COMMISSION REGULATION (EEC) No 2729/83**of 30 September 1983****fixing the export refunds on products processed from cereals and rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1451/82⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1566/83⁽⁴⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁶⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁷⁾, as last amended by Regulation (EEC) No 414/83⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁹⁾, as amended by Regulation (EEC) No 2764/71⁽¹⁰⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic products;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 2730/83

of 30 September 1983

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1451/82⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, as amended by Regulation (EEC) No 2560/77⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance

fixing of the export refund on cereal-based compound feedingstuffs⁽⁶⁾, as last amended by Regulation (EEC) No 537/83⁽⁷⁾, provides that calculation of the export refund must be based on the average of the refunds granted on the most commonly used basic cereals, adjusted on the basis of the threshold price in force during the month of exportation and on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to composition and destination; whereas, for purposes of varying the refund, the destination zones laid down in Annex II to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds or levies and for certain export licences for cereals and rice⁽⁸⁾ should be used;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 2731/83

of 30 September 1983

fixing the import levies on syrups and certain other products in the sugar sector

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1785/81 of 30 June 1981 on the common organization
of the markets in the sugar sector⁽¹⁾, as last amended
by Regulation (EEC) No 606/82⁽²⁾, and in particular
Article 16 (8) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 (1) of Regulation (EEC) No
1785/81 provides for charging a levy on imports of the
products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1)
(d) of Regulation (EEC) No 1785/81 must be calcu-
lated, where appropriate, at a standard rate on the basis
of the sucrose content (including other sugars
expressed as sucrose) of the product concerned and of
the levy on white sugar; whereas, however, the levies
on maple sugar and maple syrup are limited to the
amount resulting from application of the rate of duty
bound within GATT;

Whereas Article 7 of Commission Regulation (EEC)
No 837/68 of 28 June 1968 on detailed rules for the
application of levies on sugar⁽³⁾, as last amended by
Regulation (EEC) No 1428/78⁽⁴⁾, provides that the
basic amount of the levy for 100 kilograms of product
must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal
to one-hundredth of the average of the levies appli-
cable to 100 kilograms of white sugar during the first
20 days of the month preceding the month for which
the basic amount of the levy is fixed; whereas,
however, the levy applicable to white sugar on the day
of the fixing of the basic amount must be substituted
for the average of the levies, where that levy differs by
at least 0,73 ECU from that average;

Whereas the basic amount must be fixed each month;
whereas it must, however, be altered during the period
between the day on which it is fixed and the first day
of the month following the month for which the basic
amount is applicable, if the levy on white sugar differs
by at least 0,73 ECU from the average referred to
above or from the levy on white sugar used to fix the
basic amount; whereas, in this case, the basic amount
must be equal to one-hundredth of the levy on white
sugar used to calculate the alteration;

Whereas the basic amount thus fixed must be adjusted
on the basis of variations in the threshold price for
white sugar occurring between the month in which
the basic amount is fixed and the period of applica-
tion; whereas this adjustment, equal to one-hundredth
of the difference between these two threshold prices,
must be deducted from or added to the basic amount
in the circumstances provided for in Article 7 (6) of
Regulation (EEC) No 837/68;

Whereas the levy on the products referred to in Article
1 (1) (f) and (g) of Regulation (EEC) No 1785/81
comprises, under Article 16 (6) of that Regulation, a
variable element and a fixed element, with the latter,
per 100 kilograms of dry matter, being equal to one-
tenth of the fixed element established pursuant to
point B of Article 14 (1) of Regulation (EEC) No
2727/75⁽⁵⁾ for the fixing of the import levy on the
products falling within subheading 17.02 B II of the
Common Customs Tariff, and the variable element,
per 100 kilograms of dry matter, being equal to one
hundred times the basic import levy applicable as
from the first of each month in the case of the
products listed in Article 1 (1) (d) of Regulation (EEC)
No 1785/81; whereas the levy must be fixed each
month;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

— in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate,

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

⁽²⁾ OJ No L 74, 18. 3. 1982, p. 1.

