COMMISSION REGULATION (EEC) No 1916/79
of 31 August 1979
fixing the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by Regulation (EEC) No 1552/79 ⁽²⁾, and in particular Article 11 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 11 of Regulation (EEC) No 1418/76 provides for charging an import levy on paddy rice, husked rice, semi-milled rice, wholly milled rice and broken rice; whereas, in the case of husked rice, wholly milled rice and broken rice, the levy is equal to the difference between the threshold price and the cif price; whereas, in the case of paddy rice and semi-milled rice, the levy should be derived from the levies applicable to the corresponding husked rice and wholly milled rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1979/80 marketing year by Regulation (EEC) No 1774/79 ⁽³⁾;

Whereas, for the purpose of calculating cif prices, the Commission must take account of the factors indicated in Article 16 of Regulation (EEC) No 1418/76 and in Commission Regulation (EEC) No 1613/71 of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts relating thereto ⁽⁴⁾, as last amended by Regulation (EEC) No 1776/79 ⁽⁵⁾, and in particular the most favourable purchasing opportunities on the world market which are sufficiently representative of the real trend of the market, account being taken in particular of the need to prevent sudden variations likely to cause abnormal disturbances on the Community market; whereas the quality of the goods offered must also be taken into account, whether this quality as fixed in Regulation (EEC) No 1423/76 ⁽⁶⁾, or whether adjustments need to be made by applying the corrective amounts provided for in Regulation (EEC) No 1613/71;

Whereas, furthermore, in the case of round grain and long grain husked rice and round grain and long grain

wholly milled rice, the cif price is calculated on the basis of quotations or prices on the world market relating, for each type of rice, to the products specified in Article 4 of Regulation (EEC) No 1613/71; whereas, for this calculation, the conversion rates resulting from Commission Regulation No 467/67/EEC of 21 August 1967 fixing the conversion rates, the processing costs and the value of the by-products for the various stages of rice processing ⁽⁷⁾, as last amended by Regulation (EEC) No 1771/79 ⁽⁸⁾, should be used where appropriate;

Whereas, when these conversions are being effected, the Commission must take account of the fact that certain offers are for rice containing a higher percentage of broken rice than that allowed for in the standard quality fixed by Regulation (EEC) No 1423/76 and, in that case, must adjust the offers so as to conform with the value of one kilogram of broken rice fixed by Regulation No 467/67/EEC, as amended by Regulation (EEC) No 1808/74; whereas no adjustment is made, however, if the prices for husked rice and semi-milled or wholly milled rice taken into consideration are lower than those provided for in the last subparagraph of Article 4 of Regulation No 467/67/EEC;

Whereas Regulation (EEC) No 1613/71 requires the Commission to take account of the fact that certain offers are for delivery cost and freight or relate to a product put up in bags and, if this is the case, to adjust such offers by applying the rates or amounts fixed by the abovementioned Regulation to make the offers comparable to offers for delivery cif or relating to a product presented in bulk;

Whereas the cif price is calculated for Rotterdam on the basis of the abovementioned factors, offers made for other ports being adjusted, account being taken of the corrections necessitated by the difference in transport charges in relation to Rotterdam;

Whereas, if the conditions provided for in Article 1 (3) of Regulation (EEC) No 1613/71 obtain, the cif price may be calculated on the basis of offers for delivery during the following month or may be retained unaltered for a limited period;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy

relating to them must, pursuant to Regulation (EEC) No 706/76⁽¹⁾, as last amended by Regulation (EEC) No 1198/78⁽²⁾, be reduced by a fixed amount and by an amount corresponding to 50 % of the levy relating to third countries; whereas the levy must be further reduced in the case of semi-milled and wholly milled rice; whereas the charging of this levy is subject to conditions, some of which are set out in Article 9 of Regulation (EEC) No 706/76;

