COMMISSION REGULATION (EEC) No 3077/80**of 28 November 1980****fixing the export refunds on products processed from cereals and rice**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1870/80⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice⁽³⁾, as last amended by Regu-
lation (EEC) No 1871/80⁽⁴⁾, and in particular the
fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
and Article 17 of Regulation (EEC) No 1418/76
provide that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of
Council Regulation (EEC) No 1431/76 of 21 June
1976⁽⁶⁾ laying down general rules for granting export
refunds on cereals and rice respectively and criteria for
fixing the amount of such refunds, provide that when
refunds are being fixed account must be taken of the
existing situation and the future trend with regard to
prices and availabilities of cereals, rice and broken rice
on the Community market on the one hand and
prices for cereals, rice, broken rice and cereal products
on the world market on the other; whereas the same
Articles provide that it is also important to ensure
equilibrium and the natural development of prices
and trade on the markets in cereals and rice and,
furthermore, to take into account the economic aspect
of the proposed exports, and the need to avoid distur-
bances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No
2744/75 of 29 October 1975 on the import and export
system for products processed from cereals and from
rice⁽⁷⁾, as last amended by Regulation (EEC) No
2245/78⁽⁸⁾, defines the specific criteria to be taken
into account when the refund on these products is
being calculated;

Whereas, on the basis of the criteria laid down in
Regulation (EEC) No 2744/75, particular account
should be taken of the prices and quantities of basic
products used to calculate the variable component of
the levy; whereas Article 8 of Regulation (EEC) No
2744/75 and Article 1 of Regulation (EEC) No
1077/68⁽⁹⁾, as amended by Regulation (EEC) No
2764/71⁽¹⁰⁾, provide that the amount of the export
refund should, for certain products, be reduced by an
amount equal to the production refund granted in
respect of the basic product;

Whereas it follows from applying these detailed rules
to the present situation on the market in products
processed from cereals and rice that the export refund
should be fixed at an amount which will cover the
difference between Community prices and world
market prices;

Whereas when the refund is being calculated account
should be taken of the quantities of raw materials
used to determine the variable component of the
levy; whereas the quantities of raw materials used for
certain processed products may vary according to the
end use of the product; whereas, depending on the
manufacturing process used, products other than the
main product are obtained, the quantity and value of
which may vary with the nature and quality of the
main products being manufactured; whereas cumula-
tion of the refunds on the various products manufac-
tured by a single process from the same basic product
may make it possible, in certain cases, to export to
third countries at prices which are lower than world
market prices; whereas the refund on certain products
should therefore be limited to an amount which,
while allowing access to the world market, will ensure
that the aims of the common organization of the
markets are respected;

(2) OJ No L 184, 17. 7. 1980, p. 1.

(3) OJ No L 166, 25. 6. 1976, p. 1.

(4) OJ No L 184, 17. 7. 1980, p. 4.

(5) OJ No L 281, 1. 11. 1975, p. 78.

(6) OJ No L 166, 25. 6. 1976, p. 36.

(9) OJ No L 181, 27. 7. 1968, p. 1.

(10) OJ No L 283, 24. 12. 1971, p. 30.

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

— in the case of currencies which are maintained in relation to each other at any given moment within

a band of 2.25 %, a rate of exchange based on their effective parity ;

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 3078/80

of 28 November 1980

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1870/80⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the other;
whereas the same Article provides that it is also impor-
tant to ensure equilibrium and the natural develop-
ment of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules
to the present situation on the market in cereal-based
compound feedingstuffs that the export refund should
be fixed at an amount which will cover the difference
between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No
2743/75 of 29 October 1975 on the system to be
applied to cereal-based compound feedingstuffs⁽⁴⁾, as
amended by Regulation (EEC) No 2560/77⁽⁵⁾,
provides that, when export refunds on cereal-based

