COMMISSION REGULATION (EEC) No 2526/81**of 31 August 1981****fixing the import levies on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾, and in particular Article 11 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 11 of Regulation (EEC) No 1418/76 provides for charging an import levy on paddy rice, husked rice, semi-milled rice, wholly milled rice and broken rice; whereas in the case of husked rice, wholly milled rice and broken rice, the levy is equal to the difference between the threshold price and the cif price; whereas, in the case of paddy rice and semi-milled rice, the levy should be derived from the levies applicable to the corresponding husked rice and wholly milled rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1981/82 marketing year by Regulation (EEC) No 2121/81 ⁽³⁾;

Whereas, for the purpose of calculating cif prices, the Commission must take account of the factors indicated in Article 16 of Regulation (EEC) No 1418/76 and in Commission Regulation (EEC) No 1613/71 of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts relating thereto ⁽⁴⁾, as last amended by Regulation (EEC) No 2117/80 ⁽⁵⁾, and in particular the most favourable purchasing opportunities on the world market which are sufficiently representative of the real trend of the market, account being taken in particular of the need to prevent sudden variations likely to cause abnormal disturbances on the Community market; whereas the quality of the goods offered must also be taken into account, whether this quality as fixed in Regulation (EEC) No 1423/76 ⁽⁶⁾, or whether adjustments need to be made by applying the corrective amounts provided for in Regulation (EEC) No 1613/71;

Whereas, furthermore, in the case of round grain and long grain husked rice and round grain and long grain

wholly milled rice, the cif price is calculated on the basis of quotations or prices on the world market relating, for each type of rice, to the products specified in Article 4 of Regulation (EEC) No 1613/71; whereas, for this calculation, the conversion rates resulting from Commission Regulation No 467/67/EEC of 21 August 1967 fixing the conversion rates, the processing costs and the value of the by-products for the various stages of rice processing ⁽⁷⁾, as last amended by Regulation (EEC) No 2120/81 ⁽⁸⁾, should be used where appropriate;

Whereas, when these conversions are being effected, the Commission must take account of the fact that certain offers are for rice containing a higher percentage of broken rice than that allowed for in the standard quality fixed by Regulation (EEC) No 1423/76 and, in that case, must adjust the offers so as to conform with the value of one kilogram of broken rice fixed by Regulation No 467/67/EEC, as amended by Regulation (EEC) No 1808/74; whereas no adjustment is made, however, if the prices for husked rice and semi-milled or wholly milled rice taken into consideration are lower than those provided for in the last subparagraph of Article 4 of Regulation No 467/67/EEC;

Whereas Regulation (EEC) No 1613/71 requires the Commission to take account of the fact that certain offers are for delivery cost and freight or relate to a product put up in bags and, if this is the case, to adjust such offers by applying the rates or amounts fixed by the abovementioned Regulation to make the offers comparable to offers for delivery cif or relating to a product presented in bulk;

Whereas the cif price is calculated for Rotterdam on the basis of the abovementioned factors, offers made for other ports being adjusted, account being taken of the corrections necessitated by the difference in transport charges in relation to Rotterdam;

Whereas, if the conditions provided for in Article 1 (3) of Regulation (EEC) No 1613/71 obtain, the cif price may be calculated on the basis of offers for delivery during the following month or may be retained unaltered for a limited period;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them must, pursuant to Regulation (EEC)

No 706/76⁽¹⁾, as last amended by Regulation (EEC) No 279/80⁽²⁾, be reduced by a fixed amount and by an amount corresponding to 50 % of the levy relating to third countries; whereas the levy must be further reduced in the case of semi-milled and wholly milled rice; whereas the charging of this levy is subject to conditions, some of which are set out in Article 9 of Regulation (EEC) No 706/76;

Whereas Council Regulation (EEC) No 1423/76⁽³⁾ determined the standard qualities for rice and broken rice;

Whereas, in accordance with Article 20 (1) of Regulation (EEC) No 1418/76, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff;

