-
ment Committee for Beef and Veal,

HAS ADOPTED THIS DECISION:

Article 1

1. Ireland is hereby authorized to transport and
place in storage, between 1 July and 30 September
1979:

- approximately 2 000 tonnes of frozen unboned
beef in Belgium, France, the Netherlands and the
United Kingdom,
- approximately 2 000 tonnes of frozen boneless
beef in the United Kingdom.

2. The Irish intervention agency shall inform the
intervention agency of each Member State on whose
territory storage takes place of the location and quan-
tity of its stocks on that territory, and of any move-
ments of such stocks.

COMMISSION DECISION

of 4 July 1979

refusing to accept the scientific character of the apparatus described as 'PMS data acquisition system, model DAS-32'

(79/638/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1798/75 of 10 July 1975 on the importation free of Common Customs Tariff duties of educational, scientific and cultural materials ⁽¹⁾,

Having regard to Commission Regulation (EEC) No 3195/75 of 2 December 1975 laying down provisions for the implementation of Regulation (EEC) No 1798/75 ⁽²⁾, and in particular Articles 4 and 5 thereof,

Whereas, by letter dated 19 December 1978, the United Kingdom Government requested the Commission to invoke the procedure laid down in Articles 4 and 5 of Regulation (EEC) No 3195/75 in order to determine whether or not the apparatus described as 'PMS data acquisition system, model DAS-32', intended for use in research on cloud physics and, in particular, for cloud droplet size measurement, should be considered as a scientific apparatus and, where the reply is in the affirmative, whether apparatus of equivalent scientific value is currently being manufactured in the Community ;

Whereas, in accordance with the provisions of Article 4 (5) of Regulation (EEC) No 3195/75, a group of experts composed of representatives of all the Member States met on 28 May 1979 within the Committee on Duty-Free Arrangements to examine this particular case ;

Whereas this examination showed that the apparatus in question consists of a complete system for the

acquisition of data, including, in particular, a forward scattering spectrometer, an aspirator, a step-down transformer and a heater ;

Whereas it does not have the requisite objective characteristics making it specifically suited to scientific research ; whereas it is an apparatus in current use, and, in particular, for measuring air pollution ;

Whereas its use in the case in question could not alone confer upon it the character of a scientific apparatus ; whereas it therefore cannot be regarded as a scientific apparatus,

HAS ADOPTED THIS DECISION :

Article 1

The apparatus described as 'PMS data acquisition system, model DAS-32' is not considered to be a scientific apparatus.