compound feedingstuffs are being fixed, only the
products normally used in the manufacture of
compound feedingstuffs for which a refund may be
fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69
of 29 September 1969 on the granting and the
advance fixing of the export refund on cereal-based
compound feedingstuffs⁽⁶⁾, as amended by Regulation
(EEC) No 3116/75⁽⁷⁾, provides that calculation of the
export refund must be based on the levy applicable to
maize; whereas this calculation must also take
account of the cereal products content; whereas, there-
fore, in the interest of simplification, compound
feedingstuffs should be placed in categories and the
refund for each category should be fixed on the basis
of a quantity of maize which is representative of the
usual cereal products content for the category
concerned; whereas, furthermore, the amount of the
refund must also take into account the possibilities
and conditions for the sale of those products on the
world market, the need to avoid disturbances on the
Community market and the economic aspect of the
export;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for compound feedingstuffs
according to destination;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

COMMISSION REGULATION (EEC) No 3079/80

of 28 November 1980

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as last amended by Regulation (EEC) No 1428/78⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.73 ECU from that average;

Whereas the basic amount must be fixed each month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.73 ECU from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 shall be, per 100 kilograms of product, 0 ECU per percentage point of sucrose content.

COMMISSION REGULATION (EEC) No 3080/80

of 27 November 1980

fixing the export refunds on syrups and certain other sugar products, exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 exported in the natural state must be

equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community area with the largest surplus for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74, exported in the natural state, shall be as set out in the Annex hereto.

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1917/80⁽²⁾,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 9 of Regulation (EEC) No 2749/78 provides that Article 20 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁶⁾, as last amended by Regulation (EEC) No 2962/77⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

- the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

- the need to avoid disturbances on the Community market; and

- the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

- the olive oil prices in the main producing areas of the Community;
- the most favourable quotations recorded on the various markets of importing third countries and Greece; and
- the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

COMMISSION REGULATION (EEC) No 3082/80

of 28 November 1980

fixing the export refunds on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1917/80⁽²⁾,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 9 of Regulation (EEC) No 2749/78 provides that Article 28 of Regulation No 136/66/EEC and measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and Greece, and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is

being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽⁶⁾, as amended by Regulation (EEC) No 1480/79⁽⁷⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1586/80 of 24 June 1980 fixing the target prices and basic intervention prices for colza and rape seed and sunflower seed for the 1980/81 marketing year⁽⁸⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

⁽⁷⁾ OJ No L 180, 17. 7. 1979, p. 13.

⁽⁸⁾ OJ No L 160, 26. 6. 1980, p. 4.

Whereas it follows from applying these detailed rules to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be as set out in the Annex hereto for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, shall be as set out in the Annex hereto.

fixing the export refunds on isoglucose

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1111/77 of 17 May 1977 laying down common provisions for isoglucose⁽¹⁾, as last amended by Regulation (EEC) No 1293/79⁽²⁾, and in particular the first sentence of the third subparagraph of Article 4 (2) and paragraph 5 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 4 of Regulation (EEC) No 1111/77, provision may be made for an export refund for isoglucose;

Whereas the level of the refund is to be determined per 100 kilograms of dry matter, taking account in particular of the export refund for products within subheading 17.02 B II a) of the Common Customs Tariff and of the production refund which may have been granted for the basic product employed for the manufacture of products within subheading 17.02 B II a); whereas account must also be taken of the economic aspects of the intended exports; whereas, in this respect, isoglucose is a substitute for sugar, the world price for which substantially exceeds the Community price;

Whereas the refund must be the same throughout the Community; whereas it may be varied according to destination;

Whereas the said refunds must be fixed every month; whereas they may be altered in the intervening period;

Whereas the refund is granted only in respect of isoglucose satisfying the conditions laid down in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽³⁾;

of 28 November 1980

fixing the rates of the refunds applicable from 1 December 1980 to sugar and molasses exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the sixth subparagraph of Article 19 (2) thereof,

Whereas Article 19 (1) of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a), (c) and (d) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 707/78⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EEC) No 3330/74;

- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and

those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas a production refund is granted in respect of white sugar or raw sugar under the conditions laid down in Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar used in the chemical industry⁽⁵⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying these provisions that the world market price for colza and rape seed should be as set out in the Annex hereto,

