COMMISSION REGULATION (EEC) No 2341/84

of 10 August 1984

re-establishing the levying of customs duties on camphor, natural refined and synthetic, falling within subheading 29.13 B I b) and originating in China, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3569/83 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3569/83 of 16 December 1983 applying generalized tariff preferences for 1984 in respect of certain industrial products originating in developing countries⁽¹⁾, and in particular Article 13 thereof,

Whereas, pursuant to Article 1 of that Regulation, duties on the products listed in Annex B originating in each of the countries or territories listed in Annex C shall be totally suspended and the products as such shall, as a general rule, be subject to statistical surveillance every three months on the reference base referred to in Article 12; whereas, as provided for in Article 12, where the increase of preferential imports of these products, originating in one or more beneficiary countries, causes, or threatens to cause, economic difficulties in the Community or in a region of the Community, the levying of customs duties may be re-established, once the Commission has had an appropriate exchange of information with the Member States; whereas for this purpose the reference base to be considered shall be, as a general rule, 150 % of the highest maximum amount valid for 1980;

Whereas, in the case of camphor, natural refined and synthetic, falling within subheading 29.13 B I b), the reference base was fixed at 708 500 ECU; whereas, on 9 August 1984, imports of these products into the

Community originating in China, reached the reference base in question after being charged there-against; whereas the exchange of information organized by the Commission has demonstrated that continuance of the preference threatens to cause economic difficulties in a region of the Community; whereas, therefore, customs duties in respect of the products in question must be re-established against China,

HAS ADOPTED THIS REGULATION:

Article 1

As from 17 August 1984, the levying of customs duties, suspended pursuant to Council Regulation (EEC) No 3569/83, shall be re-established on imports into the Community of the following products originating in China:

COMMISSION REGULATION (EEC) No 2342/84

of 25 July 1984

fixing the free-at-frontier reference prices applicable to wine imports from
1 September 1984

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 337/79
of 5 February 1979 on the common organization of
the market in wine ⁽¹⁾, as last amended by Regulation
(EEC) No 1208/84 ⁽²⁾, and in particular Article 18 (8)
thereof,

Whereas Article 18 of Regulation (EEC) No 337/79
lays down special rules relating to the importation of
certain products in the wine-growing sector; whereas
Commission Regulation (EEC) No 1393/76 ⁽³⁾, as last
amended by Regulation (EEC) No 2135/84 ⁽⁴⁾, lays
down the relevant implementing rules; whereas, under
Article 18 (8) of Regulation (EEC) No 337/79, the
Commission is required to fix the free-at-frontier
reference prices;

Whereas the list of free-at-frontier reference prices
should be established taking particular account of
trade requirements and with a view to administrative
simplicity;

Whereas, pursuant to Article 64 (2) (b) of the Act of
Accession of Greece, the Common Customs Tariff
duty is to be applied in full for products in the wine
sector for which a reference price is fixed; whereas it

should therefore be stated that the free-at-frontier
reference prices applicable to Greece are those given
in the 'Other third countries' column, except for
imports of products originating in third countries with
which a Protocol adapting the preferential tariff system
has been concluded and is applicable;

Whereas Article 18 (1) of Regulation (EEC) No 337/79
provides that the free-at-frontier reference prices are to
be equal to the reference price less customs duties
actually levied; whereas the amounts or coefficients
under the system of monetary compensatory amounts
must not be taken into account in assessing the
customs duty to be deducted from the reference price;

HAS ADOPTED THIS REGULATION:

Article 1

The free-at-frontier prices referred to in Article 18 (8)
of Regulation (EEC) No 337/79 shall be as indicated
in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 September
1984.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 25 July 1984.

