COMMISSION REGULATION (EEC) No 1032/85
of 23 April 1985
fixing the export refunds on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat ⁽¹⁾, as last amended by Regulation (EEC) No 2966/80 ⁽²⁾, and in particular the first sentence of Article 15 (5) thereof,

Having regard to Council Regulation (EEC) No 2768/75 of 29 October 1975 laying down general rules for granting export refunds on pigmeat and criteria for fixing the amount of such refunds ⁽³⁾, and in particular Article 5 (1) thereof,

Whereas Article 15 of Regulation (EEC) No 2759/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for these products within the Community may be covered by an export refund ;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as set out below ;

Whereas facilities exist at present for the export of live pigs falling within subheading 01.03 A II b), and for certain products falling within subheading 02.01 A III ; whereas a refund should be fixed for these products taking particular account of the conditions of competition for Community exporters on world markets ;

Whereas, in the case of products falling within subheading 02.06 B I, the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within this subheading and of the foreseeable trend of production costs on the world market ; whereas it is important

that the Community should continue to take part in international trade in the case of certain typical Italian products falling within subheadings 02.06 B I b) 1 and B I b) 5 aa) ;

Whereas, because of the conditions of competition in certain third countries, which are traditionally importers of products falling within subheadings ex 16.01 A and B, ex 16.02 A II and B III a) 2, the refund for these products should be fixed so as to take this situation into account ; whereas steps should be taken to ensure that the refund is granted only for the net weight of the edible substances, to the exclusion of the net weight of the bones possibly contained in the said preparations ;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products ;

Whereas Article 4 of Regulation (EEC) No 2768/75 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 (1) of Regulation (EEC) No 2759/75 according to destination ;

Whereas the Management Committee for Pigmeat has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION :

Article 1

The list of products on which the export refund referred to in Article 15 of Regulation (EEC) No 2759/75 is granted, and the amount of that refund, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 24 April 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 April 1985.

COMMISSION

COMMISSION DECISION

of 15 April 1985

concerning health protection measures against foot-and-mouth disease in
respect of certain fresh meat from Argentina

(85/240/EEC)

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Directive 72/462/EEC of 12
December 1972 on health and veterinary inspection
problems upon importation of bovine animals and
swine and fresh meat from third countries ⁽¹⁾, as last
amended by Directive 83/91/EEC ⁽²⁾, and in particular
Article 28 thereof,

Whereas information received by the Commission
indicates that a large number of outbreaks of foot-
and-mouth disease have occurred in the endemic zone
of Argentina since December 1984; whereas that area
of Argentina south of the 42° parallel continues to be
free of foot-and-mouth disease no vaccination being
practised there; whereas, however, in this latter area
there is no establishment approved for the importation
of fresh meat from bovine animals in the Community;

Whereas Commission Decision 78/693/EEC ⁽³⁾, as last
amended by Decision 84/354/EEC ⁽⁴⁾, laid down
animal health conditions and veterinary certification
for imports of fresh meat from Argentina notably on
account of the situation with regard to foot-and-mouth
disease in Argentina;

Whereas, because of the increase in the spread of foot-
and-mouth disease and the parallel risk associated with
trade in meat from Argentina to the Community the

prohibition of imports of certain categories of fresh
meat should be applied;

Whereas the Commission will keep the situation in
Argentina under close surveillance in order that this
Decision may be amended or revoked as necessary;

Whereas the measures provided for in this Decision
are in accordance with the opinion of the Standing
Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

Member States shall prohibit from 15 May 1985 the
introduction into the territory of the Community of
offal of bovine animals including bovine lungs from
Argentina.

Article 2

The Commission will keep the situation under review
and this Decision may be amended in the light of
developments therein.

Article 3

The Decision is addressed to the Member States.

EUROPEAN REGIONAL DEVELOPMENT FUND

Ninth Annual Report (1983)

The ERDF, one of the Community's structural funds, was set up in 1975 to correct the principal regional imbalances within the Community. ERDF aid is accordingly granted in areas and regions suffering from imbalances resulting in particular from the predominance of agriculture, industrial change and structural under-employment. Such regions, which are determined in agreement with the Member States, are generally the areas covered by national regional aid schemes, these areas being approved by the Commission in accordance with Articles 92 and 94 of the Treaty establishing the European Economic Community. The ERDF provides assistance by making grants which support and supplement national regional development efforts.

As well as reporting on the ERDF activities in 1983, this publication also provides a review of the nine years (1975 to 1983) that the ERDF has been in existence.
