COUNCIL REGULATION (EEC) No 1417/81**of 19 May 1981****amending Regulation (EEC) No 1357/80 introducing a system of premiums for maintaining suckler cows**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

Having regard to the opinion of the European Parliament ⁽²⁾,

Having regard to the opinion of the Economic and Social Committee ⁽³⁾,

Whereas Regulation (EEC) No 1357/80 ⁽⁴⁾ provides for the granting of a premium for maintaining suckler cows; whereas it is necessary to fix the amount of that premium for the 1981/82 marketing year; whereas the purpose of that premium is to ensure that producers specializing in quality beef are able to maintain their incomes at a satisfactory level;

Whereas experience gained during the 1980/81 marketing year has shown the need to establish a Community list of beef breeds to ensure that the premium is uniformly applied throughout the Community; whereas it is also necessary to lay down certain conditions for the application of the premium and, in particular, the definition of suckler cows and the replacement of the cows present on the holding;

Whereas the grant of the premium entails the undertaking to refrain from delivering milk or milk products during the period of the undertaking; whereas, however, direct farm sales of limited quantities of these products from the producer to the consumer should be permitted,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1357/80 is hereby amended as follows:

1. Article 2(2) is hereby replaced by the following:

'2. Grant of the premium shall, in addition, be subject to an undertaking by the applicant that he

will not deliver milk or milk products for 12 months from the day on which the application is lodged and that he will keep on his holding for a minimum period of six months from the same date a number of suckler cows or replacement in-calf heifers which is at least equal to that for which the premium has been granted.

Direct farm sales of milk or milk products from the producer to the consumer shall not, however, prevent the premium from being granted.'

2. Article 3 is hereby replaced by the following:

'Article 3

1. The amount of the premium shall be fixed at 20 ECU for each suckler cow held by the producer on the day on which application is lodged.

It shall be paid in one single payment.

The amount of the premium shall be financed by the guarantee Section of the European Agricultural Guidance and Guarantee Fund. As from the 1982/83 marketing year, such financing shall be limited to 75 % of the premium amount.

2. Within a limit of 20 ECU for each cow, Member States shall be authorized to grant nationally an additional premium, provided that the grant of such premium does not give rise to discrimination between stock farmers in one and the same Member State.'

3. Article 5(4) is hereby replaced by the following:

'4. "Suckler cow" shall mean a cow or replacement in-calf heifer as referred to in Article 2(2) belonging to a meat-producing breed or the offspring of a cross with one such breed and forming part of a herd used for rearing calves for meat production, the holder of which delivers neither milk nor products.

Within the meaning of this Regulation, pure bred cows belonging to the breeds listed in the Annex shall not be considered meat-producing breeds.

⁽¹⁾ OJ No C 75, 3. 4. 1981, p. 59.

⁽²⁾ OJ No C 90, 21. 4. 1981, p. 101.

⁽³⁾ Opinion delivered on 25 and 26 March 1981 (not yet published in the Official Journal).

⁽⁴⁾ OJ No L 140, 5. 6. 1980, p. 1.

However, the premium may be granted in the case of cows belonging to one of the breeds listed in the Annex or the offspring of a cross between such breeds, provided that they are crossed with bulls of meat-producing breeds and form part of a herd used for rearing calves for meat production, the holder of which delivers neither milk nor milk products.'

4. The Annex to this Regulation shall be added.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply from 6 April 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COUNCIL REGULATION (EEC) No 1418/81**of 19 May 1981****amending Regulation (EEC) No 849/81 laying down for 1981 certain measures for the conservation and management of fishery resources applicable to vessels flying the flag of Norway**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 103 thereof,

Having regard to the proposal from the Commission,

Whereas the Norwegian authorities have requested that the quota of blue whiting allocated in 1981 to vessels flying the flag of Norway and fishing in the fishery zone of the Community be increased from the level provided for in Council Regulation (EEC) No 849/81 ⁽¹⁾ to 120 000 tonnes;

Whereas it is in the interest of the Community to accede to this request since a sufficient quantity of the stock in question is available and since it is expected that the additional quota of blue whiting provided to vessels flying the flag of Norway will be taken into account in consultations concerning possible additional allocations in 1981 for vessels flying the flag of a Member State of the Community fishing in Norwegian waters;

Whereas the fishing season for blue whiting in Community waters is of short duration and is already underway; whereas, in order to allow the fishermen concerned to benefit from this additional allocation, it is necessary to adopt on the basis of Article 103 of the Treaty the interim measures authorizing this fishing subject to their later inclusion in the definitive system adopted under Article 43,

HAS ADOPTED THIS REGULATION :

Article 1

Annex I of Regulation (EEC) No 849/81 shall be replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply from 1 January until 31 December 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies in relation to the Community currencies referred to in the previous indent;

Whereas these exchange rates being those recorded on 26 May 1981;

Whereas it follows from applying the detailed rules contained in Regulation (EEC) No 2035/80 to today's offer prices and quotations known to the Commission that the levies at present in force should be altered to the amounts set out in the Annex hereto,

COMMISSION REGULATION (EEC) No 1423/81

of 27 May 1981

fixing the export refunds on white sugar and raw sugar, exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar ⁽¹⁾, as last amended by Regulation (EEC) No 3455/80 ⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar ⁽³⁾, as last amended by Regulation (EEC) No 1489/76 ⁽⁴⁾, provides that when refunds on white and raw sugar, undenatured and exported in the natural state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 3 of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account;

Whereas the refund on raw sugar must be fixed in respect of the standard quality; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar ⁽⁵⁾; whereas, furthermore, this refund should be fixed in accordance with Article 5 (2) of Regulation (EEC) No 766/68; whereas candy sugar is defined in Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on

sugar ⁽⁶⁾, as amended by Regulation (EEC) No 1467/77 ⁽⁷⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed every two weeks; whereas it may be altered in the intervening period;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (a) of Regulation (EEC) No 3330/74, undenatured and exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 1424/81**of 27 May 1981****fixing minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3454/80⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽³⁾, as amended by Regulation (EEC) No 3539/80⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁵⁾, as last amended by Regulation (EEC) No 3539/80, and in particular Article 5 thereof,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹⁰⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹¹⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world market and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 25 and 26 May 1981 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

COMMISSION REGULATION (EEC) No 1425/81

of 27 May 1981

fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by the Act of Accession of Greece⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by the Act of Accession of Greece,

defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regulation (EEC) No 2727/75 subject to Regulation (EEC) No 2744/75 shall be as set out in the Annex hereto.