Whereas Council Regulation (EEC) No 1553/71 of 19 July 1971 amending Regulation No 359/67/EEC on the common organization of the market in rice⁽³⁾ altered the definitions given in Annex A to Regulation (EEC) No 1418/76 and incorporated in Supplementary Notes 2 and 3E to Chapter 10 of the Common Customs Tariff;

Whereas, in accordance with Article 20 (1) of Regulation (EEC) No 1418/76, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff;

Whereas levies are fixed once a week and are altered in the intervening period to take account of variations in threshold prices or in the factors used to determine cif prices; whereas, in the case of husked rice, wholly milled rice and broken rice, the levies are altered only if variations in the factors used to calculate the levy entail an increase or a reduction of at least 1.21 ECU per tonne in the amount of the levy in force;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁴⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas it follows from applying all the abovementioned provisions that the levies should be fixed as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the products listed in Article 1 (1) (a) and (b) of Regulation (EEC) No 1418/76 shall be as set out in the Annex hereto.

Article 2

COMMISSION REGULATION (EEC) No 1917/79

of 31 August 1979

fixing the premiums to be added to the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice ⁽¹⁾, as last amended by Regu-
lation (EEC) No 1552/79 ⁽²⁾, and in particular Article
13 (6) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the premiums to be added to the import
levies fixed in advance for rice and broken rice must
include a premium for the current month and a
premium for each of the following months until the
expiry of the period of validity of the import licence;
whereas this period of validity was laid down in
Article 8 of Commission Regulation (EEC) No
2042/75 of 25 July 1975 on special detailed rules for
the application of the system of import and export
licences for cereals and rice ⁽³⁾, as last amended by
Regulation (EEC) No 296/79 ⁽⁴⁾;

Whereas Council Regulation (EEC) No 1428/76 of 21
June 1976 ⁽⁵⁾ lays down rules for the advance fixing of
levies on rice and broken rice;

Whereas under the terms of Regulation (EEC) No
1428/76, where the cif price for husked rice, for
milled rice or for broken rice determined on the day
on which the premiums are fixed is higher than the
cif forward delivery price for the same product, the
premium should as a general rule be equal to the
difference between these two prices; whereas the cif
price is that determined in accordance with Article 16
of Regulation (EEC) No 1418/76 on the day on which
the premiums are fixed; whereas the detailed rules for
determining cif prices were laid down in Commission
Regulation (EEC) No 1613/71 of 26 July 1971 laying
down detailed rules for fixing cif prices and levies on
rice and broken rice and the corrective amounts
relating thereto ⁽⁶⁾, as last amended by Regulation
(EEC) No 1776/79 ⁽⁷⁾; whereas the cif forward
delivery price is also determined in accordance with

Article 16 of Regulation (EEC) No 1418/76 but on the
basis of offers at North Sea ports; whereas this price
must be the cif price for shipment during the month
in which the import licence is issued in the case of
imports to be effected during that month; whereas in
the case of imports to be effected during the month
following the month in which the import licence is
issued, this price must be the cif price for shipment
during the month in which importation is expected to
take place; whereas in the case of imports to be
effected during the remaining months for which the
import licence is valid, this price must be the cif price
for shipment during the month preceding the month
in which importation is expected to take place;
whereas, if no offer for forward delivery is made for
shipment during a given month, this price should be
the price ruling for shipment during the last month
in which an offer for forward delivery was made;

Whereas the premium shall be 0 ECU if the cif
forward delivery price is equal to the cif price or lower
by an amount not exceeding 0.30 ECU per tonne;

Whereas by virtue of Articles 6 and 7 of Regulation
(EEC) No 1428/76 the premium may, however, be
fixed at a higher level in exceptional circumstances
and within certain specified limits;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29
March 1979 ⁽⁸⁾ laid down the coefficient for
expressing amounts, fixed in units of account, in
ECU;

Whereas it follows from applying all these provisions
that the premiums should be as set out in the Annex
hereto; whereas the amount of the premiums should
be altered only if application of the abovementioned
provisions entails a change of more than 0.30 ECU,

