COMMISSION REGULATION (EEC) No 2371/82
of 31 August 1982
fixing the import levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾, and in particular Article 11 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 11 of Regulation (EEC) No 1418/76 provides for charging an import levy on paddy rice, husked rice, semi-milled rice, wholly milled rice and broken rice; whereas in the case of husked rice, wholly milled rice and broken rice, the levy is equal to the difference between the threshold price and the cif price; whereas, in the case of paddy rice and semi-milled rice, the levy should be derived from the levies applicable to the corresponding husked rice and wholly milled rice;

Whereas the threshold prices for husked rice, wholly milled rice and broken rice were fixed for the 1982/83 marketing year by Regulation (EEC) No 1872/82 ⁽³⁾;

Whereas, for the purpose of calculating cif prices, the Commission must take account of the factors indicated in Article 16 of Regulation (EEC) No 1418/76 and in Commission Regulation (EEC) No 1613/71 of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts relating thereto ⁽⁴⁾, as last amended by Regulation (EEC) No 2117/80 ⁽⁵⁾, and in particular the most favourable purchasing opportunities on the world market which are sufficiently representative of the real trend of the market, account being taken in particular of the need to prevent sudden variations likely to cause abnormal disturbances on the Community market; whereas the quality of the goods offered must also be taken into account, whether this quality as fixed in Regulation (EEC) No 1423/76 ⁽⁶⁾, or whether adjustments need to be made by applying the corrective amounts provided for in Regulation (EEC) No 1613/71;

Whereas, furthermore, in the case of round grain and long grain husked rice and round grain and long grain

wholly milled rice, the cif price is calculated on the basis of quotations or prices on the world market relating, for each type of rice, to the products specified in Article 4 of Regulation (EEC) No 1613/71; whereas, for this calculation, the conversion rates resulting from Commission Regulation No 467/67/EEC of 21 August 1967 fixing the conversion rates, the processing costs and the value of the by-products for the various stages of rice processing ⁽⁷⁾, as last amended by Regulation (EEC) No 1871/82 ⁽⁸⁾, should be used where appropriate;

Whereas, when these conversions are being effected, the Commission must take account of the fact that certain offers are for rice containing a higher percentage of broken rice than that allowed for in the standard quality fixed by Regulation (EEC) No 1423/76 and, in that case, must adjust the offers so as to conform with the value of one kilogram of broken rice fixed by Regulation No 467/67/EEC, as amended by Regulation (EEC) No 1808/74; whereas no adjustment is made, however, if the prices for husked rice and semi-milled or wholly milled rice taken into consideration are lower than those provided for in the last subparagraph of Article 4 of Regulation No 467/67/EEC;

Whereas Regulation (EEC) No 1613/71 requires the Commission to take account of the fact that certain offers are for delivery cost and freight or relate to a product put up in bags and, if this is the case, to adjust such offers by applying the rates or amounts fixed by the abovementioned Regulation to make the offers comparable to offers for delivery cif or relating to a product presented in bulk;

Whereas the cif price is calculated for Rotterdam on the basis of the abovementioned factors, offers made for other ports being adjusted, account being taken of the corrections necessitated by the difference in transport charges in relation to Rotterdam;

Whereas, if the conditions provided for in Article 1 (3) of Regulation (EEC) No 1613/71 obtain, the cif price may be calculated on the basis of offers for delivery during the following month or may be retained unaltered for a limited period;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them must, pursuant to Regulation (EEC)

No 706/76⁽¹⁾, as last amended by Regulation (EEC) No 279/80⁽²⁾, be reduced by a fixed amount and by an amount corresponding to 50 % of the levy relating to third countries; whereas the levy must be further reduced in the case of semi-milled and wholly milled rice; whereas the charging of this levy is subject to conditions, some of which are set out in Article 9 of Regulation (EEC) No 706/76;

Whereas Council Regulation (EEC) No 1423/76⁽³⁾ determined the standard qualities for rice and broken rice;

