COUNCIL REGULATION (EEC) No 1639/79

of 24 July 1979

amending Regulation (EEC) No 516/77 on the common organization of the market in products processed from fruit and vegetables

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables⁽¹⁾, as amended by Regulation (EEC) No 1152/78⁽²⁾, and in particular the third subparagraph of Article 3a (1) and the first subparagraph of Article 10 (3) thereof,

Having regard to the proposal from the Commission, Whereas Article 3a of Regulation (EEC) No 516/77 introduced a system of production aid for certain products processed from fruit and vegetables and listed in Annex Ia to that Regulation; whereas the object of the said aid, which is based on the difference between Community production prices and those in non-member countries, is to enable Community products to be sold at prices which compete with those charged by the major non-member producing countries;

Whereas the situation encountered in respect of the products listed in Annex Ia to Regulation (EEC) No 516/77 is also encountered in respect of certain other products which are of particular importance in the Community's Mediterranean regions; whereas the system of production aid referred to above should therefore be extended to the said products by including them in that Annex,

HAS ADOPTED THIS REGULATION:

Article 1

COUNCIL REGULATION (EEC) No 1640/79

of 24 July 1979

limiting the granting of production aid for Williams pears preserved in syrup

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
516/77 of 14 March 1977 on the common organiza-
tion of the market in products processed from fruit
and vegetables⁽¹⁾, as last amended by Regulation
(EEC) No 1639/79⁽²⁾, and in particular Article 3a (5)
thereof,

Having regard to the proposal from the Commission,

Whereas Article 3a of Regulation (EEC) No 516/77
established a system of production aid for certain
products processed from fruit and vegetables; whereas
in cases where the situation described in paragraph 5
of that Article arises there is scope for limiting aid to
a specified quantity, taking account of average
Community production for the three years preceding
the marketing year for which the aid is fixed;

Whereas this situation is likely to arise for Williams
pears preserved in syrup and listed in Annex Ia to

Regulation (EEC) No 516/77; whereas the production
aid should accordingly be limited in respect of this
product to a specified quantity in accordance with the
abovementioned criteria; whereas it is appropriate to
fix this quantity at 83 % of the average Community
production referred to above,

HAS ADOPTED THIS REGULATION:

Article 1

The granting of production aid for Williams pears
preserved in syrup, falling within subheading ex 20.06
B of the Common Customs Tariff, shall be limited for
each marketing year to 57 100 tonnes.

States.

COUNCIL REGULATION (EEC) No 1641/79**of 24 July 1979****fixing the basic price and the standard quality for slaughtered pigs for the period 1 November 1979 to 31 October 1980**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat ⁽¹⁾, as amended by Regulation (EEC) No 1423/78 ⁽²⁾, and in particular Article 4 ⁽⁴⁾ thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽³⁾,

Having regard to the opinion of the Economic and Social Committee ⁽⁴⁾,

Whereas, when the basic price for slaughtered pigs is fixed, account should be taken of the objectives of the common agricultural policy and of the contribution which the Community desires to make to the harmonious development of world trade; whereas the objectives of the common agricultural policy are in particular to ensure a fair standard of living for the agricultural community, to ensure that supplies are available and that they reach consumers at reasonable prices;

Whereas the basic price must be fixed in accordance with the criteria laid down in Article 4 (1) of Regulation (EEC) No 2759/75 for a standard quality defined according to Council Regulation (EEC) No 2760/75 of

29 October 1975 determining the Community scale for grading pig carcasses ⁽⁵⁾;

Whereas the most representative class and categories of weight in Community production should be taken as the standard quality;

Whereas the application of those criteria results in the basic price being fixed at a level slightly higher than that adopted for the previous period,

HAS ADOPTED THIS REGULATION:

Article 1

For the period 1 November 1979 to 31 October 1980 the basic price for slaughtered pigs of the standard quality shall be 1 504.46 ECU per 1 000 kilograms.

Article 2

The standard quality shall be the quality for pig carcasses of class II of the Community scale for grading pig carcasses laid down by Regulation (EEC) No 2760/75, excluding those carcasses with a weight of less than 70 kilograms and those with a weight equal to or greater than 160 kilograms.