Whereas levies are fixed once a week and are altered in the intervening period to take account of variations in threshold prices or in the factors used to determine cif prices; whereas, in the case of husked rice, wholly milled rice and broken rice, the levies are altered only if variations in the factors used to calculate the levy entail an increase or a reduction of at least 1.21 ECU per tonne in the amount of the levy in force;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within

a band of 2.25 %, a rate of exchange based on their effective parity;

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying all the abovementioned provisions that the levies should be fixed as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

The import levies to be charged on the products listed in Article 1 (1) (a) and (b) of Regulation (EEC) No 1418/76 shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 2527/81**of 31 August 1981****fixing the premiums to be added to the import levies on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾, and in particular Article 13 (6) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the premiums to be added to the import levies fixed in advance for rice and broken rice must include a premium for the current month and a premium for each of the following months until the expiry of the period of validity of the import licence ; whereas this period of validity was laid down in Article 8 of Commission Regulation (EEC) No 2042/75 of 25 July 1975 on special detailed rules for the application of the system of import and export licences for cereals and rice ⁽³⁾, as last amended by Regulation (EEC) No 3480/80 ⁽⁴⁾ ;

Whereas Council Regulation (EEC) No 1428/76 of 21 June 1976 ⁽⁵⁾ lays down rules for the advance fixing of levies on rice and broken rice ;

Whereas under the terms of Regulation (EEC) No 1428/76, where the cif price for husked rice, for milled rice or for broken rice determined on the day on which the premiums are fixed is higher than the cif forward delivery price for the same product, the premium should as a general rule be equal to the difference between these two prices ; whereas the cif price is that determined in accordance with Article 16 of Regulation (EEC) No 1418/76 on the day on which the premiums are fixed ; whereas the detailed rules for determining cif prices were laid down in Commission Regulation (EEC) No 1613/71 of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts

relating thereto ⁽⁶⁾, as last amended by Regulation (EEC) No 2117/80 ⁽⁷⁾ ; whereas the cif forward delivery price is also determined in accordance with Article 16 of Regulation (EEC) No 1418/76 but on the basis of offers at North Sea ports ; whereas this price must be the cif price for shipment during the month in which the import licence is issued in the case of imports to be effected during that month ; whereas in the case of imports to be effected during the month following the month in which the import licence is issued, this price must be the cif price for shipment during the month in which importation is expected to take place ; whereas in the case of imports to be effected during the remaining months for which the import licence is valid, this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place ; whereas, if no offer for forward delivery is made for shipment during a given month, this price should be the price ruling for shipment during the last month in which an offer for forward delivery was made ;

Whereas the premium shall be 0 ECU if the cif forward delivery price is equal to the cif price or lower by an amount not exceeding 0.30 ECU per tonne ;

Whereas by virtue of Articles 6 and 7 of Regulation (EEC) No 1428/76 the premium may, however, be fixed at a higher level in exceptional circumstances and within certain specified limits ;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas it follows from applying all these provisions that the premiums should be as set out in the Annex hereto ; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 0.30 ECU,

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾,

Having regard to Council Regulation (EEC) No 1432/76 of 21 June 1976 laying down general rules to be applied in the event of the rice market being disturbed ⁽³⁾, and in particular Article 4 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 21 of Regulation (EEC) No 1418/76 provides that measures may be taken when the quotations or prices on the world market for one or more products reach the level of Community prices; whereas that situation is likely to continue and to deteriorate, thereby disturbing or threatening to disturb the Community market;

Whereas Regulation (EEC) No 1432/76 specifies that the quotations or prices on the world market shall be regarded as having reached the level of Community prices when they approach or exceed the threshold price; whereas the continuation and the deterioration of that situation may be regarded as being likely to continue where an imbalance between supply and demand is established and where this imbalance is likely to persist, having regard to foreseeable production and market price trends;

Whereas the high level of prices in international trade could impede importation of rice into the Community or provoke exportation from the Community;

Whereas the situation described above can be said to exist at the present time; whereas to ensure supplies in the Community an export levy should be introduced for certain categories of rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1981/82 marketing year by Regulation (EEC) No 2121/81 ⁽⁴⁾;