⁽³⁾ OJ No L 151, 30. 6. 1968, p. 42.

⁽⁴⁾ OJ No L 171, 28. 6. 1978, p. 34.

⁽⁵⁾ OJ No L 281, 1. 11. 1975, p. 1.

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from the application of these provisions that the import levies on the products concerned should be as indicated in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81 shall be as indicated in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 October 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2732/83**of 30 September 1983****fixing the export refunds on syrups and certain other sugar products exported in the natural state**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 606/82⁽²⁾, and in particular Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying

down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in the Annex to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community areas without deficit for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81;

Whereas Article 19 of Regulation (EEC) No 1785/81 makes provision for setting refunds for export in the natural state of products referred to in Article 1 (1) (f) and (g) of that Regulation; whereas the refund must be fixed per 100 kilograms of dry matter, taking account of the export refund for products within subheading 17.02 B II a) of the Common Customs Tariff and for products referred to in Article 1 (1) (d) of Regulation (EEC) No 1785/81 and of the economic aspects of the intended exports; whereas the refund is to be granted only for products complying with the conditions in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽⁸⁾;

Whereas, if the refund system is to operate normally refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas application of these quotas results in fixing refunds for the products in question at the levels given in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EEC) No 2733/83
of 30 September 1983
fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 1413/82 ⁽²⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil ⁽³⁾, as last amended by Regulation (EEC) No 2429/72 ⁽⁴⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72 ⁽⁵⁾, as last amended by Regulation (EEC) No 2962/77 ⁽⁶⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market,
- the aims of the common organization of the market in olive oil which are to ensure equilibrium

and the natural development of prices and trade on this market,

- the need to avoid disturbances on the Community market, and
- the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

- the olive oil prices in the main producing areas of the Community,
- the most favourable quotations recorded on the various markets of importing third countries, and
- the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

COMMISSION REGULATION (EEC) No 2734/83
of 30 September 1983
fixing the export refunds on oil seeds

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and fats ⁽¹⁾,
as last amended by Regulation (EEC) No 1413/82 ⁽²⁾,

Having regard to Council Regulation No 142/67/EEC
of 21 June 1967 on export refunds on colza, rape and
sunflower seeds ⁽³⁾, as last amended by Regulation
(EEC) No 2429/72 ⁽⁴⁾, and in particular the first
sentence of Article 2 (3) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 28 of Regulation No 136/66/EEC
provides that a refund may be granted on exports to
third countries of oil seeds harvested within the
Community; whereas the amount of this refund may
not exceed the difference between prices within the
Community and prices on the world market where the
former are higher than the latter; whereas Article 21
of Regulation No 136/66/EEC provides that, at
present, Article 28 of that Regulation applies only to
colza, rape and sunflower seeds;

Whereas Article 3 of Regulation No 142/67/EEC
provides that when the refund is being calculated
account must be taken of prices ruling on the various
Community markets which are representative from the
point of view of processing and exportation; the most
favourable quotations recorded on the various markets
of importing third countries and costs incurred in
placing the goods on the world market; whereas,
when the amount of the refund is being fixed, account
must also be taken of the level of market prices within
the Community for the oil seeds referred to in Article
21 of Regulation No 136/66/EEC and the future trend
of these prices; whereas, furthermore, account should
be taken of the economic aspect of the proposed

