COMMISSION REGULATION (EEC) No 812/82

of 6 April 1982

on the delivery of various consignments of butteroil as food aid

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 804/68
of 27 June 1968 on the common organization of the
market in milk and milk products ⁽¹⁾, as last amended
by the Act of Accession of Greece, and in particular
Article 6 (7) thereof,

Having regard to Council Regulation (EEC)
No 1401/81 of 19 May 1981 laying down general rules
for the supply of milk fats to certain developing
countries and specialized bodies under the 1981
food-aid programme ⁽²⁾, and in particular Article 7
thereof,

Whereas, under the food-aid programmes adopted by
the Council Regulations specified in the Annex, certain
recipient third countries and agencies have requested
delivery of the quantity of butteroil set out therein;

Whereas, therefore, delivery should be effected in
accordance with the rules laid down in Commission
Regulation (EEC) No 303/77 of 14 February 1977
laying down general rules for the supply of
skimmed-milk powder and butteroil as food aid ⁽³⁾, as
last amended by Regulation (EEC) No 3474/80 ⁽⁴⁾;
whereas, in particular, the periods and terms for
delivery and the procedure to be followed by the
intervention agencies to establish the costs arising
therefrom should be laid down;

Whereas Article 2 (2) of Regulation (EEC) No 1401/81
specifies that, provided the normal development of
prices on the market is not disturbed, the supply of
butter and butteroil as food aid shall be ensured in the
form of butter or butterfats bought on the Community
market if the situation on the market does not allow
supply from public stocks; whereas, since the latter
condition has been fulfilled and the quantities involved
are not so large as to disturb the normal development of
prices on the market, purchases should be made on the
open market to secure the necessary supplies;

Whereas the size of the food-aid programme calls for a
discontinuous series of deliveries and the time normally
needed to carry out a delivery is several months;
whereas the Commission will probably have cause
during the 1981/82 milk year to fix maximum amounts
for deliveries due to be made during the 1982/83 milk
year;

Whereas, given the foregoing and the close link between
the market price of butter and skimmed-milk powder on
the one hand and the intervention prices for these
products on the other, it is likely that potential suppliers
will hold back until the Council's decisions on common
agricultural prices and agri-monetary measures are
known; whereas past experience has shown that, in
such a situation of uncertainty, several potential
suppliers prefer not to submit tenders or submit them
on the basis of inaccurate or differing forecasts, hence
taking the risk that their tender will either not be
accepted or involve them in serious losses leading them
to withdraw later from a transaction in which they have
been named as successful tenderer or contracting party
by mutual agreement; whereas, in order to encourage
tenders and to ensure that they are not based on
theoretical considerations making them impossible to
assess objectively, it is necessary to allow for an increase
at the time of payment in the price of successful tenders
for deliveries to be made during the 1982/83 milk year,
the increase being based on the change in the
intervention price, expressed in national currency, as
decided by the Council for the 1982/83 milk year;

⁽²⁾ OJ No L 141, 27. 5. 1981, p. 5.

⁽³⁾ OJ No L 43, 15. 2. 1977, p. 1.

⁽⁴⁾ OJ No L 363, 31. 12. 1980, p. 50.

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

In accordance with the provisions of Regulation (EEC) No 303/77, the intervention agencies listed in the Annex shall arrange for the delivery of butteroil as food aid on the terms specified therein.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 6 April 1982.

In the case of supplies of butteroil made from butter or cream bought on the Community market and for which the delivery date referred to in item 9 of the Annex falls after the end of the 1981/82 milk year, the sum paid on tenders resulting from application of the procedure referred to in item 12 of the Annex shall be increased at the time of payment to reflect a multiplication of the intervention price of butter, as expressed in the currency of the Member State in which the tender was submitted, by a factor of 1.22 in consequence of the Council's decisions on common agricultural prices and agri-monetary measures for the 1982/83 milk year.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

COMMISSION REGULATION (EEC) No 814/82

of 6 April 1982

on the delivery of butter as food aid to India

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 804/68
of 27 June 1968 on the common organization of the
market in milk and milk products ⁽¹⁾, as last amended
by the Act of Accession of Greece, and in particular
Article 6 (7) thereof,