Article 3

This Regulation shall enter into force on 1 November 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

fixing the rates of the refunds applicable from 1 August 1979 to eggs and egg yolks exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs⁽¹⁾, as amended by Regulation (EEC) No 368/76⁽²⁾, and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof,

Whereas Article 9 (1) of Regulation (EEC) No 2771/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 707/78⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 2771/75;

Whereas, in accordance with the second subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kg for each of the basic products in question must be fixed for a period of the same duration as that for which refunds are fixed for the same products exported unprocessed;

Whereas, in accordance with paragraph 2 of that Article, when that rate is being determined particular account should be taken of:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world market;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions; and
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas a production refund is granted in respect of common wheat, maize and broken rice under the conditions laid down in Council Regulation (EEC) No 2742/75 of 29 October 1975 on production refunds in the cereals and rice sectors⁽⁷⁾, as last amended by Regulation (EEC) No 1555/79⁽⁸⁾; whereas, for the purposes of applying the provisions of Article 4 (3) of Regulation (EEC) No 2682/72, the amount of the production refund applicable during the month of exportation should be taken into account;

of 22 June 1979⁽²⁵⁾, the Commission fixed provision-

ally the amount of aid in the case of advance fixing
for oil seeds; whereas this provisional fixing was made
necessary by the absence of the Regulation fixing the

COMMISSION REGULATION (EEC) No 1652/79

of 27 July 1979

re-establishing the levying of customs duties on gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, falling within heading No 60.02 and originating in Thailand, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 1195/79 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1195/79 of 12 June 1979 opening, allocating and providing for the administration of Community tariff preferences for textile products originating in developing countries and territories⁽¹⁾, and in particular Article 4 thereof,

Whereas Article 2 (1) to (3) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling which is indicated, for each of the products listed in Annex B, under (a) in column 5; whereas only the products originating in the countries and territories listed in Annex D to the Regulation in question, other than those specified under (b) in column 4 of Annex B, in respect of the corresponding products may be charged against that ceiling; whereas, having regard to that ceiling, the amounts for products originating in any one of the countries listed in Annex D should be within a maximum amount representing 50 % of that ceiling;

Whereas Article 3 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries and territories, with exception of countries listed in Annex E thereto, once the relevant Community maximum amount has been reached;

Whereas, in respect of gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, the

ceiling, calculated as indicated above, should be 38.50 tonnes, and therefore the maximum amount is 19.25 tonnes; whereas on 25 July 1979 the amounts of imports into the Community of the products in question, originating in Thailand, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 1195/79 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Thailand,

HAS ADOPTED THIS REGULATION:

Article 1

As from 3 August 1979, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 1195/79, shall be re-established in respect of the following products, imported into the Community and originating in Thailand:

amending for the second time Regulation (EEC) No 2826/77 introducing a Community transit declaration form for use in an automatic or electronic data-processing system

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 222/77 of 13 December 1976 on Community transit⁽¹⁾, as amended by Regulation (EEC) No 983/79⁽²⁾, and in particular Article 57 thereof,

Whereas Commission Regulation (EEC) No 2826/77 of 5 December 1977⁽³⁾, as amended by Regulation (EEC) No 607/78⁽⁴⁾, has introduced a Community transit declaration form for use in an automatic or electronic data-processing system;

Whereas Commission Regulation (EEC) No 223/77 of 22 December 1976 on provisions for the implementation of the Community transit procedure and for certain simplifications of that procedure⁽⁵⁾, as last amended by Regulation (EEC) No 526/79⁽⁶⁾, provides for the possibility of stamping or pre-printing a special stamp on the Community transit declaration form in the case of simplification of the formalities to be carried out at offices of departure;

Whereas the box reserved for the stamp of the office on the form referred to in Regulation (EEC) No 2826/77 is too small for the special stamp to be stamped or pre-printed on it; whereas it is therefore necessary to provide for a special stamp adapted to this form;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Community Transit Committee,

HAS ADOPTED THIS REGULATION:

Article 1

(⁶) OJ No L 74, 24. 3. 1979, p. 1.

1. Article 1 is amended to read as follows:

By way of derogation from the provisions of Regulation (EEC) No 223/77, Member States may permit the use, in an automatic or electronic data-processing system, of a Community transit declaration form corresponding to the specimen in Annex I in place of the forms shown in Annexes I and II to the said Regulation.'

2. The following Article is inserted:

COMMISSION

COMMISSION DECISION

of 4 July 1979

derogating from High Authority recommendation 1/64 concerning an increase in the protective duty on iron and steel products at the external frontiers of the Community

(98th derogation)

(79/662/ECSC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Articles 2 to 5, 8, 71 and 74 thereof,

Having regard to High Authority recommendation 1/64 of 15 January 1964 to the Governments of the Member States concerning an increase in the protective duty on iron and steel products at the external frontiers of the Community⁽¹⁾, and in particular Article 3 thereof,