Whereas, in accordance with Article 20 (1) of Regulation (EEC) No 1418/76, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff;

Whereas levies are fixed once a week and are altered in the intervening period to take account of variations in threshold prices or in the factors used to determine cif prices; whereas, in the case of husked rice, wholly milled rice and broken rice, the levies are altered only if variations in the factors used to calculate the levy entail an increase or a reduction of at least 1.21 ECU per tonne in the amount of the levy in force;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within

a band of 2.25 %, a rate of exchange based on their central rate,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying all the abovementioned provisions that the levies should be fixed as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

The import levies to be charged on the products listed in Article 1 (1) (a) and (b) of Regulation (EEC) No 1418/76 shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 2372/82**of 31 August 1982****fixing the premiums to be added to the import levies on rice and broken rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by the Act of Accession of Greece ⁽²⁾, and in particular Article 13 (6) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the premiums to be added to the import levies fixed in advance for rice and broken rice must include a premium for the current month and a premium for each of the following months until the expiry of the period of validity of the import licence; whereas this period of validity was laid down in Article 8 of Commission Regulation (EEC) No 2042/75 of 25 July 1975 on special detailed rules for the application of the system of import and export licences for cereals and rice ⁽³⁾, as last amended by Regulation (EEC) No 1729/82 ⁽⁴⁾;

Whereas Council Regulation (EEC) No 1428/76 of 21 June 1976 ⁽⁵⁾ lays down rules for the advance fixing of levies on rice and broken rice;

Whereas under the terms of Regulation (EEC) No 1428/76, where the cif price for husked rice, for milled rice or for broken rice determined on the day on which the premiums are fixed is higher than the cif forward delivery price for the same product, the premium should as a general rule be equal to the difference between these two prices; whereas the cif price is that determined in accordance with Article 16 of Regulation (EEC) No 1418/76 on the day on which the premiums are fixed; whereas the detailed rules for determining cif prices were laid down in Commission Regulation (EEC) No 1613/71 of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts

relating thereto ⁽⁶⁾, as last amended by Regulation (EEC) No 2117/80 ⁽⁷⁾; whereas the cif forward delivery price is also determined in accordance with Article 16 of Regulation (EEC) No 1418/76 but on the basis of offers at North Sea ports; whereas this price must be the cif price for shipment during the month in which the import licence is issued in the case of imports to be effected during that month; whereas in the case of imports to be effected during the month following the month in which the import licence is issued, this price must be the cif price for shipment during the month in which importation is expected to take place; whereas in the case of imports to be effected during the remaining months for which the import licence is valid, this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place; whereas, if no offer for forward delivery is made for shipment during a given month, this price should be the price ruling for shipment during the last month in which an offer for forward delivery was made;

Whereas the premium shall be 0 ECU if the cif forward delivery price is equal to the cif price or lower by an amount not exceeding 0.30 ECU per tonne;

Whereas by virtue of Articles 6 and 7 of Regulation (EEC) No 1428/76 the premium may, however, be fixed at a higher level in exceptional circumstances and within certain specified limits;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying all these provisions that the premiums should be as set out in the Annex hereto; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 0.30 ECU,

Accession of Greece⁽⁴⁾, and in particular the fourth
subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
and Article 17 of Regulation (EEC) No 1418/76
provide that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of
Council Regulation (EEC) No 1431/76 of 21 June
1976⁽⁶⁾ laying down general rules for granting export
refunds on cereals and rice respectively and criteria for
fixing the amount of such refunds, provide that when
refunds are being fixed account must be taken of the
existing situation and the future trend with regard to
prices and availabilities of cereals, rice and broken rice
on the Community market on the one hand and
prices for cereals, rice, broken rice and cereal products
on the world market on the other; whereas the same
Articles provide that it is also important to ensure
equilibrium and the natural development of prices and
trade on the markets in cereals and rice and, further-
more, to take into account the economic aspect of the
proposed exports, and the need to avoid disturbances
on the Community market;

