AGREEMENT

in the form of an exchange of letters between the European Economic Community and Barbados, the People's Republic of the Congo, Fiji, the Cooperative Republic of Guyana, Jamaica, the Republic of Kenya, the Democratic Republic of Madagascar, the Republic of Malawi, Mauritius, the Republic of Surinam, the Kingdom of Swaziland, the United Republic of Tanzania, Trinidad and Tobago and the Republic of Uganda, on the guaranteed prices for cane sugar for 1979/80

Letter No 1

Brussels,

Sir,

1. The representatives of the ACP States referred to in Protocol 3 on ACP sugar annexed to the ACP-EEC Convention of Lomé, of the Republic of Surinam, and of the Commission, on behalf of the European Economic Community, have agreed within the framework of the negotiations provided for in Article 5 (4) of the said Protocol, on the following :

— for the period 1 July 1979 to 30 June 1980 the guaranteed prices referred to in Article 5 (4) of the Protocol shall, for the purpose of intervention within the terms of Article 6 of the Protocol, be :

- (a) for raw sugar, 34.13 ECU per 100 kilograms ;
- (b) for white sugar, 42.30 ECU per 100 kilograms.

These prices, which represent an increase of 1.5 % over those of the preceding year, shall refer to sugar of standard quality as defined in Community legislation, unpacked, cif European ports of the Community.

2. It is noted by the parties to the Agreement that, having regard to market conditions generally and to other relevant factors and following discussions with the importers, the ACP States concerned strongly hoped that it would be possible to secure, in addition to the agreed guaranteed prices, a premium on Community markets during the delivery period 1979/80.
3. Although retroactivity is not provided for in respect of the 1979/80 prices, it is agreed that this year's decision does not prejudice the position of the ACP States in relation to retroactivity in any future negotiation in accordance with Article 4 (3) of Protocol 3 annexed to the ACP-EEC Convention of Lomé.
4. It was noted that the Council of Ministers of the Community had not authorized the inclusion of any factor in respect of freight charges in the determination of the guaranteed prices for the delivery period 1979/80. The ACP States reiterated their concern at the burden of these charges and requested that the subject should remain open for further consideration. The Community took note of this request.

I should be obliged if you would acknowledge receipt of this letter and confirm that this letter and your reply constitute an Agreement between the Governments of the abovementioned ACP States and the Community.

Please accept, Sir, the assurance of my highest consideration.

Whereas Council Decision 76/568/EEC of 29 June 1976 on the association of the overseas countries and territories with the European Economic Community⁽²⁾, embodies the application of this principle ; whereas in accordance with Article 4 (4) of Annex IV to that Decision the guaranteed prices are fixed annually ;

COUNCIL REGULATION (EEC) No 2300/79**of 16 October 1979****on exceptional aid to the Republic of Malta in the form of pigmeat**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 43 and 235 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament⁽¹⁾,

Whereas the Republic of Malta has submitted a request to the Community for exceptional aid in the form of pigmeat;

Whereas the requirements of that country, particularly in the wake of the swine fever epidemic which recently decimated its pig herds, justify such aid;

Whereas the Community has taken steps to participate, by means of financial assistance, in the programme to eradicate African swine fever in Malta;

Whereas exceptional aid in the form of pigmeat can be considered an essential adjunct to Community financial assistance to Malta;

Whereas the circumstances giving rise to the granting of the exceptional aid in question dictate that this operation cannot be carried out until action has been taken to slaughter pigs, destroy pigmeat and decontaminate farms, slaughterhouses and meat storage premises on Maltese territory;

Whereas the quantities of pigmeat to be supplied by way of aid, stocks being at present available within the Community, must be mobilized on the Community market;

Whereas the meat in question must be bought and transported as cheaply as possible; whereas provision must be made for a tendering procedure in order to achieve that aim;

Whereas this aid is of an exceptional nature; whereas the Regulations on the common organization of the markets in the pigmeat sector do not provide for tendering procedures; whereas the recipient country should therefore make its own arrangements, in accordance with the conditions to be laid down by the Commission, for mobilizing and transporting the meat in question;

Whereas implementation of this operation would appear to be conducive to furthering the aims of the Community;

Whereas the Treaty does not provide the specific powers of action for this purpose,

HAS ADOPTED THIS REGULATION:

Article 1

Exceptional aid consisting of 2 500 tonnes of pigmeat, in the form of carcasses or semi-carcasses, without head, feet or flare fat and of a quality no lower than class II on the Community scale for the classification of pig carcasses, having a unit price no higher than the average price recorded on the reference markets for the said class II adjusted if necessary for the presentation and point of marketing of the product, shall be granted to the Republic of Malta for consumption by the local population.

Article 2

The exceptional aid specified in Article 1 shall be mobilized by the recipient country on the Community market in accordance with the tendering procedure. The Commission shall lay down appropriate conditions for the tendering procedure and for the use of the aid by the recipient country.

