COUNCIL REGULATION (EEC) No 273/83

of 1 February 1983

imposing a definitive anti-dumping duty on imports of light sodium carbonate originating in Bulgaria, the German Democratic Republic, Poland, Romania and the Soviet Union

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3017/79 of 20 December 1979 on protection against dumped or subsidized imports from countries not members of the European Economic Community⁽¹⁾, as amended by Regulation (EEC) No 1580/82⁽²⁾, and in particular Article 12 thereof,

Having regard to the proposal submitted by the Commission after consultation within the Advisory Committee set up by that Regulation,

Whereas, pursuant to a complaint lodged by the European Council of Chemical Manufacturers' Federations (Cefic) on behalf of the entire Community industry concerned, the Commission announced, in the *Official Journal of the European Communities*⁽³⁾, the re-opening of the previously terminated anti-dumping proceeding;

Whereas, by Regulation (EEC) No 2667/82⁽⁴⁾, the Commission imposed the provisional duty indicated hereafter on light sodium carbonate originating in Bulgaria, the German Democratic Republic, Poland, Romania and the Soviet Union, *viz*:

(a) in the case of Bulgaria:

- 14.09 % of the price per tonne net, free-at-Community frontier, before duty, or

- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 113.85 ECU,

whichever amount is the higher;

(b) in the case of the German Democratic Republic:

- 40.86 % of the price per tonne net, free-at-Community frontier, before duty, or

- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 127.24 ECU,

whichever amount is the higher;

(c) in the case of Poland:

- 9.68 % of the price per tonne net, free-at-Community frontier, before duty, or

- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 113.85 ECU,

whichever amount is the higher;

(d) in the case of Romania:

- 18.79 % of the price per tonne net, free-at-Community frontier, before duty, or

- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 117.62 ECU,

whichever amount is the higher;

(e) in the case of the Soviet Union:

- 37.26 % of the price per tonne net, free-at-Community frontier, before duty, or

- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 129.60 ECU,

whichever amount is the higher;

Whereas, following the imposition of the provisional duty, the exporters from Bulgaria, Poland, Romania and the German Democratic Republic requested to be heard orally by the Commission; whereas these requests were granted and the exporters were heard by

⁽¹⁾ OJ No L 339, 31. 12. 1979, p. 1.

⁽²⁾ OJ No L 178, 22. 6. 1982, p. 9.

⁽³⁾ OJ No C 93, 14. 4. 1982, p. 5.

⁽⁴⁾ OJ No L 283, 6. 10. 1982, p. 9.

the Commission, with the exception of the Romanian exporter who, despite being invited by the Commission, chose not to attend the hearing;

Whereas the complainant, the European Council of Chemical Manufacturers' Federations (Cefic) made known its views in writing and also requested, and was granted, an opportunity to be heard orally by the Commission;

Whereas a number of importers made known their views concerning the provisional duty, both in writing and, upon request, orally;

Whereas the Commission received a written submission from Alginate Industries Ltd, Kelso, UK, a company whose interest in this case was previously unknown to the Commission, stating that it was a past, and potential future, importer of light sodium carbonate from the Soviet Union and making known its views concerning the duty; whereas Alginate requested, and was granted, an opportunity to be heard orally by the Commission and was informed, upon request, of essential facts and considerations on the basis of which it was intended to recommend definitive action; whereas, as regards the determination of the dumping margin, none of the information which the Commission has received since the imposition of the provisional anti-dumping duty has caused it to necessarily alter its view that the Austrian market price is an appropriate and not unreasonable basis for determining the normal value of the product in question;

Whereas, as regards the level of export prices of Soviet sodium carbonate, Alginate together with another firm which is involved in the imports, Golodetz Overseas Ltd, London, have submitted new evidence;

