THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Cooperation Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia⁽¹⁾, and in particular Protocol 1 thereto,

Having regard to Article 1 of Council Regulation (EEC) No 3221/83 of 4 November 1983 establishing ceilings and Community supervision for imports of certain products originating in Yugoslavia⁽²⁾,

Whereas Article 1 of the abovementioned Protocol provides that the products listed below, imported under reduced duty rates according to Article 15 of the Cooperation Agreement are subject to the annual ceiling indicated below, above which the customs duties applicable to third countries may be re-established:

Whereas imports into the Community of those products, originating in Yugoslavia, have reached that ceiling; whereas the situation on the Community market requires that customs duties applicable to third countries on the products in question be re-established,

HAS ADOPTED THIS REGULATION:

Article 1

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by the Act of Accession of Greece, and in particular Article 15 (2) thereof,

Whereas Article 43 of Commission Regulation (EEC) No 3183/80 of 3 December 1980 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products ⁽²⁾, as last amended by Regulation (EEC) No 2666/82 ⁽³⁾, specifies the terms on which export licences and advance fixing certificates may be issued in connection with an invitation to tender issued in an importing non-member country; whereas paragraph 2 of that Article lays down that the applicant must, within 21 days, notify the issuing agency of the outcome of the invitation to tender or produce appropriate documentary proof to that agency that the closing date for the submission of tenders has been deferred; whereas the time allowed would appear to be too short, in the light of commercial practice in non-member countries; whereas it is appropriate to extend it to 90 days in the case of the beef and veal sector, by way of derogation from Article 43 (2) of Regulation (EEC) No 3183/80, and to insert a provision to that effect in Commission Regulation

(EEC) No 2377/80 ⁽⁴⁾, as last amended by Regulation (EEC) No 3578/82 ⁽⁵⁾,

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

The following Article 5a is hereby inserted in Regulation (EEC) No 2377/80:

Article 5a

By way of derogation from the second subparagraph of Article 43 (2) of Regulation (EEC) No 3183/80 the period within which the applicant for an export licence or advance fixing certificate must notify the issuing agency of the outcome of the invitation to tender issued in an importing non-member country or must produce appropriate documentary proof that the closing date for the submission of tenders has been deferred shall be 90 days following the closing date for the submission of tenders.

COMMISSION REGULATION (EEC) No 1700/84

of 18 June 1984

laying down special detailed rules for the application of the system of certificates of advance fixing of refunds in the pigmeat sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in the pigmeat sector⁽¹⁾, as last amended by Regulation (EEC) No 2966/80⁽²⁾, and in particular Articles 15 (6) and 22 thereof,

Whereas Article 5 (3) of Council Regulation (EEC) No 2768/75 of 29 October 1975 laying down general rules for granting export refunds on pigmeat and criteria for fixing the amount of such refunds⁽³⁾ provides that the refund may, at the request of the party concerned, be fixed in advance;

Whereas Commission Regulation (EEC) No 232/83⁽⁴⁾ laid down the list of pigmeat products eligible for the advance fixing of export refunds;

Whereas the special detailed rules for the application of the system of certificates of advance fixing of refunds in the pigmeat sector were laid down in Commission Regulation (EEC) No 858/78⁽⁵⁾; whereas for the sake of clarity and administrative efficiency the said provisions should be adapted in harmony with those applicable in other sectors and form the subject matter of a new Regulation; whereas Regulation (EEC) No 858/78 should therefore be repealed;

Whereas, in particular, in the light of experience gained, advance fixing certificates should be issued only after a period of reflection; whereas the said period should make it possible to assess the state of the market and, if necessary, take special measures particularly with respect to applications pending; whereas for the sake of administrative efficiency the application of this rule should be limited to products of major importance to trade;

Whereas the measures provided for are complementary to those of Commission Regulation (EEC) No 3183/80 of 3 December 1980 laying down common detailed rules for the application of the system of import and export licences and advance fixing certi-

cates for agricultural products⁽⁶⁾, as last amended by Regulation (EEC) No 2666/82⁽⁷⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

Certificates of advance fixing of refunds shall be valid from their date of issue, within the meaning of Article 21 (1) of Regulation (EEC) No 3183/80, until the end of the third month following the month of issue.

