**COUNCIL REGULATION (EEC) No 2717/79
of 3 December 1979**

**amending, with respect to the Danish kroner, Regulation (EEC) No 878/77 on
the exchange rates to be applied in agriculture**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 129 on the
value of the unit of account and the exchange rates to
be applied for the purposes of the common agricul-
tural policy⁽¹⁾, as last amended by Regulation (EEC)
No 2543/73⁽²⁾, and in particular Article 3 thereof,

Having regard to the proposal from the Commission,

Whereas the representative rates currently applicable
were fixed by Council Regulation (EEC) No 878/77 of
26 April 1977 on the exchange rates to be applied in
agriculture⁽³⁾, as last amended by Regulation (EEC)
No 2139/79⁽⁴⁾;

Whereas with effect from 30 November 1979 a
change in the central rate of the Danish kroner has
occurred within the European monetary system;
whereas this change theoretically involves the intro-
duction of monetary compensatory amounts in
Denmark; whereas it is possible to avoid this effect by
making a corresponding change in the representative
rate of the Danish kroner;

Whereas this rate must be adopted immediately in
order to avoid the introduction of monetary compensa-
tory amounts in Denmark;

Whereas the Monetary Committee will be consulted
and whereas, in view of the urgency, it is necessary to
adopt the measures envisaged under the conditions
provided for in Article 3 (2) of Regulation No 129,

HAS ADOPTED THIS REGULATION:

Article 1

The following subparagraph is added to paragraph 8
of Article 2a of Regulation (EEC) No 878/77:

'This representative rate is replaced by that of 1
Danish kroner = 0.129477 ECU with effect
from:

- 1 January 1980 in the fisheries sector,
- 5 December 1979 in all other cases.'

Article 2

This Regulation shall enter into force on 5 December
1979.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 3 December 1979.

**COMMISSION REGULATION (EEC) No 2720/79
of 4 December 1979**

fixing the amount of the production levy for the 1978/79 sugar marketing year

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
3330/74 of 19 December 1974 on the common organi-
zation of the market in sugar⁽¹⁾, as last amended by
Regulation (EEC) No 1396/78⁽²⁾, and in particular
Article 27 (7) thereof,

Whereas Article 7 (1) of Commission Regulation
(EEC) No 700/73⁽³⁾, as last amended by Regulation
(EEC) No 114/79⁽⁴⁾, provides that the amount of the
production levy must be fixed for each sugar
marketing year; whereas the criteria for fixing the said
amount are laid down in Article 27 (2) of Regulation
(EEC) No 3330/74;

Whereas Article 27 (2) of Regulation (EEC) No
3330/74 provides that the production levy shall be
calculated per unit of weight by dividing total losses
incurred in marketing the quantity produced in the
Community outside the guaranteed quantity by the
sum of the quantities produced outside the basic
quota by Community undertakings and that the
guaranteed quantity shall be equal to human consump-
tion in the Community less the quantity imported on
preferential terms during the same period; whereas,
however, the guaranteed quantity may not be less than
the sum of the basic quotas; whereas the result of the
last-mentioned calculation is less than this sum;

whereas, therefore, the guaranteed quantity is equal to
9 136 000 tonnes;

Whereas Article 27 (3) of Regulation (EEC) No
3330/74 provides that the production levy may not
exceed a certain maximum amount; whereas Council
Regulation (EEC) No 1399/78⁽⁵⁾ fixed the maximum
amount of the production levy at 12.15 ECU per 100
kilograms of white sugar;

Whereas the amount which results from the calcula-
tion of the levy is higher than the maximum amount;
whereas, therefore, the levy should be fixed at 12.15
ECU per 100 kilograms of white sugar;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The amount of the production levy for the 1978/79
sugar marketing year shall be 12.15 ECU per 100 kilo-
grams of white sugar.

Article 2

This Regulation shall enter into force on the day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COMMISSION REGULATION (EEC) No 2721/79

of 3 December 1979

re-establishing the levying of customs duties on other butyl alcohols, falling within subheading 29.04 A III b) and originating in Romania, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3156/78 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3156/78 of 29 December 1978 establishing preferential tariffs in respect of certain products originating in developing countries⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in European units of account, which will be equal — with the exception of certain products the value of the ceilings for which is given in Annex A thereto — to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1976 cif imports coming from other countries and from countries and territories already covered by such arrangements; whereas, however, the ceiling resulting from the sum of this addition may in no case exceed 150 % of the preferential ceiling open for 1978;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B thereto should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A thereto; whereas, for these products, this reduced percentage will be 50 %;

Whereas Article 2 (2) and (3) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories, with the exception of those

listed in Annex C thereto, once the relevant Community amount has been reached;

Whereas, in respect of other butyl alcohols falling within subheading 29.04 A III b), the ceiling, calculated as indicated above, should be 630 000 European units of account, and therefore the maximum amount is 315 000 European units of account; whereas on 26 November 1979 the amounts of imports into the Community of other butyl alcohols, falling within subheading 29.04 A III b) and originating in Romania, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3156/78 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Romania,