Having regard to Council Regulation (EEC)
No 1312/80 of 28 May 1980 laying down general rules
for the supply of milk fats to certain developing
countries and specialized bodies under the 1980
food-aid programme ⁽²⁾, and in particular Article 7
thereof,

Having regard to Council Regulation (EEC)
No 1401/81 of 19 May 1981 laying down general rules
for the supply of milk fats to certain developing
countries and specialized bodies under the 1981
food-aid programme ⁽³⁾, and in particular Article 7
thereof,

Whereas, under the food-aid programmes adopted by
the Council Regulations specified in the Annex, India
has requested delivery of the quantity of butter set out
therein;

Whereas, therefore, delivery should be effected in
accordance with the rules laid down in Commission
Regulation (EEC) No 303/77 of 14 February 1977
laying down general rules for the supply of
skimmed-milk powder and butteroil as food aid ⁽⁴⁾, as
last amended by Regulation (EEC) No 3474/80 ⁽⁵⁾;

whereas, in particular, the periods and terms for
delivery and the procedure to be followed by the
intervention agencies to establish the costs arising
therefrom should be laid down;

Whereas Article 2 (2) of Regulations (EEC)
No 1312/80 and (EEC) No 1401/81 specify that,
provided the normal development of prices on the
market is not disturbed, the supply of butter and
butteroil as food aid shall be ensured in the form of
butter or butterfats bought on the Community market if
the situation on the market does not allow supply from
public stocks; whereas, since the latter condition has
been fulfilled and the quantities involved are not so
large as to disturb the normal development of prices on
the market, purchases should be made on the open
market to secure the necessary supplies;

Whereas the size of the food-aid programme calls for a
discontinuous series of deliveries and the time normally
needed to carry out a delivery is several months;
whereas the Commission will probably have cause
during the 1981/82 milk year to fix maximum amounts
for deliveries due to be made during the 1982/83 milk
year;

Whereas, given the foregoing and the close link between
the market price of butter and skimmed-milk powder on
the one hand and the intervention prices for these
products on the other, it is likely that potential suppliers
will hold back until the Council's decisions on common
agricultural prices and agri-monetary measures are
known; whereas past experience has shown that, in
such a situation of uncertainty, several potential
suppliers prefer not to submit tenders or submit them
on the basis of inaccurate or differing forecasts, hence
taking the risk that their tender will either not be
accepted or involve them in serious losses leading them
to withdraw later from a transaction in which they have
been named as successful tenderer or contracting party
by mutual agreement; whereas, in order to encourage
tenders and to ensure that they are not based on
theoretical considerations making them impossible to
assess objectively, it is necessary to allow for an increase
at the time of payment in the price of successful tenders
for deliveries to be made during the 1982/83 milk year,
the increase being based on the change in the
intervention price, expressed in national currency, as
decided by the Council for the 1982/83 milk year;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 134, 31. 5. 1980, p. 14.

⁽³⁾ OJ No L 141, 27. 5. 1981, p. 5.

⁽⁴⁾ OJ No L 43, 15. 2. 1977, p. 1.

⁽⁵⁾ OJ No L 363, 31. 12. 1980, p. 30.

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The intervention agency referred to in the Annex shall arrange for delivery of the butter as food aid on the special conditions set out in the Annex.

The provisions of Regulation (EEC) No 303/77 concerning the supply of butteroil shall apply as follows:

- (a) with regard to checking that the quality and packaging comply with the conditions laid down in the Annex to this Regulation, the provisions of Article 8 of Regulation (EEC) No 303/77 shall apply;

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 6 April 1982.

- (b) with regard to application of the second subparagraph of Article 14 (1) of Regulation (EEC) No 303/77, the references there given shall be considered replaced by that given in note ⁽²⁾ in the Annex to this Regulation;

- (c) the tendering security referred to in Article 15 (1) of Regulation (EEC) No 303/77 shall amount to 39.65 ECU per tonne of butter.

In the case of supplies of butter bought on the Community market and for which the delivery date referred to in item 9 of the Annex falls after the end of the 1981/82 milk year, the sum paid on tenders resulting from application of the procedure referred to in item 12 of the Annex shall be increased at the time of payment to reflect a multiplication of the intervention price of butter, as expressed in the currency of the Member State in which the tender was submitted, in consequence of the Council's decisions on common agricultural prices and agri-monetary measures for the 1982/83 milk year.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.