Whereas it follows from applying the provisions contained in Regulation (EEC) No 3016/80 to the prices of broken rice that the levies at present in force should be altered as shown in the Annex to this Regulation,

COMMISSION REGULATION (EEC) No 1427/81**of 27 May 1981****fixing the export refunds on products processed from cereals and rice**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
the Act of Accession of Greece⁽²⁾, and in particular
the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice⁽³⁾, as last amended by the
Act of Accession of Greece, and in particular the
fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
and Article 17 of Regulation (EEC) No 1418/76
provide that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975⁽⁴⁾, and Article 2 of
Council Regulation (EEC) No 1431/76 of 21 June
1976⁽⁵⁾ laying down general rules for granting export
refunds on cereals and rice respectively and criteria for
fixing the amount of such refunds, provide that when
refunds are being fixed account must be taken of the
existing situation and the future trend with regard to
prices and availabilities of cereals, rice and broken rice
on the Community market on the one hand and
prices for cereals, rice, broken rice and cereal products
on the world market on the other; whereas the same
Articles provide that it is also important to ensure
equilibrium and the natural development of prices
and trade on the markets in cereals and rice and,
furthermore, to take into account the economic aspect
of the proposed exports, and the need to avoid distur-
bances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No
2744/75 of 29 October 1975 on the import and export
system for products processed from cereals and from
rice⁽⁶⁾, as last amended by Regulation (EEC) No
2245/78⁽⁷⁾, defines the specific criteria to be taken
into account when the refund on these products is
being calculated;

Whereas, on the basis of the criteria laid down in
Regulation (EEC) No 2744/75, particular account
should be taken of the prices and quantities of basic
products used to calculate the variable component of
the levy; whereas Article 8 of Regulation (EEC) No
2744/75 and Article 1 of Regulation (EEC) No
1077/68⁽⁸⁾, as amended by Regulation (EEC) No
2764/71⁽⁹⁾, provide that the amount of the export
refund should, for certain products, be reduced by an
amount equal to the production refund granted in
respect of the basic product;

Whereas it follows from applying these detailed rules
to the present situation on the market in products
processed from cereals and rice that the export refund
should be fixed at an amount which will cover the
difference between Community prices and world
market prices;

Whereas when the refund is being calculated account
should be taken of the quantities of raw materials
used to determine the variable component of the
levy; whereas the quantities of raw materials used for
certain processed products may vary according to the
end use of the product; whereas, depending on the
manufacturing process used, products other than the
main product are obtained, the quantity and value of
which may vary with the nature and quality of the
main products being manufactured; whereas cumula-
tion of the refunds on the various products manufac-
tured by a single process from the same basic product
may make it possible, in certain cases, to export to
third countries at prices which are lower than world
market prices; whereas the refund on certain products
should therefore be limited to an amount which,
while allowing access to the world market, will ensure
that the aims of the common organization of the
markets are respected;

⁽¹⁾ OJ No L 281, 1. 11. 1975, p. 1.

⁽²⁾ OJ No L 291, 19. 11. 1979, p. 17.

⁽³⁾ OJ No L 166, 25. 6. 1976, p. 1.

⁽⁴⁾ OJ No L 281, 1. 11. 1975, p. 78.

⁽⁵⁾ OJ No L 166, 25. 6. 1976, p. 36.

⁽⁶⁾ OJ No L 281, 1. 11. 1975, p. 65.

⁽⁷⁾ OJ No L 273, 29. 9. 1978, p. 1.

⁽⁸⁾ OJ No L 181, 27. 7. 1968, p. 1.

⁽⁹⁾ OJ No L 283, 24. 12. 1971, p. 30.

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas the Commission has decided to grant a special refund for the export to Poland of a maximum of 10 000 tonnes of certain processed barley products and made such grant subject to compliance with the specific requirements laid down by Regulation (EEC) No 663/81 ⁽²⁾ ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 June 1981.

COMMISSION REGULATION (EEC) No 1428/81**of 27 May 1981****fixing the export refunds on cereal-based compound feedingstuffs**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by the Act of Accession of Greece⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, as amended by Regulation (EEC) No 2560/77⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁶⁾, as amended by Regulation

(EEC) No 3102/80⁽⁷⁾, provides that calculation of the export refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the compound feedingstuffs covered by Regulation (EEC) No 2727/75 and subject to Regulation (EEC) No 2743/75 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 1429/81

of 27 May 1981

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar ⁽¹⁾, as last amended by Regulation (EEC) No 3455/80 ⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar ⁽³⁾, as last amended by Regulation (EEC) No 1428/78 ⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.73 ECU from that average;

Whereas the basic amount must be fixed each month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.73 ECU from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 shall be, per 100 kilograms of product, 0.1397 ECU per percentage point of sucrose content.

zation of the market in sugar ⁽¹⁾, as last amended by
Regulation (EEC) No 3455/80 ⁽²⁾, and in particular the
first sentence of the last subparagraph of Article 19 (2)
thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74
provides that the difference between quotations or

Whereas Article 8 of Council Regulation (EEC) No
766/68 of 18 June 1968 laying down general rules for
granting export refunds on sugar ⁽³⁾, as last amended

export refund on 100 kilograms of the products listed
in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is
equal to the basic amount multiplied by the sucrose
content, including, where appropriate, other sugars

the product in question is determined in accordance
with Article 13 of Commission Regulation (EEC) No
394/70 of 2 March 1970 on detailed rules for granting
export refunds on sugar ⁽⁵⁾, as last amended by Regula-
tion (EEC) No 1467/77 ⁽⁶⁾;

products listed in Article 1 (1) (d) of Regulation (EEC)
No 3330/74 exported in the natural state must be
equal to one-hundredth of an amount which takes
account, on the one hand, of the difference between
the intervention price for white sugar for the Commu-
nity area with the largest surplus for the month for
which the basic amount is fixed and quotations or
prices for white sugar on the world market and, on
the other, of the need to establish a balance between
the use of Community basic products in the manufac-
ture of processed goods for export to third countries
and the use of third country products brought in
under inward processing arrangements;