Article 2

The amount of the security in respect of certificates of advance fixing of refunds shall be:

- 6 ECU per 100 kilograms, net weight, for products falling within subheadings 01.03 A II b) and 02.01 A III a) of the Common Customs Tariff,
- 10 ECU per 100 kilograms, net weight, for all other products listed in the Annex to Regulation (EEC) No 232/83.

Article 3

- the refund may be fixed in advance only for certain destinations, or
- the refund is fixed at different rates according to destination,

the application for a certificate of advance fixing of the refund and the certificate itself shall indicate the destination in question in section 13.

The certificate shall carry with it:

- in cases covered by the first indent of the first subparagraph, an obligation to export the goods to one of the destinations for which the refund may be fixed in advance, subject to the provisions of the following indent,

⁽¹⁾ OJ No L 282, 1. 11. 1975, p. 1.

⁽²⁾ OJ No L 307, 18. 11. 1980, p. 5.

⁽⁷⁾ OJ No L 283, 6. 10. 1982, p. 7.

— in cases covered by the second indent of the first subparagraph, an obligation to export the goods to one of the destinations for which a rate of refund has been fixed equal to that fixed for the destination indicated in the certificate.

2. Furthermore, when advance fixing of the refund for certain or all destinations is possible only in respect of products covered by part of a subheading of the Common Customs Tariff, section 12 of the application for a certificate and of the certificate itself shall contain the description of that part of the subheading of the Common Customs Tariff, and the tariff number entered in section 8 shall be preceded by the expression 'ex'.

The certificate shall apply only to the product thus described.

Article 4

Advance fixing certificate for the products listed in the Annex shall be issued on the fifth working day following the day on which the application is lodged, provided that special measures are not taken during the intervening period.

Article 5

The Member States shall communicate to the Commission :

— for the products listed in the Annex, on Wednesday and Friday of every week, a list of certificates of advance fixing of refunds applied for since the last communication. The first communication shall be made on 4 July 1984 and shall relate to certificates applied for as from 1 July 1984,

— for the products listed in the Annex to Regulation (EEC) No 232/83, before the 10th day of each month, the quantities, by product, in respect of which certificates of advance fixing of refunds were issued during the preceding calendar month.

The communications covered by the foregoing indents shall specify, where Article 3 (1) is applied, the destination of the products concerned.

Article 6

1. Regulation (EEC) No 858/78 is hereby repealed.

2. All references to Regulation (EEC) No 858/78 or to any of its Articles in all Community legislation shall be considered as references to this Regulation or the corresponding Articles thereof.

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 988/84⁽²⁾, and in particular Articles 9 (3) and 10 (3) thereof,

Whereas Annex IV to Regulation (EEC) No 516/77 concerning products subject to the system of import licences has been amended; whereas Commission Regulation (EEC) No 1303/83⁽³⁾ should be amended accordingly;

Whereas the period of validity of import licences for the new products in Annex IV should be determined in the light of international trade practice; whereas the amount of the security for import licences and advance fixing certificates should be fixed at levels which will enable the system to function properly;

Whereas, in order to ensure better knowledge of the trade pattern in certain products, an indication of the country of origin should be required and the importer should be obliged to import from the country thus indicated;

Whereas dried grapes are subject up to 31 August 1984 to the system of import licences under Commission Regulation (EEC) No 2742/82 of 13 October 1982 on protective measures applicable to imports of dried grapes⁽⁴⁾, as last amended by Regulation (EEC) No 936/84⁽⁵⁾; whereas the application of this Regulation to those products should therefore be deferred until that date;

Whereas, on the date of application of this Regulation, valid import licences may still exist which have been issued for products no longer subject to the licence system; whereas provision should therefore be made for such licences to be returned to the issuing authority and the securities released;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Products Processed from Fruit and Vegetables,

