COMMISSION REGULATION (EEC) No 2117/84
of 20 July 1984

on arrangements for imports into the United Kingdom of certain textile products (category 29) originating in Thailand

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3589/82 of 23 December 1982 on common rules for imports of certain textile products originating in third countries⁽¹⁾, as last amended by Regulation (EEC) No 3762/83⁽²⁾, and in particular Article 11 thereof,

Whereas Article 11 of Regulation (EEC) No 3589/82 lays down the conditions under which quantitative limits may be established; whereas imports into the United Kingdom of textile products of category 29 specified in the Annex hereto and originating in Thailand, have exceeded the level referred to in paragraph 3 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article 11 of Regulation (EEC) No 3589/82, Thailand was notified on 17 July 1984 of a request for consultations;

Whereas, pending a mutually satisfactory solution, the Commission has requested Thailand for a provisional period of three months from the date of notification of the request for consultations to limit exports to the United Kingdom of products of category 29 to 40 000 pieces; whereas, pending the outcome of the requested consultations, quantitative limits identical to those requested of the supplier country should be applied provisionally to imports of the category of products in question;

Whereas paragraph 13 of the said Article 11 provides for compliance with the quantitative limit to be ensured by means of a double-checking system in accordance with Annex VI to Regulation (EEC) No 3589/82;

Whereas the products in question exported from Thailand to the United Kingdom between 17 July 1984 and the date of entry into force of this Regulation must be set off against the quantitative limit which has been introduced;

Whereas this quantitative limit should not prevent the importation of products covered by it shipped from

Thailand before the date of entry into force of this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Without prejudice to the provisions of Article 2, imports into the United Kingdom of the category of products originating in Thailand and specified in the Annex hereto shall be subject to the provisional quantitative limit set out therein until 16 October 1984.

Article 2

1. Products as referred to in Article 1, shipped from Thailand to the United Kingdom before the date of entry into force of this Regulation and not yet released for free circulation, shall be so released subject to the presentation of a bill of lading or other transport document proving that shipment actually took place before that date.

2. Imports of such products shipped from Thailand to the United Kingdom after the entry into force of this Regulation shall be subject to the double-checking system described in Annex VI to Regulation (EEC) No 3589/82.

3. All quantities of such products shipped from Thailand to the United Kingdom on or after 17 July 1984 and released for free circulation, shall be deducted from the quantitative limit laid down. This provisional limit shall not, however, prevent the importation of products covered by it but shipped from Thailand before the date of entry into force of this Regulation.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

It shall apply until 16 October 1984.

COMMISSION REGULATION (EEC) No 2121/84

of 24 July 1984

introducing a countervailing charge on cherries originating in Hungary

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1035/72 of 18 May 1972 on the common organization
of the market in fruit and vegetables⁽¹⁾, as last
amended by Regulation (EEC) No 1332/84⁽²⁾, and in
particular the second subparagraph of Article 27 (2)
thereof,

Whereas Article 25 (1) of Regulation (EEC) No
1035/72 provides that, if the entry price of a product
imported from a third country remains at least 0,6
ECU below the reference price for two consecutive
market days, a countervailing charge must be intro-
duced in respect of the exporting country concerned,
save in exceptional circumstances; whereas this charge
is equal to the difference between the reference price
and the arithmetic mean of the last two entry prices
available for that exporting country;

Whereas Commission Regulation (EEC) No 1483/84
of 25 May 1984 fixing for the 1984 marketing year the
reference prices for cherries⁽³⁾ fixed the reference
price for products of class I for July 1984 at 103,85
ECU per 100 kilograms net;

Whereas the entry price for a given exporting country
is equal to the lowest representative prices recorded for
at least 30 % of the quantities from the exporting
country concerned which are marketed on all repre-
sentative markets for which prices are available less the
duties and the charges indicated in Article 24 (3) of
Regulation (EEC) No 1035/72; whereas the meaning
of representative price is defined in Article 24 (2) of
Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regula-
tion (EEC) No 2118/74⁽⁴⁾, as last amended by Regula-
tion (EEC) No 3110/83⁽⁵⁾, the prices to be taken into

consideration must be recorded on the representative
markets or, in certain circumstances, on other
markets;

Whereas, for Hungarian cherries, the entry price calcu-
lated in this way has remained at least 0,6 ECU below
the reference price for two consecutive market days;
whereas a countervailing charge should therefore be
introduced for these cherries;

Whereas, if the system is to operate normally, the
entry price should be calculated on the following
basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate, multiplied by the coefficient
provided for in Article 2b (2) of Regulation (EEC)
No 974/71, as last amended by Regulation (EEC)
No 855/84,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded over a given period in
relation to the Community currencies referred to
in the previous indent and the aforesaid coeffi-
cient,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 16,03 ECU per 100 kilo-
grams net is applied to cherries (subheading 08.07 C
of the Common Customs Tariff) originating in
Hungary.
