COMMISSION REGULATION (EEC) No 3459/81

of 3 December 1981

fixing minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3454/80⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽³⁾, as amended by Regulation (EEC) No 3539/80⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁵⁾, as last amended by Regulation (EEC) No 3539/80, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁶⁾, as amended by Regulation (EEC) No 3539/80, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey⁽⁷⁾, as amended by Regulation (EEC) No 3540/80⁽⁸⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon⁽⁹⁾,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹⁰⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹¹⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world market and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 30 November and 1 December 1981 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 3460/81

of 3 December 1981

fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1949/81⁽²⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 1783/81⁽⁵⁾, defines the specific criteria to be taken into account

when the refund on these products is being calculated;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regulation (EEC) No 2727/75 subject to Regulation (EEC) No 2744/75 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 4 December 1981.

COMMISSION REGULATION (EEC) No 3461/81

of 2 December 1981

making provision for the conclusion of short-term storage contracts for table wines of types A I, R I and R II in the French part of wine-growing zone C II

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine ⁽¹⁾, as last amended by Regulation (EEC) No 3456/80 ⁽²⁾, and in particular Article 60 thereof,

Whereas there is a risk that the application as from 16 December 1981 of the guide and activating prices for the 1981/82 wine year may result in serious disturbances of the market in the French part of wine-growing zone C II, where supply greatly exceeds demand, mainly owing to very large quantities of table wine held by the trade, in addition to local production which is also very high; whereas, in this situation, the most appropriate approach is to withdraw some of the table wine held by the trade from the market during the first months of the 1981/82 wine year; whereas this can be achieved by making provision for short-term storage contracts for these wines under the conditions laid down in Commission Regulation (EEC) No 2600/79 ⁽³⁾, as last amended by Regulation (EEC) No 2629/81 ⁽⁴⁾;

Whereas the Management Committee for Wine has not delivered an opinion within the time limit laid down by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

Short-term storage contracts for table wines of types A I, R I and R II and for table wines in a close economic

relationship with such table wines may be concluded under the conditions laid down in Article 2.

Article 2

1. The contracts referred to in Article 1 may be concluded with the French intervention agency by any person holding the table wines referred to in Article 1 in the course of their business activities, except producers and retailers as defined in Article 4 of Regulation No 134.
2. The contracts referred to in Article 1 may be concluded until 31 December 1981 in the French part of wine-growing zone C II for table wines held in that area since 13 October 1981 at the latest, and not so held before 13 April 1981.
3. For the purposes of this Regulation, the following wines shall be considered as being in a close economic relationship with table wines of categories:
 - A I: white table wines with an actual alcoholic strength of not less than 12 % vol and not exceeding 14 % vol, except those of type A III,
 - R I: red table wines with an actual alcoholic strength of not less than 12 % vol and not exceeding 12.5 % vol, except those of type R III,
 - R II: red table wines with an actual alcoholic strength exceeding 12.5 % vol and not exceeding 14.5 % vol, except those of type R III.
4. The provisions of Regulation (EEC) No 2600/79, with the exception of Article 2, shall apply to the contracts referred to in Article 1, all references to the producer being construed as references to the holder.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

COMMISSION REGULATION (EEC) No 3462/81

of 3 December 1981

amending for the sixth time Regulation (EEC) No 2547/79 fixing the export refunds on wine

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine ⁽¹⁾, as last amended by Regulation (EEC) No 3456/80 ⁽²⁾, and in particular Article 20 (4) thereof,

Whereas Commission Regulation (EEC) No 2547/79 ⁽³⁾, as last amended by Regulation (EEC) No 3391/81 ⁽⁴⁾, fixes the export refunds on wine;

Whereas financially attractive prospects for the disposal of table wines currently exist on certain markets in non-member countries and in particular on that of Hungary; whereas the list of non-member countries in respect of which an export refund is granted should therefore be extended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 2547/79 is replaced by the Annex hereto.

COMMISSION REGULATION (EEC) No 3465/81

of 3 December 1981

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Council Regulation (EEC) No 1949/81 ⁽²⁾,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand, and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/67/EEC ⁽⁴⁾, as amended by Regulation (EEC) No 1607/71 ⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 4 December 1981.

COMMISSION REGULATION (EEC) No 3466/81

of 3 December 1981

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Council Regulation (EEC) No 1949/81 ⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice ⁽⁴⁾, as last amended by Regulation (EEC) No 1783/81 ⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75 ⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and

the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the quantity of cereals needed for making malt, the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding indent;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the Management Committee for Cereals has not delivered an opinion in the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of malt shall be as set out in the Annex hereto.