COMMISSION REGULATION (EEC) No 1702/84

of 18 June 1984

fixing the export refunds on fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 1631/84⁽²⁾, and in particular Article 30 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 30 of Regulation (EEC) No 1035/72 provides that, to the extent necessary to allow economically significant quantities to be exported, the difference between prices in international trade for the products referred to in that Article and prices for the products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2518/69 of 9 December 1969 laying down general rules for the granting of refunds on exports of fruit and vegetables and criteria for fixing their amounts⁽³⁾, as amended by Regulation (EEC) No 2455/72⁽⁴⁾, provides that when refunds are being fixed, account must be taken of the existing situation and future trends with regard to prices and availabilities of fruit and vegetables on the Community market on the one hand and prices in international trade on the other; whereas account must also be taken of the costs indicated in (b) of that Article and of the economic aspects of the proposed exports;

Whereas, pursuant to Article 3 of Regulation (EEC) No 2518/69, when prices on the Community market are being determined account must be taken of the prices which are most favourable from the exportation point of view; whereas, when prices in international trade are being determined, the quotations and prices referred to in paragraph 2 of that Article must be taken into account;

Whereas the situation with regard to international trade or the specific requirements of certain markets

may make it necessary to vary the refund for a given product according to the destination of that product;

Whereas tomatoes, sweet fresh oranges, fresh mandarins, fresh lemons, apples and peaches of the common quality standards 'Extra' Class, Class I and Class II, 'Extra' Class and Class I hothouse grapes and open ground grapes, almonds and hazelnuts, and unshelled walnuts may at present be exported in economically significant quantities;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71, as last amended by Regulation (EEC) No 855/84,
- for other currencies, an exchange rates based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent and the aforesaid coefficient;

Whereas it follows from applying these detailed rules to the present market situation and to its future trends, and in particular to quotations and prices for fruit and vegetables in the Community and in international trade that the refunds should be as set out in the Annex hereto;

Whereas the obligations under Article 10 (1) (b) of Commission Regulation (EEC) No 2730/79 of 29 November 1979 laying down common detailed rules for the application of the system of export refunds on agricultural products⁽⁵⁾, as last amended by Regulation (EEC) No 519/83⁽⁶⁾, may be relaxed in the case of exports to non-member countries outside Europe; whereas, in such a case, Article 23 (1) (c) of Regulation (EEC) No 2730/79 may be applied;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

THE PROFESSIONS IN THE EUROPEAN COMMUNITY

Towards freedom of movement and mutual recognition of qualifications

J.-P. de CRAYENCOUR

Aside from establishing a common market, one of the tasks of the European Community is to promote closer relations between the States belonging to it (Article 2 of the Treaty of Rome). One of the means of achieving this end is the free movement of persons.

This freedom of movement concerns *inter alia*, the professions. Members of the professions will be able to play their part in European integration and put their independent and responsible services at the disposal of a wider clientele in the Community only if obstacles standing in the way of freedom of the professions, whether it takes the form of the right of establishment or the freedom to provide services, are removed.

As the professions are generally highly regulated, this freedom of movement can only be satisfactorily achieved if certain of the regulations governing them, such as those relating to training requirements and professional ethics, are harmonized to some degree.

Existing rules and regulations in the various Member States could be reviewed in the light of any such harmonization and of changes in society, while paying due attention to the values of independence and responsibility which are a feature of the professions, with a view to promoting European integration.

The aim of this booklet on 'The professions in the European Community — Towards freedom of movement and mutual recognition of qualifications' is to highlight the benefits to be derived from free movement and the manner in which it can be properly implemented. It describes the legal process involved, suggests how harmonization might be realized and underlines the steps to be taken to achieve the most urgent objective, namely mutual recognition of diplomas. Finally, it outlines what has been achieved thus far and what remains to be done.

OPENING OF THE HISTORICAL ARCHIVES OF THE EUROPEAN COMMUNITIES

Rarely can it have been so easy to trace the origins of such a momentous and deep-rooted phenomenon as the construction of Europe. The Community's birth certificate was made out on a particular day and entered in a completely new register. Many of the witnesses to it are still alive and some 30 years on, the great debate that surrounded the Community's birth is firmly entrenched in our memories. The event is not so recent that we cannot call it to mind with the objectivity that comes with time, nor so remote that there is no living memory of it. In fact, the time is just right. The opening of the archives will allow historians to take over from the newswriters, and researchers will be able to certify the evidence.

The Communities intend to record this event with the publication of this guide: its purpose is to inform of the historical context of the European Communities and of the documentary sources in the Communities' archives.