Whereas Article 3 of Regulation (EEC) No 1432/76 specifies that when the export levy is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice on the Community market on the one hand, and prices for rice and products processed from it on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium of supplies and trade on rice markets and furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 1418/76 the specific factors set out in Article 3 (2) of Regulation (EEC) No 1432/76 must also be taken into account;

Whereas the export levy may be varied if the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the levy system is to operate normally, the following should be used to calculate the levies:

- for currencies the exchange rates for which are kept at any given moment within a band of 2.25 %, a conversion rate based on their actual parity,
- for other currencies a conversion rate based on the arithmetic mean of the spot market rates for each of these currencies against the Community currencies referred to in the preceding paragraph over a specified period;

Whereas it follows from applying the rules outlined above to the present situation on the market in rice, and in particular to quotations or prices for these products within the Community and on the world market, that the export levies should be fixed as shown in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The export levy referred to in the first indent of Article 2 (1) of Regulation (EEC) No 1432/76 is hereby fixed as shown in the Annex for the products listed therein.

Article 2

This Regulation shall enter into force on 1 September 1981.

COMMISSION REGULATION (EEC) No 2529/81**of 31 August 1981****fixing the export refunds on products processed from cereals and rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1949/81⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by the Act of Accession of Greece⁽⁴⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁶⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁷⁾, as last amended by Regulation (EEC) No 1783/81⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁹⁾, as amended by Regulation (EEC) No 2764/71⁽¹⁰⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic products;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

⁽¹⁰⁾ OJ No L 283, 24. 12. 1971, p. 30.

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas the Commission has decided to grant a special refund for the export to Poland of a maximum of 10 000 tonnes of husked barley, of 10 000 tonnes of barley flakes and of 5 000 tonnes of oat flakes and made such grant subject to compliance with specific requirements laid down in Regulation (EEC) No 1688/81 ⁽²⁾ ;

Whereas the Commission has decided to grant a special refund for the export to Poland of a maximum of 10 000 tonnes of certain processed barley products

and made such grant subject to compliance with the specific requirements laid down by Regulation (EEC) No 663/81 ⁽³⁾ ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 September 1981.

COMMISSION REGULATION (EEC) No 2530/81

of 31 August 1981

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1949/81⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, as amended by Regulation (EEC) No 2560/77⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁶⁾, as amended by Regulation (EEC) No 3102/80⁽⁷⁾, provides that calculation of the export

refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination; whereas, for purposes of varying the refund, the destination zones laid down in Annex II to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds or levies and for certain export licences for cereals and rice⁽⁸⁾ should be used;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the compound feedingstuffs covered by Regulation (EEC) No 2727/75 and subject to Regulation (EEC) No 2743/75 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 2531/81

of 31 August 1981

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, and in particular Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽²⁾, as last amended by Regulation (EEC) No 1489/76⁽³⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁴⁾, as last amended by Regulation (EEC) No 1467/77⁽⁵⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar

used in the chemical industry⁽⁶⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community areas without deficit for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81;

Whereas Article 19 of Regulation (EEC) No 1785/81 makes provision for setting refunds for export in the natural state of products referred to in Article 1 (1) (f) and (g) of that Regulation; whereas the refund must be fixed per 100 kilograms of dry matter, taking account of the export refund for products within subheading 17.02 B II a) of the Common Customs Tariff and for products referred to in Article 1 (1) (d) of Regulation (EEC) No 1785/81 and of the economic aspects of the intended exports; whereas the refund is to be granted only for products complying with the conditions in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽⁷⁾;

Whereas, if the refund system is to operate normally refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

⁽²⁾ OJ No L 143, 25. 6. 1968, p. 6.

⁽⁵⁾ OJ No L 162, 1. 7. 1977, p. 6.

⁽⁶⁾ OJ No L 170, 27. 6. 1978, p. 9.

