COMMISSION REGULATION (EEC) No 1987/80**of 24 July 1980****fixing the adjustments to be made to monetary compensatory amounts fixed in advance
for milk and milk products**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the
European Economic Community,

Having regard to Council Regulation (EEC) No
974/71 of 12 May 1971 on certain measures of
conjunctural policy to be taken in agriculture
following the temporary widening of the margins of
fluctuation for the currencies of certain Member
States ⁽¹⁾, as last amended by Regulation (EEC) No
1523/80 ⁽²⁾, and in particular Article 6 thereof,

Whereas the first indent of Article 7 (2) of Commis-
sion Regulation (EEC) No 243/78 of 1 February
1978 providing for the advance fixing of monetary
compensatory amounts ⁽³⁾, as amended by Regulation
(EEC) No 1544/78 ⁽⁴⁾, provides for an optional
adjustment to the monetary compensatory amount
fixed in advance where the levy or refund is adjusted
following a change in prices; whereas, pursuant to
Article 2 (1) and (3) of Commission Regulation
(EEC) No 1516/78 of 30 June 1978 on adjustments
to monetary compensatory amounts fixed in advance
and repealing Regulation (EEC) No 651/78 ⁽⁵⁾, such
an adjustment to monetary compensatory amounts
applicable in respect of milk products shall be made,
provided that, following a change in prices expressed
in ECU, adjustments to refunds fixed in advance take
place; whereas, in respect of products not covered by
Annex II to the Treaty, no adjustment is provided
for;

Whereas the refunds fixed in advance in the sector in
question were adjusted by Commission Regulation
(EEC) No 1723/80 of 27 June 1980 ⁽⁶⁾; whereas the
said adjustment was made in order to take account,
in some degree, of the increase in intervention prices;
whereas, for that reason, monetary compensatory
amounts fixed in advance must be adjusted by the
same degree; whereas, pursuant to Article 3 of Regu-
lation (EEC) No 1516/78, that adjustment is also
made on the basis of both the price prevailing and the
representative rate applicable at the time when
customs export formalities are completed;

Whereas the increases in intervention prices of butter
and skimmed-milk powder are not the same; whereas,
for the sake of clarity, the amounts of adjustment to
be made to compensatory amounts should be fixed
case by case; whereas, for the same reason, only the
amounts of adjustment fixed in respect of the milk
sector should be applied to milk products containing
certain quantities of products falling within other
sectors;

Whereas, pursuant to Article 7 (1) of Regulation
(EEC) No 243/78, the adjustment coefficients
for France were fixed by Regulation (EEC) No
815/80 ⁽⁷⁾ at nil; whereas the adjustments for that
country laid down by this Regulation also give a nil
result; whereas, therefore, it is not necessary to apply
the provisions of Article 3 (2) of Regulation (EEC)
No 1516/78;

Whereas the monetary compensatory amounts fixed
in advance which are the subject of the
present adjustment were fixed by Regulation (EEC)
No 2140/79 ⁽⁸⁾, as last amended by Regulation
(EEC) No 1819/80 ⁽⁹⁾;

⁽¹⁾ OJ No L 106, 12. 5. 1971, p. 1.

⁽²⁾ OJ No L 152, 20. 6. 1980, p. 1.

⁽³⁾ OJ No L 37, 7. 2. 1978, p. 5.

⁽⁴⁾ OJ No L 182, 5. 7. 1978, p. 7.

⁽⁵⁾ OJ No L 178, 1. 7. 1978, p. 63.

⁽⁶⁾ OJ No L 169, 2. 7. 1980, p. 5.

⁽⁷⁾ OJ No L 88, 1. 4. 1980, p. 42.

⁽⁸⁾ OJ No L 247, 1. 10. 1979, p. 1.

⁽⁹⁾ OJ No L 179, 14. 7. 1980, p. 1.

Whereas calculating the amount to be granted and the adjustment to be made pursuant to this Regulation may create difficulties; whereas the different calculations to be made should therefore be made clear;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

In the case of exports to non-member countries of milk products in respect of which customs formalities have been completed as from 1 June 1980, the monetary compensatory amounts referred to in Parts 1 or 5 of Annex I to Regulation (EEC) No 2140/79 and fixed in advance:

- prior to 1 April 1980, in the case of exports under an invitation to tender within the meaning of Article 19 of Regulation (EEC) No 193/75 issued in a non-member country or by the armed forces referred to in Article 10 (1) of Regulation (EEC) No 2044/75, and
 - prior to 28 April 1980 in other cases;
- shall be adjusted respectively by the amounts given in the Annex to this Regulation provided that the refund fixed in advance in respect of the product in question is adjusted in accordance with the provisions of Regulation (EEC) No 1723/80.