Whereas the application of the basic amount may be
limited to some of the products listed in Article 1 (1)
(d) of Regulation (EEC) No 3330/74;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in

COMMISSION REGULATION (EEC) No 1431/81

of 27 May 1981

fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3454/80⁽²⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁵⁾, as last amended by Regulation (EEC) No 2962/77⁽⁶⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market,
- the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market,
- the need to avoid disturbances on the Community market, and
- the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

- the olive oil prices in the main producing areas of the Community,

- the most favourable quotations recorded on the various markets of importing third countries,

and

- the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas a special export refund for Poland should be provided for olive oil under the subheading 15.07 A II b);

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

COMMISSION REGULATION (EEC) No 1432/81**of 27 May 1981****fixing the export refunds on oil seeds**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3454/80⁽²⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, and in particular the first sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the

Community regarding the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽⁵⁾, as amended by Regulation (EEC) No 1480/79⁽⁶⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1586/80 of 24 June 1980 fixing the target prices and basic intervention prices for colza and rape seed and sunflower seed for the 1980/81 marketing year⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

⁽⁶⁾ OJ No L 180, 17. 7. 1979, p. 13.

⁽⁷⁾ OJ No L 160, 26. 6. 1980, p. 4.

Whereas it follows from applying these detailed rules to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 June 1981.

Whereas these components are defined in Article 3 (1) of Regulation (EEC) No 1111/77; whereas, pursuant to Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75 ⁽³⁾, the fixed component referred to in Article 3 of Regulation (EEC) No 1111/77 must be equal to that used for fixing the import levy on products falling within subheading 17.02 B II a) of the Common Customs Tariff;

Whereas the levy must be fixed each month;

COMMISSION REGULATION (EEC) No 1435/81**of 27 May 1981****fixing the rates of the refunds applicable from 1 June 1981 to sugar and molasses exported in the form of goods not covered by Annex II to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 3455/80⁽²⁾, and in particular the first sentence of the sixth subparagraph of Article 19 (2) thereof,

Whereas Article 19 (1) of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a), (c) and (d) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EEC) No 3330/74;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and

those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas a production refund is granted in respect of white sugar or raw sugar under the conditions laid down in Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar used in the chemical industry⁽⁴⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

COMMISSION REGULATION (EEC) No 1439/81
of 27 May 1981
fixing the import levies on white sugar and raw sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 3455/80⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the import levy on white sugar and raw sugar must be equal to the threshold price less the cif price; whereas Commission Regulation (EEC) No 1459/81 of 27 May 1981⁽³⁾ laid down that the difference should be increased until 30 June 1981; whereas the threshold price for each of these products was fixed by Council Regulation (EEC) No 1594/80 of 24 June 1980 fixing, for the 1980/81 sugar year, the derived intervention prices, the intervention price for raw beet sugar, the minimum prices for beet, the threshold prices, the maximum amount of the production levy and the amount of the repayment to offset storage costs and the coefficient for calculating the special maximum quota⁽⁴⁾;

Whereas the cif price for raw sugar and white sugar is calculated by the Commission for a Community frontier crossing point which was fixed at Rotterdam by Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar⁽⁵⁾;

Whereas this price must be based on the most favourable purchasing opportunities on the world market established for each product on the basis of quotations or prices on that market adjusted for any deviation from the standard quality for which the threshold price is fixed; whereas the standard quality for raw sugar was defined by Regulation (EEC) No 431/68 and that for white sugar by Regulation (EEC) No 793/72 of 17 April 1972⁽⁶⁾;

Whereas, when the most favourable purchasing opportunities on the world market are being established, the Commission must take account of all available information on offers on the world market, on quotations on the exchanges which are important for world trade, on prices recorded on important third-country markets, and on sales concluded in international trade of which it has knowledge either directly or through the agency of the Member States;

Whereas, however, pursuant to Commission Regulation (EEC) No 784/68 of 26 June 1968 laying down detailed rules for calculating cif prices for white sugar and raw sugar⁽⁷⁾, the Commission must disregard information if the goods concerned are not of sound and fair marketable quality or if the price quoted in an offer relates to small quantities and is not representative of the market; whereas offer prices which can be assumed not to be representative of the actual market trends must also be disregarded;

Whereas any offer or prices taken into consideration which are not for goods delivered in bulk cif Rotterdam must be adjusted; whereas when this adjustment is being made account must be taken of the difference in the cost of transporting the goods between the port of loading and the port of destination and between the port of loading and Rotterdam; whereas, if the price or the offer relates to goods in bags, it must be reduced by 0.73 ECU per 100 kilograms under the terms of Regulation (EEC) No 784/68;

Whereas, if information on sugar of the standard quality is to be comparable, the price increases or reductions fixed pursuant to Article 14 of Regulation (EEC) No 3330/74 must be added to or deducted from the offers taken into consideration in the case of white sugar; whereas, in the case of raw sugar, the corrective factors provided for in Article 5 of Regulation (EEC) No 784/68 must be applied;

Whereas, pursuant to Article 7 of Regulation (EEC) No 784/68, a special cif price may be established for sugar which has been specially treated or specially packed if the offer price for such sugar is lower than the cif price established pursuant to the provisions referred to above;

Whereas a cif price may, by way of exception, be left unchanged for a limited period if the offer price which served as a basis for the previous calculation of the cif price is not available to the Commission and if the offer prices which are available and which appear not to be sufficiently representative of actual market trends

would entail sudden and considerable changes in the cif price ;

Whereas the levy is altered only if the variation in the elements used to calculate it would entail an increase or a reduction of not less than 0.24 ECU per 100 kilograms in relation to the levy previously fixed ;