Article 3

The exceptional aid operation may be implemented as soon as the necessary health measures have been taken in Malta in respect of:

- the slaughter of pigs,
- the destruction of all types of pigmeat and of all pigmeat-based products with the exception of preserves in sterilized tins,
- the cleaning, disinfection, disinsectization and deratization of farms and all places likely to have been contaminated by pigs, pigmeat or pigmeat-based products.

Article 4

No refund shall be payable in respect of the goods supplied by way of exceptional aid under this Regulation.

⁽¹⁾ Opinion delivered on 28 September 1979 (not yet published in the Official Journal).

Article 5

The Community shall finance refrigerated transportation of the exceptional aid to the port of unloading.

Article 6

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 16 October 1979.

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾, and in particular Article 5 (2) thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁶⁾, as last amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁷⁾, as amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹¹⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹²⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world or Greek markets and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 15 and 16 October 1979 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽¹³⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

HAS ADOPTED THIS REGULATION :

Having regard to the Treaty establishing the European
Economic Community,

Article 1

Having regard to Council Regulation (EEC) No
516/77 of 14 March 1977 on the common organiza-
tion of the market in products processed from fruit
and vegetables⁽¹⁾, as last amended by Regulation
(EEC) No 1639/79⁽²⁾, and in particular Article 3c
thereof,

juices, the statement referred to under (d) may also
include the quantity of concentrate or juice, not
exceeding 40 % of the total quantity obtained,

tion.’

Whereas experience has shown that, in order to facil-
itate the work of undertakings producing tomato
concentrates and tomato juices, certain rules relating
to the submission of applications for aid in respect of
those products, as laid down in Commission Regula-
tion (EEC) No 1530/78⁽³⁾, as amended by Regulation

preventive withdrawals may relate to no more than
40 % of this quantity, that is, 255 120 tonnes ;

the various Member States in proportion to the
surpluses anticipated in each one of them ;

Whereas, during the period 12 to 25 September 1979,
the prices communicated in accordance with the provi-
sions of the first subparagraph of Article 17 (1) of
Regulation (EEC) No 1035/72 fluctuated on the St

prices have therefore stood, for eight successive
market days, between the buying-in price and 80 %
of the basic price ;

are in accordance with the opinion of the Manage-
ment Committee for Fruit and Vegetables,

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1761/78⁽²⁾, and in particular Article 10 (3) thereof,

Whereas special measures were taken to promote the disposal of skimmed-milk powder by its use in feed for animals other than young calves in order to deal with the market situation in that product which was marked by considerable stocks and few outlets; whereas, among these measures, Commission Regulation (EEC) No 1844/77 of 10 August 1977⁽³⁾, as last amended by Regulation (EEC) No 1726/79⁽⁴⁾, provided for the granting by tender of special aid for skimmed-milk powder intended as feed for animals other than young calves;

Whereas, in view of the drop in public stocks of skimmed-milk powder and of the general situation at

particular Article 7 (5) thereof,

Whereas various special measures intended to
promote the disposal of skimmed-milk powder have
been taken in order to deal with the market situation

involved in particular are Commission Regulation
(EEC) No 368/77 of 23 February 1977 concerning the
sale by tender of skimmed-milk powder for use in

COMMISSION REGULATION (EEC) No 2308/79
of 19 October 1979

re-establishing the levying of customs duties on nets and netting made of twine, cordage or rope, etc., falling within heading No 59.05 and originating in South Korea, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 1195/79 apply

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1195/79 of 12 June 1979 opening, allocating and
providing for the administration of Community tariff
preferences for textile products originating in deve-
loping countries and territories⁽¹⁾, and in particular
Article 4 thereof,

Whereas Article 2 (1) and (3) of that Regulation
provides that customs duties may, for each category of
products listed in Annex C to that Regulation, be
suspended up to a Community ceiling equal to 96 %
of the sum arrived at by adding together the value of
the products in question, in tonnes, imported into the
Community in 1968 and coming from countries listed
in Annex D thereto, but not including products
coming from countries already covered by various pref-
erential tariff arrangements established by the Commu-
nity, and 5 % of the 1970 tonnage of such imports
coming from other countries and from countries
already covered by such arrangements; whereas,
having regard to that ceiling, the amounts for
products originating in any one of the countries listed
in Annex D should be within a maximum Commu-
nity amount representing 50 % of that ceiling, with
the exception of certain products for which the
maximum amount is to be reduced to the percentage
indicated in Annex C to the abovementioned Regula-
tion;

Whereas Article 3 (2) of that Regulation provides that
the levying of customs duties may be re-established at
any time in respect of imports of the products in ques-
tion originating in any of the said countries and terri-
tories, with the exception of countries listed in its