Whereas Article 6 of Council Regulation (EEC) No
2744/75 of 29 October 1975 on the import and export
system for products processed from cereals and from
rice⁽⁷⁾, as last amended by Regulation (EEC) No
1459/82⁽⁸⁾, defines the specific criteria to be taken
into account when the refund on these products is
being calculated;

Whereas, on the basis of the criteria laid down in
Regulation (EEC) No 2744/75, particular account
should be taken of the prices and quantities of basic
products used to calculate the variable component of
the levy; whereas Article 8 of Regulation (EEC) No
2744/75 and Article 1 of Regulation (EEC) No
1077/68⁽⁹⁾, as amended by Regulation (EEC) No
2764/71⁽¹⁰⁾, provide that the amount of the export
refund should, for certain products, be reduced by an
amount equal to the production refund granted in
respect of the basic products;

Whereas it follows from applying these detailed rules
to the present situation on the market in products
processed from cereals and rice that the export refund
should be fixed at an amount which will cover the
difference between Community prices and world
market prices;

Whereas when the refund is being calculated account
should be taken of the quantities of raw materials used
to determine the variable component of the levy;
whereas the quantities of raw materials used for certain
processed products may vary according to the end use
of the product; whereas, depending on the manufac-
turing process used, products other than the main
product are obtained, the quantity and value of which
may vary with the nature and quality of the main
products being manufactured; whereas cumulation of
the refunds on the various products manufactured by a
single process from the same basic product may make
it possible, in certain cases, to export to third countries
at prices which are lower than world market prices;
whereas the refund on certain products should there-
fore be limited to an amount which, while allowing
access to the world market, will ensure that the aims of
the common organization of the markets are
respected;

⁽¹⁰⁾ OJ No L 283, 24. 12. 1971, p. 30.

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

COMMISSION REGULATION (EEC) No 2374/82**of 31 August 1982****fixing the export refunds on cereal-based compound feedingstuffs**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1451/82⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, as amended by Regulation (EEC) No 2560/77⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁶⁾, as amended by Regulation (EEC) No 3102/80⁽⁷⁾, provides that calculation of the export refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination; whereas, for purposes of varying the refund, the destination zones laid down in Annex II to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds or levies and for certain export licences for cereals and rice⁽⁸⁾ should be used;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the Management Committee for Cereals has not delivered an opinion in the time limit set by its chairman,

COMMISSION REGULATION (EEC) No 2375/82

of 31 August 1982

fixing the import levies on syrups and certain other products in the sugar sector

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1785/81 of 30 June 1981 on the common organization
of the markets in the sugar sector⁽¹⁾, as last amended
by Regulation (EEC) No 606/82⁽²⁾, and in particular
Article 16 (8) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 (1) of Regulation (EEC) No
1785/81 provides for charging a levy on imports of the
products listed in Article 1 (1) of that Regulation ;

Whereas the levy on the products listed in Article 1 (1)
(d) of Regulation (EEC) No 1785/81 must be calcu-
lated, where appropriate, at a standard rate on the basis
of the sucrose content (including other sugars
expressed as sucrose) of the product concerned and of
the levy on white sugar ; whereas, however, the levies
on maple sugar and maple syrup are limited to the
amount resulting from application of the rate of duty
bound within GATT ;

Whereas Article 7 of Commission Regulation (EEC)
No 837/68 of 28 June 1968 on detailed rules for the
application of levies on sugar⁽³⁾, as last amended by
Regulation (EEC) No 1428/78⁽⁴⁾, provides that the
basic amount of the levy for 100 kilograms of product
must be fixed per percentage point of sucrose content ;