Whereas, in accordance with Article 21 (1) of Regulation (EEC) No 3330/74, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff ;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25%, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in

relation to the Community currencies referred to in the previous indent ;

Whereas it follows from applying these provisions that the levies for white sugar and raw sugar should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION :

Article 1

The import levies referred to in Article 15 (1) of Regulation (EEC) No 3330/74 shall be, in respect of white sugar and standard quality raw sugar, as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 1440/81

of 27 May 1981

fixing the import levies on live cattle and on beef and veal other than frozen

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by the Act of Accession of Greece⁽²⁾, and in particular Article 12(8) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas under Article 9 of Regulation (EEC) No 805/68 a levy is applicable to the products specified in Article 1(1)(a) of that Regulation; whereas Article 12 fixes the amount of the levy applicable by reference to a percentage of the basic levy;

Whereas in respect of bovine animals the basic levy is determined on the basis of the difference between the guide price and the Community free-at-frontier offer price plus the amount of the customs duty; whereas the Community free-at-frontier offer price is determined in the light of the most representative purchasing possibilities, as regards quality and quantity, recorded over a certain period for bovine animals and for the fresh or chilled meat specified in section (a) of the Annex to the said Regulation under subheadings 02.01 A II a) 1 to 3, account being taken in particular of the position with respect to supply and demand, of world market prices for frozen meat of a category which is competitive with fresh or chilled meat and of past experience;

Whereas if it is found that the price of adult bovine animals on representative Community markets is higher than the guide price, the levy applicable equals the following percentage of the basic levy:

- (a) 75 % where the market price is less than or equal to 102 % of the guide price;
- (b) 50 % where the market price is more than 102 % and less than or equal to 104 % of the guide price;
- (c) 25 % where the market price is more than 104 % and less than or equal to 106 % of the guide price;
- (d) 0 % where the market price is more than 106 % of the guide price;

Whereas if it is found that the price of adult bovine animals on representative Community markets is equal to or less than the guide price, the levy applicable equals the following percentage of the basic levy:

- (a) 100 % where the market price is more than or equal to 98 % of the guide price;
- (b) 105 % where the market price is less than 98 % and more than or equal to 96 % of the guide price;
- (c) 110 % where the market price is less than 96 % and more than or equal to 90 % of the guide price;
- (d) 114 % where the market price is less than 90 % of the guide price;

Whereas pursuant to Article 10(4) of Regulation (EEC) No 805/68 the basic levy on the meat specified in sections (a), (c) and (d) of the Annex thereto is equal to the basic levy determined for bovine animals, multiplied by a standard coefficient fixed for each of the products in question; whereas these coefficients are fixed by Commission Regulation (EEC) No 586/77 of 18 March 1977 laying down rules for the application of levies on beef and veal and amending Regulation (EEC) No 950/68 on the Common Customs Tariff⁽³⁾, as last amended by Regulation (EEC) No 882/79⁽⁴⁾;

Whereas the guide prices for adult bovine animals to be applied from 6 April 1981 were fixed by Council Regulation (EEC) No 898/81 of 1 April 1981⁽⁵⁾;

Whereas Regulation (EEC) No 586/77 stipulates that the basic levy is to be calculated according to the method set out in its Article 3 and on the basis of all the representative free-at-frontier offer prices of the Community determined for the products of each of the categories and cuts specified in Article 2 and established principally by reference to the prices specified in the customs documents accompanying products imported from third countries or from other information concerning export prices obtaining in those third countries;

Whereas, however, offer prices that do not correspond to real purchasing possibilities or that relate to unrepresentative quantities should not be taken into account; whereas offer prices should also be excluded

when the movement of prices in general or the information available suggests that they are unrepresentative of the true trend of prices in the country of origin ;

Whereas in cases where for one or more categories of bovine animals or cuts of meat a free-at-frontier offer price cannot be established, the most recent available price should be used for the calculation ;

Whereas if the free-at-frontier offer price differs by less than 0.60 ECU per 100 kilograms of live weight from that previously used for the calculation of the levy, the latter price should be retained ;

Whereas pursuant to Article 10(3) of Regulation (EEC) No 805/68 a special basic levy is determined for certain third countries on the basis of the difference between the guide price and the average price recorded over a certain period plus the amount of the customs duty ;

Whereas Commission Regulation (EEC) No 611/77 of 18 March 1977 ⁽¹⁾, as amended by Regulation (EEC) No 925/77 ⁽²⁾, provides that the special levy on products originating in and coming from Austria, Sweden and Switzerland should be determined on the basis of the weighted average of the prices of adult bovine animals recorded on the representative markets of those third countries ; whereas the weighting coefficients and representative markets are specified in the Annexes to Regulation (EEC) No 611/77 ;

Whereas the average price is not to be used for calculating the special levy unless it is at least 1.21 ECU per 100 kilograms of live weight more than the free-at-frontier offer price determined in accordance with Article 10(2) of Regulation (EEC) No 805/68 ;

Whereas if the average price differs by less than 0.60 ECU per 100 kilograms of live weight from that previously used to calculate the levy, the latter may be retained ;

Whereas in cases where one or more of the abovementioned third countries adopt, for reasons of health for example, measures affecting the prices recorded on their markets, the Commission may use the latest prices recorded before the entry into force of such measures ;

Whereas pursuant to Article 12(6) of Regulation (EEC) No 805/68 the price of adult bovine animals on representative Community markets is the price established on the basis of prices recorded over a period to be determined on the representative market or

markets of each Member State in respect of the various categories of adult bovine animals or of meat from such animals, after taking into account the size of each of these categories and the relative size of the bovine herd of each Member State ;

Whereas the prices of adult bovine animals recorded on the representative market or markets of each Member State are equal to the average, weighted by the appropriate coefficients, of the prices for the various qualities of adult bovine animals or meat of such animals over a period of seven days in that Member State at a particular wholesale marketing stage ; whereas the representative markets, categories and qualities of products and weighting coefficients are fixed in Annex II to Commission Regulation (EEC) No 610/77 of 18 March 1977 on the determination of prices of adult bovine animals on representative Community markets and the survey of prices of certain other cattle in the Community ⁽³⁾, as last amended by Regulation (EEC) No 1458/81 ⁽⁴⁾ ;