HAS ADOPTED THIS REGULATION:

Article 1

As from 8 December 1979, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3156/78, shall be re-established in respect of the following products, imported into the Community and originating in Romania:

CCT heading No	Description
29.04	Acyclic alcohols and their halogenated sulphonated, nitrated or nitrosated derivatives: A. Saturated monohydric alcohols: III. Butyl alcohols: b) Other butyl alcohols

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2722/79

of 4 December 1979

amending Regulation (EEC) No 1054/78 following the fixing of new rates of exchange to be applied in agriculture for Denmark

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 878/77 of 26 April 1977 on the exchange rates to be applied in agriculture⁽¹⁾, as last amended by Regulation (EEC) No 2717/79⁽²⁾, and in particular Article 5 thereof,

Whereas Article 2 (2) of Commission Regulation (EEC) No 1054/78 of 19 May 1978 laying down detailed rules for the application of Council Regulation (EEC) No 878/77 on the exchange rates to be applied in agriculture and replacing Regulation (EEC) No 937/77⁽³⁾, as last amended by Regulation (EEC) No 2523/79⁽⁴⁾, laid down that the provisions of the last subparagraph of Article 4 (1) of Council Regulation (EEC) No 1134/68 of 30 July 1968 laying down rules for the implementation of Regulation (EEC) No 653/68 on conditions for alterations to the value of the unit of account used for the common agricultural policy⁽⁵⁾, shall apply only where alterations to the representative rates are concerned which occurred up to 1 October 1979;

Whereas Article 2a of Regulation (EEC) No 878/77 was amended by Regulation (EEC) No 2717/79 in order to take account of the fixing of the new representative rate for the Danish kroner, taking effect in principle on 5 December 1979; whereas it is appropriate, therefore, to supplement Regulation (EEC) No 1054/78;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the relevant management committees,

 - before 1 October 1979 as regards the representative rates referred to in Article 2a (3) to (5), (6) and the first subparagraph of (8) of Regulation (EEC) No 878/77 in the version introduced by Regulation (EEC) No 2139/79⁽²⁾ for the products and Member States concerned and as from the dates therein stated,
 - before 30 November 1979 as regards the representative rate of the Danish kroner referred to in the second subparagraph of Article 2a (8) of Regulation (EEC) No 878/77 in the version introduced by Regulation (EEC) No 2717/79 for the products concerned and as from the date therein stated.

COMMISSION REGULATION (EEC) No 2723/79

of 4 December 1979

fixing the components used to calculate the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾,

Having regard to Council Regulation (EEC) No 878/77 of 26 April 1977 on the exchange rates to be applied in agriculture⁽³⁾, as last amended by Regulation (EEC) No 2717/79⁽⁴⁾;

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed⁽⁵⁾, as last amended by Regulation (EEC) No 852/78⁽⁶⁾, and in particular Article 2 (2) thereof,

Whereas Article 2 (1) (a) of Regulation (EEC) No 1569/72 provides that the differential amounts for those Member States which keep their exchange rates at any given moment within a band of 2.25 % must be determined by taking into account the incidence on prices of the percentage difference between :

- the conversion rate used for the purposes of the common agricultural policy, and
- the conversion rate resulting from the central rate ;

Whereas this leads to the fixing of differential amounts which remain constant as long as the information used to calculate them remains unchanged ;

Whereas, following the adjustments to the central rates made under the European Monetary System and the alteration to the representative rate of the Danish kroner, the rules provided for in Regulation (EEC) No 1569/72 mean that the components used to calculate the differential amounts are altered ;

Whereas, applying the method of calculating differential amounts to Denmark, no such amounts should be fixed for seeds harvested therein and processed therein or exported therefrom ;

Whereas under Article 2 (1) (b) of the aforementioned Regulation the differential amounts for Italy and the

United Kingdom are to be determined by taking into account the incidence on the price of the average percentage difference between :

- the ratio between the conversion rate used for purposes of the common agricultural policy for the currency of the relevant Member State and the actual parity of each of the currencies of the Member States which keep their exchange rates at any given moment within a band of 2.25 %, and
- the spot market rate recorded over a given period for the currency of the relevant Member State against each of the currencies of the Member States specified above ;

Whereas Regulation (EEC) No 2300/73⁽⁷⁾, as last amended by Commission Regulation (EEC) No 1234/77⁽⁸⁾, lays down detailed rules for the application of Regulation (EEC) No 1569/72 ;

Whereas for the Italian lira and the pound sterling, the differential components should be calculated from the spot market rates recorded during the reference period 21 to 27 November 1979 in order to avoid any variations in treatment between the different sectors ;

Whereas it follows from applying the detailed rules set out above that the components used to calculate the differential amounts should be as set out in the Annex hereto ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The components used to calculate the differential amounts provided for in Article 1 of Regulation (EEC) No 1569/72 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 5 December 1979.