Whereas the basic amount of the levy must be equal
to one-hundredth of the average of the levies appli-
cable to 100 kilograms of white sugar during the first
20 days of the month preceding the month for which
the basic amount of the levy is fixed ; whereas,
however, the levy applicable to white sugar on the day
of the fixing of the basic amount must be substituted
for the average of the levies, where that levy differs by
at least 0.73 ECU from that average ;

Whereas the basic amount must be fixed each month ;
whereas it must, however, be altered during the period
between the day on which it is fixed and the first day
of the month following the month for which the basic
amount is applicable, if the levy on white sugar differs
by at least 0.73 ECU from the average referred to
above or from the levy on white sugar used to fix the
basic amount ; whereas, in this case, the basic amount
must be equal to one-hundredth of the levy on white
sugar used to calculate the alteration ;

Whereas the basic amount thus fixed must be adjusted
on the basis of variations in the threshold price for
white sugar occurring between the month in which
the basic amount is fixed and the period of applica-
tion ; whereas this adjustment, equal to one-hundredth
of the difference between these two threshold prices,
must be deducted from or added to the basic amount
in the circumstances provided for in Article 7 (6) of
Regulation (EEC) No 837/68 ;

Whereas the levy on the products referred to in Article
1 (1) (f) and (g) of Regulation (EEC) No 1785/81
comprises, under Article 16 (6) of that Regulation, a
variable element and a fixed element, with the latter,
per 100 kilograms of dry matter, being equal to one-
tenth of the fixed element established pursuant to
point B of Article 14 (1) of Regulation (EEC) No
2727/75⁽⁵⁾ for the fixing of the import levy on the
products falling within subheading 17.02 B II of the
Common Customs Tariff, and the variable element,
per 100 kilograms of dry matter, being equal to one
hundred times the basic import levy applicable as
from the first of each month in the case of the
products listed in Article 1 (1) (d) of Regulation (EEC)
No 1785/81 ; whereas the levy must be fixed each
month ;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis :

— in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their central rate,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from the application of these provisions that the import levies on the products concerned should be as indicated in the Annex to this Regulation,

COMMISSION REGULATION (EEC) No 2376/82

of 31 August 1982

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 606/82⁽²⁾, and in particular Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying

down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community areas without deficit for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81;

Whereas Article 19 of Regulation (EEC) No 1785/81 makes provision for setting refunds for export in the natural state of products referred to in Article 1 (1) (f) and (g) of that Regulation; whereas the refund must be fixed per 100 kilograms of dry matter, taking account of the export refund for products within subheading 17.02 B II a) of the Common Customs Tariff and for products referred to in Article 1 (1) (d) of Regulation (EEC) No 1785/81 and of the economic aspects of the intended exports; whereas the refund is to be granted only for products complying with the conditions in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽⁸⁾;

Whereas, if the refund system is to operate normally refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas application of these quotas results in fixing refunds for the products in question at the levels given in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 September 1982.

COMMISSION REGULATION (EEC) No 2377/82**of 31 August 1982****fixing the export refunds on olive oil**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1413/82⁽²⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁵⁾, as last amended by Regulation (EEC) No 2962/77⁽⁶⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market,
- the aims of the common organization of the market in olive oil which are to ensure equilibrium

and the natural development of prices and trade on this market,

- the need to avoid disturbances on the Community market, and
- the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

- the olive oil prices in the main producing areas of the Community,
- the most favourable quotations recorded on the various markets of importing third countries, and
- the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

COMMISSION REGULATION (EEC) No 2378/82
of 31 August 1982
fixing the export refunds on oil seeds

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and fats ⁽¹⁾,
as last amended by Regulation (EEC) No 1413/82 ⁽²⁾,

Having regard to Council Regulation No 142/67/EEC
of 21 June 1967 on export refunds on colza, rape and
sunflower seeds ⁽³⁾, as last amended by Regulation
(EEC) No 2429/72 ⁽⁴⁾, and in particular the first
sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 28 of Regulation No 136/66/EEC
provides that a refund may be granted on exports to
third countries of oil seeds harvested within the
Community; whereas the amount of this refund may
not exceed the difference between prices within the
Community and prices on the world market where the
former are higher than the latter; whereas Article 21
of Regulation No 136/66/EEC provides that, at
present, Article 28 of that Regulation applies only to
colza, rape and sunflower seeds;