Whereas, taking into account this new evidence and the evidence already available to it, the Commission has revised its calculation of the dumping margin of exports of light sodium carbonate originating in the Soviet Union; whereas this margin, expressed as a percentage of the free-at-Community frontier price, and based on the two Community markets where Soviet sodium carbonate has been exported in 1981 and 1982, is 35.54 %;

Whereas, as regards the level of export prices of other exporters, no new evidence has been submitted; whereas the Commission has consequently established the same dumping margins as for the preliminary findings;

Whereas, as regards injury caused to the Community industry, more detailed evidence has been made available to the Commission concerning the Community market for bagged light sodium carbonate;

Whereas the sales of bagged light sodium carbonate by the Community industry have decreased by 24.3 % between 1978 and 1981; whereas according to the evidence available to the Commission these sales have decreased by a further 10 % in the course of 1982; whereas this decrease is higher than the decrease of overall bulk and bag sales of the product concerned; whereas, according to the best evidence available, the share of the Community market held by dumped imports of bagged light sodium carbonate reached 26 % in 1981 and appears to have increased further during 1982;

Whereas the resale prices in the Community of the imported bagged light sodium carbonate under investigation are lower than those of the Community producers; whereas the difference is smaller than the dumping margins; whereas this difference is greater than the difference between the resale price in the Community of imported sodium carbonate in bulk and the price of Community producers;

Whereas the abovementioned has contributed disproportionately to the erosion of the Community industry's profitability;

Whereas, as regards the other considerations concerning the injury caused to the Community industry by the dumped imports on which the Commission based its decision to impose a provisional anti-dumping duty, no new evidence has been made available to the Commission;

Whereas no other evidence has been found as regards other factors which may have adversely affected the Community industry;

Whereas, in the Commission's view, the facts as finally determined show that the injury caused by the dumped imports of light sodium carbonate originating in Bulgaria, the German Democratic Republic, Poland, Romania and the Soviet Union, irrespective of that caused by other factors, has to be considered as material;

Whereas the exporters from Bulgaria, the German Democratic Republic, Poland and Romania offered price undertakings; whereas, after consultation, these undertakings were not found to be acceptable;

Whereas, in these circumstances, protection of the Community's interests calls for the imposition of a definitive anti-dumping duty on imports of light sodium carbonate originating in Bulgaria, the German Democratic Republic, Romania, Poland and the Soviet Union; whereas the rate of such duty, having regard to the extent of injury caused, should be less than the dumping margin established but adequate to remove the injury caused; whereas it is appropriate to supple-

ment the variable duty by a specific duty in order to prevent circumvention of the measures ; whereas it is furthermore appropriate to increase this duty by a flat-rate duty on imports of bagged light sodium carbonate of 9.50 ECU per tonne ; whereas imports in so-called big bags of more than 500 kilograms should be excluded from this supplement since they are, according to the best evidence available, debagged by the importers and the light sodium carbonate sold in bulk ;

Whereas, given all the circumstances, injury would be removed if the rate of duty applicable to all imports of light sodium carbonate originating in the countries under investigation corresponded to 14.09 % for Bulgaria, 40.86 % for the German Democratic Republic, 9.68 % for Poland, 18.79 % for Romania and 16.30 % for the Soviet Union or if the amount of that duty was equal to the difference between the free-at-Community frontier price, before duty, and the sum of 113.85 ECU for Bulgaria, 127.24 ECU for the German Democratic Republic, 113.85 ECU for Poland, 117.62 ECU for Romania and 129.96 ECU for the Soviet Union, where such difference in value is greater than the abovementioned percentages and, in addition, a supplement of 9.50 ECU per tonne is fixed for imports in bags of a weight of less than 500 kilograms per bag,

HAS ADOPTED THIS REGULATION :

Article 1

1. A definitive anti-dumping duty is hereby imposed on light sodium carbonate falling within subheading 28.42 A ex II of the Common Customs Tariff and corresponding to NIMEXE code ex 28.42-31, originating in Bulgaria, the German Democratic Republic, Poland, Romania and the Soviet Union.

