COMMISSION REGULATION (EEC) No 883/81**of 2 April 1981****fixing minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3454/80⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽³⁾, as amended by Regulation (EEC) No 3539/80⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁵⁾, as last amended by Regulation (EEC) No 3539/80, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁶⁾, as amended by Regulation (EEC) No 3539/80, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey⁽⁷⁾, as amended by Regulation (EEC) No 3540/80⁽⁸⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon⁽⁹⁾,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹⁰⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹¹⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world market and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 30 and 31 March 1981 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 884/81

of 2 April 1981

fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by the Act of Accession of Greece⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by the Act of Accession of Greece,

defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regulation (EEC) No 2727/75 subject to Regulation (EEC) No 2744/75 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 3 April 1981.

COMMISSION REGULATION (EEC) No 885/81

of 1 April 1981

reintroducing the levying of customs duties applicable to other sheep and lamb skin leather falling under subheading 41.03 B II, originating in India and benefiting from the tariff preferences provided for by Council Regulation (EEC) No 3322/80

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3322/80 of 16 December 1980 establishing a multi-annual scheme of generalized tariff preferences and its application for 1981 in respect of certain industrial products originating in developing countries ⁽¹⁾, and in particular Article 10 thereof,

Having regard to Council Regulation (EEC, Euratom) No 3308/80 of 16 December 1980 on the replacement of the European unit of account by the ECU in Community legal instruments ⁽²⁾,

Whereas, in pursuance of Articles 1 and 9 of that Regulation, suspension of customs duties shall be accorded to each of the countries or territories listed in Annex C, other than those listed in column 4 of Annex A, within the framework of the preferential tariff ceiling fixed in column 9 of Annex A;

Whereas, as provided for in Article 10 (1) of that Regulation, as soon as the individual ceilings in question are reached at Community level, the Commission, either acting on its own initiative or once a Member State has requested it to do so, shall reintroduce the levying of customs duties on imports of the products in question;

Whereas, in the case of other sheep and lamb skin leather, the individual ceiling was fixed at 1 563 000 ECU; whereas, on 26 March 1981, imports of these

products into the Community, originating in India, reached that ceiling, whereas Benelux has requested that the levying of customs duties be reintroduced; whereas the customs duties in respect of the products in question must therefore be reintroduced against India,

HAS ADOPTED THIS REGULATION:

Article 1

As from 6 April 1981, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3322/80, shall be reintroduced on imports into the Community of the following products originating in India:

COMMISSION REGULATION (EEC) No 886/81**of 2 April 1981****amending for the fifth time Regulation (EEC) No 2325/80 and for the second time Regulation (EEC) No 2391/80 in respect of certain detailed rules for implementing the additional measures applicable to holders of long-term storage contracts for table wine for the 1979/80 wine year**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine⁽¹⁾, as last amended by Regulation (EEC) No 3456/80⁽²⁾, and in particular Article 12 (4) thereof,

Whereas the quantities of table wine available at present are greatly in excess of the normal level when the market is in balance; whereas the most appropriate means for re-establishing balance, by reducing the supply, is distillation;

Whereas steps should also be taken to ensure that sale of the alcohol produced by distillation of table wines does not upset the market for that product;

Whereas it seems that the intervention measure which best complies with the two above requirements is the distillation provided for under Article 12 of Regulation (EEC) No 337/79, since it involves a precise limit on the maximum quantity of table wine that may be distilled; whereas a decision to apply the said Article 12 has already been taken during the present wine year by Commission Regulation (EEC) No 2391/80⁽³⁾, as last amended by Regulation (EEC) No 2892/80⁽⁴⁾;

Whereas, in spite of the extended time limits provided for submitting applications for approval of delivery contracts and the increase in the quantities of wine which may be covered by the said contracts, the market remains disturbed largely because the producers entitled to undertake this distillation have not done so to the extent desired;

Whereas, in these circumstances, the time limit for submitting applications for approval should be extended again and the quantity of wines of types R I and R II which may be distilled should be increased to 100 %;

Whereas, in order to attain the objectives envisaged, access to distillation should be facilitated for the largest possible number of producers; whereas, for this purpose, it is essential to allow producers who have concluded storage contracts for four months also to conclude contracts for delivery of the same wine for distillation, while remaining entitled to storage aid in whole or in part, as the case may be;

Whereas it is therefore appropriate to amend Commission Regulation (EEC) No 2325/80⁽⁵⁾, as last amended by Regulation (EEC) No 409/81⁽⁶⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

In Article 1 (2) (a) of Regulation (EEC) No 2391/80, the expression '74 %' is hereby replaced by the expression '100 %'.

