COUNCIL REGULATION (EEC) No 3111/80**of 27 November 1980****temporarily suspending the autonomous Common Customs Tariff duties on
certain industrial products**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community, and in particular Article 28
thereof,

Having regard to the draft Regulation submitted by
the Commission,

Whereas production of the products referred to in this
Regulation is at present inadequate or non-existent
within the Community and producers are thus unable
to meet the needs of user industries of the Commu-
nity ;

Whereas it is in the Community's interest in certain
cases to suspend the autonomous Common Customs
Tariff duties only partially, particularly because of the
existence of Community production, and in other
cases to suspend them completely ;

Whereas, taking account of the difficulties involved in
accurately assessing the development of the economic
situation in the sectors concerned in the near future,
these suspension measures should be taken only
temporarily, by fixing their period of validity by refer-
ence to the interests of Community production,

HAS ADOPTED THIS REGULATION :

Article 1

From 1 January to 30 June 1981 the autonomous
Common Customs Tariff duties for the products listed
in the Annex hereto shall be suspended at the level
indicated in respect of each of them.

Article 2

This Regulation shall enter into force on 1 January
1981.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 27 November 1980.

COUNCIL REGULATION (EEC) No 3112/80**of 27 November 1980****relating to the organization of a survey on the earnings of permanent workers employed in agriculture**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 213 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas, in order to carry out the tasks assigned to it under the Treaty, and in particular those set out in Articles 2, 39, 117, 118, 119 and 122 thereof, the Commission needs to know the earnings situation and trends in the Member States ;

Whereas such statistical data as do exist within the Member States on the earnings of agricultural workers do not at present permit valid comparisons to be made and whereas it is, consequently, necessary to conduct a specific Community survey based on uniform definitions and characteristics, as was done in 1974 and all ensuing years until 1979, pursuant to Regulations (EEC) No 677/74⁽¹⁾, (EEC) No 1103/75⁽²⁾, (EEC) No 1035/76⁽³⁾ and (EEC) No 847/77⁽⁴⁾;

Whereas the technical difficulties involved in a survey on earnings in agriculture make it necessary to restrict the survey at present to the earnings of permanent agricultural workers ;

Whereas, following the limitation of the surveys carried out in 1977, 1978 and 1979 to workers of the male sex, it is now required to extend the survey once again to include female workers ;

Whereas it is possible and more economical to carry out such a survey by random sampling only,

HAS ADOPTED THIS REGULATION :

Article 1

In 1980, the Commission shall undertake a survey of the actual earnings of permanent male or female workers employed in agriculture, on the basis of statistical data relating to September, October or November.

⁽¹⁾ OJ No L 83, 28. 3. 1974, p. 4.
⁽²⁾ OJ No L 110, 30. 4. 1975, p. 2.
⁽³⁾ OJ No L 118, 5. 5. 1976, p. 3.
⁽⁴⁾ OJ No L 104, 28. 4. 1977, p. 5.

Article 2

The survey shall cover all holdings which employ permanent workers and which engage in activities as specified and defined under Class 01 of the General Nomenclature of Economic Activities in the European Communities (NACE), with the exception of holdings the activities of which are mainly or exclusively directed to creating and maintaining gardens and parks, to hunting or to activities ancillary to agriculture.

Article 3

The survey shall be carried out by means of random sampling.

In respect of those holdings appearing in the survey sample, employers shall supply the information required for the survey in the manner set out hereafter.

Article 4

The survey shall consist of the collection for each permanent worker of all data relating to gross cash earnings for September, October or November 1980, the existence or absence of benefits in kind, the nature of work performed, the basis on which earnings are calculated and the number of hours paid, as well as sex, age and job categories.

Article 5

The information shall be collected by the statistical authorities of the Member States.

The Commission, with the collaboration of these authorities shall determine the technical details of the survey and the arrangements for transmitting the results to the Commission.

Article 6

Individual items of information supplied for purposes of the survey may be used for statistical purposes only. It shall be prohibited to use the information for taxation purposes or to communicate it to third parties.

Member States shall take appropriate measures against any infringement of :

- (a) the obligation to supply the information referred to in Article 3,
- (b) the obligation, under the first paragraph, to maintain secrecy as regards the information obtained.

Article 7

To recover the expenditure incurred in conducting the survey, the Member States shall receive a global sum proportionate to the number of holdings covered. This sum shall be charged against the European Communities' budget appropriations allocated for this purpose.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 November 1980.

COUNCIL

COUNCIL DECISION

of 25 November 1980

supplementing, as regards the application of part of the second tranche of loans, Decision 80/739/EEC applying for the second time Decision 78/870/EEC empowering the Commission to contract loans for the purpose of promoting investment within the Community

(80/1103/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Decision 78/870/EEC of 16 October 1978 empowering the Commission to contract loans for the purpose of promoting investment within the Community⁽¹⁾, and in particular Article 2 thereof,

Having regard to the proposal from the Commission⁽²⁾,

Having regard to the opinion of the European Parliament⁽³⁾,

Whereas Decision 80/739/EEC⁽⁴⁾, authorized a second tranche of borrowings for an amount not exceeding the equivalent of a capital sum of 500 million European units of account; whereas that Decision defined the sectors to which the product of those borrowings might be applied only with respect to an amount equivalent to a capital sum of 400 million European units of account; whereas, as regards the equivalent of a capital sum of 100 million European units of account, that Decision provided that it might not be borrowed until the adoption of a further decision relating to the purpose for which such borrowing might be used;

Whereas it is therefore necessary to take a decision on the application of that part of the second tranche;

Whereas for that purpose the same sectors should be covered as in Decision 80/739/EEC; whereas it is

therefore advisable, by way of exception, to permit the application of the borrowings in question also to loans intended for the financing of factories constructed with a view to future requirements and of housing, provided that they form part of a total project of economic and industrial development presenting a regional interest,

HAS DECIDED AS FOLLOWS:

Sole Article

The product of borrowings of an amount equivalent to a capital sum of 100 million European units of account shall be applied to loans intended for the financing of:

- investment projects as defined in Article 2 of Decision 80/739/EEC,
- factories constructed with a view to future requirements and housing, provided that they form part of a total project of economic and industrial development presenting a regional interest.