COMMISSION REGULATION (EEC) No 3096/80

of 28 November 1980

fixing the aid for castor seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2874/77 of 19 December 1977 laying down special measures in respect of castor seeds⁽¹⁾, and in particular Article 2 (5) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 2 (1) of Regulation (EEC) No 2874/77 specifies that aid shall be granted in respect of castor seeds when the guide price for a marketing year is higher than the world market price; whereas this aid is to be equal to the difference between these two prices;

Whereas the guide price has been fixed by Council Regulation (EEC) No 1752/80 of 30 June 1980 fixing the guide price for castor seed for the 1980/81 marketing year⁽²⁾;

Whereas the world market price is determined for seed in bulk delivered to Rotterdam of the standard quality for which the guide price was fixed;

Whereas Council Regulation (EEC) No 1853/78 of 25 July 1978 adopting general rules in connection with special measures for castor seeds⁽³⁾ provides that the world market price shall be determined on the basis of the actual most favourable purchasing possibilities disregarding offers and prices which cannot be considered as representative of the actual market trend;

Whereas in determining the world market price account is to be taken only of the offers made on the world market for delivery during the most representative period for the sale of seed of Community origin and of the prices quoted for delivery during the same period on the major international exchanges; whereas the most representative period for the sale of seed of Community origin has been fixed by Commission Regulation (EEC) No 2081/79 of 26 September 1979 laying down detailed rules for the application of the special measures for castor seeds⁽⁴⁾;

Whereas offers and prices which do not satisfy these conditions must be adjusted in accordance with Article 2 of Commission Regulation (EEC) No 2081/79;

Whereas Article 2 of Regulation (EEC) No 1853/78 provides that where no offer or price can be used to determine the world market price of castor seed it shall be determined on the basis of the offers and prices on the world or Community markets for castor oil and oil-cake; whereas for this purpose the value of the average quantities of oil and oil-cake obtained in the Community from processing 100 kilograms of castor seed less the amount of the cost of processing the seed into oil and oil-cake shall be used;

Whereas Article 3 of Regulation (EEC) No 1853/78 provides that where no offer or price can be used to determine the world market price for castor seed and, further, it is impossible to establish the value of the oil-cake or oil processed from such seed, the world market price shall be equal to the guide price for castor seed;

Whereas, if the aid system is to operate normally, it should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the aid must be fixed once a month, and in such a way that it can be applied from the first day of the month following the date of fixing; whereas it may be altered between fixing;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

COMMISSION REGULATION (EEC) No 3097/80
of 28 November 1980
fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by Regulation (EEC) No 1871/80 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market;

Whereas Regulation (EEC) No 1361/76 ⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

COMMISSION REGULATION (EEC) No 3098/80

of 28 November 1980

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice ⁽¹⁾, as last amended by Regu-
lation (EEC) No 1871/80 ⁽²⁾, and in particular the
second subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the first subparagraph of Article 17 (4) of
Regulation (EEC) No 1418/76 provides that the
export refund applicable to rice and broken rice on
the day on which application for an export licence is
made, adjusted for the threshold price which will be
in force during the month of exportation, must be
applied on request to exports to be effected during the
period of validity of the licence ;

Whereas Regulation No 474/67/EEC ⁽³⁾, as amended
by Regulation (EEC) No 1397/68 ⁽⁴⁾, lays down
detailed rules for the advance fixing of the export

Whereas that Regulation provides that the refund
applicable on the day on which application for an
export licence is made must, when it is fixed in
advance, be reduced by an amount no greater than the
difference between the cif forward delivery price and
the cif price, where the former exceeds the latter by
more than 0.30 ECU per tonne ; whereas, on the
other hand, the refund must be increased by an
amount no greater than the difference between the cif
price and the cif forward delivery price, where the
former exceeds the latter by more than 0.30 ECU per
tonne ;

Whereas the cif price is that determined in accor-
dance with Article 16 of Regulation (EEC) No

1418/76 ; whereas the cif forward delivery price is that
determined in accordance with Article 3 (2) of Regula-
tion (EEC) No 1428/76 ⁽⁵⁾, based, in respect of each
month for which the export licence is valid, on the cif
price calculated on the basis of offers for shipment
during the month of exportation ;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis :

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity ;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent ;

Whereas it follows from applying the provisions set
out above that the corrective amount applicable on 1
December 1980 must be as set out in the Annex
hereto ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

Regulation (EEC) No 1418/76 which is applicable to
the export refunds fixed in advance in respect of rice
and broken rice shall be as set out in the Annex
hereto.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Whereas Commission Regulation (EEC) No 1244/80 of 20 May 1980⁽³⁾ lays down that delivery of the quantities of common wheat of breadmaking quality offered to intervention during August, September and October must take place not later than 30 November 1980; whereas it seems justified, on account of the difficulties encountered in some Member States owing to the extent of the quality controls required when the products are taken over into intervention, to extend the delivery period until 31 December 1980;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

Article 1 of Regulation (EEC) No 1244/80 is hereby amended as follows:

Whereas the amount of the aid referred to in Article 2

COMMISSION REGULATION (EEC) No 3101/80**of 28 November 1980****amending Regulation (EEC) No 2666/80 on special detailed rules for applying
the system of import and export licences for sheepmeat and goatmeat**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1837/80 of 27 June 1980 on the common organiza-
tion of the market in sheepmeat and goatmeat ⁽¹⁾, and
in particular Article 16 (2) thereof,

Whereas the third indent of Article 4 (3) of Commis-
sion Regulation (EEC) No 193/75 ⁽²⁾, as last amended
by Regulation (EEC) No 2471/80 ⁽³⁾, provides that no
import licence is to be required for imports of a quan-
tity of products, the security for which does not
exceed 5 ECU; whereas application of that provision
in respect of sheepmeat and goatmeat could give rise
to abusive practice and result in imports exceeding
the quantities fixed in the relevant rules;

Whereas it is accordingly necessary to amend
Commission Regulation (EEC) No 2666/80 ⁽⁴⁾;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Sheep and Goats,

HAS ADOPTED THIS REGULATION:

Article 1

The following Article 2a is hereby inserted into Regu-
lation (EEC) No 2666/80:

'Article 2a

The provisions of the third indent of Article 4 (3)
of Regulation (EEC) No 193/75 shall not apply to
the products listed in the second subparagraph of
Article 1.'

Article 2

This Regulation shall enter into force on 1 December
1980.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COMMISSION REGULATION (EEC) No 3102/80

of 28 November 1980

amending for the 18th time Regulation (EEC) No 2042/75 and for the second time Regulation (EEC) No 1913/69 as regards import and export licences for cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1870/80⁽²⁾, and in particular Article 12 (2) thereof,

Whereas, pursuant to Commission Regulation (EEC) No 2042/75⁽³⁾, as last amended by Regulation (EEC) No 296/79⁽⁴⁾, the export refund is fixed in advance on application; whereas, in that case, export beyond the Community is subject to presentation of an export certificate issued in accordance with Commission Regulation (EEC) No 193/75⁽⁵⁾, as last amended by Regulation (EEC) No 2471/80⁽⁶⁾;

Whereas experience in respect of advance fixing of the refund for cereal-based compound feedingstuffs suggests that the issue of export certificates with advance fixing of the said refund for which application is made in respect of the said products should be made only after a three-day period of reflection; whereas this period should make it possible to assess the market situation and, if necessary, to suspend, in case of difficulties, the advance fixing conditions set out in Article 16 of Regulation (EEC) No 2727/75, in particular for applications already being processed; whereas, therefore, Regulation (EEC) No 2042/75 should be amended;

Whereas, in order to allow this measure to be applied in practice, the Member States should provide daily information on applications for export certificates for compound feedingstuffs; whereas, for this purpose, Article 4 of Commission Regulation (EEC) No 1913/69⁽⁷⁾, as amended by Regulation (EEC) No 3116/75⁽⁸⁾, should be amended;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The following Article is hereby inserted in Regulation (EEC) No 2042/75:

Article 9d

1. Export certificates for products within sub-heading 23.07 B of the Common Customs Tariff, with advance fixing of the refund, shall be issued on the third working day following the day the application was lodged, provided that no measure to suspend advance fixing of the refund is taken during that period.
2. The period of validity of export certificates issued pursuant to paragraph 1 shall be calculated as from the actual day of issue.