exports and the situation in the Community regarding
the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC)
No 651/71 of 29 March 1971 on certain detailed rules
for the application of export refunds on oil seeds ⁽⁵⁾, as
amended by Regulation (EEC) No 1480/79 ⁽⁶⁾, provides
that the amount of the refund must be calculated on
the basis of the weight of exported seeds; whereas this
weight must be adjusted to take account of any differ-
ences between the percentages of moisture and impur-
ities found to exist and those used to define the stan-
dard quality for which the target price is fixed;
whereas, when this adjustment is being made, the
weight of the exported seeds must be increased by the
amount of the difference between the actual moisture
and impurities content and that used to define the
standard quality if the former is lower than the latter;
whereas, if the opposite applies, the weight of the
exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was
defined in Article 2 of Council Regulation (EEC) No
1591/83 of 14 June 1983 fixing the target prices and
intervention prices for colza and rape seed and
sunflower seed for the 1983/84 marketing year ⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC
provides that the refund may be varied according to
destination where the world market situation or the
specific requirements of certain markets make this
necessary;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

⁽⁷⁾ OJ No L 163, 22. 6. 1983, p. 40.

Whereas it follows from applying these detailed rules to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto for those products for which the marketing year has already begun ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refund on the products referred to in Article 21 of Regulation No 136/66/EEC shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 October 1983.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1600/83⁽²⁾, and in particular Article 17 (5) thereof,

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 1028/83⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward-processing arrangements;

of 30 September 1983

fixing the rates of the refunds applicable from 1 October 1983 to certain cereal and rice products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

COMMISSION REGULATION (EEC) No 2737/83

of 30 September 1983

fixing the rates of the refunds applicable from 1 October 1983 to certain products in the sugar sector exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as amended by Regulation (EEC) No 606/82⁽²⁾, and in particular Article 19 (1) and (2) thereof,

Whereas Article 19 (1) and (2) of Regulation (EEC) No 1785/81 provides that for the products listed in Article 1 (1) (a), (c), (d), (g) and (h) of that Regulation an export refund may be granted when these goods are exported in the form of goods listed in Annex I of that same Regulation; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds for certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 1028/83⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I of Regulation (EEC) No 1785/81;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products on the Community market and the prices ruling on the world market;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas a production refund is granted in respect of white sugar or raw sugar under the conditions laid down in Council Regulation (EEC) No 1400/78 of 20 June laying down general rules for the production refund on sugar used in the chemical industry⁽⁵⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable from 1 October 1983 to the basic products appearing in Annex A to Regulation (EEC) No 3035/80 and listed in Article 1 (1) and (2) of Regulation (EEC) No 1785/81, exported in the form of goods listed in Annex I to Regulation (EEC) No 1785/81, are fixed as shown:

- (a) in Table A of the Annex hereto for those same goods in so far as they have not benefited from the granting of a production refund provided for by Regulation (EEC) No 1400/78;
- (b) in Table B of the Annex hereto for goods other than those mentioned under (a).

COMMISSION REGULATION (EEC) No 2740/83**of 30 September 1983****fixing the amount of the subsidy on oil seeds**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 1413/82 ⁽²⁾, and in particular Article 27 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 27 of Regulation No 136/66/EEC provides that a subsidy should be granted in respect of oil seeds harvested and processed within the Community when the target price for a species of seed is higher than the price on the world market; whereas these provisions at present apply only in respect of colza, rape and sunflower seeds;

Whereas the subsidy on oil seeds should, theoretically, be equal to the difference between those two prices;

Whereas the target price and the monthly increases in the target price for oil seeds for the 1983/84 marketing year were fixed by Regulations (EEC) No 1591/83 ⁽³⁾ and (EEC) No 1592/83 ⁽⁴⁾; whereas Article 29 of Regulation No 136/66/EEC provides that the world market price, calculated for a Community frontier crossing point, is to be determined on the basis of the most favourable purchasing opportunities, quotations being adjusted where necessary to take account of quotations for competing products;