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas application of these quotas results in fixing refunds for the products in question at the levels given in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 2532/81**of 31 August 1981****fixing the export refunds on olive oil**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3454/80⁽²⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁵⁾, as last amended by Regulation (EEC) No 2962/77⁽⁶⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market,
- the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market,

- the need to avoid disturbances on the Community market, and
- the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

- the olive oil prices in the main producing areas of the Community,
- the most favourable quotations recorded on the various markets of importing third countries, and
- the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas a special export refund for Poland should be provided for olive oil under the subheading 15.07 A II b);

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

COMMISSION REGULATION (EEC) No 2533/81**of 31 August 1981****fixing the export refunds on oil seeds**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3454/80⁽²⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, and in particular the first sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed

exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽⁵⁾, as amended by Regulation (EEC) No 1480/79⁽⁶⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1776/81 of 30 June 1981 fixing the target prices and basic intervention prices for colza and rape seed and sunflower seed for the 1981/82 marketing year⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

⁽⁷⁾ OJ No L 176, 1. 7. 1981, p. 1.

Whereas it follows from applying these detailed rules to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC shall be as set out in the Annex hereto.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas a production refund is granted in respect of common wheat, maize and broken rice under the conditions laid down in Council Regulation (EEC) No 2742/75 of 29 October 1975 on production refunds in the cereals and rice sectors⁽⁷⁾, as last amended by Regulation (EEC) No 1956/81⁽⁸⁾; whereas, for the purposes of applying the provisions of Article 4 (3) of Regulation (EEC) No 3035/80, the amount of the production refund applicable during the month of exportation should be taken into account;

COMMISSION REGULATION (EEC) No 2544/81
of 31 August 1981
fixing the aid for cotton

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece, and in particular paragraphs 3 and 10 of Protocol 4 thereto,

Having regard to Council Regulation (EEC) No 2169/81 of 27 July 1981 laying down the general rules for the system of aid for cotton⁽¹⁾, and in particular Article 5 (1) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, under Article 5 of Regulation (EEC) No 2169/81, aid must be granted for unginning cotton harvested in the Community when the world market price for unginning cotton is below the guide price ;

Whereas the aid is equal to the difference between these two prices ;

Whereas the guide price for the 1981/82 marketing year was fixed by Regulation (EEC) No 2168/81⁽²⁾ ;

Whereas the world market price for unginning cotton is determined periodically on the basis of the world market prices recorded for ginned cotton and cotton seed, taking into account the estimated yield of the Community harvest in cotton seed and in ginned cotton and also the net cost of ginning ;

Whereas the world market price for ginned cotton and cotton seed is determined in accordance with Article 4 of Regulation (EEC) No 2169/81 ;

Whereas, if the world market price for unginning cotton cannot be determined as described above, this price shall be established on the basis of the most recent price determined ;

Whereas the above values are established on the basis of the prices determined in accordance with Articles 2, 3 and 4 of Commission Regulation (EEC) No 2183/81 of 30 July 1981 laying down rules implementing the system of aid for cotton⁽³⁾ ; whereas the world market price is determined on the basis of the most favourable offers and quotations recorded, excluding offers and

quotations which cannot be regarded as representative of the real market trend ;

Whereas for the 1981/82 marketing year the offers and quotations are increased by those customs duties applied in Greece when importing from other Member States ;

Whereas the necessary adjustments must be made in cases where the offers and quotations recorded do not satisfy the requirements indicated above ;

Whereas, under Article 4 (4) of Regulation (EEC) No 2169/81, if there are no suitable offers or quotations for determining the world market price for cotton seed, this price is to be established on the basis of the value of the products obtained from the processing of those seeds, less the cost of crushing ; whereas this value is determined in accordance with Article 4 of Regulation (EEC) No 2183/81 ;

Whereas, if the subsidy system is to operate normally, subsidies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the aid must be fixed once a month, and in such a way that it can be applied from the first day of the month following the date of fixing ; whereas it may be altered between fixings ;

Whereas, it follows from applying these provisions to the offers and quotations known to the Commission that the aid for cotton should be, as set out in this Regulation,

HAS ADOPTED THIS REGULATION :

Article 1

The aid for unginning cotton referred to in Article 5 of Regulation (EEC) No 2169/81 shall be 24.984 ECU per 100 kilograms.

