COMMISSION REGULATION (EEC) No 2608/79

of 26 November 1979

fixing the amount of the securities applicable to certain olive oils released into free circulation in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾,

Having regard to Council Regulation (EEC) No 3089/78 of 19 December 1978 laying down general rules in respect of aid for the consumption of olive oil⁽³⁾, as amended by Regulation (EEC) No 2380/79⁽⁴⁾, and in particular the last subparagraph of Article 9 (1) thereof,

Whereas, in the event of a substantial alteration in consumption aid, the last subparagraph of Article 9 (1) of Regulation (EEC) No 3089/78 authorizes the Commission, as soon as the alteration in such aid has been decided on, to adjust the amount of the security applicable to imported olive oils;

Whereas for the 1979/80 marketing year the amount of consumption aid has been increased substantially with effect from 1 November 1979; whereas, in order to avoid speculative transactions, it is appropriate to adjust the amount of the security to take account of that alteration;

Whereas, having regard to Article 2 of Regulation (EEC) No 2380/79, this alteration should be applied with effect from the date on which such speculation could occur,