Article 2

Regulation (EEC) No 2325/80 is hereby amended as follows:

1. The date '28 February 1981' in Article 4 (1) is replaced by the date '13 March 1981'.

2. Article 4a is replaced by the following:

'Article 4a

Notwithstanding Article 2 (2), producers who have concluded a storage contract as referred to in Article 2 (2) (b) may conclude a contract for delivery of the same wine or a wine of the same type for distillation under the conditions referred to in Article 3 (2).'

COMMISSION REGULATION (EEC) No 890/81

of 2 April 1981

prolonging the temporary suspension of the advance fixing of the import levy
for rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organization
of the market in rice ⁽¹⁾, as last amended by the Act of
Accession of Greece ⁽²⁾, and in particular the first para-
graph, first phrase, of Article 13 (7) thereof,

Whereas Article 13 (7) of Regulation (EEC) No
1418/76 provides that the provisions concerning
advance fixing of the levy may be suspended if the
market situation shows that the application of such
provisions is causing, or is likely to cause, difficulties ;

Whereas there is a danger, having regard to the situa-
tion on the world rice market, that, if existing arrange-
ments are adhered to, levies could be fixed in advance
in the short term for quantities considerably greater
than the quantities which might be expected under
more normal conditions ;

Whereas Commission Regulation (EEC) No 415/81 of
18 February 1981 ⁽³⁾, as last amended by Regulation

(EEC) No 791/81 ⁽⁴⁾, temporarily suspended advance
fixing of the import levy for rice ; whereas the reasons
which led to that suspension still exist ; whereas it is
important, therefore, to continue that measure for a
limited period, which will make it possible to monitor
the situation ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals and Rice,

HAS ADOPTED THIS REGULATION :

Article 1

In Article 1 of amended Regulation (EEC) No 415/81,

COMMISSION REGULATION (EEC) No 891/81

of 2 April 1981

fixing the export levies on rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾,

Having regard to Council Regulation (EEC) No 1432/76 of 21 June 1976 laying down general rules to be applied in the event of the rice market being disturbed ⁽³⁾, and in particular Article 4 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 21 of Regulation (EEC) No 1418/76 provides that measures may be taken when the quotations or prices on the world market for one or more products reach the level of Community prices; whereas that situation is likely to continue and to deteriorate, thereby disturbing or threatening to disturb the Community market;

Whereas Regulation (EEC) No 1432/76 specifies that the quotations or prices on the world market shall be regarded as having reached the level of Community prices when they approach or exceed the threshold price; whereas the continuation and the deterioration of that situation may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist, having regard to foreseeable production and market price trends;

Whereas the high level of prices in international trade could impede importation of rice into the Community or provoke exportation from the Community;

Whereas the situation described above can be said to exist at the present time; whereas to ensure supplies in the Community an export levy should be introduced for certain categories of rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1980/81 marketing year by Regulation (EEC) No 2121/80 ⁽⁴⁾;

Whereas Article 3 of Regulation (EEC) No 1432/76 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice on the Community market on the one hand, and prices for rice and products processed from it on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium of supplies and trade on rice markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 1418/76 the specific factors set out in Article 3 (2) of Regulation (EEC) No 1432/76 must also be taken into account;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies:

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, a conversion rate based on their actual parity;
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period;

Whereas it follows from applying the rules outlined above to the present situation on the market in rice, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies should be fixed as shown in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The export levy referred to in the first indent of Article 2 (1) of Regulation (EEC) No 1432/76 is hereby fixed as shown in the Annex for the products listed therein.

COMMISSION REGULATION (EEC) No 895/81**of 2 April 1981****fixing the export refunds on cereals and on wheat or rye flour, groats and meal**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by the Act of Accession of Greece⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand, and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas furthermore, when the refund on these products is being calculated, account must be taken of the quanti-

ties of cereals required for their manufacture; whereas these quantities were fixed in Regulation No 162/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, shall be as set out in the Annex hereto.