Whereas the European Communities have made an offer within the framework of Unctad concerning the granting of tariff preferences for manufactures and semi-manufactures from developing countries; whereas the preferential treatment envisaged by this offer extends in principle to all industrial manufactures and semi-manufactures in Chapters 25 to 99 of the Brussels Nomenclature, originating in developing countries; whereas preference consists in granting exemption from customs duties; whereas preferential treatment is accorded to imports up to a ceiling calculated in terms of value for each product on a uniform basis for all products; whereas, with a view to limiting the preference given to the more competitive developing countries, preferential imports of a given product from any one developing country may not, as a general rule, exceed 50 % of the ceiling fixed for that product;

Whereas, under the terms of the offer in question, annual ceilings are normally calculated on the basis

of the value of cif imports in 1971 from countries benefiting from the system, other than those already accorded preferential treatment by the Communities, plus 5 % of the value of cif imports in 1974 from other countries, including those already enjoying such treatment;

Whereas the European Communities decided to apply these tariff preferences since 1 July 1971;

Whereas they have been applied from 1 July 1971 to 31 December 1978 under the above conditions and it is appropriate to continue to apply them during 1979;

Whereas this offer of tariff preferences extends to a number of iron and steel products which are covered by the Treaty establishing the European Coal and Steel Community and which were the subject of High Authority recommendation 1/64;

Whereas the commercial policy objectives of this offer justify a derogation from the obligations arising under Article 1 of the abovementioned recommendation so as to allow the duty-free importation, within the limits of the quotas and ceilings specified in Article 1 of this Decision, of iron and steel products originating in the third countries concerned;

Whereas to this end the preferential import possibilities offered by the Communities should be allocated among the Member States in such a way as to

⁽¹⁾ OJ No 8, 22. 1. 1964, p. 99/64.

ensure equal and continuous access to all Community importers and the uninterrupted application of the preferential rates envisaged to all the imports in question in all Member States until such time as those import possibilities have been exhausted;

Whereas the time which would be needed to calculate the allocations plus a reserve cannot be reconciled with the necessary continuity in the application of the tariff preferences in question; whereas under these circumstances recourse must again be had to the standard scale which was used for the purposes of allocation among the Member States in respect of products covered by the Treaty establishing the European Economic Community; whereas for this new period it appears once more to be possible to make provision for a single allocation of preferential imports among the Member States;

Whereas the Governments of the Member States have been consulted on the derogation provided for by this Decision,

HAS ADOPTED THIS DECISION:

Article 1

By way of derogation from the obligations under Article 1 of High Authority recommendation 1/64, the Member States are hereby authorized

1. For the following products, tariff quotas with a nil rate of duty

Imports originating in countries and territories already enjoying various preferential regimes granted by the nine ECSC Member States are not to be charged against the above tariff quotas. For the purposes of the definition of the above quotas, the preferential amounts expressed in European units of account (EUA) shall be converted into national currencies at the following rates:

The application of these rates may not result, in terms of national currency, in charges against each of the quotas concerned being lower than those resulting from the corresponding minimum obligations laid down for 1978.

Once imports into the Community as a whole of products originating in beneficiary countries and territories have reached the ceiling defined hereinafter, the Member States may agree to restore duties throughout the Community.

The ceiling shall be equal to a figure representing, for each category of product, the value in European units of account of cif imports of the products in question into the Community in 1971 from the abovementioned countries and territories, other than those already accorded preferential tariff treatment by the nine Member States of the European Coal and Steel Community, plus 5 % of the value of cif imports in 1974 from other countries and from those already enjoying such preferential treatment. For the particular purpose of the abovementioned calculations, the statistics are to be considered as being expressed in

European units of account of the Common Customs Tariff.

Imports already exempted from customs duties under such preferential treatment shall not be counted against the said ceiling.

Article 2

Member States, acting in liaison with the Commission, shall ensure that imports into the Community under the tariff preferences provided for in Article 1 from any one of the countries and territories concerned do not exceed a specified fraction of the total quantity which may be imported into the Community under those preferences.

This fraction shall be 50 % for all products with the exception of those of heading No 73.08, for which it

shall be 40 %, and heading No 73.13, for which it shall be 30 %.

Article 3

The re-establishment of duties, when the ceilings and maximum amounts have been reached, shall not apply for the countries listed in Table III of the Annex.

Article 4

Member States shall notify the Commission at monthly intervals of the quantities imported under the tariff quotas, and at regular intervals of the quantities imported under the ceilings provided for in Article 1.

Each Member State shall immediately inform the Commission and the other Member States :

- if imports of a product reach the full amount of the quota or ceiling specified in Article 1 in respect of that product,
- if imports of products originating in one of the beneficiary countries or territories reach the percentage as specified in Article 2 of the amount of a quota or ceiling specified in Article 1.

Article 5

This Decision shall apply until 31 December 1979.

This Decision is addressed to the Member States.
