THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

COUNCIL REGULATION (EEC) No 3721/84

of 18 December 1984

on imports into the Community of agricultural products originating in Turkey

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas, by its Decision No 1/80, the EEC-Turkey Association Council decided to abolish the customs duties still applicable to imports into the Community of agricultural products originating in Turkey which may not yet be imported into the Community free of customs duty;

Whereas in respect of such products:

- (a) duties equivalent to or less than 2 % are to be abolished from 1 January 1981;
- (b) duties of more than 2 % are to be abolished in four stages according to the following timetable:

Timetable	Rate of reduction
As from 1 January 1981	30 %
As from 1 January 1983	60 %
As from 1 January 1985	80 %
As from 1 January 1987	100 %

- (c) duties reaching a level of 2 % or less during the process of tariff dismantling are to be abolished completely;

Whereas it is necessary to take measures for the third period beginning 1 January 1985 and ending 31 December 1986;

Whereas Common Customs Tariff duties, which directly influence the level of duties applicable under Decision No 1/80, are often reduced or suspended and it therefor becomes necessary to adjust duties on agricultural imports from Turkey accordingly;

Whereas this Regulation should therefore contain provisions enabling the Member States customs administrations to determine what customs duties should apply to agricultural products originating in Turkey when Common Customs Tariff duties are changed or suspended;

Whereas the Annex to this Regulation takes account of modifications or suspensions of Common Customs Tariff duties applicable on 1 January 1985; whereas, consequently, Member States need only take account of modifications or suspensions applicable from 2 January 1985;

Whereas, in the case of products for which Community rules require a certain import price to be observed, application of the tariff preference is subject to observance of that price;

Whereas, for certain products, detailed rules of application have been established as regards quantities of seasonal restrictions by the exchange of letters of 20 January 1981 between the Community and Turkey ⁽¹⁾, account having been taken of the interests of both parties;

Whereas the step-by-step elimination of the customs duties applied by the Community to imports originating in Turkey does not conflict with the principles and machinery of the common agricultural policy;

Whereas the elimination of customs duties by the Community, as provided for in Article 1 of this Regulation, is subject to the observance of normal conditions of competition by Turkey;

Whereas, in accordance with Article 119 of the 1979 Act of Accession, the Community adopted Council Regulation (EEC) No 3555/80 of 16 December 1980 determining the arrangements to be applied with regard to imports into Greece originating in Algeria, Israel, Malta, Morocco, Portugal, Syria, Tunisia or Turkey ⁽²⁾; whereas this Regulation therefore applies to the Member States other than Greece,

HAS ADOPTED THIS REGULATION:

Article 1

1. Products originating in Turkey which are listed in Annex II to the EEC Treaty, other than those listed in the Annex hereto, shall be put into free circulation in the Member States other than Greece free of customs duty.

⁽¹⁾ OJ No L 65, 11. 3. 1981, p. 36.

⁽²⁾ OJ No L 382, 31. 12. 1980, p. 1.

2. Products originating in Turkey which are listed in the Annex hereto shall be put into free circulation in the Member States other than Greece at the levels of customs duty indicated in each case.

Article 2

1. From 2 January 1985, where Common Customs Tariff duties are reduced or suspended either temporarily or in the context of a tariff quota in relation to certain products listed in the Annex, the customs duties applying to those products originating in Turkey shall be reduced in proportion to the application of the reductions or suspensions.

2. Where duties have been reduced or suspended under the system of generalized preferences or as concessions to countries which have concluded preferential agreements with the Community, those reductions or suspensions shall not be considered as falling under paragraph 1.

3. Where Common Customs Tariff duties are reduced or suspended subject to specific conditions, reduction of duties on imports of products originating in Turkey, as provided for in paragraph 1, shall be subject to the same conditions.

4. Duties reduced or suspended in accordance with paragraph 1 which reach a level equivalent to or less than 2 % shall not be collected. The same rule shall apply to specific duties if their application results in an *ad valorem* charge equivalent to or less than 2 %.

5. The reduced duties calculated in accordance with paragraph 1 shall be applied by rounding up the first decimal place and dropping the second decimal place.

Article 3

1. In case of products for which Community rules require a certain import price to be observed, application of the preferential tariff shall be subject to observance of that price.

In the case of fishery products for which a reference price is fixed, application of the preferential tariff shall be subject to observance of that reference price.

2. For the purposes of the application of this Regulation, originating products means products fulfilling the conditions laid down in Association Council Decision No 4/72 annexed to Regulation

(EEC) No 428/73 ⁽¹⁾, as amended by Decision No 1/75 annexed to Regulation (EEC) No 1431/75 ⁽²⁾.

3. The methods of administrative cooperation for ensuring that imports of the products referred to in Article 1 benefit from the reduced customs duties shall be those laid down in Association Council Decision No 5/72 annexed to Regulation (EEC) No 428/73, as last amended by Decision No 1/78 annexed to Regulation (EEC) No 2152/78 ⁽³⁾.