2. The amount of the duty shall be :

(a) for all imports in bulk or bag :

(aa) in the case of Bulgaria :

- 14.09 % of the price per tonne net, free-at-Community frontier, before duty, or
- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 113.85 ECU,

whichever is the higher ;

(bb) in the case of the German Democratic Republic :

- 40.86 % of the price per tonne net, free-at-Community frontier, before duty, or
- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 127.24 ECU,

whichever amount is the higher ;

(cc) in the case of Poland :

- 9.68 % of the price per tonne net, free-at-Community frontier, before duty, or
- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 113.85 ECU,

whichever amount is the higher ;

(dd) in the case of Romania :

- 18.79 % of the price per tonne net, free-at-Community frontier, before duty, or
- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 117.62 ECU,

whichever amount is the higher ;

(ee) in the case of the Soviet Union :

- 16.30 % of the price per tonne net, free-at-Community frontier, before duty, or
- the difference between the price per tonne net, free-at-Community frontier, before duty, and the sum of 129.96 ECU,

whichever amount is the higher.

(b) for imports in bags of a weight of less than 500 kilograms each, the abovementioned duty plus a supplement of 9.50 ECU per tonne net.

3. The free-at-Community frontier prices shall be net if the conditions of sale provide for payment within 30 days from the date of shipment. They shall be increased or reduced by 1 % for each increase or decrease of one month in the period for payment.

4. For the purposes of this Regulation, 'light sodium carbonate' means non-compacted sodium carbonate with a specific weight of less than 0.700 kg/dm³ and consisting of powder or grains smaller than 0.4 mm in diameter.

5. The provisions in force concerning customs duties shall apply for the application of the duty.

Article 2

1. The sums secured by way of provisional anti-dumping duty on imports originating in Bulgaria, the German Democratic Republic, Poland and Romania and introduced by Regulation (EEC) No 2667/82 shall be definitively collected.

2. The sums secured by way of provisional anti-dumping duty on imports originating in the Soviet Union and introduced by Regulation (EEC) No 2667/82 shall be definitively collected up to the amount of :

- 16.30 % of the price per tonne net, free-at-Community frontier, before duty, or
- the amount by which the price per tonne net, free-at-Community frontier, before duty, is less than 129.96 ECU,

whichever is the higher, plus a supplement of 9.50 ECU per tonne net for imports in bags of a weight of less than 500 kilograms each.

COMMISSION REGULATION (EEC) No 278/83

of 2 February 1983

fixing the export refunds on white sugar and raw sugar exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 606/82⁽²⁾, and in particular point (a) of the first subparagraph of Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a) of that Regulation and prices for those products within the Community may be covered by an export refund ;

Whereas Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that when refunds on white and raw sugar, undenatured and exported in the natural state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 3 of that Regulation ; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account ;

Whereas the refund on raw sugar must be fixed in respect of the standard quality ; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar⁽⁵⁾ ; whereas, furthermore, this refund should be fixed in accordance with Article 5 (2) of Regulation (EEC) No 766/68 ; whereas candy sugar is defined in Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on

sugar⁽⁶⁾, as amended by Regulation (EEC) No 1467/77⁽⁷⁾ ; whereas the refund thus calculated for aromatized sugars or for sugars with colouring added must apply to their sucrose content and, accordingly, be fixed per 1 % of the said content ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination ;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the refund must be fixed every two weeks ; whereas it may be altered in the intervening period ;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the Annex hereto ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (1) (a) of Regulation (EEC) No 1785/81 undenatured and exported in the natural state, shall be as set out in the Annex hereto.