Whereas Article 4 of Council Regulation No 115/67/EEC of 6 June 1967 laying down criteria for determining world market prices for oil seeds and fixing the frontier crossing point ⁽⁵⁾, as last amended by Regulation (EEC) No 1983/82 ⁽⁶⁾, fixed the said crossing point at Rotterdam; whereas Article 1 of that Regulation provides that when the world market price is being determined account should be taken of all

offers on the world market known to the Commission and of quotations on those exchanges which are significant for international trade; whereas Article 2 of Commission Regulation No 225/67/EEC of 28 June 1967 on detailed rules for determining the world market price for oil seeds ⁽⁷⁾, as last amended by Regulation (EEC) No 2040/83 ⁽⁸⁾, provides that offers and quotations which do not relate to shipments to be effected within 30 days following the date on which the world market price is determined should be disregarded; whereas offers and quotations which the Commission believes, in view of general price movements or information available to it, not to be representative of the real trend of the market must also be disregarded; whereas offers and quotations relating to quantities of less than 500 tonnes and offers relating to seed of a quality other than that normally acceptable on the world market must also be disregarded;

Whereas Article 3 of Regulation No 225/67/EEC provides that of the offers and quotations taken into consideration, those for delivery c and f should be increased by 0,2 %; whereas offers and quotations for delivery fas, fob or otherwise should be increased, as appropriate, by loading, transport and insurance costs from the point of shipment or loading to the frontier crossing point; whereas cif offers and quotations for frontier crossing points other than Rotterdam should be adjusted to allow for the difference in transport and insurance costs as compared with a product delivered cif Rotterdam; whereas the Commission should take account only of the loading, transport and insurance costs which to its knowledge are the lowest; whereas, finally, offers and quotations for delivery cif Rotterdam should be increased by 0,242 ECU;

Whereas Article 5 of Regulation No 115/67/EEC provides that the world market price should be determined for seed of the standard quality for which the target price has been fixed, delivered in bulk;

Whereas Article 3 of Regulation No 225/67/EEC provides that offers and quotations relating to products presented otherwise than in bulk should be adjusted by deducting the additional value resulting from that presentation; whereas offers and quotations relating to a quality other than the standard quality for which the target price was fixed should be adjusted on the basis of the coefficients of equivalence shown in the Annex

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽²⁾ OJ No L 162, 12. 6. 1982, p. 6.

⁽³⁾ OJ No L 163, 22. 6. 1983, p. 40.

⁽⁴⁾ OJ No L 163, 22. 6. 1983, p. 42.

⁽⁵⁾ OJ No 111, 10. 6. 1967, p. 2196/67.

⁽⁶⁾ OJ No L 215, 23. 7. 1982, p. 6.

⁽⁷⁾ OJ No 136, 30. 6. 1967, p. 2919/67.

⁽⁸⁾ OJ No L 200, 23. 7. 1983, p. 23.

to that Regulation; whereas, in the case of offers on the world market for qualities of colza and rape seed other than those listed in that Annex, coefficients of equivalence derived from those listed in that Annex may, pursuant to Article 4 of Regulation No 225/67/EEC, be applied; whereas, when derived coefficients are being calculated, account must be taken of the differences between prices for the qualities of seed in question and prices for the qualities listed in that Annex, and of the characteristics of these various seeds;

Whereas Article 2 of Regulation No 115/67/EEC provides that, where no offer or quotation can be used as a basis for determining the world market price, that price should be determined on the basis of the value of the average quantities of oil and oil cake resulting from the processing of 100 kilograms of seed within the Community less an amount corresponding to the cost of processing these seeds into oil and oil cake; whereas the quantities and costs to be taken into consideration for the purposes of the calculation are fixed in Article 5 of Regulation No 225/67/EEC; whereas the value of those quantities should be determined in accordance with Article 6 of that Regulation;

Whereas Article 3 of Regulation No 115/67/EEC provides that, where no offer or quotation can be used as a basis for determining the world market price and where it is, moreover, impossible to establish the value of the oil or oil cake processed from such seed, the world market price should be determined on the basis of the most recent known value for oil or oil cake, adjusted to take account of the trend of world prices for competing products by applying to that value the rules set out in Article 2 of Regulation No 115/67/EEC; whereas Article 7 of Regulation No 225/67/EEC defines competing products as those oils or oil cakes, as the case may be, which appear to have been offered in the largest quantities on the world market during the period under consideration;