Whereas Article 3 of Regulation No 142/67/EEC
provides that when the refund is being calculated
account must be taken of prices ruling on the various
Community markets which are representative from the
point of view of processing and exportation; the most
favourable quotations recorded on the various markets
of importing third countries and costs incurred in
placing the goods on the world market; whereas,
when the amount of the refund is being fixed, account
must also be taken of the level of market prices within
the Community for the oil seeds referred to in Article
21 of Regulation No 136/66/EEC and the future trend
of these prices; whereas, furthermore, account should
be taken of the economic aspect of the proposed

exports and the situation in the Community regarding
the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC)
No 651/71 of 29 March 1971 on certain detailed rules
for the application of export refunds on oil seeds ⁽⁵⁾, as
amended by Regulation (EEC) No 1480/79 ⁽⁶⁾, provides
that the amount of the refund must be calculated on
the basis of the weight of exported seeds; whereas this
weight must be adjusted to take account of any differ-
ences between the percentages of moisture and impur-
ities found to exist and those used to define the stan-
dard quality for which the target price is fixed;
whereas, when this adjustment is being made, the
weight of the exported seeds must be increased by the
amount of the difference between the actual moisture
and impurities content and that used to define the
standard quality if the former is lower than the latter;
whereas, if the opposite applies, the weight of the
exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was
defined in Article 2 of Council Regulation (EEC) No
1418/82 of 18 May 1982 fixing the target prices and
intervention prices for colza and rape seed and
sunflower seed for the 1982/83 marketing year ⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC
provides that the refund may be varied according to
destination where the world market situation or the
specific requirements of certain markets make this
necessary;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

⁽⁷⁾ OJ No L 162, 12. 6. 1982, p. 14.

Whereas it follows from applying these detailed rules to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC shall be as set out in the Annex hereto.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1183/82⁽²⁾, and in particular Article 17 (5) thereof,

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 764/82⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward-processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

COMMISSION REGULATION (EEC) No 2380/82**of 31 August 1982****fixing the rates of the refunds applicable from 1 September 1982 to certain cereal and rice products exported in the form of goods not covered by Annex II to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1451/82⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by the Act of Accession of Greece⁽⁴⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Whereas Article 16 (1) of Regulation (EEC) No 2727/75 and Article 17 (1) of Regulation (EEC) No 1418/76 provides that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽⁵⁾, as last amended by Regulation (EEC) No 764/82⁽⁶⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 2727/75 or in Annex B to Regulation (EEC) No 1418/76 as appropriate;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate

of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas a production refund is granted in respect of common wheat, maize and broken rice under the conditions laid down in Council Regulation (EEC) No 2742/75 of 29 October 1975 on production refunds in the cereals and rice sectors⁽⁷⁾, as last amended by Regulation (EEC) No 1460/82⁽⁸⁾; whereas, for the purposes of applying the provisions of Article 4 (3) of Regulation (EEC) No 3035/80, the amount of the production refund applicable during the month of exportation should be taken into account;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 2384/82
of 31 August 1982
fixing the rate of the additional aid for dried fodder

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1117/78 of 22 May 1978 on the common organization of the market in dried fodder⁽¹⁾, as last amended by Regulation (EEC) No 1433/82⁽²⁾, and in particular Article 5 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, under Article 5 (1) of Regulation (EEC) No 1117/78, when the guide price is higher than the average world market price a supplementary aid is given for dried fodder as described under Article 1 (b) and (c) of that Regulation obtained from fodder plants harvested in the Community; whereas this aid is equal to a percentage of the difference between these two prices;