Article 2

Article 4 of Regulation (EEC) No 1913/69 is hereby replaced by the following:

Article 4

1. Member States shall communicate to the Commission, not later than Wednesday each week, the following particulars in respect of the preceding week:
 - (a) the total quantities of cereal-based feedingstuffs for which import licences have been issued;
 - (b) the quantities exported under inward processing arrangements.
2. Member States shall communicate to the Commission, daily before 3 p.m. (Brussels time), the total quantities of cereal-based feedingstuffs for which applications for export certificates have been lodged. This communication must itemize applications with or without advance fixing of the export refund or of the export levy separately.
3. The particulars referred to in paragraphs 1 and 2 shall be broken down according to the products subject to a specific levy or refund.

COMMISSION REGULATION (EEC) No 3103/80**of 28 November 1980****fixing for the 1979/80 sugar marketing year the amount of the production levy
and the amount to be paid by sugar manufacturers to beet sellers**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
3330/74 of 19 December 1974 on the common organi-
zation of the market in sugar⁽¹⁾, as last amended by
Regulation (EEC) No 1396/78⁽²⁾, and in particular
Article 27 (7) thereof,

Whereas Article 7 (1) of Commission Regulation
(EEC) No 700/73⁽³⁾, as last amended by Regulation
(EEC) No 114/79⁽⁴⁾, provides that the amount of the
production levy must be fixed for each sugar
marketing year; whereas the criteria for fixing the said
amount are laid down in Article 27 (2) of Regulation
(EEC) No 3330/74;

Whereas the amount which results from the calcula-
tion of the levy is less than the maximum amount
fixed at 12.33 ECU per 100 kilograms of white sugar
by Regulation (EEC) No 1289/79⁽⁵⁾;

Whereas Article 27 (4) of Regulation (EEC) No
3330/74 provides that, where the production levy is
less than the maximum amount, sugar manufacturers
shall pay beet sellers the difference between those two
amounts up to a percentage to be determined;
whereas Article 6 (1) of Regulation (EEC) No 700/73

provides that this amount shall be fixed at the same
time as the amount of the production levy; whereas,
for the 1979/80 sugar marketing year, Article 5 of
Regulation (EEC) No 1289/79 fixed that percentage at
60;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The amount of the production levy for the 1979/80
sugar marketing year shall be 12.03 ECU per 100 kilo-
grams of white sugar.

Article 2

The amount to be paid pursuant to the second sub-
paragraph of Article 27 (4) of Regulation (EEC) No
3330/74 for the 1979/80 sugar marketing year shall be
0.23 ECU per tonne of standard quality beet.

Article 3

This Regulation shall enter into force on the day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

of 28 November 1980

amending for the ninth time Regulation (EEC) No 1393/76 laying down detailed rules for the importation of products in the wine-growing sector originating in certain third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine⁽¹⁾, as last amended by Regulation (EEC) No 2930/80⁽²⁾, and in particular Article 18 (7) thereof,

Having regard to Council Regulation No 129 on the value of the unit of account and the exchange rates to be applied for the purposes of the common agricultural policy⁽³⁾, as last amended by Regulation (EEC) No 2543/73⁽⁴⁾, and in particular Article 3 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas pursuant to Article 1a of Commission Regulation (EEC) No 1393/76⁽⁵⁾, as last amended by Regulation (EEC) No 1581/80⁽⁶⁾, special rates are used to convert into national currency the free-at-frontier reference prices for imported liqueur wines; whereas, however, the said Article lays down that the free-at-frontier reference prices for liqueur wines originating in Cyprus and called in the producer country 'Cyprus Sherry' are to be converted into national currency by means of the representative rate;

Whereas, firstly, a special system has been laid down for the liqueur wines called 'Cyprus Sherry', since these wines can only be marketed in two Member States on account of their special economic situations; whereas, secondly, the movement of certain currencies could aggravate the difficulties in marketing; whereas the special rates for converting the free-at-frontier reference price into national currency should accordingly be applied in respect of the said liqueur wines;