Whereas, in accordance with Article 5 (a) of Regulation No 115/67/EEC, when the world market price for colza or rape seed is determined, the price adopted is to be adjusted by an amount not exceeding the difference between the price of 100 kilograms of colza or rape seed plus processing costs and the total price of the quantities of oil and oil cake given by processing those seeds; whereas, pursuant to Article 6 (1) of the same Regulation, the price adopted for colza, rape and sunflower seeds must also be adjusted by an amount not exceeding the difference between:

- the difference between the price of 100 kilograms of colza, rape or sunflower seeds, plus processing costs, and the total of the prices of the quantities of oil and oil cake resulting from the processing of the type of seed in question, and
- the difference between the price of 100 kilograms of one or more other seeds, plus processing costs, and the total of the prices of the quantities of oil

and oil cake resulting from the processing of these seeds;

Whereas the factors to be taken into consideration for the purpose of determining that margin are defined in Article 8 of Regulation No 225/67/EEC; whereas no adjustment should be made where the margin is found to be less than 0.604 ECU; whereas Article 6 (2) of Regulation No 115/67/EEC provides that, when the amount of the adjustment is being determined, account should be taken of the incidence of the margin in question on marketing operations of Community traders and on the disposal of the various types of seed on the world market;

Whereas Council Regulation (EEC) No 1594/83 of 14 June 1983 on the subsidy for oil seeds⁽¹⁾ laid down rules for granting the subsidy on oil seeds; whereas, under that Regulation, where the subsidy to be granted is fixed in advance, the amount of such subsidy must be equal to the amount applicable on the day on which the application for advance fixing was lodged, adjusted by the difference between the target price valid on that day and the target price valid on the day on which the seeds are placed under control at an oil mill and, where appropriate, a corrective amount; whereas Article 35 of Commission Regulation (EEC) No 2681/83 of 21 September 1983 laying down detailed rules for the application of the subsidy system for oil seeds provides that such adjustment should involve increasing or reducing the amount of subsidy applicable on the day on which the application was lodged by the corrective amount and the difference between the target prices mentioned in Article 35 of Regulation (EEC) No 2681/83;

Whereas Regulation (EEC) No 1594/83 extended the subsidy system for oil seeds mentioned in Article 27 of Regulation No 136/66/EEC to cover colza and rape seed incorporated into animal feeds;

Whereas the conditions for the sale of Community seeds and the situation of forward offers and prices on the world market make it necessary to extend the period of validity of the AP part of the certificate until the end of the sixth month following that during which the application was lodged;

Whereas Article 37 of Regulation No 2681/83 provides that the corrective amount must be equal to the difference between the world market price for colza, rape and sunflower seeds and the forward price for those seeds valid for a shipment effected during the month in which the seeds were placed under control at an oil mill, those prices being determined in accordance with Articles 1, 4 and 5 of Regulation No 115/67/EEC; whereas, however, in respect of colza and rape seed, the price determined pursuant to Article 37 (2) (a) is to be adjusted in accordance with Article 5 (a) of Regulation No 115/67/EEC; whereas, if no offer and no price can be used for such determination, the method of calculation provided for in

⁽¹⁾ OJ No L 163, 22. 6. 1983, p. 44.

Article 37 of Regulation (EEC) No 2681/83 should be used ; whereas the abovementioned difference may be adjusted in accordance with Article 38 of Regulation (EEC) No 2681/83, account being taken of the prices of the main competing cereals ;

Whereas the subsidy should be fixed whenever the market situation makes it necessary and in such a way as to ensure its being applied at least once a week ; whereas the subsidy may be altered whenever it becomes obvious that such alteration is necessary ;

Whereas, if the subsidy system is to operate normally, subsidies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on the central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas it follows from applying these provisions to the offers and quotations known to the Commission that the subsidy on colza, rape and sunflower seeds should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION :

Article 1

The amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC shall be as set out in the Annex hereto.