Article 2

COMMISSION REGULATION (EEC) No 2545/81

of 31 August 1981

laying down detailed rules for the application of measures for the marketing of sugar produced in the French overseas departments and amending for the second time Regulation (EEC) No 3016/78

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, and in particular Article 9 (6), the second subparagraph of Article 39 and Article 48 thereof,

Having regard to Council Regulation (EEC) No 878/77 of 26 April 1977 on the exchange rates to be applied in agriculture⁽²⁾, as last amended by Regulation (EEC) No 850/81⁽³⁾, and in particular Article 5 (1) thereof,

Whereas, since the introduction of the common organization of the sugar markets, provisions have been laid down in order to permit the sugar produced in the French overseas departments to be marketed in the European regions of the Community; whereas Article 9 (4) of Regulation (EEC) No 1785/81 continues these provisions;

Whereas Council Regulation (EEC) No 2067/81⁽⁴⁾ provides that during the marketing years 1981/82 to 1985/86 flat-rate Community aid for the marketing, in that period, in the European regions of the Community of sugar produced in the French overseas departments shall be granted, under certain conditions, to the producers and refiners of such sugar; whereas, therefore, these measures are not applicable to the quantities of such sugar which, before 1 July 1981, were sold and loaded in vessels bound for the aforesaid regions; whereas it is therefore appropriate to provide as a transitional measure that the previous system of marketing aid based on Council Regulation (EEC) No 3330/74⁽⁵⁾ should continue to apply to sugar in respect of which the bill of lading was completed before that date;

Whereas detailed rules relating to the determination of weights and sugar yields should be laid down, particularly where products of this nature are transported in bulk in the same vessel but on behalf of several producers;

Whereas, in general, a considerable period elapses between the date on which the sugar in question is loaded and that on which the arrival formalities are completed so as to permit the payment of the aid by the competent agency; whereas, therefore, provision should be made for payments;

Whereas it appears necessary to specify precisely how the single flat-rate amount referred to in Article 2 (b) of Regulation (EEC) No 2067/81 is to be applied;

Whereas adequate measures for the control of refined sugar, and for this purpose also a definition of refining, should be laid down;

Whereas the application of the measures laid down in Regulation (EEC) No 2067/81 requires the amendment of Commission Regulation (EEC) No 3016/78 of 20 December 1978 laying down certain rules for applying conversion rates in the sugar and isoglucose sectors⁽⁶⁾, as amended by Regulation (EEC) No 1106/79⁽⁷⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

1. The aids referred to in Articles 2 and 3 of Regulation (EEC) No 2067/81 shall be granted only in respect of the sugars referred to in Article 1 of that Regulation for which bills of lading were completed on or after 1 July 1981.

2. The relevant provisions of Regulations (EEC) No 1595/80⁽⁸⁾, (EEC) No 1596/80⁽⁹⁾ and (EEC) No 1764/76⁽¹⁰⁾ shall continue to apply to the sugars in question for which bills of lading were completed before that date. In such a case the undertaking concerned shall furnish, in addition to the proof referred to in the second subparagraph of Article 2 of Regulation (EEC) No 1764/76, the aforesaid bill of lading or any other proof which is regarded as equivalent by the Member State concerned.

⁽¹⁰⁾ OJ No L 197, 23. 7. 1976, p. 33.

Article 2

1. The aid referred to in Article 2 of Regulation (EEC) No 2067/81 :

- (a) shall apply to the accepted arrival weight expressed as white sugar in accordance with the yield formula referred to in Article 1 (3) of Regulation (EEC) No 431/68 ⁽¹⁾.

Where transport in bulk does not permit individual lots to be identified, the average yield of the whole cargo shall be applied to all the sugar in question ;

- (b) shall be paid on presentation by the producer concerned of the customs document of introduction into the European regions of the Community, the bill of lading, the results of the analyses and the final invoice.