Annex E, once the relevant Community maximum
amount has been reached;

Whereas, in respect of nets and netting made of
twine, cordage or rope, etc., falling within heading No
59.05, the ceiling, calculated as indicated above,
should be 27.3 tonnes, and therefore the maximum
amount is 13.65 tonnes; whereas on 10 October 1979
the amounts of imports into the Community of nets
and netting made of twine, cordage or rope, etc.,
falling within heading No 59.05 and originating in
South Korea, a country covered by preferential tariff
arrangements, reached that maximum amount;
whereas, bearing in mind the objectives of Regulation
(EEC) No 1195/79 which provides that maximum
amounts should not be exceeded, customs duties
should be re-established in respect of the products in
question in relation to South Korea,

HAS ADOPTED THIS REGULATION:

Article 1

As from 23 October 1979, the levying of customs
duties, suspended in pursuance of Council Regulation
(EEC) No 1195/79 shall be re-established in respect of
the following products, imported into the Community
and originating in South Korea:

CCT heading No	Description
59.05	Nets and netting made of twine, cordage or rope, and made up fishing nets of yarn, twine, cordage or rope

of 19 October 1979

re-establishing the levying of customs duties on other sewing machines and other sewing machine heads, falling within subheading 84.41 A II and originating in South Korea, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3156/78 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3156/78 of 29 December 1978 establishing preferential tariffs in respect of certain products originating in developing countries ⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in European units of account, which will be equal — with the exception of certain products the value of the ceilings for which is given in Annex A to the Regulation in question — to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1976 cif imports coming from other countries and from countries and territories already covered by such arrangements; whereas, however, the ceiling resulting from the sum of this addition may in no case exceed 150 % of the preferential ceiling open for 1978;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation; whereas, for these products, this reduced percentage will be 40 %;

Whereas Article 2 (2) and (3) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories — with the exception of those listed in Annex C to the abovementioned Regulation — once the relevant Community amount has been reached;

⁽¹⁾ OJ No L 375, 30. 12. 1978, p. 26.

Whereas, in respect of other sewing machines and other sewing machine heads, falling within subheading 84.41 A II, the ceiling, calculated as indicated above, should be 2 426 000 European units of account, and therefore the maximum amount is 970 400 European units of account; whereas on 10 October 1979, the amounts of imports into the Community of other sewing machines and other sewing machine heads, falling within subheading 84.41 A II and originating in South Korea, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3156/78 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to South Korea,

HAS ADOPTED THIS REGULATION:

Article 1

As from 23 October 1979, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3156/78, shall be re-established in respect of the following products, imported into the Community and originating in South Korea:

CCT heading No	Description

Member of the Commission

COMMISSION REGULATION (EEC) No 2310/79

of 19 October 1979

introducing a countervailing charge on table grapes originating in Greece

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1035/72 of 18 May 1972 on the common organization
of the market in fruit and vegetables⁽¹⁾, as last
amended by Regulation (EEC) No 1301/79⁽²⁾, and in
particular the second subparagraph of Article 27 (2)
thereof,

Whereas Article 25 (1) of Regulation (EEC) No
1035/72 provides that, if the entry price of a product
imported from a third country remains at least 0.50
unit of account below the reference price for two
consecutive market days, a countervailing charge must
be introduced in respect of the exporting country
concerned, save in exceptional circumstances;
whereas this charge is equal to the difference between
the reference price and the arithmetic mean of the
last two entry prices available for that exporting
country;

Whereas Commission Regulation (EEC) No 1418/79
of 9 July 1979 fixing the reference prices for table
grapes for the 1979 marketing year⁽³⁾ fixed the refer-
ence price for products of class I for October at 34.23
ECU per 100 kilograms net;

Whereas the entry price for a given exporting country
is equal to the lowest representative prices recorded
for at least 30 % of the quantities from the exporting
country concerned which are marketed on all repre-
sentative markets for which prices are available, less
the duties and the charges indicated in Article 24 (3)
of Regulation (EEC) No 1035/72; whereas the
meaning of 'representative price' is defined in Article
24 (2) of Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regula-
tion (EEC) No 2118/74⁽⁴⁾, as last amended by Regula-
tion (EEC) No 668/78⁽⁵⁾, the prices to be taken into

consideration must be recorded on the representative
markets or, in certain circumstances, on other
markets;

Whereas for Greek table grapes the entry price calcu-
lated in this way has remained at least 0.50 unit of
account below the reference price for two consecutive
market days; whereas a countervailing charge should
therefore be introduced for these table grapes;

Whereas if the system is to operate normally the entry
price should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29
March 1979⁽⁶⁾ laid down the coefficient for
expressing amounts, fixed in units of account, in
ECU,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 4.76 ECU per 100 kilo-
grams net is applied to table grapes (subheading 08.04
A I of the Common Customs Tariff) originating in
Greece.