Whereas, in order to simplify administration, the special rates should be fixed by a separate Regulation rather than by amendment of the Annex to Regulation (EEC) No 1393/76 on the occasion of each fixing;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1393/76 is hereby amended as follows:

1. Article 1a (1) is hereby replaced by the following text:

Article 1a

1. Notwithstanding Article 2 of Regulation No 129, as far as liqueur wines within the meaning of Additional Note 4 (c) to Chapter 22 of the Common Customs Tariff are concerned, the rate to be employed for converting the free-at-frontier reference prices into national currency shall be the special rate referred to in paragraphs 2 and 3.
2. The second subparagraph of Article 1a (4) is hereby deleted.
3. Annex III is hereby deleted.

Article 2

This Regulation shall enter into force on 3 December 1980.

COMMISSION REGULATION (EEC) No 3105/80

of 28 November 1980

fixing certain reference prices for the period 16 December 1980 to 15 December 1981 in the wine sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine⁽¹⁾, as last amended by Regulation (EEC) No 2930/80⁽²⁾, and in particular Article 17 (6) thereof,

Whereas Article 17 (1) of Regulation (EEC) No 337/79 provides that a reference price for red wine and a reference price for white wine must be fixed annually; whereas these reference prices must be fixed on the basis of the guide price for the types of red and white table wine most representative of Community production plus the costs incurred in bringing Community wines to the same marketing stage as imported wines;

Whereas the types of table wine most representative of Community production are types R I and A I as defined in Articles 1 and 2 of Council Regulation (EEC) No 340/79⁽³⁾;

Whereas the guide prices for these types of wine are set out in Article 1 of Council Regulation (EEC) No 1591/80⁽⁴⁾;

Whereas the third subparagraph of Article 17 (1) of Regulation (EEC) No 337/79 provides that reference prices are also to be fixed for grape juice (including grape must) falling within subheading 20.07 B I of the Common Customs Tariff, for grape juice (including concentrated grape must) falling within subheadings 20.07 A I and B I of the Common Customs Tariff, for alcohol-muted fresh grape must as defined in Additional Note 4 (a) to Chapter 22 of the Common Customs Tariff, for wines fortified for distillation as defined in Additional Note 4 (b) to Chapter 22 of the Common Customs Tariff, and for liqueur wines as defined in Additional Note 4 (c) to Chapter 22 of the Common Customs Tariff;

Whereas, since special reference prices are to be fixed for products in accordance with their special characteristics or uses, such prices should be fixed for wines of the Riesling or Sylvaner variety and for liqueur wines to be used in the preparation of products other

than those falling within heading No 22.05 of the Common Customs Tariff; whereas, lastly, a fixed amount corresponding to the normal costs of market preparation must be established so that it can be added to the reference prices of the various products in cases where they are put up in containers of two litres or less;

Whereas the reference prices should be fixed in accordance with the criteria laid down in Council Regulation (EEC) No 344/79⁽⁵⁾;

Whereas the costs, with the exception of those in respect of losses incurred in bringing Community wines to the same marketing stage as imported wines, to be established as specified in Article 4 of Regulation (EEC) No 344/79, may be assessed at a standard rate; whereas these costs and the other factors to be considered have increased since the last occasion on which prices were fixed, transport costs having increased by some 10 %;

Whereas the reference prices for liqueur wines, which are fixed by the hectolitre, should be increased in line with the reference prices applied to red table wines; whereas a total dry extract exceeding the normal limits is a characteristic feature of certain liqueur wines falling within subheading 22.05 C II of the Common Customs Tariff; whereas, pursuant to the rules in Chapter 22 — Additional Notes — point 6 of the Common Customs Tariff, the said liqueur wines are not classified in the category corresponding to their alcoholic strength but in the next higher category, and are therefore subject to a higher reference price than that fixed for the category which corresponds to their alcoholic strength; whereas, moreover, the mechanism referred to above does not apply to certain competing liqueur wines falling within subheadings C III and C IV; whereas, in view of the large volume of imports of the said wines, reference prices should be fixed for these wines so as to ensure equality of treatment between the various liqueur wines; whereas, for the same reasons, an increase of only 3 ECU is provided for instead of 4 ECU for other liqueur wines;