Article 2

COMMISSION REGULATION (EEC) No 2743/83**of 30 September 1983****fixing the aid for castor seeds**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2874/77 of 19 December 1977 laying down special measures in respect of castor seeds ⁽¹⁾, and in particular Article 2 (5) thereof,

Having regard to Council Regulation (EEC) No 1853/78 of 25 July 1978 adopting general rules in connection with special measures for castor seeds ⁽²⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 2 (1) of Regulation (EEC) No 2874/77 specifies that aid shall be granted in respect of castor seeds when the guide price for a marketing year is higher than the world market price; whereas this aid is to be equal to the difference between these two prices;

Whereas the guide price has been fixed by Council Regulation (EEC) No 1574/83 of 14 June 1983 fixing the guide price for castor seeds for the 1983/84 marketing year ⁽³⁾;

Whereas the world market price is determined for seed in bulk delivered to Rotterdam of the standard quality for which the guide price was fixed;

Whereas Council Regulation (EEC) No 1853/78 provides that the world market price shall be determined on the basis of the actual most favourable purchasing possibilities disregarding offers and prices which cannot be considered as representative of the actual market trend;

Whereas in determining the world market price account is to be taken only of the offers made on the world market for delivery during the most representative period for the sale of seed of Community origin and of the prices quoted for delivery during the same period on the major international exchanges; whereas the most representative period for the sale of seed of Community origin has been fixed by Commission

Regulation (EEC) No 2081/79 of 26 September 1979 laying down detailed rules for the application of the special measures for castor seeds ⁽⁴⁾;

Whereas offers and prices which do not satisfy these conditions must be adjusted in accordance with Article 2 of Commission Regulation (EEC) No 2081/79;

Whereas Article 2 of Regulation (EEC) No 1853/78 provides that where no offer or price can be used to determine the world market price of castor seed it shall be determined on the basis of the offers and prices on the world or Community markets for castor oil and oil-cake; whereas for this purpose the value of the average quantities of oil and oil-cake obtained in the Community from processing 100 kilograms of castor seed less the amount of the cost of processing the seed into oil and oil-cake shall be used;

Whereas Article 3 of Regulation (EEC) No 1853/78 provides that where no offer or price can be used to determine the world market price for castor seed and, further, it is impossible to establish the value of the oil-cake or oil processed from such seed, the world market price shall be equal to the guide price for castor seed;

Whereas, if the aid system is to operate normally, it should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas, in the light of the above rules, the world market price should be fixed at 70,00 ECU per 100 kilograms;

Whereas the aid must be fixed once a month, and in such a way that it can be applied from the first day of the month following the date of fixing; whereas it may be altered between fixing;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

COMMISSION REGULATION (EEC) No 2744/83
of 30 September 1983
fixing the aid for soya beans

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1614/79 of 24 July 1979 laying down special measures in respect of soya beans ⁽¹⁾, as amended by Regulation (EEC) No 1984/82 ⁽²⁾, and in particular Article 2 (5) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 2 (1) of Regulation (EEC) No 1614/79, aid is to be granted for soya beans harvested within the Community where the guide price for a marketing year exceeds the world price; whereas the said aid is to be equal to the difference between those two prices;

Whereas the guide price for soya beans for the 1983/84 marketing year was fixed by Council Regulation (EEC) No 1571/83 of 14 June 1983 ⁽³⁾;

Whereas, pursuant to Council Regulation (EEC) No 1724/80 of 30 June 1980 adopting general rules concerning special measures for soya beans harvested in 1980 ⁽⁴⁾, as last amended by Regulation (EEC) No 2251/83 ⁽⁵⁾, the world price for soya beans is to be determined on the basis of the most favourable actual purchasing possibility, with the exception of offers and prices which may not be considered as representative of the actual market trend; whereas account is to be taken only of offers made on the world market for deliveries to be made during the post representative period for the disposal of Community beans, and of the prices quoted for deliveries to be made during the same period on exchanges which are important in terms of international trade;