COMMISSION REGULATION (EEC) No 2343/84

of 10 August 1984

fixing the amounts to be levied in the beef sector on products which left the United Kingdom during the week 23 to 29 July 1984

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Whereas under Article 3 of Regulation (EEC) No 1063/84, an amount equivalent to the amount of the variable slaughter premium granted in the United Kingdom is levied on meat and meat preparations from animals on which it has been paid, when they are consigned to other Member States or to non-member countries;

Whereas, under Article 7 (1) of Commission Regulation (EEC) No 1355/84 of 16 May 1984 laying down detailed rules for the application of the premium for the slaughter of certain adult bovine animals for slaughter in the United Kingdom during the 1984/85 marketing year⁽²⁾, as amended by Regulation (EEC) No 2018/84⁽³⁾, the amounts to be charged on departure from the territory of the United Kingdom of the

products listed in the Annex to the said Regulation must be fixed each week by the Commission;

Whereas, accordingly, the amounts to be levied on products which left the United Kingdom during the week 23 to 29 July 1984 should be fixed,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 2344/84
of 13 August 1984
fixing the import levies on milk and milk products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 804/68
of 27 June 1968 on the common organization of the
market in milk and milk products ⁽¹⁾, as last amended
by Regulation (EEC) No 1557/84 ⁽²⁾, and in particular
Article 14 (8) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 14 of Regulation (EEC) No 804/68
provides for charging a levy on imports of the
products listed in Article 1 of that Regulation;
whereas these products may be divided into groups;
whereas the product groups and the pilot groups and
the pilot product for each of these groups are set out
in Annex I to Council Regulation (EEC) No 2915/79
of 18 December 1979 determining the groups of
products and the special provisions for calculating
levies on milk and milk products and amending Regu-
lation (EEC) No 950/68 on the Common Customs
Tariff ⁽³⁾, as last amended by Regulation (EEC) No
1736/84 ⁽⁴⁾;

Whereas the levy on the products in any one group
must be equal to the threshold price for the pilot
product less the free-at-frontier price; whereas these
threshold prices were fixed for the 1984/85 milk year
by Council Regulation (EEC) No 860/84 of 31 March
1984 ⁽⁵⁾;

Whereas, however, Regulation (EEC) No 2915/79 lays
down special provisions for calculating the levy on
certain assimilated products; whereas these products
are listed and the method of calculating the levy on
them described in Annex II and in Articles 2 to 11 of
that Regulation respectively; whereas this method

consists in adding together the various components
defined in those Articles;

Whereas Commission Regulation (EEC) No 1073/68
of 24 July 1968 laying down detailed rules for deter-
mining free-at-frontier prices and for fixing levies in
respect of milk and milk products ⁽⁶⁾, provides that the
component of the levy fixed by means of a coefficient
expressing the weight ratio between the milk powder
contained in the product and the product itself is, for
the products falling within subheading 04.02 B I b),
calculated by multiplying the basic amount by the
quantity of milk powder contained in the product;
whereas the same applies to products falling within
subheading 04.02 B II b) as regards the component of
the levy fixed by means of a coefficient expressing the
weight ratio between the milk components contained
in the product and the product itself;

Whereas the basic amount must be equal to one
hundredth part of the levy set out for each product in
the second subparagraph of Article 9 (1) and the
second subparagraph of Article 9 (2) of Regulation
(EEC) No 1073/68;

Whereas Annex II to Regulation (EEC) No 2915/79
listed certain products of Group 11 originating in and
consigned from certain non-member countries;
whereas the levy applicable to these products is set out
in Annex I to Regulation (EEC) No 1767/82 ⁽⁷⁾, as last
amended by Regulation (EEC) No 2239/84 ⁽⁸⁾;

Whereas Commission Regulation (EEC) No 3700/81
of 23 December 1981 ⁽⁹⁾ laid down detailed interim
rules in respect of the cheese agreements with Austria
and Finland;

Whereas, within the tariff quotas referred to in Annex
I to Regulation (EEC) No 1767/82, the levy on 100
kilograms of a product of Group 10 or 11 and falling
within subheadings 04.04 E I b) 1 and b) 2 shall be
equal to 12,09 ECU;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 150, 6. 6. 1984, p. 6.

⁽³⁾ OJ No L 329, 24. 12. 1979, p. 1.

⁽⁴⁾ OJ No L 164, 22. 6. 1984, p. 10.