Article 2

For the application of the amounts of adjustment given in the Annex:

- the refund fixed in advance in ECU shall be increased by the amount fixed by Regulation (EEC) No 1723/80,
- the result shall be multiplied by the monetary coefficient and then converted into national currency by reference to the representative rate, the coefficient and rate being those which were fixed in advance at the time when the monetary compensatory amount was fixed in advance,
- the amount thus obtained shall be reduced or, where appropriate, increased, by the monetary compensatory amount fixed in advance which has been adjusted by the amount of adjustment given in the Annex.

However, in the case of the United Kingdom, the amount obtained by the calculations specified in the first two indents above shall, as regards monetary compensatory amounts fixed in advance during the period 1 December 1979 to 27 January 1980, be reduced by the fixed monetary compensatory amounts fixed in advance and then increased by the amount of the adjustment given in the Annex.

Article 3

This Regulation shall enter into force on 26 July 1980.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 24 July 1980.

For the Commission

Finn GUNDELACH
Vice-President

ANNEX

List of adjustments applicable to monetary compensatory amounts fixed in advance in respect of exports to non-member countries on or after 1 June 1980

For the application of the amounts specified in column I, the advance fixing of the monetary compensatory amount must have taken place before 1 April 1980 in connection with a tender (within the meaning of Article 19 of Regulation (EEC) No 193/75), opened in an importing non-member country or by the armed forces as specified in Article 10 (1) of Regulation (EEC) No 2044/75.

For the application of the amounts specified in column II, the advance fixing of the monetary compensatory amount must have taken place before 28 April 1980, provided the amounts specified in column I do not apply.

Notes

- (¹) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount per 100 kg indicated multiplied by 100th of the weight of the lactic part contained in 100 kg of product. However, where whey and/or lactose have been added to the product the amount resulting from the foregoing calculation shall be:
- multiplied by the weight of the lactic non-fat part, other than the added whey and/or lactose, contained in 100 kg of the product,
 - and then
 - divided by the weight of the non-fat lactic part contained in 100 kg of the product.
- (²) However, for butter covered by the measures laid down:
- in Regulation (EEC) No 1282/72 (OJ No L 142, 22. 6. 1972), the amount indicated shall be multiplied by the coefficient 0.40,
 - in Regulation (EEC) No 1717/72 (OJ No L 181, 9. 8. 1972), the amount indicated shall be multiplied by the coefficient 0.40,
 - in Regulation (EEC) No 649/78 (OJ No L 86, 1. 4. 1978), the amount indicated shall be multiplied by the coefficient 0.40,
 - in Regulation (EEC) No 232/75 (OJ No L 24, 31. 1. 1975), in Regulation (EEC) No 262/79 (OJ No L 41, 16. 2. 1979) and in Regulation (EEC) No 1468/79 (OJ No L 177, 14. 7. 1979), the amount indicated shall be multiplied:
 - by the coefficient 0.33 where the butter is to be used in formula A or formula C products,
 - by the coefficient 0.53 for the period until 23. 3. 1980 and by the coefficient 0.58 for the period commencing 24. 3. 1980, where the butter is to be used in formula B products.
- (³) With respect to cheese rinds and wastes, the adjustment amount applicable shall be that applicable to products falling with subheading 04.04 E I c) of the Common Customs Tariff, of a fat content, by weight, in the dry matter of 10% or more. Products unfit as such for human consumption shall be regarded as cheese wastes.
- (⁴) Where some milk products contain powdered or granulated milk (excluding whey) and the compensatory amount has been fixed as indicated under I the amount of adjustment shall be:

In trade with non-member countries, the adjustment amounts indicated above shall be multiplied by the coefficient 1.92.

(*) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount per 100 kg indicated. However, where whey and/or lactose have been added to the product, the amount indicated shall be:

— multiplied by the weight of the no-fat lactic part, other than the added whey and/or lactose, contained in 100 kg of product,

and then

— divided by the weight of the lactic non-fat part contained in 100 kg of product.

(*) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount indicated. However, where whey and/or lactose have been added to the product, the basic amount shall be equal to the amount indicated:

— multiplied by the weight of the lactic non-fat part, other than the added whey and/or lactose, contained in 100 kg of product,

and then

— divided by the weight of the non-fat part, contained in 100 kg of product.

(¹¹) With respect to cream covered by the measures laid down in Regulation (EEC) No 649/78 (OJ No L 86, 1. 4. 1978), the monetary compensatory amount shall be multiplied by the coefficient 0.40.

N.B. For the purpose of calculating the fat content, the weight of non-lactic fat shall not be taken into consideration.