Article 4

1. The reduction of customs duties by the Community as provided for in Article 1 shall be subject to observance by Turkey of the normal conditions of competition defined in Articles 43 to 47 of the Additional Protocol; if a given product is found to have been the subject of dumping, aids or measures incompatible with the principles set out in the Articles referred to, the Community may, without prejudice to the other provisions of those Articles, reimpose the full duty on imports of that product into the Community until such time as the dumping, aids or other measures have been discontinued.

2. The procedure applicable for implementing paragraph 1 shall be that stipulated in Council Regulation (EEC) No 1842/71 of 21 June 1971 on the protective measures provided for in the Additional Protocol to the Agreement of Association between the European Economic Community and Turkey and in the Interim Agreement between the European Economic Community and Turkey ⁽⁴⁾, without prejudice to the procedures defined in the Articles mentioned in that paragraph.

3. In the event of disturbances or the threat of disturbances on the Community market resulting either from quantities or prices of exports of products originating in Turkey for which customs duties have been removed, consultations shall be held in the Association Council as soon as possible, without prejudice to the application, in the event of an emergency, of measures provided for in Community legislation.

Article 5

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply from 1 January 1985.

COUNCIL REGULATION (EEC) No 3723/84

of 18 December 1984

totally or partially suspending Common Customs Tariff duties on certain products falling within Chapters 1 to 24 of the Common Customs Tariff and originating in Malta (1985)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Regulation (EEC) No 3033/80 of 11 November 1980 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products⁽¹⁾, and in particular Article 12 thereof,

Having regard to the proposal from the Commission,

Whereas, under Annex I to the Agreement establishing an Association between the European Economic Community and Malta⁽²⁾, the Community must partially suspend the Common Customs Tariff duties applicable to certain products; whereas it also appears necessary provisionally to adjust or to supplement certain of the tariff benefits provided for in the abovementioned Annex; whereas, accordingly, the Community should, in respect of the products originating in Malta listed in the Annex to this Regulation, suspend either the fixed component of the levy applicable to goods coming under Regulation (EEC) No 3033/80 or the customs duty applicable to the other products from 1 January to 31 December 1985 and at the levels indicated for each of them;

Whereas in the absence of a protocol provided for in Article 118 of the 1979 Act of Accession, the Community must take the measures referred to in Article 119 of that Act; whereas the tariff measure in question will therefore apply to the Community of Nine,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1985, the products originating in Malta listed in the Annex shall be

admitted for import into the Community of Nine at the customs duties indicated for each of them.

2. For the purposes of the application of this Regulation, the rules of origin shall be those in force at the time as regards the implementation of the Agreement establishing an Association between the European Economic Community and Malta.

Article 2

When products benefiting from the arrangements provided for in Article 1 are imported in the Community in such quantities or at such prices that Community producers of products similar to or in direct competition with them suffer or are likely to suffer from serious disadvantage, the Common Customs Tariff duties may be reintroduced in whole or in part on the products in question. Such measures may also be taken in the event of actual or potential serious disadvantage in a single region of the Community.

Article 3

1. In order to ensure the application of Article 2, the Commission may decide, by means of a Regulation, to reintroduce the levying of customs duties for a limited period.

2. In the event of such action being requested by a Member State, the Commission shall take a decision within a period of not more than 10 working days from receipt of the request and shall inform the Member States of the action taken.

3. Any Member State may refer to the Council the measure taken by the Commission, within a period of not more than 10 working days after it has been informed thereof. The fact that the matter is referred to the Council shall not cause the measure to be suspended. The Council shall meet immediately. It may, acting on a qualified majority, amend or rescind the measure in question.

Article 4

This Regulation shall enter into force on 1 January 1985.

⁽¹⁾ OJ No L 323, 29. 11. 1980, p. 1.

SUB-CONTRACTING TERMINOLOGY

Metal sector — Second edition

The main objective of this terminology is to promote sub-contracting at both national and international level by offering industry in general, and small firms in particular, a harmonized nomenclature enabling them to describe their sub-contracting activities in nine different languages.

It includes definitions of the categories of product, production machinery and main-contractor's products with the equivalents in the other languages covered.

This terminology is a useful multilingual technical guide for sub-contractors and main-contractors who wish to establish contact. It can also serve as a basic classification for any organization interested in a systematic catalogue of the sub-contracting sector.

The terminology is sub-divided into four parts:

Part A: Nomenclature of sub-contract products

Part A is an eight-chapter catalogue of categories of product offered by sub-contractors which can be used to describe the products manufactured by a given sub-contractor and the degree of technical complexity which the sub-contractor can offer.

Part B: Nomenclature of operations and production machinery

This part, likewise divided into eight chapters, is a survey of operations and production machinery used in the sub-contracting sector. It gives some idea of the characteristics of the basic material used, the production methods available and the degree of precision which sub-contractors can offer.

Part C: Nomenclature of main contractor's products

This part is based on the Common Nomenclature of Industrial Products (NIPRO) published by the Statistical Office of the European Communities. It lists the products manufactured by main contractors and identifies the sectors in which a firm has carried out sub-contracting work in the past.

Part D: Company file card

The company file card sums up all the information given in Parts A, B and C in a readily-intelligible form designed to allow a choice to be made of the sub-contractors best equipped to carry out a given order. What is more, it gives an idea of the sub-contractor's capabilities, production machinery and experience.