⁽⁵⁾ OJ No L 90, 1. 4. 1984, p. 20.

⁽⁶⁾ OJ No L 180, 26. 7. 1968, p. 25.

⁽⁷⁾ OJ No L 196, 5. 7. 1982, p. 1.

⁽⁸⁾ OJ No L 205, 1. 8. 1984, p. 42.

⁽⁹⁾ OJ No L 369, 24. 12. 1981, p. 33.

Whereas, for as long as it is found that on importation into the Community the price of an assimilated product for which the levy is not equal to the levy on its pilot product is considerably lower than the price which would obtain if the ratio to the price of the pilot product were normal, the levy must be equal to the sum of two components :

- one component equal to the amount resulting from the provisions of Articles 2 to 7 of Regulation (EEC) No 2915/79 applicable to the assimilated product in question,
- an additional component fixed at a level which, the composition and quality of the assimilated product being taken into account, makes it possible to re-establish normal price ratios for imports into the Community ;

Whereas Article 14 (3) of Regulation (EEC) No 804/68 provides that the levy on products in respect of which the customs duty has been bound within GATT must be limited to the amount resulting from that binding ;

Whereas Regulation (EEC) No 1073/68 provides that a free-at-frontier price must be established for each of the pilot products defined in Annex I to Regulation (EEC) No 2915/79 ; whereas these prices must be determined for products of good marketable quality ;

Whereas the free-at-frontier prices must be established on the basis of the most favourable purchasing opportunities in international trade for the products listed in Article 1 (a) 2 and (b) to (g) of Regulation (EEC) No 804/68 other than assimilated products for which the levy is not equal to the levy on the related pilot products ; whereas, when recording these purchasing opportunities, the Commission must take account of all information obtained direct or through the Member States concerning prices for delivery of third-country products free-at-Community-frontier and prices on third-country markets ;

Whereas, however, no account should be taken of information relating to small quantities which are not representative of trade in the products in question and quantities in respect of which price trends in general or other information available to it lead the Commission to believe that the price in question is unrepresentative of the real trend of the market ;

Whereas the prices used must be adjusted where they are not quoted free-at-Community-frontier or where they do not apply to products of good marketable quality ; whereas the adjustment in respect of an assimilated product the levy on which is equal to the levy on its pilot product must be effected in such a way as

to allow, in particular, for differences in composition, maturity, quality and presentation between the assimilated product and the related pilot product ; whereas adjustments relating to composition must be calculated by multiplying the difference between the milk component content of the pilot product and that of the assimilated product in question by the value attributed in international trade to one unit of weight of the milk component in question ; whereas, when the other adjustments are being effected, the difference between the value attributed on the Community market to each of the relevant characteristics of the pilot product and the value attributed on that market to the corresponding characteristics of the assimilated product in question must be taken into account ;

Whereas, if no information on prices is available, the free-at-frontier price may, by way of exception, be established on the basis of the value of the raw materials contained in the pilot product in question (calculated on the basis of the prices of milk products for which prices are available), average processing costs and average yields ;

Whereas, in exceptional circumstances, a free-at-frontier price may remain unchanged for a limited period where the new level of the price for a given quality or a specific origin, used as a basis for establishing the previous free-at-frontier price, has not reached the Commission to enable it to establish the next free-at-frontier price and if the Commission considers that the prices which are available could lead to sudden and considerable changes in the free-at-frontier price because they are not sufficiently representative of real market trends ;

Whereas, in accordance with Article 19 (1) of Regulation (EEC) No 804/68, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff ;

Whereas Article 8 of Regulation (EEC) No 1073/68 provides that the levies are fixed every fortnight ; whereas they may be altered in the intervening period if necessary ; whereas the levy remains valid until another becomes applicable ;

Whereas, if the levy system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71, as last amended by Regulation (EEC) No 855/84,

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent and the aforesaid coefficient;

Whereas it follows from applying these provisions that the levies on milk and milk products should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION :

Article 1

The import levies referred to in Article 14 (1) of Regulation (EEC) No 804/68 shall be as set out in the Annex hereto.

Article 2