Whereas, pursuant to Commission Regulation (EEC) No 1978/80 of 25 July 1980 laying down detailed rules for the application of the special measures for soya beans ⁽⁶⁾, as last amended by Regulation (EEC) No 2303/83 ⁽⁷⁾, the world market price is to be fixed per

100 kilograms and calculated on the basis of the most favourable offers and quotations for delivery within 30 days following the date when the said offers and quotations were recorded;

Whereas, where the offers and quotations do not comply with the said conditions, the necessary adjustments must be carried out, particularly those referred to in Article 3 of Regulation (EEC) No 1978/80;

Whereas, if the said system is to operate normally, aid should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the most representative period for marketing Community soya beans, referred to in Article 3 of Regulation (EEC) No 1614/79, extends from 1 October 1983 to 31 March 1984; whereas, during that period, the Commission is to fix the aid so that its application may be assured as from the first and 16th days of each month;

Whereas it follows from applying these provisions to the offers and quotations known to the Commission that the subsidy on soya beans should be as set out in this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The aid referred to in Article 2 of Regulation (EEC) No 1614/79 is hereby fixed at 15,836 ECU per 100 kilograms.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

COMMISSION REGULATION (EEC) No 2745/83
of 30 September 1983
fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organization
of the market in rice ⁽¹⁾, as last amended by Regulation
(EEC) No 1566/83 ⁽²⁾, and in particular the first
sentence of the fourth subparagraph of Article 17 (2)
thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products within the Community may be covered by an
export refund ;

Whereas Article 2 of Council Regulation (EEC) No
1431/76 of 21 June 1976 laying down general rules for
granting export refunds on rice and criteria for fixing
the amount of such refunds ⁽³⁾, provides that when
refunds are being fixed account must be taken of the
existing situation and the future trend with regard to
prices and availabilities of rice and broken rice on the
Community market on the one hand and prices for
rice and broken rice on the world market on the
other ; whereas the same Article provides that it is also
important to ensure equilibrium and the natural devel-
opment of prices and trade on the rice market and,
furthermore, to take into account the economic aspect
of the proposed exports and the need to avoid disturb-
ances of the Community market ;

Whereas Regulation (EEC) No 1361/76 ⁽⁴⁾ lays down
the maximum percentage of broken rice allowed in
rice for which an export refund is fixed and specifies
the percentage by which that refund is to be reduced
where the proportion of broken rice in the rice
exported exceeds that maximum ;

Whereas Article 3 of Regulation (EEC) No 1431/76
defines the specific criteria to be taken into account

when the export refund on rice and broken rice is
being calculated ;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund for certain products according to
destination ;

Whereas the refund must be fixed at least once a
month ; whereas it may be altered in the intervening
period ;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis :

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent ;

Whereas it follows from applying these rules and
criteria to the present situation on the market in rice
and in particular to quotations or prices for rice and
broken rice within the Community and on the world
market, that the refund should be fixed as set out in
the Annex hereto ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1
of Regulation (EEC) No 1418/76 with the exception of
those listed in paragraph 1 (c) of that Article, exported
in the natural state, shall be as set out in the Annex
hereto.

Article 2

This Regulation shall enter into force on 1 October
1983.