Whereas this percentage and the guide price were fixed by Council Regulation (EEC) No 1194/82 of 18 May 1982 fixing the flat-rate production aid and the guide price for dried fodder for the 1982/83 marketing year⁽³⁾;

Whereas the average world market price is determined for a bulk pelleted product delivered to Rotterdam of the standard quality for which the guide price has been fixed;

Whereas, under Council Regulation (EEC) No 1417/78 of 19 June 1978 on the aid system for dried fodder⁽⁴⁾, as last amended by Regulation (EEC) No 2026/82⁽⁵⁾, the average world market price for the products described in the first indent of Article 1 (b) of Regulation (EEC) No 1117/78 is to be determined on the basis of the most favourable actual purchase possibilities excepting those which cannot be considered representative of the real market trend; whereas offers and quotations recorded during the first 25 days of the month in question for quantities that can be delivered during the following calendar month are to be used; whereas the average world market price thus determined is used to fix the supplementary aid rate applicable on the following month;

Whereas the necessary adjustments must be made in the case of offers and quotations not of the type referred to above;

Whereas when no offer or quotation for the products described in the first indent of Article 1 (b) of Regulation (EEC) No 1117/78 can be used to determine the average world market price it is to be determined from offers on the world market of and quotations on the exchanges important for international trade for the products described in the second indent of Article 1 (b) of Regulation (EEC) No 1117/78;

Whereas, under Article 3 of Regulation (EEC) No 1417/78, when no offer or quotation can be used to determine the average world market price it is determined from the last average world market price determined, this being adjusted on the basis of price developments for the same products of Community origin and world prices of competing products;

Whereas the adjustments referred to above were set out in Article 3 of Commission Regulation (EEC) No 1528/78 of 30 June 1978 laying down detailed rules for the application of the system of aid for dried fodder⁽⁶⁾, as last amended by Regulation (EEC) No 26/81⁽⁷⁾;

Whereas, under Article 11 of Regulation (EEC) No 1417/78, when forward prices differ from that applying in the month when the application is lodged, the supplementary aid rate is adjusted by a correcting amount calculated from the trend of forward prices;

Whereas the correcting amount is equal to the difference between the average world market price and the average forward world market price multiplied by the percentage fixed in Article 3 of Regulation (EEC) No 1194/82; whereas when for one of the months following that of the introduction of supplementary aid the average forward world market price cannot be determined by applying the criteria specified in Article 1 of Regulation (EEC) No 1417/78, the price determined for the previous month is used to calculate the difference; whereas, when for two or more consecutive months following that of the introduction of supplementary aid, the average forward world market prices cannot be determined by applying the criteria set out in Article 1 of Regulation (EEC) No 1417/78, the prices previously determined for these months, adjusted on the basis of the difference between the average world market price and the last forward price determined for the month, are used to calculate the differences for the months in question;

Whereas, when the average world market price is determined in accordance with Articles 2 and 3 of Regulation (EEC) No 1417/78, the correcting amount must be equal to the difference between the average

world market price and the average forward world market price determined by applying the criteria specified in Articles 1 and 2 of the said Regulation and valid for delivery during a month other than that of the introduction of the supplementary aid, multiplied by the percentage fixed in Article 3 of Regulation (EEC) No 859/81 for the product concerned; whereas, when for one or more months the average forward world market price cannot be determined by applying the criteria specified in Articles 1 and 2 of Regulation (EEC) No 1417/78, the correcting amount is to be fixed for the month(s) in question to give a nil rate for the supplementary aid;

Whereas, if the aid system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the rate of the additional aid must be fixed once per month so as to ensure application of the aid

from the first day of the month following the date of its fixing;

Whereas, as the result of the applications of all these provisions to the offers and quotations which the Commission has recorded, the rate of the additional aid for dried fodder must be fixed as indicated in the table annexed to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The rate of the aid referred to in Article 5 (3) of Regulation (EEC) No 1117/78 is fixed in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 September 1982.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
