COUNCIL REGULATION (EEC) No 3482/81

of 24 November 1981

temporarily suspending the autonomous Common Customs Tariff duties on certain industrial products

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas production of the products referred to in this Regulation is at present inadequate or non-existent within the Community and producers are thus unable to meet the needs of user industries of the Community;

Whereas it is in the Community's interest in certain cases to suspend the autonomous Common Customs Tariff duties only partially, particularly because of the existence of Community production, and in other cases to suspend them completely;

Whereas, taking account of the difficulties involved in accurately assessing the development of the economic situation in the sectors concerned in the near future, these suspension measures should be taken only temporarily, by fixing their period of validity by reference to the interests of Community production,

HAS ADOPTED THIS REGULATION:

Article 1

From 1 January to 30 June 1982 the autonomous Common Customs Tariff duties for the products listed in the Annex hereto shall be suspended at the level indicated in respect of each of them.

Article 2

This Regulation shall enter into force on 1 January 1982.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 24 November 1981.

For the Council

The President

Mr Director-General,

I have the honour to inform you that, with reference to the Agreement between the European Economic Community and the Kingdom of Sweden concluded on 21 July 1972, and in particular Article 15 thereof, whereby the Contracting Parties declared their readiness to foster, so far as their agricultural policies allow, the harmonious development of trade in agricultural products, the Kingdom of Sweden shall grant to the Community, on a unilateral basis and with effect from 1 July 1981, the following tariff concessions:

Swedish Customs Tariff item number	Description of products	Concession rate of duty
ex 20.02 300	Champignons	13 %

Should an increase in the imports into Sweden from the Community cause serious difficulties for the Swedish production, the Kingdom of Sweden reserves its right, after consultation with the Community, to re-establish the duty at the bound level in GATT of 15 %.

This concession is additional to those included in the letter of 21 July 1972 from the Head of the delegation of the Kingdom of Sweden, Ambassador S. Aström to the Head of the delegation of the European Communities, Mr E. P. Wellenstein.

Please accept, Mr Director-General, the assurance of my highest consideration.