The analyses and the determination of the arrival weight shall be carried out at the unloading stage by lots of 100 tonnes on the whole cargo by an agency approved by the Member State into whose territory the sugar has been introduced.

2. A payment in advance may be made equal to 90 % of the amount determined on the basis of the weight as stated in the provisional invoice and expressed as white sugar on the basis of a flat-rate yield of 96 %.

The request for a payment in advance shall be made by the producer concerned and shall be accompanied by the customs document, the bill of lading and the provisional invoice.

Article 3

In the calculation of the flat-rate amount referred to in Article 2 (b) of Regulation (EEC) No 2067/81 ;

- the Caribbean-United Kingdom freight element expressed in £ sterling shall be converted into ECU using the conversion rate used in determining the cif price,
- the amount referred to in the first indent shall be adjusted on a flat-rate basis to take account in the insurance costs of the difference between the value

of the sugar on the world market and its value in the Community,

- the adjusted amount referred to in the second indent shall be multiplied by a coefficient ; this coefficient shall be equal to 1.00 divided by the yield of the sugar in question.

The adjusted amount referred to in the second indent shall be determined by the Commission and notified to the competent French authorities.

Article 4

The aid referred to in Article 3 of Regulation (EEC) No 2067/81 shall be granted by the Member State on whose territory the refining took place.

A request for the aid shall be accompanied by proof acceptable to the Member State concerned that the refined sugar was obtained from raw sugar produced in the French overseas departments ; for this purpose, and at the request of the party concerned, the raw sugar in question shall be placed under customs control or under another administrative control offering the same guarantees.

For the purpose of granting this aid 'refining' means the conversion of raw sugar as defined in Article 1 (2)(b) of Regulation (EEC) No 1785/81 into white sugar as defined in paragraph 2(a) of that Article.

Article 5

In respect of each month, and within two months following the month in question, the Member State concerned shall notify to the Commission the quantities, expressed as white sugar, for which the aids referred to in Articles 2 and 3 respectively of Regulation (EEC) No 2067/81 have been granted and the amounts of aid corresponding to those quantities.

Article 6

Points VI and VII of the Annex to Regulation (EEC) No 3016/78 are hereby replaced by the following :

'VI. Aid referred to in Article 2 of Regulation (EEC) No 2067/81

VII. Aid referred to in Article 3 of Regulation (EEC) No 2067/81

Representative rate applicable on the date of completion of the bill of lading for the transported sugar.

Representative rate applicable on the day when the quantity in question was refined.'

⁽¹⁾ OJ No L 89, 10. 4. 1968, p. 3.

Article 7

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 July 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2546/81**of 31 August 1981****fixing the import levies on syrups and certain other products in the sugar sector**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the market in sugar⁽¹⁾, and in particular Article 16 (8) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (1) of Regulation (EEC) No 1785/81 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽²⁾, as last amended by Regulation (EEC) No 1428/78⁽³⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted

for the average of the levies, where that levy differs by at least 0.73 ECU from that average;

Whereas the basic amount must be fixed each month; whereas it must, however, be altered during the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.73 ECU from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68;

Whereas the levy on the products referred to in Article 1 (1) (f) and (g) of Regulation (EEC) No 1785/81 comprises, under Article 16 (6) of that Regulation, a variable element and a fixed element, with the latter, per 100 kilograms of dry matter, being equal to one-tenth of the fixed element established pursuant to point B of Article 14 (1) of Regulation (EEC) No 2727/75⁽⁴⁾ for the fixing of the import levy on the products falling within subheading 17.02 B II of the Common Customs Tariff, and the variable element, per 100 kilograms of dry matter, being equal to one hundred times the basic import levy applicable as from the first of each month in the case of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81; whereas the levy must be fixed each month;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

⁽³⁾ OJ No L 171, 28. 6. 1978, p. 34.

⁽⁴⁾ OJ No L 281, 1. 11. 1975, p. 1.

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from the application of these provisions that the import levies on the products concerned should be as indicated in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION :

Article 1

The import levies on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81 shall be as indicated in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 September 1981.