Whereas, for Member States with several representative markets, the price of each category and quality is equal to the arithmetic mean of the prices recorded on each of those markets ; whereas, for representative markets held several times in one period of seven days, the price of each category and quality is equal to the arithmetic mean of the prices recorded on each market day ; whereas in respect of Italy the price of each category and quantity is equal to the average, weighted by the special weighting coefficients fixed in Annex II to Regulation (EEC) No 610/77, of the prices recorded in the surplus and deficit zones ; whereas the price recorded in the surplus zone is equal to the arithmetic mean of the prices recorded on each of the markets within that zone ; whereas in respect of the United Kingdom the weighted average prices of adult bovine animals recorded on the representative markets of Great Britain on the one hand and Northern Ireland on the other are adjusted by the coefficient fixed in the abovementioned Annex II ;

Whereas prices for the different categories and qualities not obtained from prices which are 'live weight excluding tax' are multiplied by the live weight conversion coefficients fixed in Annex II to the said Regulation and, in the case of Italy, are first increased or reduced by the corrective amounts fixed in the said Annex ;

Whereas if one or more Member States, for veterinary or health reasons for example, adopt measures affecting the normal trend of prices recorded on their markets the Commission may disregard the prices

recorded on the market or markets in question, or use the latest prices recorded on the market or markets in question before the entry into force of such measures ;

Whereas, in the absence of information, prices recorded on representative Community markets are determined mainly by reference to the most recently recorded prices ;

Whereas for such period as the price of adult bovine animals recorded on representative Community markets differs by less than 0.24 ECU per 100 kilograms of live weight from the price previously used, the latter is retained ;

Whereas the levies should be so fixed that the obligations arising from international agreements concluded by the Community continue to be fulfilled ; whereas, moreover, account should be taken of Council Regulation (EEC) No 1272/80 of 22 May 1980 on the conclusion of the Interim Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia on trade and trade cooperation⁽¹⁾ ;

Whereas the various cuts of beef and veal are defined in Regulation (EEC) No 586/77 ;

Whereas, pursuant to Article 33(2) of Regulation (EEC) No 805/68, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff ;

Whereas the levies and special levies are fixed before the 27th day of each month and are applicable from the first Monday of the following month ; whereas these levies may be altered in the period between two

fixings where the basic levy or special basic levy is altered, or in the case of changes in the prices recorded on Community representative markets ;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas, having regard to the provisions of the aforementioned Regulations, and in particular to the information and quotations known to the Commission, the levies on live cattle and beef and veal other than frozen meat should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION :

⁽¹⁾ In accordance with Regulation (EEC) No 435/80, levies are not applied to imports into the French overseas departments of products originating in the African, Caribbean and Pacific States or in the overseas countries and territories.

⁽²⁾ This levy is applicable only to products complying with the provisions of Regulation (EEC) No 1725/80 (OJ No L 170, 3. 7. 1980, p. 4).

(a) The levy which is to be applied to young male bovine animals, intended for fattening, of a live weight of 300 kg or less, imported under the conditions set out in Article 13 of Council Regulation (EEC) No 805/68 of 27 June 1968, and in the provisions adopted for its application, is totally or partially suspended in accordance with those provisions.

COMMISSION REGULATION (EEC) No 1441/81
of 27 May 1981
fixing the import levies on frozen beef and veal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
805/68 of 27 June 1968 on the common organization
of the market in beef and veal ⁽¹⁾, as last amended by
the Act of Accession of Greece ⁽²⁾, and in particular
Article 12 (8) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas under Article 9 of Regulation (EEC) No
805/68 a levy is applicable to the products specified in
Article 1 (1) (a) of that Regulation; whereas Article 12
fixes the amount of the levy applicable by reference to
a percentage of the basic levy;

Whereas, in respect of the types of frozen meat listed
in section (b) of the Annex to the said Regulation
under subheading 02.01 A II b) 1, the basic levy is
determined on the basis of the difference between:

- the guide price multiplied by a coefficient representing the ratio existing in the Community between the price of fresh meat of a category competitive with the frozen meat in question, presented in the same form, and the average price of adult bovine animals, and
- the Community free-at-frontier offer price for frozen meat, plus the amount of the customs duty and a standard amount representing the specific costs of the import operations;

Whereas, by Commission Regulation (EEC) No
586/77 of 18 March 1977 laying down rules for the
application of the levies on beef and veal and
amending Regulation (EEC) No 950/68 on the
Common Customs Tariff ⁽³⁾, as last amended by Regulation (EEC) No 882/79 ⁽⁴⁾, the abovementioned coefficient, calculated in accordance with the rules laid down in Article 11 (2) (a) of Regulation (EEC) No 805/68, has been fixed at 1.69 units of account and the standard amount referred to in Article 11 (2) (b) of the said Regulation has been fixed at 6.65 ECU;

Whereas, if it is found that the price of adult bovine animals on representative Community markets is higher than the guide price, the levy applicable equals the following percentage of the basic levy:

- (a) 75 % where the market price is less than or equal to 102 % of the guide price;
- (b) 50 % where the market price is more than 102 % and less than or equal to 104 % of the guide price;
- (c) 25 % where the market price is more than 104 % and less than 106 % of the guide price;
- (d) 0 % where the market price is more than 106 % of the guide price;

Whereas, if it is found that the price of adult bovine animals on representative Community markets is equal to or less than the guide price, the levy applicable equals the following percentage of the basic levy:

- (a) 100 % where the market price is more than or equal to 98 % of the guide price;
- (b) 105 % where the market price is less than 98 % and more than or equal to 96 % of the guide price;
- (c) 110 % where the market price is less than 96 % and more than or equal to 90 % of the guide price;
- (d) 114 % where the market price is less than 90 % of the guide price;

Whereas the guide prices for adult bovine animals to be applied from 6 April 1981 have been fixed by Council Regulation (EEC) No 898/81 of 1 April 1981 ⁽⁵⁾;

Whereas the Community free-at-frontier offer price for frozen meat is determined by reference to the world market price based on the most representative purchasing possibilities, as regards quality and quantity, recorded over a certain period preceding the fixing of the basic levy, taking into account in particular:

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 24.