COMMISSION REGULATION (EEC) No 1918/79**of 31 August 1979****fixing the export refunds on products processed from cereals and rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1547/79⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1552/79⁽⁴⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁶⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from

rice⁽⁷⁾, as last amended by Regulation (EEC) No 2245/78⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁹⁾, as amended by Regulation (EEC) No 2764/71⁽¹⁰⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the

quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each

of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

COMMISSION REGULATION (EEC) No 1919/79

of 31 August 1979

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1547/79⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the other;
whereas the same Article provides that it is also impor-
tant to ensure equilibrium and the natural develop-
ment of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules
to the present situation on the market in cereal-based
compound feedingstuffs that the export refund should
be fixed at an amount which will cover the difference
between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No
2743/75 of 29 October 1975 on the system to be
applied to cereal-based compound feedingstuffs⁽⁴⁾, as
amended by Regulation (EEC) No 2560/77⁽⁵⁾,
provides that, when export refunds on cereal-based

compound feedingstuffs are being fixed, only the
products normally used in the manufacture of
compound feedingstuffs for which a refund may be
fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69
of 29 September 1969 on the granting and the
advance fixing of the export refund on cereal-based
compound feedingstuffs⁽⁶⁾, as amended by Regulation
(EEC) No 3116/75⁽⁷⁾, provides that calculation of the
export refund must be based on the levy applicable to
maize; whereas this calculation must also take
account of the cereal products content; whereas, there-
fore, in the interest of simplification, compound
feedingstuffs should be placed in categories and the
refund for each category should be fixed on the basis
of a quantity of maize which is representative of the
usual cereal products content for the category
concerned; whereas, furthermore, the amount of the
refund must also take into account the possibilities
and conditions for the sale of those products on the
world market, the need to avoid disturbances on the
Community market and the economic aspect of the
export;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for compound feedingstuffs
according to destination;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

COMMISSION REGULATION (EEC) No 1920/79

of 31 August 1979

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as last amended by Regulation (EEC) No 1428/78⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.73 ECU from that average;

Whereas the basic amount must be fixed each month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.73 ECU from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 shall be, per 100 kilograms of product, 0.2986 ECU per percentage point of sucrose content.

COMMISSION REGULATION (EEC) No 1921/79

of 31 August 1979

fixing the export refunds on syrups and certain other sugar products, exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community area with the largest surplus for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 1922/79
of 31 August 1979
fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 9 of Regulation (EEC) No 2749/78 provides that Article 20 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁶⁾, as last amended by Regulation (EEC) No 2962/77⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— the olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be as set out in the Annex hereto;

(1) OJ No 172, 30. 9. 1966, p. 3025/66.

(2) OJ No L 78, 30. 3. 1979, p. 1.

(6) OJ No L 78, 31. 3. 1972, p. 1.

(7) OJ No L 348, 30. 12. 1977, p. 53.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽¹⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (2) (c) of Regulation No 136/66/EEC, exported to third countries and Greece, shall be as set out in the Annex hereto.

Article 2

COMMISSION REGULATION (EEC) No 1923/79

of 31 August 1979

fixing the export refunds on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 9 of Regulation (EEC) No 2749/78 provides that Article 28 of Regulation No 136/66/EEC and measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and Greece, and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽⁶⁾, as amended by Regulation (EEC) No 1480/79⁽⁷⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1294/79 of 25 June 1979 fixing the target prices and basic intervention prices for colza and rape seed and sunflower seed for the 1979/80 marketing year⁽⁸⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽⁸⁾ OJ No L 162, 30. 6. 1979, p. 13.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas it follows from applying these detailed rules to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be as set out in the Annex hereto for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, shall be as set out in the Annex hereto.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1761/78⁽²⁾, and in particular Article 17 (5) thereof,

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 707/78⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

Treaty which are manufactured under similar conditions;
