THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹¹⁾ the Commission decided to use the tendering procedure to fix levies on olive oil ;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹²⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world or Greek markets and the Community market and of the levy rates indicated by tenderers ;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries ; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries ;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 28 and 29 January 1980 leads to the minimum levies being fixed as indicated in Annex I to this Regulation ;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products ; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate ; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1547/79⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78⁽⁵⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 213/80

of 31 January 1980

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1547/79⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 113/80⁽⁴⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁶⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from

rice⁽⁷⁾, as last amended by Regulation (EEC) No 2245/78⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁹⁾, as amended by Regulation (EEC) No 2764/71⁽¹⁰⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the

quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

COMMISSION REGULATION (EEC) No 214/80**of 31 January 1980****fixing the export refunds on cereal-based compound feedingstuffs**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1547/79⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the other;
whereas the same Article provides that it is also impor-
tant to ensure equilibrium and the natural develop-
ment of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules
to the present situation on the market in cereal-based
compound feedingstuffs that the export refund should
be fixed at an amount which will cover the difference
between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No
2743/75 of 29 October 1975 on the system to be
applied to cereal-based compound feedingstuffs⁽⁴⁾, as
amended by Regulation (EEC) No 2560/77⁽⁵⁾,
provides that, when export refunds on cereal-based

compound feedingstuffs are being fixed, only the
products normally used in the manufacture of
compound feedingstuffs for which a refund may be
fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69
of 29 September 1969 on the granting and the
advance fixing of the export refund on cereal-based
compound feedingstuffs⁽⁶⁾, as amended by Regulation
(EEC) No 3116/75⁽⁷⁾, provides that calculation of the
export refund must be based on the levy applicable to
maize; whereas this calculation must also take
account of the cereal products content; whereas, there-
fore, in the interest of simplification, compound
feedingstuffs should be placed in categories and the
refund for each category should be fixed on the basis
of a quantity of maize which is representative of the
usual cereal products content for the category
concerned; whereas, furthermore, the amount of the
refund must also take into account the possibilities
and conditions for the sale of those products on the
world market, the need to avoid disturbances on the
Community market and the economic aspect of the
export;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for compound feedingstuffs
according to destination;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

COMMISSION REGULATION (EEC) No 215/80

of 31 January 1980

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as last amended by Regulation (EEC) No 1428/78⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.73 ECU from that average;

Whereas the basic amount must be fixed each month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.73 ECU from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 shall be, per 100 kilograms of product, 0.1476 ECU per percentage point of sucrose content.

Article 2

This Regulation shall enter into force on 1 February 1980.

COMMISSION REGULATION (EEC) No 216/80

of 31 January 1980

fixing the export refunds on syrups and certain other sugar products, exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community area with the largest surplus for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 217/80

of 31 January 1980

fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 9 of Regulation (EEC) No 2749/78 provides that Article 20 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁶⁾, as last amended by Regulation (EEC) No 2962/77⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— the olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be as set out in the Annex hereto;

(1) OJ No 172, 30. 9. 1966, p. 3025/66.

(6) OJ No L 78, 31. 3. 1972, p. 1.

(7) OJ No L 348, 30. 12. 1977, p. 53.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (2) (c) of Regulation No 136/66/EEC, exported to third countries and Greece, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 218/80**of 31 January 1980****fixing the export refunds on oil seeds**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
590/79⁽²⁾,

Having regard to Council Regulation (EEC) No
2749/78 of 23 November 1978 on trade in oils and
fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC
of 21 June 1967 on export refunds on colza, rape and
sunflower seeds⁽⁴⁾, as last amended by Regulation
(EEC) No 2429/72⁽⁵⁾, and in particular the first
sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 28 of Regulation No 136/66/EEC
provides that a refund may be granted on exports to
third countries of oil seeds harvested within the
Community; whereas the amount of this refund may
not exceed the difference between prices within the
Community and prices on the world market where
the former are higher than the latter; whereas Article
21 of Regulation No 136/66/EEC provides that, at
present, Article 28 of that Regulation applies only to
colza, rape and sunflower seeds;

Whereas Article 9 of Regulation (EEC) No 2749/78
provides that Article 28 of Regulation No 136/
66/EEC and measures taken in application thereof
apply, subject to the provisions of the Agreement esta-
blishing an Association between the European
Economic Community and Greece, to trade between
the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC
provides that when the refund is being calculated
account must be taken of prices ruling on the various
Community markets which are representative from
the point of view of processing and exportation; the
most favourable quotations recorded on the various
markets of importing third countries and Greece, and
costs incurred in placing the goods on the world
market; whereas, when the amount of the refund is
being fixed, account must also be taken of the level of
market prices within the Community for the oil seeds
referred to in Article 21 of Regulation No 136/
66/EEC and the future trend of these prices; whereas,
furthermore, account should be taken of the economic
aspect of the proposed exports and the situation in the
Community regarding the supply of and demand for
these seeds;

Whereas Article 1 of Commission Regulation (EEC)
No 651/71 of 29 March 1971 on certain detailed rules
for the application of export refunds on oil seeds⁽⁶⁾, as
amended by Regulation (EEC) No 1480/79⁽⁷⁾,
provides that the amount of the refund must be calcu-
lated on the basis of the weight of exported seeds;
whereas this weight must be adjusted to take account
of any differences between the percentages of mois-
ture and impurities found to exist and those used to
define the standard quality for which the target price
is fixed; whereas, when this adjustment is being
made, the weight of the exported seeds must be
increased by the amount of the difference between the
actual moisture and impurities content and that used
to define the standard quality if the former is lower
than the latter; whereas, if the opposite applies, the
weight of the exported seeds must be reduced by the
same amount;

Whereas the standard quality referred to above was
defined in Article 2 of Council Regulation (EEC) No
1294/79 of 25 June 1979 fixing the target prices and
basic intervention prices for colza and rape seed and
sunflower seed for the 1979/80 marketing year⁽⁸⁾;

Whereas Article 2 of Regulation No 142/67/EEC
provides that the refund may be varied according to
destination where the world market situation or the
specific requirements of certain markets make this
necessary;

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽⁸⁾ OJ No L 162, 30. 6. 1979, p. 13.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas it follows from applying these detailed rules to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be as set out in the Annex hereto for those products for which the marketing year has already begun ;

Whereas the Management Committee for Oils and Fats has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION :

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 February 1980.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
