COMMISSION REGULATION (EEC) No 35/80

of 9 January 1980

fixing the export refunds on white sugar and raw sugar, exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that when refunds on white and raw sugar, undenatured and exported in the natural state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 3 of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account;

Whereas the refund on raw sugar must be fixed in respect of the standard quality; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar⁽⁵⁾; whereas, furthermore, this refund should be fixed in accordance with Article 5 (2) of Regulation (EEC) No 766/68; whereas candy sugar is defined in Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁶⁾, as amended by Regulation (EEC) No 1467/77⁽⁷⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed every two weeks; whereas it may be altered in the intervening period;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (a) of Regulation (EEC) No 3330/74, undenatured and exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 10 January 1980.

COMMISSION REGULATION (EEC) No 36/80**of 7 January 1980****on arrangements for imports into the United Kingdom and France respectively of babies' woven garments and of women's, girls' and infants' (other than babies') woven and knitted or crocheted dresses, originating in Pakistan**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3059/78 of 21 December 1978 on common rules for imports of certain textile products originating in third countries⁽¹⁾, as last amended by Regulation (EEC) No 2143/79⁽²⁾, and in particular Articles 11 and 15 thereof,

Whereas Article 11 of Regulation (EEC) No 3059/78 lays down the conditions on which quantitative limitations may be established; whereas imports into the United Kingdom of babies' woven garments (category 80) and imports into France of women's, girls' and infants' (other than babies') woven and knitted or crocheted dresses (category 26), originating in Pakistan, have exceeded the respective levels referred to in paragraph 3 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article, Pakistan was notified on 22 October 1979 and 12 November 1979 of requests for consultations; whereas, following these consultations, it is desirable to make the products in question subject to quantitative limitation for the years 1980 to 1982;

Whereas paragraph 13 of the said Article 11 ensures that the quantitative limits are observed by means of a

double-checking system in accordance with Annex V to the Regulation in question;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textile Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Importation into the United Kingdom and France of the categories of products originating in Pakistan specified in the Annex hereto shall be subject to the quantitative limits set out in that Annex.

Article 2

Whereas, in order to supervise exports of coffee from the Community, provision should be made for certain formalities concerning the use of the certificate of re-export to be completed at the customs office by which the goods leave the Community;

Whereas, for ease of administration, it is desirable to provide for more flexible rules where coffee declared for exportation is carried to third countries under the procedure laid down in Section I of Title IV of Commission Regulation (EEC) No 223/77 of 22 December 1976 on provisions for the implementation of the Community transit procedure and for certain simplification of that procedure ⁽²⁾, as last amended by Regulation (EEC) No 1964/79 ⁽³⁾;

Whereas it is laid down in Article 4 of Regulation (EEC) No 2436/79 that the Commission shall fix, from the time of the introduction or suspension of a quota, the date on which the provisions relating to the implementation of the system of certificates of origin shall become applicable or shall cease to be applicable;

Article 1

The certificate of re-export provided for in Article 3 (1) of Regulation (EEC) No 2436/79 shall be presented at the customs office where the customs export formal-

ities are carried out. Where that office is not the office by which the goods in question leave the Community, that certificate shall also be presented at the customs office by which the goods leave. Such latter office shall stamp the certificate and channel it as provided for by the rules in the Annex to Regulation (EEC) No 2436/79.

Having regard to the application under the first para-

November 1979 by the Italian Government to the
Commission of the European Communities, for
authorization not to apply Community treatment to

Whereas the importation into the Community of the

taken to take all necessary steps to limit its exports of
the products in question to the Community up to the

cate those ceilings on the basis of the needs of the

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION :

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 19 November 1979 by the Italian Government to the Commission of the European Communities, for authorization not to apply Community treatment to woven fabrics of cotton, other than gauze, terry fabrics, narrow woven fabrics, pile fabrics, chenille fabrics, tulle and other net fabrics, falling within heading No 55.09 of the Common Customs Tariff (NIMEXE codes 55.09-01, 02, 03, 04, 05, 11, 12, 13, 14, 15, 16, 17, 19, 21, 29, 31, 33, 35, 37, 38, 39, 41, 49, 51, 52, 53, 54, 55, 56, 57, 59, 61, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 76, 77, 78, 81, 82, 83, 84, 86, 87, 92, 93, 97) (category 2), originating in South Korea and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in South Korea is covered by an Agreement negotiated between the Community and that country;

Whereas under that Agreement South Korea has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:

Article 1

The Italian Republic is authorized not to apply Community treatment to the products indicated below, where they originate in South Korea and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 15 November 1979:

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 23 November 1979 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to men's and boys' garments, including collars, shirt fronts and cuffs ; men's and boys' shirts, woven, of wool, of cotton or of man-made textile fibres, falling within heading No ex 61.03 of the Common Customs Tariff (NIMEXE codes 61.03-11, 15, 19) (category 8), originating in the People's Republic of China and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in the People's Republic of China is subject to a quantitative restriction ;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned ;

Whereas there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment ;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof ;

Whereas, however, the application for licences which gave rise to the application in question does not need to be covered to its entire amount by such an authorization,

HAS ADOPTED THIS DECISION :

Article 1

The French Republic is authorized not to apply Community treatment to the products indicated below, where they originate in the People's Republic of China and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 13 November 1979. However, the authorization does not cover an amount of 50 000 pieces which shall be distributed among the applicants for the abovementioned licences :