⁽²⁾ OJ No L 291, 29. 11. 1979, p. 17.

⁽⁵⁾ OJ No L 90, 4. 4. 1981, p. 24.

- foreseeable developments on the market in frozen meat,
- the most representative prices on third country markets for fresh and chilled meat of a category which is competitive with frozen meat,
- past experience ;

Whereas the basic levy on the types of frozen meat listed in section (b) of the Annex to Regulation (EEC) No 805/68 under subheadings 02.01 A II b) 2 to 4 is equal to the basic levy fixed for the product falling within subheading 02.01 A II b) 1, multiplied by a standard coefficient fixed for each of the products in question ; whereas these coefficients were fixed in Annex II to Regulation (EEC) No 586/77 ;

Whereas, for the purpose of fixing the free-at-frontier offer prices, offer prices that do not correspond to real purchasing possibilities or that relate to unrepresentative quantities should not be taken into account ; whereas offer prices should also be excluded when the movement of prices in general or the information available gives reason to believe that they are unrepresentative of the true trend of prices in the country of origin ;

Whereas, where the free-at-frontier offer price for frozen meat differs by less than one unit of account per 100 kilograms from that previously used for the calculation of the levy, the latter price should be retained ;

Whereas pursuant to Article 12 (6) of Regulation (EEC) No 805/68 the price of adult bovine animals on representative Community markets is the price established on the basis of prices recorded over a period to be determined on the representative market or markets of each Member State for the various categories of adult bovine animals or of meat from such animals, taking into account the size of each of these categories and the relative size of the bovine herd of each Member State ;

Whereas the prices of adult bovine animals recorded on the representative market or markets of each Member State are equal to the average, weighted by the relevant coefficients, of the prices for the various qualities of adult bovine animals or meat of such animals over a period of seven days in that Member State at a particular wholesale marketing stage ; whereas the representative markets, categories and qualities of products and weighting coefficients are fixed in Annex II to Commission Regulation (EEC) No 610/77 of 18 March 1977 on the determination of prices of adult bovine animals on representative

Community markets and the survey of prices of certain other cattle in the Community⁽¹⁾, as last amended by Regulation (EEC) No 1458/81⁽²⁾ ;

Whereas, for Member States with several representative markets, the price of each category and quality is equal to the arithmetic mean of the prices recorded on each of those markets ; for representative markets held several times in one period of seven days, the price of each category and quality is equal to the arithmetic mean of the prices recorded on each market day ; whereas in respect of Italy the price of each category and quality is equal to the average, weighted by the special weighting coefficients fixed in Annex II to Regulation (EEC) No 610/77, of the prices recorded in the surplus and deficit zones ; whereas the price recorded in the surplus zone is equal to the arithmetic mean of the prices recorded on each of the markets within that zone ; whereas in respect of the United Kingdom the weighted average prices of adult bovine animals recorded on the representative markets of Great Britain on the one hand and Northern Ireland on the other are adjusted by the coefficient fixed in the abovementioned Annex II ;

Whereas prices for the different categories and qualities not obtained from prices which are 'live weight excluding tax', are multiplied by the live weight conversion coefficients fixed in Annex II to the said Regulation and, in the case of Italy, are first increased or reduced by the corrective amounts fixed in the said Annex ;

Whereas if one or more Member States, for veterinary or health reasons for example, adopt measures affecting the normal trend of prices recorded on their markets, the Commission may disregard the prices recorded on the market or markets in question, or use the latest prices recorded on the market or markets in question before the entry into force of such measures ;

Whereas, in the absence of information, prices recorded on representative Community markets are determined mainly by reference to the most recently recorded prices ;

Whereas, for such period as the price of adult bovine animals recorded on representative Community markets differs by less than 0.24 ECU per 100 kilograms of live weight from the price previously used, the latter is retained ;

Whereas the levies must be so fixed that obligations arising from international agreements concluded by the Community continue to be fulfilled ;

Whereas the various cuts of frozen meat are defined in Regulation (EEC) No 586/77 ;

Whereas, pursuant to Article 33 (2) of Regulation (EEC) No 805/68, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff ;

Whereas the levies are fixed before the 27th day of each month and are applicable from the first Monday of the following month ; whereas these levies may be altered in the period between two fixings where the basic levy is altered, or in the case of changes in the prices recorded on Community representative markets ;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,

COMMISSION REGULATION (EEC) No 1442/81
of 27 May 1981
fixing the amount of the subsidy on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 3454/80 ⁽²⁾, and in particular Article 27 (4) thereof,

Whereas the amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC was fixed by Regulation (EEC) No 2945/80 ⁽³⁾, as last amended by Regulation (EEC) No 1351/81 ⁽⁴⁾;

Whereas, in the absence of the target price for the 1981/82 marketing year for colza and rape seed and for sunflower seed and in the absence of the amount of the monthly increase for September, October and November 1981 for colza and rape seed, the amount of the subsidy in the case of advance fixing for July, August, September, October and November 1981 for colza and rape seed and September 1981 for sunflower seed has been obtainable only provisionally on the basis of the target price applicable during July, August, September, October and November 1980 for colza and rape seed and September for sunflower seed and on the basis of the monthly increase applicable during September, October and November 1980 for colza and rape seed; whereas this amount must therefore be applied only provisionally and will have to be either confirmed or replaced as soon as the target price for

the 1981/82 marketing year and the said increase are known;

Whereas it follows from applying the detailed rules contained in Regulation (EEC) No 2945/80 to the information known to the Commission that the amount of the subsidy at present in force should be altered to the amount set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

1. The amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC shall be as set out in the Annex hereto.

2. The amount of the subsidy for July, August, September, October and November 1981 for colza and rape seed, and for September 1981 for sunflower seed, will, however, be confirmed or replaced as from 28 May 1981 to take into account the indicative price which is fixed for these products for the 1981/82 marketing year, and the amount of the monthly increase for September, October and November 1981 for colza and rape seed.