COMMISSION REGULATION (EEC) No 2746/83**of 30 September 1983****fixing the corrective amount applicable to the refund on rice and broken rice**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organization
of the market in rice ⁽¹⁾, as last amended by Regulation
(EEC) No 1566/83 ⁽²⁾, and in particular the second
subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the first subparagraph of Article 17 (4) of
Regulation (EEC) No 1418/76 provides that the export
refund applicable to rice and broken rice on the day
on which application for an export licence is made,
adjusted for the threshold price which will be in force
during the month of exportation, must be applied on
request to exports to be effected during the period of
validity of the licence;

Whereas Regulation No 474/67/EEC ⁽³⁾, as amended
by Regulation (EEC) No 1397/68 ⁽⁴⁾, lays down
detailed rules for the advance fixing of the export
refund on rice and broken rice;

Whereas that Regulation provides that the refund
applicable on the day on which application for an
export licence is made must, when it is fixed in
advance, be reduced by an amount no greater than the
difference between the cif forward delivery price and
the cif price, where the former exceeds the latter by
more than 0,30 ECU per tonne; whereas on the other
hand, the refund must be increased by an amount no
greater than the difference between the cif price and
the cif forward delivery price, where the former
exceeds the latter by more than 0,30 ECU per tonne;

Whereas the cif price is that determined in accordance
with Article 16 of Regulation (EEC) No 1418/76;

whereas the cif forward delivery price is that deter-
mined in accordance with Article 3 (2) of Regulation
(EEC) No 1428/76 ⁽⁵⁾, based in respect of each month
for which the export licence is valid, on the cif price
calculated on the basis of offers for shipment during
the month of exportation;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 % a rate of exchange based on their
central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas it follows from applying the provisions set
out above that the corrective amount must be as set
out in the Annex hereto;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 17 (4) of
Regulation (EEC) No 1418/76 which is applicable to
the export refunds fixed in advance in respect of rice
and broken rice shall be as set out in the Annex
hereto.

COMMISSION DECISION No 2748/83/ECSC

of 30 September 1983

amending for the second time Decision No 2177/83/ECSC on the extension of the system of monitoring and production quotas for certain products of undertakings in the steel industry

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community,

Having regard to Commission Decision No 2177/83/ECSC of 28 July 1983 on the extension of the system of monitoring and production quotas for certain products of undertakings in the steel industry⁽¹⁾, as amended by Decision No 2546/83/ECSC⁽²⁾, and in particular Article 18 (1) thereof,

Whereas the first paragraph of Article 14 of Decision No 2177/83/ECSC starts as follows: 'If, by virtue of the scale of the abatement rate for a certain category of products set for a quarter, the quota system creates exceptional difficulties for an undertaking which, during the 12 months preceding the quarter in question:

— did not receive aids pursuant to Commission Decision No 2320/81/ECSC⁽³⁾ with the exception of aids for closures as provided for in Article 4 of that Decision,';

Whereas this latter provision is repeated in the second indent of Article 14a (4);

Whereas this wording renders ineligible a number of undertakings which are experiencing exceptional difficulties although they have received certain aids pursuant to Commission Decision No 2320/81/ECSC, other than the aids for closures as provided for in Article 4 of that Decision;

Whereas undertakings which have received aids authorized by the Commission with a view to covering operating losses must be excluded from the benefit of

Article 14 since it would be unjustifiable to grant supplementary quotas to an undertaking in order to retrieve a situation of exceptional difficulties whilst, on the other hand, it has received aids granted with a view to covering operating losses for the same reason;

Whereas, in the light of the numerous requests received from various undertakings since Decision No 2177/83/ECSC was adopted, it would appear inequitable not to allow those which have received aids to benefit from adjustments under Articles 14 and 14a, with the exception, however, of those undertakings which have received aids authorized by the Commission with a view to covering operating losses;

Whereas, such being the case, the application of Decision No 2177/83/ECSC has therefore encountered an unforeseen difficulty within the meaning of Article 18 (1) thereof and should be amended in consequence,

HAS ADOPTED THIS DECISION:

Article 1

The first indent of the first paragraph of Article 14 and the second indent of Article 14a (4) of Decision No 2177/83/ECSC are hereby replaced by the following:

— did not receive aids authorized by the Commission with a view to covering operating losses,'.

Article 2

This Decision shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Decision shall be binding in its entirety and directly applicable in all Member States.
