COMMISSION REGULATION (EEC) No 60/80
of 14 January 1980
fixing the export refunds on eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs ⁽¹⁾, as amended by Regulation (EEC) No 368/76 ⁽²⁾, and in particular the first sentence of the fifth subparagraph of Article 9(2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 9 of Regulation (EEC) No 2771/75 provides that the difference between prices on the world market for the products listed in Article 1(1) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 2774/75 of 29 October 1975 ⁽³⁾ lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying these rules and criteria to the present situation on the market in eggs that the refund should be fixed at an amount which would permit Community participation in world trade and would also take account of the nature of these exports and their importance at the present time;

Whereas the Management Committee for Poultrymeat and Eggs has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products on which, when they are exported in the natural state, the export refund referred to in Article 9 of Regulation (EEC) No 2771/75 is granted, and the amount of that refund, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 15 January 1980.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 61/80**of 11 January 1980****amending Regulation (EEC) No 2712/79 as regards the exclusion of certain producers from the application of the provisional anti-dumping duty on certain acrylic fibres**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3017/79 of 20 December 1979 on protection against dumped or subsidized imports from countries not members of the European Economic Community⁽¹⁾, and in particular Article 11 thereof,

After hearing the opinions expressed in the Advisory Committee set up under the said Regulation,

Whereas the Commission received a complaint from the Community producers of acrylic fibres concerning dumping of all imports of the like product from the United States of America and certain other countries ;

Whereas, since the information received indicated that the complaint was admissible and that defensive measures against dumping might be necessary, the Commission commenced investigation of American Cyanamid Company, the only American exporter known to be concerned ; whereas during the course of the preliminary examination the Commission was also requested to investigate two other American exporters, the Badische Corporation and E. I. Dupont de Nemours and Company ;

Whereas it emerged from the preliminary examination of the facts that dumping existed on imports from the American Cyanamid Company and the Badische Corporation, who together represented by far the largest proportion of US exports of this product ;

Whereas, in order to protect Community interests the Commission, by Regulation (EEC) No 2712/79⁽²⁾, imposed a provisional anti-dumping duty on imports of acrylic fibre originating in the USA ; whereas, in order to prevent evasion of this duty, it was imposed on all imports from the USA with the exception of those acrylic fibres produced and exported by the Badische Corporation who offered a price undertaking and those produced and exported by E. I. Dupont de Nemours, who were not found to be dumping ;

Whereas, since the date of imposition of this anti-dumping duty, Eastman Chemical International AG,

Zug, Switzerland, a subsidiary of Eastman Kodak Company, USA, and Monsanto International Sales Company, St. Louis, Missouri, USA, made themselves known as exporters of acrylic fibres to the Community and claimed that the prices of these exports under comparable conditions are not lower than their prices on the American market and that they should therefore be excluded from application of the duty ; whereas the Commission has been able to satisfy itself on the basis of the information available that no dumping exists for products exported to the Community by these two companies during the investigation period 1 June 1978 to 31 May 1979 ;

Whereas moreover, the International Rayon and Synthetic Fibres Committee (CIRFS), which presented the dumping complaint in question, has confirmed that there is no injury suffered as a result of the high-priced modacrylic fibre exported to the Community by the two companies in question ;

Whereas, consequently, it is appropriate to exclude Eastman Chemical International AG and Monsanto International Sales Company from the application of this duty,

HAS ADOPTED THIS REGULATION :

Article 1

The names of the following undertakings shall be added to the list in Article 1 (2) of Regulation (EEC) No 2712/79 :

- Eastman Chemicals Division of Eastman Kodak Company, Kingsport, Tennessee, USA (exported by Eastman Chemical International AG, Zug, Switzerland),
- Monsanto International Sales Company, St. Louis, Missouri, USA.

Article 2

Any amounts secured by Eastman Chemical Products and Monsanto by way of provisional duty under Regulation (EEC) No 2712/79 shall be released.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

Without prejudice to the provisions of Article 14 of Regulation (EEC) No 3017/79, or to any decision taken by the Council, the present Regulation shall apply for the same period of time as Regulation (EEC) No 2712/79.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 62/80**of 14 January 1980****fixing the rates of the refunds applicable from 15 January 1980 to eggs and egg yolks exported in the form of goods not covered by Annex II to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs⁽¹⁾, as amended by Regulation (EEC) No 368/76⁽²⁾, and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof,

Whereas Article 9 (1) of Regulation (EEC) No 2771/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 707/78⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 2771/75;

Whereas, in accordance with the second subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kg for each of the basic products in question must be fixed for a period of the same duration as that for which refunds are fixed for the same products exported unprocessed;

Whereas, in accordance with paragraph 2 of that Article, when that rate is being determined particular account should be taken of:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world market;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions; and
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas the Management Committee for Poultrymeat and Eggs has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable from 15 January 1980 to the products appearing in Annex A to Regulation (EEC) No 2682/72 and listed in Article 1 (1) of Regulation (EEC) No 2771/75, exported in the form of goods listed in the Annex to Regulation (EEC) No 2771/75, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 15 January 1980.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