Whereas the Management Committee for Wine has not delivered an opinion within the time limit set by the chairman,

HAS ADOPTED THIS REGULATION :

Article 1

COMMISSION REGULATION (EEC) No 3106/80

of 28 November 1980

**amending Regulation (EEC) No 2882/80 introducing protective measures
applicable to imports of preserved mushrooms from China**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
516/77 of 14 March 1977 on the common organiza-
tion of the market in products processed from fruit
and vegetables⁽¹⁾, as amended by Regulation (EEC)
No 2021/80⁽²⁾, and in particular Article 14 (2) thereof,

Whereas Commission Regulation (EEC) No
2882/80⁽³⁾ suspended the issue of import licences for
preserved mushrooms originating in the People's
Republic of China up to 30 November 1980, pending
the results of a survey undertaken amongst the
Member States to verify the exact volume of Chinese
products in respect of which licences have been
issued; whereas that survey has shown that the quan-
tity of products which the People's Republic of China
undertook to export to the Community in 1980 has
already been exceeded; whereas the issue of import
licences should remain suspended until 31 December
1980 in order to avoid any threat of serious disturb-
ance of the Community market through further
imports which would add to the quantities already
exceeding the agreed level of imports;

Whereas, however, applications for import licences
have subsequently been lodged under cover of export

documents referred to in Article 1 (1) of Council Regu-
lation (EEC) No 1203/80 of 13 May 1980, derogating
from Regulation (EEC) No 516/77 on the common
organization of the market in products processed from
fruit and vegetables⁽⁴⁾; whereas, in these circum-
stances, the Commission is to assess what action
should be taken as from 1 January 1981 in respect of
the said applications,

HAS ADOPTED THIS REGULATION:

Article 1

Article 1 (1) of Regulation (EEC) No 2882/80 is
hereby replaced by the following:

'1. The issue of import licences for preserved
mushrooms falling within subheading 20.02 A of
the Common Customs Tariff and originating in
the People's Republic of China, shall be
suspended for the period 7 November to 31
December 1980.'

States.

COMMISSION REGULATION (EEC) No 3108/80
of 28 November 1980

fixing for the United Kingdom the level of the variable slaughter premium for sheep and the amounts to be charged on products leaving that Member State

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1837/80 of 27 June 1980 on the common organization of the market in sheepmeat and goatmeat⁽¹⁾,

Having regard to Commission Regulation (EEC) No 2661/80 of 17 October 1980 laying down detailed rules for applying the variable slaughter premium for sheep⁽²⁾, and in particular Articles 3 (1) and 4 (1) thereof,

Whereas Article 4 (1) of Regulation (EEC) No 2661/80 lays down that the amount to be charged on products leaving the Member States concerned shall be fixed weekly by the Commission;

Whereas, since the United Kingdom is paying the variable slaughter premium, it is necessary for the Commission to fix the level of the premium and the amount to be charged on products leaving that Member State for the week commencing 3 November 1980;

Whereas it follows from the application of the rules laid down in Article 9 (1) of Regulation (EEC) No

1837/80 and in Article 4 (1) and (3) of Regulation (EEC) No 2661/80 that the variable slaughter premium for sheep certified as eligible in the United Kingdom, and the amounts to be charged on products leaving that Member State, during the week commencing 3 November 1980, shall be as set out in the Annexes hereto,

HAS ADOPTED THIS REGULATION:

Article 1

For sheep or sheepmeat certified in the United Kingdom as eligible for the variable slaughter premium during the week commencing 3 November 1980, the level of the premium shall be as set out in Annex I hereto.

COMMISSION REGULATION (EEC) No 3109/80

of 28 November 1980

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1870/80⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the quantity of

cereals needed for making malt, the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding indent;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of malt shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 December 1980.