COUNCIL DIRECTIVE

of 24 January 1983

amending Directive 78/176/EEC on waste from the titanium dioxide industry

(83/29/EEC)

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

HAS ADOPTED THIS DIRECTIVE:

Article 1

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 100 and 235 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽¹⁾,

In Article 9 (3) of Directive 78/176/EEC, the phrase 'The programmes referred to in paragraph 1 shall be sent to the Commission by 1 July 1980 at the latest so that it may, within a period of six months after receipt of all the national programmes, submit suitable proposals to the Council ...' shall be replaced by 'By 1 July 1980 at the latest the programmes referred to in paragraph 1 shall be sent to the Commission, which, before 15 March 1983, shall submit suitable proposals to the Council ...'.

Article 2

Having regard to the opinion of the Economic and Social Committee ⁽²⁾,

This Directive is addressed to the Member States.

Whereas there have been difficulties for the Commission to submit, within the time limit stipulated in Article 9 (3) of Directive 78/176/EEC ⁽³⁾, suitable proposals for the harmonization of the programmes for the progressive reduction of pollution; whereas it is therefore necessary to extend the time limit concerned,

COUNCIL DECISION**of 24 January 1983****authorizing the automatic renewal or continuance in force of certain friendship, trade and navigation treaties and similar agreements concluded between Member States and non-member countries**

(83/30/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Decision 69/494/EEC of 16 December 1969 on the progressive standardization of agreements concerning commercial relations between Member States and third countries and on the negotiation of Community agreements ⁽¹⁾, and in particular Article 3 thereof,

Having regard to the proposal from the Commission,

Whereas the automatic renewal or continuance in force of the friendship, trade and navigation treaties and similar agreements concluded by Member States was last authorized by Decision 82/502/EEC ⁽²⁾;

Whereas the Member States concerned have again requested authorization for the automatic renewal or continuance in force of provisions governing matters covered by the common commercial policy within the meaning of Article 113 of the Treaty and contained in the friendship, trade and navigation treaties and similar agreements listed in the Annex, in order to avoid interrupting their commercial relations with the non-member countries concerned as based on such agreements;

Whereas, however, most of the matters covered by these provisions of national treaties and agreements will in future be governed by Community agreements; whereas authorization should be given only in respect of matters not covered by Community agreements; whereas such authorization does not, therefore, absolve the Member States from the obligation of avoiding and, where appropriate, eliminating any incompatibility between such treaties and agreements and the provisions of Community law;

Whereas the provisions of the treaties and agreements to be automatically renewed or maintained in force must not, furthermore, during the period under consi-

deration, constitute an obstacle to the implementation of the common commercial policy;

Whereas the Member States concerned have stated that the automatic renewal or continuance in force of these treaties and agreements would not be such as to constitute an obstacle to the opening of Community commercial negotiations with the relevant non-member countries; whereas they are willing to transfer the commercial fields covered by current bilateral agreements to such Community agreements as it is proposed to negotiate;

Whereas, at the conclusion of the consultation provided for in Article 2 of Decision 69/494/EEC, it was established, as the aforesaid statements by the Member States confirm, that the relevant treaties and bilateral agreements will not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas, nevertheless, the Member States concerned have stated that they would be willing to adapt and, if necessary, terminate those treaties and agreements should it be found, during the period under consideration, that the automatic renewal or continuance in force of the provisions thereof relating to matters covered by Article 113 of the Treaty hinder the implementation of the common commercial policy;

Whereas the treaties and agreements involved contain termination clauses requiring a period of notice of between three and 12 months;

Whereas, therefore, there is no reason for not authorizing the automatic renewal or continuance in force, until 31 December 1984 of the provisions in question,

HAS ADOPTED THIS DECISION:

Article 1

The provisions governing matters covered by the common commercial policy within the meaning of Article 113 of the Treaty and contained in the friendship, trade and navigation treaties and similar agreements listed in the Annex hereto may be automatically renewed or maintained in force until 31 December 1984 as regards those areas not covered by

agreements between the Community and the non-member countries concerned in so far as their provisions are not contrary to existing common policies.

Done at Brussels, 24 January 1983.

Article 2

This Decision is addressed to the Member States.