COMMISSION REGULATION (EEC) No 1443/81
of 27 May 1981
fixing the world market price for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the markets in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 3454/80 ⁽²⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed ⁽³⁾, as last amended by Regulation (EEC) No 852/78 ⁽⁴⁾,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 9 (4) of Regulation (EEC) No 2300/73, the Commission must determine the world market price for colza and rape seed;

Whereas the world market price should be determined in accordance with the rules and the criteria set out in Commission Regulation (EEC) No 2945/80 of 13

November 1980 fixing the amount of the subsidy on oil seeds ⁽⁷⁾, as last amended by Regulation (EEC) No 1442/81 ⁽⁸⁾;

Whereas, if the price system is to operate normally, the world market price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

COMMISSION REGULATION (EEC) No 1446/81

of 27 May 1981

fixing the export levies on rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾,

Having regard to Council Regulation (EEC) No 1432/76 of 21 June 1976 laying down general rules to be applied in the event of the rice market being disturbed ⁽³⁾, and in particular Article 4 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 21 of Regulation (EEC) No 1418/76 provides that measures may be taken when the quotations or prices on the world market for one or more products reach the level of Community prices; whereas that situation is likely to continue and to deteriorate, thereby disturbing or threatening to disturb the Community market;

Whereas Regulation (EEC) No 1432/76 specifies that the quotations or prices on the world market shall be regarded as having reached the level of Community prices when they approach or exceed the threshold price; whereas the continuation and the deterioration of that situation may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist, having regard to foreseeable production and market price trends;

Whereas the high level of prices in international trade could impede importation of rice into the Community or provoke exportation from the Community;

Whereas the situation described above can be said to exist at the present time; whereas to ensure supplies in the Community an export levy should be introduced for certain categories of rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1980/81 marketing year by Regulation (EEC) No 2121/80 ⁽⁴⁾;

Whereas Article 3 of Regulation (EEC) No 1432/76 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice on the Community market on the one hand, and prices for rice and products processed from it on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium of supplies and trade on rice markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 1418/76 the specific factors set out in Article 3 (2) of Regulation (EEC) No 1432/76 must also be taken into account;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies:

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, a conversion rate based on their actual parity,
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period;

Whereas it follows from applying the rules outlined above to the present situation on the market in rice, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies should be fixed as shown in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The export levy referred to in the first indent of Article 2 (1) of Regulation (EEC) No 1432/76 is hereby fixed as shown in the Annex for the products listed therein.

COMMISSION REGULATION (EEC) No 1447/81**of 27 May 1981****fixing the export refunds on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽¹⁾, as last amended by the Act of Accession of Greece⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market;

Whereas Regulation (EEC) No 1361/76⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 1448/81**of 27 May 1981****fixing the corrective amount applicable to the refund on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Whereas the cif price is that determined in accordance with Article 16 of Regulation (EEC) No 1418/76;

whereas the cif forward delivery price is that determined in accordance with Article 3 (2) of Regulation (EEC) No 1428/76 ⁽⁵⁾, based in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 % a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

COMMISSION REGULATION (EEC) No 1450/81**of 27 May 1981****fixing the corrective amount applicable to the refund on malt**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice ⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78 ⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75 ⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt,

account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the quantity of cereals needed for making malt, the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding indent;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of malt shall be as set out in the Annex hereto.

outlets for such meat for processing in the Commu-
nity;

Whereas such sales should be made subject to the
rules laid down by Commission Regulation (EEC) No
2173/79⁽²⁾, should also be governed by the rules laid
down by Commission Regulation (EEC) No
1687/76⁽³⁾, as last amended by Regulation (EEC) No
1252/81⁽⁴⁾, and by those laid down by Commission
Regulation (EEC) No 2182/77⁽⁵⁾, as last amended by
Regulation (EEC) No 983/81⁽⁶⁾, subject to certain
special exceptions on account of the particular use to
which the products in question are to be put;

Whereas Regulation (EEC) No 2182/77 requires, in
Article 4 (1), purchasers to provide, before conclusion
of the contract of sale, a security to guarantee that the
products will be processed; whereas experience has
shown the need to lay down a time limit for provision
of that security to prevent operators delaying the
conclusion of contracts of sale;

Whereas Council Regulation (EEC) No 1055/77⁽⁷⁾
provides that, in the case of products stored by an
intervention agency outside the territory of the
Member State within whose jurisdiction it falls, a
different selling price from that for products stored on

that territory may be fixed; whereas Commission
Regulation (EEC) No 1805/77⁽⁸⁾ fixed the method for
calculating the selling prices for such products;
whereas, to avoid all confusion, it should be expressly
stated that the prices fixed by this Regulation are
subject to adjustment in the case of those products;

Whereas it seems appropriate to waive the second
subparagraph of Article 2 (2) of Regulation (EEC) No
2173/79 taking into account the administrative diffi-
culties which the application of this rule raises in
certain Member States;

Whereas the Management Committee for Beef and
Veal has not delivered an opinion within the time
limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EEC) No 1458/81

of 27 May 1981

amending for the eighth time Regulation (EEC) No 610/77 on the determination of prices of adult bovine animals on representative Community markets and the survey of prices of certain other cattle in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by the Act of Accession of Greece, and in particular Article 12 (7) and Article 25 thereof,

Whereas the information available on the trend in cattle numbers indicates that the coefficients used in calculating the price of adult bovine animals on the

representative markets of the Community should be adjusted ;

Whereas, because relatively few animals are brought to certain representative markets in Great Britain and Northern Ireland, these markets should be deleted from the list of United Kingdom representative markets and replaced by new ones ;

Whereas Annex II to Commission Regulation (EEC) No 610/77 ⁽²⁾, as last amended by Regulation (EEC) No 3470/80 ⁽³⁾, should be amended accordingly ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

COMMISSION REGULATION (EEC) No 1459/81

of 27 May 1981

laying down the provisions necessary to avoid disturbance on the sugar market following the increase in prices in the sector for the 1981/82 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 3455/80⁽²⁾, and in particular Article 33 thereof,

Whereas the intervention price for white sugar and for raw sugar are to be fixed for the 1981/82 marketing year at levels 8.5 % and 7.5 % higher respectively than those in force during the 1980/81 sugar year;

Whereas there are still substantial quantities of sugar from 1980/81 to be disposed of for export by tendering procedure before 1 October 1981, when the new production commences; whereas the greater part of these quantities will in fact be exported after 1 July 1981; whereas, accordingly, tenders by operators put forward under current invitations to tender already reflect the differences between the Community prices in force for 1981/82 and the world prices for the period July to September 1981;

Whereas, pursuant to the rules for calculating import levies for white sugar and raw sugar, the said levies are fixed on the basis of the Community prices in force up to 30 June 1981 and of the world prices for rapid deliveries; whereas the result is import levies lower than the necessary export refund;

Whereas this situation could result in deflections of trade, thereby seriously compromising the Community sugar market during the period of changeover to the new marketing year; whereas, in order to avoid this risk in these circumstances, provision should be made for increasing the import levies on white sugar and raw sugar during that period by an amount which reflects the difference in the intervention prices in question, including the respective storage levies referred to in Article 8 (1) (a) in the third subparagraph of Regulation (EEC) No 3330/74;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

Up to 30 June 1981, the import levy referred to in Article 15 (2) of Regulation (EEC) No 3330/74 shall be equal to the difference between the threshold price and the cif price, increased per 100 kilograms:

- (a) for white sugar, by 4.34 ECU;
- (b) for raw sugar, by 3.30 ECU.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

of 26 May 1981

specifying the extent to which applications lodged during the month of May 1981 for import licences in respect of young male bovine animals for fattening may be accepted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by the Act of Accession of Greece⁽²⁾, and in particular Article 13 (4) (a) thereof,

Whereas Commission Regulation (EEC) No 977/81⁽³⁾ fixed the quantity of young male bovine animals which may be imported on special terms during the second quarter of 1981; whereas, having regard to the applications for import licences lodged by each of the categories of applicants referred to in that Regulation, such licences should be issued as provided below;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

- (b) for animals of up to 300 kilograms *per capita* live weight coming from other non-member countries:
 - (aa) by agricultural producers, or their organizations shall be reduced by 91.215 %
 - (bb) by other applicants shall be reduced by 98.141 %.

2. The quantities requested in the other Member States:

- (a) for animals of 220 to 300 kilograms *per capita* live weight coming from Yugoslavia shall be reduced by 90.731 %;

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by the Act of Accession of Greece, and in particular Article 14 (4) (a) thereof,

Whereas Commission Regulation (EEC) No 981/81⁽²⁾, fixed the quantity of frozen beef intended for processing which may be imported under special terms in the second quarter of 1981 ;

Whereas Article 15 (6) (a) of Commission Regulation (EEC) No 2377/80⁽³⁾, as last amended by Regulation (EEC) No 3469/80⁽⁴⁾, lays down that the quantities applied for may be reduced ; whereas the applications lodged, in conformity with the conditions of Commission Regulation (EEC) No 1136/79⁽⁵⁾, relate to total quantities which far exceed the quantities available in accordance with the first indent of Article 1 of Regulation (EEC) No 981/81 ; whereas, under these circumstances and taking care to ensure an equitable distribution of the available quantities, it is appropriate, for the system referred to in Article 14 (1) (a) of Regulation (EEC) No 805/68, to reduce proportionally the quantities applied for ;

Whereas the applications lodged in accordance with the second indent of Article 1 of Regulation (EEC) No

981/81 relate to quantities inferior to those available for the system referred to in Article 14 (1) (b) of Regulation (EEC) No 805/68, they may be satisfied in full ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION :

Article 1

1. Every application for an import licence lodged in accordance with Regulation (EEC) No 1136/79 for the quarter beginning 1 April 1981 shall be granted to the following extent expressed as bone-in beef :

- (a) 21.08 % of the quantity requested for beef imports intended for the manufacture of 'preserves' as defined by Article 2 (5) of Regulation (EEC) No 1136/79 ;
- (b) in full for beef imports intended for the manufacture of products referred to in Article 2 (6) of Regulation (EEC) No 1136/79.

2. In conformity with Article 15 (3) of Regulation (EEC) No 2377/80 all applications from any one applicant shall be regarded as a single application.

THE COMMISSION OF THE EUROPEAN

Having regard to the Treaty establishing the European

Having regard to Council Regulation (EEC)
No 1837/80 of 27 June 1980 on the common organi-
zation of the market in sheepmeat and goatmeat ⁽¹⁾, as
last amended by Regulation (EEC) No 899/81 ⁽²⁾, and
in particular the first paragraph of Article 11 thereof,

Whereas the import levies on live sheep and goats

COMMISSION REGULATION (EEC) No 1463/81

of 27 May 1981

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals⁽¹⁾, as last amended by
the Act of Accession of Greece⁽²⁾, and in particular the
first sentence of the fourth subparagraph of Article 16
(2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products in the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general rules
for granting export refunds on cereals and criteria for
fixing the amount of such refunds⁽³⁾, provides that
when refunds are being fixed, account must be taken
of the existing situation and the future trend with
regard to prices and availabilities of cereals on the
Community market on the one hand, and prices for
cereals and cereal products on the world market on
the other; whereas the same Article provides that it is
also important to ensure equilibrium and the natural
development of prices and trade on cereal markets
and, furthermore, to take into account the economic
aspect of the proposed exports and the need to avoid
disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as
wheat and rye flour, groats and meal are concerned, in
Article 4 of Regulation (EEC) No 2746/75; whereas
furthermore, when the refund on these products is
being calculated, account must be taken of the quanti-

ties of cereals required for their manufacture; whereas
these quantities were fixed in Regulation No 162/
67/EEC⁽⁴⁾, as amended by Regulation (EEC) No
1607/71⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund for certain products according to
destination;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas it follows from applying the detailed rules set
out above to the present situation on the market in
cereals, and in particular to quotations or prices for
these products within the Community and on the
world market, that the refunds should be as set out in
the Annex hereto;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION:
